EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://antipaminerals.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF A DIRECTOR GARY JOHNSON

3.1 General

Listing Rule 14.4 and clause 15.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Gary Johnson, having held office without re-election since 19 November 2021, and being eligible, retires by rotation and seeks re-election.

If this Resolution is not passed, Mark Rodda will not continue in his role as Executive Chair. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). The Company is an Eligible Entity.

5.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. <p>Shareholders should note that there is a risk that:</p> <ol style="list-style-type: none"> the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

REQUIRED INFORMATION	DETAILS
	<p>Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.</p> <p>The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:</p> <ul style="list-style-type: none"> (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).

6. RESOLUTIONS 5 TO 9 – APPROVAL TO ISSUE OPTIONS TO DIRECTORS – STEPHEN POWER, ROGER MASON, MARK RODDA, PETER BUCK AND GARY JOHNSON

6.1 General

The Company has agreed, subject to obtaining Shareholder approval, to issue up to an aggregate of 46,500,000 Options (**Options**) to Directors of the Company, Stephen Power, Roger Mason, Mark Rodda, Peter Buck and Gary Johnson (or their nominees) (**Related Parties**) on the terms and conditions set out below.

Resolutions 5 to 9 seek Shareholder approval for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11 for the issue of the Options to the Related Parties.

Further details in respect of issue are set out in the table below.

RECIPIENT	RESOLUTION	OPTIONS
Stephen Power (or his nominee)	Resolution 5	6,000,000
Roger Mason (or his nominee)	Resolution 6	15,000,000
Mark Rodda (or his nominee)	Resolution 7	13,500,000
Peter Buck (or his nominee)	Resolution 8	6,000,000
Gary Johnson (or his nominee)	Resolution 9	6,000,000
Total		46,500,000

6.2 Director recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Options should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

6.3 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of Options to the Related Parties constitutes giving a financial benefit and each of the Related Parties is a related party of the Company by virtue of being a Director.

As the Options are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue of the Options. Accordingly, Shareholder approval for the issue of Options to the Related Parties is sought in accordance with Chapter 2E of the Corporations Act.

6.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

6.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue and will have to renegotiate the terms of the Options proposed to be issued to the Related Parties on less incentivised terms, potentially misaligning incentives for the Related Parties.

6.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Options will be issued	The proposed recipients of the Options are set out in Section 6.1 above.
Categorisation under Listing Rule 10.11	Each of the proposed recipients falls within the category set out in Listing Rule 10.11.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Options may constitute 'associates' for the purposes of Listing Rule 10.11.4.
Number of Options	The maximum number of Options to be issued (being the nature of the financial benefit proposed to be given) and the allocation between the recipients is set out in the table included at Section 6.1 above.
Terms of Options	The terms and conditions of the Options are set out in Schedule 1.
Date(s) on or by which the Options will be issued	The Options will be issued no later than 1 month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules) and it is intended that issue of the Options will occur on the same date.
Price or other consideration the Company will receive for the Options	The issue price of the Options will be nil. The Company will not receive any other consideration in respect of the issue of the Options (other than in respect of funds received on exercise of the Options)
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue of the Options is to provide a performance linked incentive component in the remuneration package for the Related Parties to align the interests of the Related Parties with those of Shareholders, to motivate and reward the performance of the Related Parties in their roles as Directors and to provide a cost effective way for the Company to remunerate the Related Parties, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties
Consideration of type and quantum of Security to be issued	<p>(a) The Options are unquoted Options; therefore, the issue of the Options has no immediate dilutionary impact on Shareholders.</p> <p>(b) The deferred taxation benefit which is available to the Related Parties in respect of an issue of Options is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company.</p> <p>(c) It is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.</p> <p>(d) The number of Options to be issued to each of the Related Parties has been determined based upon:</p> <p>(i) current market standards and/or practices of other ASX listed companies of</p>

7. RESOLUTION 10 – CONFIRMATION OF APPOINTMENT OF AUDITOR

On 18 April 2024, in accordance with section 327C of the Corporations Act 2001, the Company appointed BDO Audit Pty Ltd (**BDO Audit**) as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, BDO Audit (WA) Pty Ltd (**BDO WA**), in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, BDO Audit holds office as auditor of the Company until the Company's next annual general meeting, being the meeting the subject of this Notice.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of BDO Audit as the auditor of the Company and its controlled entities.

The appointment of BDO Audit, is a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA. As part of becoming a national entity, BDO WA is being replaced by BDO Audit for the provision of BDO's audit services in Western Australia. In effect, there will be no change to the auditor of the Company.

In accordance with section 328B(1) of the Corporations Act, notice in writing nominating BDO Audit as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to the Notice as Schedule 3.

BDO Audit Pty Ltd has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

If Resolution 10 is passed, the appointment of BDO Audit as the Company's auditor will take effect at the close of this Meeting.

If Resolution 10 is not passed, the Company will need to appoint a new auditor other than BDO Audit.

7.1 Board Recommendation

The Board recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.
