---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the Auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at [www.srgglobal.com.au](http://www.srgglobal.com.au).

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

## 6. RESOLUTION 5 – CONFIRMATION OF APPOINTMENT OF AUDITOR

### 6.1 Background

On 10 May 2024, in accordance with section 327C of the Corporations Act, the Company appointed BDO Audit Pty Ltd (**BDO Audit**) as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, BDO Audit (WA) Pty Ltd (**BDO WA**), in accordance with section 329(5) of the Corporations Act 2001.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, BDO Audit holds office as auditor of the Company until the Company's next Annual General Meeting, being the meeting the subject of this Notice of Meeting.

In accordance with section 327B(1)(b) of the Corporations Act, the Company now seeks Shareholder approval for the ongoing appointment of BDO Audit as auditor of the Company and its controlled entities.

The appointment of BDO Audit, is a result of BDO WA restructuring its audit practice whereby audits will be conducted by BDO Audit, an authorised audit company, rather than BDO WA. As part of becoming a national entity, BDO WA is being replaced by BDO Audit for the provision of BDO's audit services in Western Australia. In effect, there will be no change to the auditor of the Company.

Section 328B(1) of the Corporations Act requires that written notice of nomination of a new auditor be received from a member of the Company. The Company has received such a nomination from BDO Audit Pty Ltd, in their capacity as a member of the Company. A copy of the nomination is set out in Annexure A.

BDO Audit Pty Ltd has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

If Resolution 5 is passed, the appointment of BDO Audit Pty Ltd as the Company's new auditor will take effect at the close of this Annual General Meeting.

## 6.2 Board Recommendation

The Board recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.

## 7. RESOLUTIONS 6 AND 8 – ISSUE OF INCENTIVE PERFORMANCE RIGHTS TO RELATED PARTIES

### 7.1 General

The SRG Global Remuneration and Nomination Committee (**RNC**) engaged an Independent Remuneration Consultant (**IRC**) to review the remuneration of the Executive KMP comprising the Managing Director (**MD**), David Macgeorge and the Chief Financial Officer (**CFO**), Roger Lee. The summary of the key findings from the IRC (**IRC Report**) are set out below:

**Total Remuneration Opportunity (TRO):** Both the MD and CFO's TRO are below the median of our peer group. In undertaking their assessment, the IRC developed a peer group of ASX listed companies, with comparable industry and commercial characteristics such as activities, geographies, sectors, size and customers. The Board considers this peer group to be appropriate for benchmarking purposes, as it represents where SRG is likely to gain or lose talent from. In line with our remuneration strategy, SRG seeks to position its remuneration against the median of our benchmarking peer group.

**Long-Term Incentive (LTI) Deficiency:** The MD and CFO receive substantially lower number and proportion of LTIs than relevant industry peers, undermining the alignment of their interests with long-term company performance and shareholder outcomes.

**Key Person Risk:** The current remuneration structure increases the risk of executive turnover, potentially disrupting leadership continuity and strategic initiatives.

### BOARD RECOMMENDATION

The Board has reviewed the strategic implications of the IRC Report and has accepted the recommendations in the report as it believes those recommendations are aligned with Shareholder interests and reinforces the Company's commitment to fair and responsible remuneration, in line with the Company's internal policies and corporate governance standards along with recognising the Long-Term Incentive Deficiency that has existed for the MD and CFO over their 10 year tenure with the Company. The Board also considered additional factors such as the need to retain the MD and CFO during this phase of transformational growth and acquisition integration, experience, business performance and delivering the long term strategy.

The Board also considered recent feedback from proxy advisers that the LTI be measured over a three year performance period and have now implemented this from this grant onwards.

By implementing Resolutions 6 and 8, the Company can effectively align its executive remuneration to be market competitive, attract, retain and motivate key talent and support the achievement of long-term strategic goals. These measures will mitigate risks associated with executive turnover, ensure leadership continuity, and foster a culture of sustained performance and accountability, ultimately safeguarding long-term shareholder value.

Following careful consideration of the IRC report, the Board has agreed, subject to obtaining Shareholder approval, to issue an aggregate of 4,000,000 Performance Rights, comprising four annual tranches, to David Macgeorge and Roger Lee (the **Related Parties**) (or their respective nominees), pursuant to the Company's incentive scheme entitled "Performance Rights Plan" approved by Shareholders on 12 October 2023 (**Performance Rights Plan or Plan**) and on the terms and conditions set out below (**Incentive Performance Rights**):

RECIPIENT	PERFORMANCE RIGHTS	PERFORMANCE PERIOD	PERFORMANCE HURDLE

The Performance Rights will vest on a linear basis between the hurdles. This Resolution seeks the required Shareholder approval for the issue of the Incentive Performance Rights under and for the purposes of Listing Rule 10.14.

## 7.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Performance Rights to the Related Parties (or their respective nominees) constitutes giving a financial benefit and the Related Parties are each a related party of the Company by virtue of being a Director.

The Directors (other than the Related Parties) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Incentive Performance Rights, because the issue of Incentive Performance Rights constitutes reasonable remuneration payable to the Related Parties.

## 7.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue of Incentive Performance Rights to the Related Parties (or their respective nominees) falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

## 7.4 Technical information required by Listing Rule 14.1A

If Resolutions 6 and 8 are passed, the Company will be able to proceed with the issue of the Incentive Performance Rights to the Related Parties (or their respective nominees) under the Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Incentive Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolutions 6 and 8 are not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to the Related Parties (or their respective nominees) under the Plan.

## 8. RESOLUTIONS 7 AND 9 – ISSUE OF RETENTION PERFORMANCE RIGHTS TO RELATED PARTIES

### 8.1 General

The RNC engaged an IRC to review the remuneration of the KMP. The summary of the key findings from the IRC are set out below:

**Total Remuneration Opportunity (TRO):** Both the MD and CFO's TRO are below the market median.

**Long-Term Incentive (LTI) Deficiency:** The MD and CFO receive substantially lower LTIs than industry comparators, undermining the alignment of their interests with long-term company performance.

**Key Person Risk:** The current remuneration structure increases the risk of executive turnover, potentially disrupting leadership continuity and strategic initiatives.

#### BOARD RECOMMENDATION

As discussed in Section 7 above, the RNC engaged an IRC to review the Company's current Executive KMP remuneration framework, identifying a number of key findings. The Board reviewed the strategic implications of the IRC Report and accepted the recommendations. Some of the changes enacted are discussed in Section 7.

However, the Board determined it appropriate to also issue an additional one-off grant of retention performance rights to our Managing Director and CFO, to specifically address the key findings of the IRC Report around the historical deficiencies of our LTI quantum over their 10 year tenure and resulting key person risk.

The Board has also considered the significant value created in the Company driven by the MD and CFO over the last 10 years including growing the Company's market capitalisation from \$30m to \$700m, increasing EBITDA from \$10m to a forecast of \$125m in FY25 and growing revenue from \$170m to ~\$1.4b. The Board has also factored in each individual's unique expertise, experience and attractiveness to the external market.

The intention is to recognise the Long-Term Incentive Deficiency that has existed for the MD and CFO over their 10 year tenure with the Company and to ensure the MD and CFO's long term commitment to the Company, during this critical phase of growth, which is reflected by the five year service period required for vesting.

By implementing the one off Resolutions 7 and 9, the Company can effectively recognise and fairly reward the MD and CFO for the value created and ensure their long term commitment to the business, ultimately safeguarding long-term shareholder value.

The Company has agreed, subject to obtaining Shareholder approval, to issue an aggregate of 5,000,000 Performance Rights the Related Parties (or their respective

nominees), pursuant to the Performance Rights Plan and on the terms and conditions set out below (**Retention Performance Rights**):

RECIPIENT	PERFORMANCE RIGHTS	VESTING CONDITION
David Macgeorge	3,000,000	David Macgeorge remaining continuously employed or otherwise engaged by the Company up to and including 30 June 2029.
Roger Lee	2,000,000	Roger Lee remaining continuously employed or otherwise engaged by the Company up to and including 30 June 2029.

#### Performance Hurdles

Performance Period	ASR Hurdle	% Vesting
1 July 2024 – 30 June 2029	25.0%	50%
1 July 2024 – 30 June 2029	35.0%	100%

The Performance Rights will vest on a linear basis between the ASR hurdles. This Resolution seeks the required Shareholder approval for the issue of the Retention Performance Rights under and for the purposes of Listing Rule 10.14.

#### 8.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E is set out in Section 7.2.

The issue of the Retention Performance Rights to the Related Parties (or their respective nominees) constitutes giving a financial benefit and the Related Parties are each a related party of the Company by virtue of being a Director.

The Directors (other than the Related Parties) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Retention Performance Rights, because the issue of Retention Performance Rights constitutes reasonable remuneration payable to the Related Parties.

#### 8.3 Listing Rule 10.14

A summary of Listing Rule 10.14 is set out in Section 8.3.

The issue of Retention Performance Rights to the Related Parties (or their respective nominees) falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

#### 8.4 Technical information required by Listing Rule 14.1A

If Resolutions 7 and 9 are passed, the Company will be able to proceed with the issue of the Retention Performance Rights to the Related Parties (or their respective nominees) under the Plan within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Retention Performance Rights (because approval is being obtained under Listing Rule 10.14), the issue of the Retention Performance Rights will not use up any of the Company's 15% annual placement capacity.

If Resolutions 7 and 9 are not passed, the Company will not be able to proceed with the issue of the Retention Performance Rights to the Related Parties (or their respective nominees) under the Plan.

## 9. RESOLUTION 10 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES

### 9.1 General

On 27 August 2024 the Company issued 72,593,423 Shares (**Placement Shares**) to certain sophisticated and professional investors at an issue price of \$0.83 per Placement Share to raise \$60,252,541 under the institutional placement announced by the Company on 20 August 2024 (**Placement**).

The Company engaged the services of Bell Potter Securities Limited (ACN ABN 25 006 390 772) (**Bell Potter**) to act as sole lead manager, underwriter and bookrunner to the Placement and agreed to pay Bell Potter:

- (a) a management fee of 1.0% of the amount raised under the Placement in consideration for its lead manager and bookrunner services; and
- (b) an underwriting fee of 2.0% of the amount raised under the Placement.

### 9.2 The Company may, in its sole discretion, pay Bell Potter a further incentive fee of 0.5% of the proceeds of the Placement. Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

### 9.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

This Resolution seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

### 9.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity

securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the Placement Shares.

If this Resolution is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

## 9.5 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to this Resolution:

REQUIRED INFORMATION	DETAILS
<b>Names of persons to whom Securities were issued or the basis on which those persons were identified/selected</b>	Professional and sophisticated investors who were identified through a bookbuild process, which involved Bell Potter seeking expressions of interest to participate in the capital raising from non-related parties of the Company.  The Company confirms that no Material Persons were issued more than 1% of the issued capital of the Company.
<b>Number and class of Securities issued</b>	72,593,423 Placement Shares were issued.
<b>Terms of Securities</b>	The Placement Shares were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
<b>Date(s) on or by which the Securities were issued</b>	27 August 2024.
<b>Price or other consideration the Company received for the Securities</b>	\$0.83 per Placement Share.
<b>Purpose of the issue, including the intended use of any funds raised by the issue</b>	The purpose of the issue was to raise capital, which was applied towards partially funding the Company's acquisition of Diona Pty Ltd (ACN 001 904 258) and Purple Hire Services Pty Limited (ACN 100 265 978) on 2 September 2024.
<b>Summary of material terms of agreement to issue</b>	The Placement Shares were not issued under an agreement.
<b>Voting Exclusion Statement</b>	A voting exclusion statement applies to this Resolution.
<b>Compliance</b>	The issue did not breach Listing Rule 7.1.

## 10. RESOLUTION 11 – APPROVAL UNDER SECTION 260B(2) OF THE CORPORATIONS ACT 2001 (CTH)

### 10.1 The Acquisition

The Company has purchased the entire issued share capital of Diona Pty Ltd (ACN 001 904 258) and Purple Hire Services Pty Limited (ACN 100 265 978) (the **Targets**) under a share sale agreement dated 19 August 2024 between, amongst others, Conmas Group Pty Ltd (ACN 100 255 623) and the Company (the **Acquisition**).

On completion of the Acquisition, the Company became the Listed Australian Holding Company of the Targets.

### 10.2 Background to the requirement for financial assistance

#### (a) Restrictions on companies giving financial assistance

Pursuant to section 260A(1) of the Corporations Act a company may financially assist a person to acquire shares in the company or a holding company of the company only if:

- (i) giving the assistance does not materially prejudice:
  - (A) the interests of the company or its shareholders; or
  - (B) the company's ability to pay its creditors; or
- (ii) the assistance is approved by shareholders under section 260B of the Corporations Act; or
- (iii) the assistance is exempted under section 260C of the Corporations Act.

The requirements for shareholder approval of financial assistance under section 260B of the Corporations Act are described in section 6.2(b).

(b) **Shareholder approval of financial assistance**

Under section 260B(1) of the Corporations Act, for a company to financially assist a person to acquire shares in itself or a holding company of the company, the financial assistance must be approved by its shareholders by:

- (i) a special resolution passed at a general meeting of the company, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (ii) a resolution agreed to, at a general meeting, by all ordinary shareholders.

If, immediately after the acquisition, the company will be a subsidiary of another domestic corporation that is listed in Australia (**Listed Australian Holding Company**), then the financial assistance must also be approved by a special resolution passed under section 260B(2) at a general meeting of the Listed Australian Holding Company.

(c) **Approval by shareholders of the Company under section 260B(2)**

The purpose of this Explanatory Statement is to explain in further detail the proposed Resolution 11 set out in the Notice which must be passed under section 260B(2) of the Corporations Act to enable the Targets (as defined above) of which the Company is the Listed Australian Holding Company to financially assist the Company in connection with the Acquisition (as defined above).

#### 10.4 **Financial assistance**

(a) **Accession to the Finance Documents**

It is proposed that, pursuant to the terms of the Finance Documents, the Targets accede to the relevant Finance Documents pursuant to an accession deed under each of:

- (iv) consent or agree to amendments to the Finance Documents, including amendments that make their obligations more onerous;
- (v) provide additional support which may include incurring additional obligations and/or providing additional guarantees, mortgages and/or charges on the same or different terms to the Security; and

## 10.5 Resolution - approval under section 260B(2) of the Corporations Act 2001 (Cth)

### (a) Financial assistance approvals

The entry by each Target into, and the performance by each Target of its rights and obligations under the Finance Documents and the Security and the participation by each Target in the funding arrangements and other transactions, all as described above, constitutes the giving of financial assistance in connection with the Acquisition, within the meaning of Part 2J.3 of the Corporations Act.

Pursuant to section 260B of the Act, it is proposed that the giving by each Target of the financial assistance be approved by:

- (i) a resolution agreed to by all ordinary shareholders of each Target pursuant to section 260B(1) of the Corporations Act; and
- (ii) Resolution 11 pursuant to section 260B(2) of the Corporations Act.

### (b) Reasons for giving financial assistance

The reason for the giving of the financial assistance described above is to enable each Target to accede to the Finance Documents and have access to the facilities under those documents as borrowers.

### (c) Effect of financial assistance

As the Company is already liable for the amounts payable under the Finance Documents, the giving of the financial assistance described in this explanatory statement by each Target is unlikely to have any adverse effect on the Company, except each Target will be restricted by the representations and undertakings given by it under the Finance Documents.

The substantial effect of the financial assistance on each Target is that each Target will have guaranteed all amounts payable under the Finance Documents and granted security for such obligations over its assets and undertaking. The operations of each Target will also be restricted by the representations and undertakings given by it under the Finance Documents.

The directors of the Company do not currently believe that either the Company, the other original guarantors or each Target are likely to default in their obligations under the Finance Documents.

### (d) Advantages of the proposed resolution

The advantage to the Company of the proposed resolution is that each Target will be able to accede to the Finance Documents and so have access to the facilities under those documents.

The advantages of the proposed resolution to each Target include:

- (i) the directors of the Company believe that the Financing provided sufficient funding to enable the Company to fund the group's operations and also to finance the Acquisition; and
- (ii) each Target will have access to additional working capital facilities either directly by becoming a borrower under the Facilities or indirectly by greater access to funds.

The directors of the Company believe that approving the transactions contemplated by this Explanatory Statement is in the interests of the Company.

(e) **Disadvantages of the proposed resolution**

As the Company is already liable for and has provided security over its assets to secure the amounts due under the Finance Documents, the directors of the Company do not believe there are any disadvantages to the Company of the proposed resolution, except that the operations of each Target will be restricted by the representations and undertakings given by it under the Finance Documents.

The disadvantages of the proposed resolution for each Target include the following:

- (i) they will become liable for the amounts due under the Finance Documents;
- (ii) their assets will be subject to the Security and their operations will be restricted by the representations and undertakings given by them under the Finance Documents;
- (iii) the Borrower may default under the Finance Documents;
- (iv) the Lenders may make a demand under the guarantees provided by a Target requiring immediate repayment of the amounts due under the Finance Documents; and
- (v) either of the Lenders may enforce the guarantee and/or security granted by a Target to recover the amounts due.

A demand made under the guarantees may result in the winding up of a Target and a sale of that Target's assets by the Security Trustee upon an enforcement of the Security may result in a return to the Company (and ultimately its shareholders) significantly lower than could have been achieved by the Company had those assets been sold in the ordinary course of business or had that Target continued trading.

(f) **Passing Resolution 11**

Resolution 11 is set out in the Notice that accompanies this Explanatory Statement.

Resolution 11 will be passed if 75% of votes cast are in favour of the resolution.

The shareholders may vote either for or against Resolution 11.

**10.6 Recommendation**

The directors unanimously recommend that the Shareholders vote in favour of Resolution 11 to approve the giving of financial assistance.

**10.7 Prior notice to Australian Securities & Investments Commission**

As required by section 260B(5) of the Corporations Act, copies of the Notice and this Explanatory Statement as sent to the Shareholders were lodged with the Australian Securities & Investments Commission prior to their dispatch to the Shareholders.

**10.8 Disclosure**

The directors consider that this Explanatory Statement contains all information known to the Company that would be material to the Shareholders in deciding how to vote on the proposed resolution other than information which it would be unreasonable to require the Company to include because it has been previously disclosed to the shareholders of the Company.

- (a) 50% of the Performance Rights will be subject to milestones based on the Company's Absolute Shareholder Return (**ASR**) (**Shareholder Return Performance Rights**):
- (i) one quarter of the Shareholder Return Performance Rights shall be subject to a milestone based upon the achievement of the ASR (as set out in section 2 below) for the period between 1 July 2022 and 30 June 2025;
  - (ii) one quarter of the Shareholder Return Performance Rights shall be subject to a milestone based upon the achievement of the ASR rate (as set out in section 2 below) for the period between 1 July 2023 – 30 June 2026;
  - (iii) one quarter of the Shareholder Return Performance Rights shall be subject to a milestone based upon the achievement of the ASR rate (as set out in section 2 below) for the period between 1 July 2024 – 30 June 2027;
  - (iv) one quarter of the Shareholder Return Performance Rights shall be subject to a milestone based upon the achievement of the ASR or RSR rate (as determined by the Board on 30 June 2025) for the period between 1 July 2025 – 30 June 2028;
  - (v) 1 July 2022 – 30 June 2025, 1 July 2023 – 30 June 2026, 1 July 2024 – 30 June 2027 and 1 July 2025 to 30 June 2028 are each a performance period (**Performance Period**);
  - (vi) for the purpose of paragraphs (a)(i), (a)(ii), (a)(iii) and (a)(iv) above the ASR performance will be the percentage change in the Share price of the Company measured over the relevant Performance Period as adjusted to included dividend returns. The vesting of the Shareholder Return Performance Rights in respect of the ASR milestone will be subject to the Board determining the relevant ASR milestone and that percentage of Shareholder Return Performance Rights to be subject to the ASR milestone;
  - (vii) for the purpose of paragraphs (a)(i), (a)(ii), (a)(iii) and (a)(iv) above RSR is a measure of the performance of the Company's Shares over each Performance Period as compared to a relevant ASX index or a relevant peer group (Comparison Group) as defined by the Company. RSR milestones are valuable because the Company needs to outperform the Comparison Group for participants to receive any rewards and, therefore, is aligned to relative market performance. The RSR milestone is measured as the percentage movement in the Share price of the Company relative to the Comparison Group. The vesting of the Shareholder Return Performance Rights in respect of the RSR milestone will be subject to the Board determining the relevant RSR milestone and that percentage of Shareholder Return Performance Rights to be subject to the RSR milestone; and
  - (viii) For the purpose of paragraphs (a)(i), (a)(ii), (a)(iii) and (a)(iv) above, the share price comparison will be based on the 5 day volume weighted average price of Shares quoted on the applicable stock exchange immediately prior to commencement of the relevant Performance Period and immediately prior to the end of the relevant Performance Period.

- (b) 50% of the Performance Rights will be subject to milestones based on the Company's compound annual growth rate in earnings per share (**EPS**) (**EPS Performance Rights**):
- (i) one quarter of the EPS Performance Rights shall be subject to a milestone based upon the Company's EPS growth rate (as set out in section 2 below) for the period between 1 July 2022 and 30 June 2025;

  - (iii) one quarter of the EPS Performance Rights shall be subject to a milestone based upon the Company's EPS growth rate (as set out in section 2 below) for the period between 1 July 2024 – 30 June 2027; and
  - (iv) one quarter of the Shareholder Return Performance Rights shall be subject to a milestone based upon the achievement of the ASR or RSR rate (as determined by the Board on 30 June 2025) for the period between 1 July 2025 – 30 June 2028;
  - (v) for the purpose of paragraphs, (b)(i), (b)(ii), (b)(iii) and (b)(iv) above, the EPS will be based on the underlying earnings per Share as disclosed by the Company to ASX for each relevant Performance Period.

(together, the **Milestones**).

The Board will assess the overall performance of the Company at the end of each Performance Period, based on the vesting conditions. This assessment will determine the extent of vesting of the Shareholder Return Performance Rights and EPS Performance Rights. The results achieved will be communicated to participants, including Mr Macgeorge and Roger Lee, and to Shareholders as part of the Company's annual remuneration reporting obligations.

## How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

### APPOINTMENT OF PROXY

**Voting 100% of your holding:** Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

**Voting a portion of your holding:** Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

**Appointing a second proxy:** You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

**A proxy need not be a securityholder of the Company.**

### SIGNING INSTRUCTIONS FOR POSTAL FORMS

**Individual:** Where the holding is in one name, the securityholder must sign.

**Joint Holding:** Where the holding is in more than one name, all of the securityholders should sign.

**Power of Attorney:** If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

**Companies:** Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
