1. Introduction

This Explanatory Memorandum forms part of this Notice of Meeting and has been prepared to provide Shareholders with information to consider the Resolutions contained in this Notice of Annual General Meeting. The Annual General Meeting of the Company will be held on 27 November 2024 commencing at 10:00 am (AEDT) at the RMA Global head offices at Level 1, 112-114 Balmain Street, Cremorne VIC 3121 and online at https://us02web.zoom.us/webinar/register/WN_QVUgFyJfRJO2XggB5XvLIQ

The Board recommends that Shareholders read this Explanatory Memorandum carefully and in its entirety before making any decision in relation to the Resolutions.

Capitalised terms not defined in this Notice of Meeting have the meaning given in the Glossary in Section 4 of this Explanatory Memorandum.

2. Financial statements and report

The Corporations Act requires:

- (a) the reports of the directors and auditors; and
- (b) the annual financial report, including the financial statements of the Company,

for the financial year ended 30 June 2024, to be laid before the Annual General Meeting. Neither the Corporations Act nor the Constitution require a vote of Shareholders on the reports or statements. However, Shareholders as a whole will be given a reasonable opportunity to raise questions or comments on the financial statements and reports contained in the Company's 2024 Annual Report and on the performance of the Company generally.

Also, a reasonable opportunity will be given to Shareholders as a whole at the Meeting to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements in the Company's 2024 Annual Report and the independence of the auditor in relation to the conduct of the audit.

Shareholders can access a copy of the 2024 Annual Report on the Company's website at <https://www.rma-global.com/>.

3. Resolutions

Resolution 1: Remuneration Report

Shareholders are asked to adopt the Company's Remuneration Report. The Remuneration Report is in the 2024 Annual Report of the Company and is also available on the Company's website at <https://www.rma-global.com/>.

The Remuneration Report:

- (a) describes the policies behind and structure of the remuneration arrangements of the Company and the link between the remuneration of employees and the Company's performance;
- (b) sets out the remuneration arrangements in place for each Director and for specified senior executives of the Company; and
- (c) explains the differences between the bases for remunerating non-executive Directors and executives, including any executive Directors.

The Corporations Act requires the agenda for an Annual General Meeting to include a non-binding resolution that the Remuneration Report be adopted. Should 25% or more of the votes cast on this Resolution (in person, by proxy, attorney or by representative) be against approval of the Remuneration Report, then at the 2025 Annual General Meeting the resolution to approve next year's Remuneration Report must be approved by more than 75% of the votes cast to avoid a resolution being put to the 2025 Annual General Meeting to consider a spill of the Board.

A reasonable opportunity for discussion of, and comment on, the Remuneration Report will be provided at the Annual General Meeting.

The vote on Resolution 1 is advisory only and will not bind the Directors or the Company. The Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies of the Company.

Board recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as described in the Remuneration Report), and that each Director (or any closely related party of a Director) is excluded from voting their Shares on Resolution 1, the Board recommends that Shareholders **vote in favour** of Resolution 1 to adopt the Remuneration Report.

Resolution 2, 3 & 4: Re-election of Directors

Clause 63 of the Constitution provides that no Director, who is not the managing director, may hold office for a continuous period in excess of three years or until the third annual general meeting following the Director's appointment or election, whichever is the longer, without submitting for re-election. If no such Director is required to submit for re-election, the ASX Listing Rules still require an election of Directors to be held. The Director to retire will be the Director who has been longest in office since their last election and as between persons who became Directors on the same day, the one to retire will (unless they otherwise agree among themselves) be determined by lot.

In accordance with the above clause of the Constitution and ASX Listing Rules, Mr. Max Oshman, Mr. Charlie Oshman and Mr. David Williams retire and being eligible, offers themselves for re-election. Their biographic details are set out below.

Resolution 5: Election of new Director

In accordance with ASX Listing Rule 14.4, a director appointed as an addition to the Board must not hold office (without election) past the next annual general meeting of the entity.

Clause 62.1 of the Constitution provides that only the Directors may appoint any person as a Director to fill a casual vacancy or as an addition to the existing Directors. Further, clause 62.2 of the Constitution provides that unless the Director is the Managing Director and the ASX Listing Rules do not require that Director to be subject to retirement as set out in clause 62 of the Constitution, a Director appointed under clause 62.1 will hold office until the end of the next annual general meeting of the Company, at which the Director may be re-elected.

Board recommendation

The Board (excluding Mr. Shane Greenan, who abstains from making a recommendation) recommends supporting the election of Mr. Shane Greenan and recommends that Shareholders **vote in favour** of Resolution 5.

Resolution 6: Approval of Rights Plan

6.1 Explanation

The Board has reviewed the current equity based incentive plans in place and has formed the view that a new equity incentive plan is appropriate to foster strong alignment between the interests of employees and shareholders in the creation of long term sustainable shareholder value. In designing the Rights Plan, the Board has considered the following:

- **Incentivising Performance:** Aligning the interests of key employees with Shareholders by rewarding the creation of shareholder value.
- **Attracting and Retaining Talent:** A competitive options / rights scheme is essential to attract and retain high-calibre talent in a competitive market.
- **Company Growth:** The Board believes that linking rewards to the long-term performance of the Company will drive sustainable growth and innovation.

6.2 The need for shareholder approval

ASX Listing Rule 7.2 (Exception 13) provides that any Equity Securities issued under an employee incentive scheme that has been approved by shareholders within the last three years are not counted when calculating the maximum number of Equity Securities that a company may issue without shareholder approval under the 15% cap in ASX Listing Rule 7.1.

The Rights Plan is a new employee incentive scheme that has not previously been approved by Shareholders. As a result, the Rights Plan is being put to Shareholders for approval at this AGM for the purposes of ASX Listing Rule 7.2 (Exception 13).

6.4 Effect if the resolution is passed or not passed

If the resolution is passed, the Company will be able to issue options and rights under the Rights Plan without the issue reducing the number or Equity Securities that may be issued within the 15% limit prescribed by ASX Listing Rule 7.1.

The Company has the ability to issue a maximum of 15% of issued share capital (98,269,519 Rights/Shares) under the Rights Plan in the next three years and in accordance with the Listing Rule 7.2 (Exception 13) approval (if obtained). At present it is proposing to issue 15,960,261 Rights under the Rights Plan after Shareholder approval is received for Resolutions 7 to 12 shortly after the AGM.

If the resolution is not passed, any issues of options or rights under the Rights Plan will reduce the number of Equity Securities that the Company may issue within the 15% limit prescribed by ASX Listing Rule 7.1.

6.5 Recommendation

Noting the voting exclusion that applies to Resolution 6, the Board recommends that Shareholders **vote in favour** of Resolution 6.

Resolutions 7 to 12: Director participation in Rights Plan

7.1 The need for shareholder approval

ASX Listing Rule 10.14 provides that an entity must only allow directors or their associates to acquire securities under an employee incentive scheme with the approval of shareholders and provided the notice of meeting complies with the requirements set out in ASX Listing Rule 10.15. Under ASX Listing Rule 7.2 (Exception 14), issues of securities that receive shareholder approval under ASX Listing Rule 10.14 do require approval under ASX Listing Rule 7.1. The Rights Plan is an employee incentive scheme for the purposes of the ASX Listing Rules.

The Board proposes to issue Rights to David Williams, Edward van Rosendaal, Charlie Oshman, Max Oshman, Ashley Farrugia and Shane Greenan under the Rights Plan, and therefore seeks Shareholder approval under ASX Listing Rule 10.14.

Resolution 13: Approval of 10% Placement Capacity

13.1 General

ASX Listing Rule 7.1A enables an Eligible Entity (defined below) to seek shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company's 15% placement capacity under ASX Listing Rule 7.1.

An Eligible Entity for the purposes of ASX Listing Rule 7.1A is an entity that is (a) not included in the S&P/ASX 300 Index; and (b) has a market capitalisation of \$300 million or less. The Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of less than \$300 million.

The Company is seeking Shareholder approval to have the ability to issue Equity Securities under the 10% Placement Capacity. The number of Equity Securities to be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as described below).

Resolution 13 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

13.2 ASX Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Capacity is subject to shareholder approval by way of a special resolution at an annual general meeting only.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, Shares (ASX:RMY).

(c) Formula for calculating 10% Placement Capacity

ASX Listing Rule 7.1A.2 provides that Eligible Entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the "relevant period" (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

plus the number of fully paid shares issued in the relevant period under an exception in ASX Listing Rule 7.2, other than exception 9, 16 or 17;

For personal use only

plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:

- (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
- (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;

plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:

- (i) the agreement was entered into before the commencement of the relevant period; or
- (ii) the agreement or issue was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;

plus the number of fully paid shares issued in the relevant period with approval of holders of shares under ASX Listing Rule 7.1 or 7.4;

plus the number of partly paid shares that became fully paid in the relevant period;

less the number of fully paid shares cancelled in the relevant period.

Note that **A** has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity;

D is 10%; and

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under ASX Listing Rule 7.1 or 7.4.

(d) ASX Listing Rule 7.1 and ASX Listing Rule 7.1A

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 as set out above.

(e) Minimum Issue Price

The issue price of Equity Securities issued under ASX Listing Rule 7.1A must be not less than 75% of the VWAP on ASX of Shares calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Capacity under ASX Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Company's annual general meeting at which the approval is obtained (ie this Meeting);

- (ii) the time and date of the Company's next annual general meeting (ie the Company's 2025 annual general meeting); and
- (iii) the date of shareholder approval of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

13.3 Effect of Resolution

The effect of Resolution 13 will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1 or otherwise obtaining shareholder approval.

13.4 Specific information required by ASX Listing Rule 7.3A

In accordance with ASX Listing Rule 7.3A, information is provided as follows:

- (a) If Resolution 13 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table.

There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

- (b) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in ASX Listing Rule 7.1A(2) as at the date of the Notice.

- (c) The table also shows:

- (i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in ASX Listing Rule 7.1 A.2		Dilution		
		\$0.029 50% decrease in Issue Price	\$0.058 Issue Price	\$0.116 100% increase in Issue Price
Current Variable A 557,942,632 Shares	10% Voting Dilution	55,794,263 Shares	55,794,263 Shares	55,794,263 Shares
	Funds raised	\$1,618,034	\$3,236,067	\$6,472,135
50% increase in current Variable A 836,913,948 Shares	10% Voting Dilution	83,691,395 Shares	83,691,395 Shares	83,691,395 Shares
	Funds raised	\$2,427,050	\$4,854,101	\$9,708,202
100% increase in current Variable A 1,115,885,264 Shares	10% Voting Dilution	111,588,526 Shares	111,588,526 Shares	111,588,526 Shares
	Funds raised	\$3,236,067	\$6,472,135	\$12,944,269

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity;
 - (ii) No options or other convertible securities are exercised into Shares before the date of the issue of the Equity Securities;
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting;
 - (v) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
 - (vi) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares; and
 - (vii) The issue price is \$0.058, being the closing price of the Shares on ASX on 23 October 2024.
- (d) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 13 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities or ASX Listing Rule 11.2 (disposal of main undertaking).
- (e) The Company may seek to issue Equity Securities to use the funds raised towards the ongoing development of the Company's proprietary software technology, general working capital to facilitate the operations of the Company's existing business, as well as the expansion of the Company's operations both domestically and internationally through the acquisition of assets, businesses or investments.

- (f) The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.
- (g) The Company's allocation policy for the 10% Placement Capacity is dependent on the prevailing market conditions at the time of any proposed issue under it. The identity of the subscribers of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).
- (h) In the 12 months preceding the date of the Meeting, the Company did not issue any securities under ASX Listing Rule 7.1A.2.
- (i) At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Therefore there is no voting exclusion in the Notice.

13.5 Board recommendation

The Board believes that Resolution 13 is in the best interests of the Company and unanimously recommends that Shareholders **vote in favour** of this Resolution 13.

The Chairman intends to exercise all available proxies in favour of Resolution 13.

Resolution 14: Approval of issue of Initial Consideration Shares

14.1 Background

On Tuesday, 22 October 2024, the Company announced to the ASX that RateMyAgent, Inc. (**Buyer**), a Delaware corporation and subsidiary of the Company, had entered into a binding agreement (**Agreement**) to acquire Steps Marketing, Inc. (trading as Curated Social) from Mr. Joseph E. Duenat and Mr. Christopher J. Curtis (**Acquisition**). A summary of the Agreement is set out further below. Relevantly, under the Agreement, the Buyer agrees to procure the issue of US\$1 million worth of Shares to Mr. Joseph E. Duenat and Mr. Christopher J. Curtis in part consideration for the Acquisition (**Initial Consideration Shares**). The balance of the initial consideration for the Acquisition is US\$1.5 million. There is also a potential earn-out which is discussed in the summary of the Agreement set out further below.

Broadly, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of the Initial Consideration Shares does not fall within any of the exceptions set out in ASX Listing Rule 7.2. While the proposed issue of the Initial Consideration Shares does not exceed the 15% limit in ASX Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval under ASX Listing Rule 7.1. To do this, the Company is seeking Shareholders' approval for the issue of the Initial Consideration Shares under ASX Listing Rule 7.1 so that it does not use up any of the 15% limit on issuing Equity Securities without Shareholder approval under ASX Listing Rule 7.1.

To this end, Resolution 14 seeks Shareholder approval to the issue of the Initial Consideration

Shares under and for the purposes of ASX Listing Rule 7.1.

14.2 Information required by the ASX Listing Rules

14.4 Board recommendation

The Board believes that Resolution 14 is in the best interests of the Company and unanimously recommends that Shareholders **vote in favour** of this Resolution 14.

Resolution 15: Ratification of issue of Ratification Shares

15.1 Ratification Shares

On Tuesday, 22 October 2024, the Company announced to the ASX that it had launched a capital raising comprising of:

- (a) a placement to institutional and sophisticated investors (including certain Directors) in Australia, New Zealand and certain other foreign jurisdictions without disclosure (**Placement**) to raise approximately A\$3 million at A\$0.048 per Share to fund the Acquisition. The Placement to certain Directors is subject to Shareholder approval at the AGM; and
- (b) a share purchase plan, under which the existing Shareholders, registered in Australia or New Zealand as at 7:00 pm on the record date (being Monday, 21 October 2024), will each be offered an opportunity to subscribe for up to A\$2 million worth of Shares at \$0.048 per Share with the capacity for oversubscriptions at the Company's absolute discretion and subject to any scale back at the absolute discretion of the Company (**SPP**),

(the Placement and the SPP are collectively referred to as the **Offer**).

The Company will issue 62,500,000 Shares under the Placement, with 55,520,833 of these Shares being issued to institutional and sophisticated investors that are not Directors on or around Monday, 28 October 2024 (**Ratification Shares**), using the Company's placement capacity under ASX Listing Rule 7.1.

The Company is seeking Shareholder approval for the Ratification Shares for the purposes of ASX Listing Rule 7.4 and for all other purposes and as described further below.

15.2 ASX Listing Rules

Generally, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Ratification Shares does not fit within any of the exceptions to ASX Listing Rule 7.1 and was not previously approved by Shareholders under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 provides that where a company in general meeting approves a previous issue of Equity Securities made under ASX Listing Rules 7.1 (and provided that the previous issue did not breach ASX Listing Rules 7.1), those Equity Securities will be treated as having been made with shareholder approval for the purpose of ASX Listing Rule 7.1. Accordingly, Shareholder approval under ASX Listing Rule 7.4 will refresh the Company's ability in the future to issue up to 15% of its share capital without obtaining prior Shareholder approval to the extent of the number of Equity Securities being approved.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without the requirement to obtain prior Shareholder approval for such issues under

ASX Listing Rule 7.1. To this end, Resolution 15 seeks Shareholder approval for the issue of the Ratification Shares under and for the purposes of ASX Listing Rule 7.4.

If Resolution 15 is passed, the issue of the Ratification Shares will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 months following the date of issue of the Ratification Shares.

If Resolution 15 is not passed, the issue of the Ratification Shares will be included in calculating the Company's 15% limit under ASX Listing Rules 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 months following the date of issue of the Ratification Shares.

15.3 Information required by the ASX Listing Rules

For the purposes of ASX Listing Rule 7.5, the following information is provided:

The name of the persons to whom the entity issued or agreed to issue the securities or the basis on which those person were identified or selected	Certain institutional and sophisticated investors who participated in the Placement.
The number and class of securities the Company will issue	55,520,833 Shares.

15.4 Board recommendation

The Board believes that Resolution 15 is in the best interests of the Company and unanimously recommends that Shareholders **vote in favour** of this Resolution 15.

Resolutions 16 to 19: Approval of issue of Shares to Directors

16.1 Director Placement Shares

As announced on Tuesday, 22 October 2024, David Williams, Ashley Farrugia, Shane Greenan and Max Oshman (or their associated entities) committed to apply for a total of 6,979,167 Shares in the Placement in the proportions set out in the table below, subject to Shareholder approval

For personal use only

(Director Placement Shares) (Related Party Recipients).

Director	Director Placement Shares
David Williams	5,208,333
Ashley Farrugia	416,667
Shane Greenan	312,500
Max Oshman	1,041,667

16.2 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in section 210 to 216 of the Corporations Act.

The issue of the Director Placement Shares to the Related Party Participants constitutes giving a financial benefit and each Related Party Participant is a related party of the Company by virtue of being a Director.

Section 210 of the Corporations Act provides that shareholder approval under section 208 is not required if the financial benefit to be provided to the related party is on terms that would be reasonable in the circumstances if the company and the related party were dealing at arm's length or are less favourable than those terms.

The Directors consider that Shareholder approval under Chapter 2E of the Corporations Act is not required in respect of the issue of the Director Placement Shares because these securities are to be issued to those parties at the same price and on the same terms and conditions as to all other subscribers under the Placement.

16.3 ASX Listing Rules requirements

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party (ASX Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (ASX Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (ASX Listing Rule 10.11.3);
- (d) an associate of a person referred to in ASX Listing Rules 10.11.1 to 10.11.3 (ASX Listing Rule 10.11.4); or

For personal use only

(e) a person whose relation with the company or a person referred to in ASX Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (ASX Listing Rule 10.11.5),

unless it obtains the approval of its shareholders.

The Related Party Participants are related parties of the Company (and therefore within the category in ASX Listing Rule 10.11.1) by virtue of being Directors. As the issue of the Director Placement Shares involves the issue of securities to a related party of the Company, Shareholder approval under ASX Listing Rule 10.11 is required unless an exception applies. It is the view of the Board that the exceptions in ASX Listing Rule 10.12 do not apply in the current circumstances.

Resolutions 16 to 19 seek the required Shareholder approval for the issue of the Director Placement Shares under and for the purposes of ASX Listing Rule 10.11.

If Resolutions 16 to 19 are passed, the Company will be able to proceed with the issue of the Director Placement Shares to the Related Party Participants within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the ASX Listing Rules) and the Related Party Participants will be able to participate in the Placement. As it is an exception from ASX Listing Rule 7.1 under ASX Listing Rule 7.2 Exception 14 if shareholder approval for an issue of Equity Securities is obtained under ASX Listing Rule 10.11, the issue of the Director Placement Shares will not use up any of the Company's placement capacity under that rule.

If Resolutions 16 to 19 are not passed, the Related Party Participants will not be able to participate in the Placement.

16.4 Information required by the ASX Listing Rules

For the purposes of ASX Listing Rule 10.13, the following information is provided:

If Resolutions 16 to 19 are approved by Shareholders, then in accordance with Exception 14 in ASX Listing Rule 7.2, an issue of securities made with approval of the holders of an entity's ordinary securities under ASX Listing Rule 10.11 operates as an exception to ASX Listing Rule 7.1.

The Board (with Ashley Farrugia abstaining, being a Director who participated in the Placement, subject to receiving Shareholder approval, has a material personal interest in Resolution) recommends that Shareholders vote in favour of Resolution 17.

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
