Defined terms

Terms used in this Notice of Annual General Meeting have the meaning given to them in the Glossary in **Section A** of this Notice of Annual General Meeting.

ORDINARY BUSINESS

1. Financial statements and reports

To receive and consider the Company's 2024 Annual Report, which comprises the Directors' Report, the Auditor's Report and the Financial Report for the financial year ended 30 June 2024.

2. Resolution 1: Adoption of Remuneration Report

To consider and, if thought fit, pass the following resolution as an **ordinary resolution**:

"That, for the purposes of section 250R(2) of the Corporations Act, and for all other purposes, Shareholders adopt the Remuneration Report for the financial year ended 30 June 2024 as disclosed in the Directors' Report for the year ended 30 June 2024."

Please note that the vote on this resolution is advisory only, and does not bind the Directors or the Company.

Short Explanation: This Resolution is required as a result of section 250R(2) of the Corporations Act, which requires that a resolution that the Remuneration Report of the Company be adopted must be put to a vote. The vote on this Resolution is advisory only and does not bind the Company.

Voting exclusion statement: In accordance with section 250R of the Corporations Act, a vote on this Resolution must not be cast (in any capacity) by or on behalf of either of the following persons:

- a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- a Closely Related Party of such member.

However, the above persons may cast a vote on this Resolution if:

- the person does so as a proxy; and
- the vote is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the remuneration report or a Closely Related Party of such a member; and
- either:
 - the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
 - the voter is the Chair of the Annual General Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on this Resolution and expressly authorises the Chair to vote as the proxy even if this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company or, if the Company is part of a consolidated entity, for the entity.

SPECIAL BUSINESS

3. Resolution 2: Re-election of Mr Pasquale Rombola

To consider and, if thought fit, pass the following resolution as an **ordinary resolution**:

"That Mr Pasquale Rombola, who retires by rotation in accordance with ASX Listing Rule 14.5 and rule 39.1(c) of the Constitution, and being eligible, be re-elected as a Director of the Company."

Short Explanation: This Resolution is required as rule 39.1(c) of the Constitution provides that at each annual general meeting, one third of the Directors for the time being must retire from office and will be eligible for re-election. ASX Listing Rule 14.5 requires that a listed company must have at least one director stand for election or re-election at each annual general meeting.

4. Resolution 3: Re-election of Professor Ian Frazer

To consider and, if thought fit, pass the following resolution as an **ordinary resolution**:

"That Professor Ian Frazer, who retires by rotation in accordance with ASX Listing Rule 14.5 and rule 39.1(c) of the Constitution, and being eligible, be re-elected as a Director of the Company."

Short Explanation: This Resolution is required as rule 39.1(c) of the Constitution provides that at each annual general meeting, one third of the Directors for the time being must retire from office and will be eligible for re-election. ASX Listing Rule 14.5 requires that a listed company must have at least one director stand for election or re-election at each annual general meeting.

5. Resolution 4: Approval of 10% Placement Facility

To consider and, if thought fit, pass the following resolution as a **special resolution**:

"That, pursuant to and in accordance with ASX Listing Rule 7.1A and for all other purposes, Shareholders approve the issue of equity securities up to 10% of the issued capital of the Company (at the time of issue) calculated in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 and on the terms and conditions referred to, in the Explanatory Statement accompanying this Notice."

Short Explanation: Approval under ASX Listing Rule 7.1A will enable the Company to issue "equity securities" up to a further 10% of its issued Share capital through placements over a 12-month period after the Annual General Meeting (**10% Placement Facility**). This is in addition to its 15% Placement Capacity under ASX Listing Rule 7.1.

Voting exclusion statement: The Company will disregard any votes cast in favour of this Resolution by a person (and any associates of such a person) who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue (except a benefit solely by reason of being a holder of ordinary securities in the Company).

However, this does not apply to a vote cast in favour of this resolution by:

- a person or proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on this resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on this resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary, provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on this resolution; and
 - the holder votes on this resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

6. Resolution 5: Renewal of the Microba Employee Incentive Plan and the issue of equity securities under the Microba Employee Incentive Plan

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an **ordinary resolution**:

“That, for the purposes of Listing Rule 7.2 (Exception 13(b)) and for all other purposes, approval is given for the Company to adopt the employee incentive scheme titled Microba Employee Incentive Plan and for the issue of a maximum of 44,785,197 equity securities under that Plan, on the terms and conditions set out in the Explanatory Statement.”

Short Explanation: Under ASX Listing Rule 7.2 Exception 13(b), an issue of securities under an incentive scheme will not reduce the 15% placement capacity in ASX Listing Rule 7.1 if within 3 years before the issue date of those securities the Shareholders have approved the issue of Equity Securities under the incentive scheme as an exception to ASX Listing Rule 7.1 and the notice of meeting includes all required information.

ASX Voting exclusion statement: The Company will disregard any votes cast in favour of this Resolution by or on behalf of any person who is eligible to participate in the Microba Employee Incentive Plan or an associate of that person.

However, this does not apply to a vote cast in favour of a resolution by:

- a person or proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Corporations Act voting prohibition statements: In accordance with section 250R of the Corporations Act, a vote on this Resolution must not be cast (in any capacity) by or on behalf of either of the following persons:

- a member of the Key Management Personnel whose remuneration details are included in the remuneration report; or
- a Closely Related Party of such member.

However, the above persons may cast a vote on this Resolution if:

- the person does so as a proxy; and
- the vote is not cast on behalf of a member of the Key Management Personnel whose remuneration details are included in the remuneration report or a Closely Related Party of such a member; and
- either:
 - the voter is appointed as a proxy by writing that specifies the way the proxy is to vote on this Resolution; or
 - the voter is the Chair of the Annual General Meeting and the appointment of the Chair as proxy does not specify the way the proxy is to vote on this Resolution and expressly authorises the Chair to vote as the proxy even if this Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel of the Company or, if the Company is part of a consolidated entity, for the entity.

7. Resolution 6: Amendment to Constitution

To consider and, if thought fit, to pass, with or without amendment, the following resolution as a **special resolution**:

“That, for the purposes of section 136(2) of the Corporations Act and for all other purposes, approval is given for the Company to amend its Constitution to include a new clause 4.5 setting the issue cap for issues of Securities under the Microba Employee Incentive Plan to 10% of the issued capital of the Company for the purposes of Section 1100V(2) of the Corporations Act.”

Short Explanation: This Resolution is a special resolution seeking approval to amend the Constitution for the purposes of section 1100(V) of the Corporations Act to permit the Company to issue Securities under the Microba Employee Incentive Plan up to a maximum of 10% of the issued capital of the Company.

Under new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under employee incentive plan that do not require a monetary payment (e.g., zero exercise price options or performance rights) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must comply with an issue cap which is set at 5% under the Corporations Act unless raised by the company’s constitution.

OTHER BUSINESS

To transact any other business which may be brought forward in accordance with the Constitution.

Section C – How to vote

If you are entitled to vote at the Annual General Meeting, you may vote by attending the meeting in person or by proxy or, in the case of corporate shareholders, by corporate representative.

1. How to vote

If you are entitled to vote at the Annual General Meeting, you may vote by attending the Annual General Meeting in person or by attending the meeting by proxy.

Please note that if you intend to attend the Annual General Meeting, you will need your shareholder number (which can be found on your Proxy Form) for verification purposes.

2. Corporations

To vote at the Annual General Meeting, a Shareholder that is a corporation must appoint an individual to act as its representative. The appointment must comply with section 250D of the Corporations Act. Alternatively, a corporation may appoint a proxy.

3. Voting in person

To vote in person, attend the meeting on the date and at the time and place set out above.

4. Voting by proxy

All Shareholders who are entitled to participate in and vote at the Annual General Meeting have the right to appoint a proxy to participate in the Annual General Meeting and vote in their place. A proxy need not be a Shareholder and can be an individual or a body corporate.

A Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the proportion, or number, of votes which each proxy is entitled to exercise. If no proportion or number is specified, each proxy may exercise up to half of the Shareholder's votes.

Shareholders and their proxies should be aware that:

- (a) if a proxy votes, they must cast all directed proxies as directed; and
- (b) any directed proxies which are not voted will automatically default to the Chair, which must vote the proxies as directed.

To vote by proxy, you must complete and lodge the Proxy Form using one of the following methods:

Online	Lodge the Proxy Form online at https://investor.automic.com.au/#/loginsah by following the instructions: Login to the Automic website using the holding details as shown on the Proxy Form. Click on 'View Meetings' – 'Vote'. To use the online lodgement facility, Shareholders will need their holder number (Securityholder Reference Number (SRN) or Holder Identification Number (HIN)) as shown on the front of the Proxy Form. For further information on the online proxy lodgement process please see the Online Proxy Lodgement Guide at https://investor.automic.com.au/#/loginsah
By post	Automic, GPO Box 5193, Sydney NSW 2001
By hand	Automic, Level 5, 126 Phillip Street, Sydney NSW 2000

For details on how to complete and lodge the Proxy Form, please refer to the instructions on the Proxy Form.

For your proxy appointment to be effective, it must be received by the Company not less than 48 hours before the Meeting (i.e. by 11.00am AEST (Brisbane time) on Wednesday, 27 November 2024). Proxy Forms received later than this time will be invalid.

You can direct your proxy on how to vote (i.e. to vote 'for' or 'against', or to 'abstain' from voting on, each Resolution) by following the instructions either online or on the Voting Form. A proxy may decide whether to vote on an item of business, except where the proxy is required by law or the Constitution to vote, or abstain from voting in his or her capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may only vote on the item as directed. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit.

If you appoint the Chair as your proxy but do not direct the Chair on how to vote, then by completing and submitting your voting instructions you are expressly authorising the Chair to vote in favour of each item of business, even where an item of business is directly or indirectly connected to the remuneration of a member of the Key Management Personnel of the Company. The Chair intends to vote all available (including undirected) proxies in favour of all Resolutions, subject to the applicable voting exclusions and prohibitions.

You cannot lodge a direct vote and appoint a proxy for the same voting rights. The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the Meeting and voting personally. If the Shareholder votes on a Resolution, the proxy must not vote as the Shareholder's proxy on that Resolution.

5. Eligibility to vote

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations that the persons eligible to vote at the Annual General Meeting are those that are registered Shareholders as at 7.00 p.m. AEST (Brisbane time) on Wednesday, 27 November 2024. 6. Voting procedure – on a poll

All Resolutions at this Annual General Meeting will be decided on a poll. Upon a poll, every person entitled to vote who is present in person, or by proxy, will have one vote for each voting share held by that person.

Defined terms

Terms used in this Explanatory Statement have the meaning given to them in the Glossary in **Section A** of this Notice of Annual General Meeting in which this Explanatory Statement is contained.

GENERAL INFORMATION

1. Agenda Item 1 – Financial statements and reports

1.1 Purpose

The Corporations Act requires that the report of the directors (**Directors' Report**), the auditor's report (**Auditor's Report**) and the financial report (**Financial Report**) be laid before the Annual General Meeting.

The 2024 Annual Report for the year ended 30 June 2024 includes the Directors' Reports, the Auditor's Report and the Financial Report (which includes the financial statements and directors' declaration).

Apart from the matters involving remuneration which are required to be voted upon, neither the Corporations Act nor the Constitution require a vote of shareholders at the Annual General Meeting on the 2024 Annual Report.

1.2 Questions to the Chair

Shareholders will be given reasonable opportunity at the Annual General Meeting to raise questions and make comments on the 2024 Annual Report.

In addition to asking questions at the meeting, Shareholders may address written questions to the Chair about the management of the Company or to the Company's auditor, Ms Cheryl Mason of Pitcher Partners, if the question is relevant to:

- the content of the Auditor's Report; or
- the conduct of its audit of the Financial Report to be considered at the Annual General Meeting.

Note: Under section 250PA(1) of the Corporations Act a shareholder must submit the question to the Company no later than the fifth business day before the day on which the Annual General Meeting is held.

Written questions for the Company's auditor must be delivered by 5:00 p.m. AEST (Brisbane time) on Friday, 22 November 2024 to:

The Company Secretary
 Microba Life Sciences Limited
 Level 10, 324 Queen Street
 Or via email to: James.Heath@microba.com.

2. Resolution 1: Adoption of Remuneration Report

2.1 Purpose of Resolution

The Remuneration Report of the Company for the financial year ended 30 June 2024 is set out in the Directors' Report contained in the 2024 Annual Report.

The Remuneration Report sets out the Company's remuneration arrangements for the executive and non-executive Directors and executive employees of the Company.

The Corporations Act at section 250R(2) requires that a resolution that the Remuneration Report of the Company be adopted must be put to a vote.

A reasonable opportunity will be given for the discussion of the Remuneration Report at the meeting.

This Resolution is an ordinary resolution.

2.2 Voting consequences

In accordance with the Corporations Act, the vote on this Resolution is advisory only and does not bind the Company.

However, Part 2G.2, Division 9 of the Corporations Act provides that if at least 25% of the votes cast on this Resolution are voted against the adoption of the Remuneration Report at the Annual General Meeting, then:

- (a) if comments are made on the Remuneration Report at the Annual General Meeting, the Company's Remuneration Report for the next financial year will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's reason for this; and
- (b) if at the next Annual General Meeting, at least 25% of the votes cast on the resolution for adoption of the Remuneration Report are against such adoption, the Company will be required to put to Shareholders a resolution proposing that a general meeting be called to consider the election of Directors of the Company (**Spill Resolution**). If a Spill Resolution is passed, all of the Directors, other than the managing director, will cease to hold office at the subsequent general meeting, unless re-elected at that meeting.

2.3 Voting exclusion and Directors' recommendations

As set out in the notes to this Resolution, a voting exclusion statement applies with respect to the voting on this Resolution by certain persons connected to the Company.

As the resolution relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with section 250R(2) of the Corporations Act, makes no recommendations regarding this Resolution.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of this Resolution, subject to compliance with the Corporations Act.

3. Resolution 2: Re-election of Mr Pasquale Rombola

3.1 Purpose of Resolution

Mr Pasquale Rombola retires in accordance with rule 39.1(c) of the Constitution and ASX Listing Rule 14.5, and being eligible, offers himself for re-election as a Director.

This Resolution is an ordinary resolution.

3.2 The law

Rule 39.1(c) of the Constitution provides that at each annual general meeting, one third of the Directors for the time being must retire from office and will be eligible for re-election.

ASX Listing Rule 14.5 requires that a listed company must have at least one director stand for election or re-election at each annual general meeting.

Given the Company has six Directors, the Company agreed that Mr Pasquale Rombola would stand down and offer himself for re-election.

3.3 Director resume

3.4 Mr Rombola has over 30 years' corporate and financial experience in Australia, Asia and the United Kingdom. He spent 19 years in senior positions with Morgan Stanley and Deutsche Bank, including 7 years in the role of Managing Director. 5. Resolution 4: Approval of 10% Placement Facility

5.1 Purpose of Resolution

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under ASX Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**10% Placement Facility**).

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$300 million or less.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% Placement Facility provided for in ASX Listing Rule 7.1A to issue Equity Securities without shareholder approval.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in the ASX Listing Rules 7.1 and 7.1A without further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in ASX Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in ASX Listing Rule 7.1.

5.2 The law — Description of ASX Listing Rule 7.1A

(a) Shareholder Approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an Annual General Meeting.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice of the Annual General Meeting, has on issue 447,851,977 Shares.

(c) **Formula for Calculating the 10% Placement Facility**

ASX Listing Rule 7.1A.2 provides that eligible entities which have obtained Shareholder approval at an Annual General Meeting may issue or agree to issue, during the 12-month period after the date of the Annual General Meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid ordinary securities issued in the 12 months under an exception to ASX Listing Rule 7.2 other than exceptions 9, 16 or 17;
- (ii) plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the 12-month period; or
 - (B) the issue of, or agreement to issue the convertible securities was approved or taken under these rules to have been approved under ASX Listing Rule 7.1 or 7.4;
- (iii) plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved, or taken under these rules to have been approved under ASX Listing Rule 7.1 or 7.4;
- (iv) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under ASX Listing Rule 7.1 or 7.4;
- (v) plus the number of any other fully paid ordinary securities that became fully paid in the relevant period; and
- (vi) less the number of fully paid ordinary securities cancelled in the last 12 months.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the shares where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

(d) **ASX Listing Rule 7.1 and ASX Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under ASX Listing Rule 7.1A is in addition to the entity's 15% placement capacity under ASX Listing Rule 7.1.

In accordance with ASX Listing Rule 7.1, as at the date of this Notice of Annual General Meeting, the Company currently has on issue 447,851,977 Shares and the capacity to issue 67,177,796 Equity Securities (based on this share number).

Under ASX Listing Rule 7.1A the Company requests an additional 10% capacity which will increase the total number of Equity Securities that can be placed without Shareholder approval to 111,962,994 for the next 12 months.

The actual number of Equity Securities that the Company will have capacity to issue under ASX Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (refer to paragraph (c) above).

(e) **Minimum Issue Price**

The Company may seek to issue the Equity Securities in consideration for cash only. The issue price of Equity Securities issued under ASX Listing Rule 7.1A must not be less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under ASX Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the Annual General Meeting at which approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by Shareholders of a transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(10% Placement Period).

5.3 Effect of ASX Listing Rule 7.1A

The effect of this Resolution will be to allow the Directors to issue the Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

5.4 Specific information required by ASX Listing Rule 7.3A

In accordance with ASX Listing Rule 7.3A, information is provided as follows:

- (a) **Minimum price** - The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (iv) the date on which the price at which the Equity Securities are to be issued is agreed; or

- (v) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (iv) above, the date on which the Equity Securities are issued.
- (a) **Risk** - If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:
- (vi) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
- (vii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

- (b) **Dilution** - The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice of Annual General Meeting.

The table also shows:

- (i) two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro-rata entitlements issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Number of Shares on issue (Variable "A" in Listing ASX Rule 7.1A.2)	No. of Shares issued under 10% placement capacity (10% voting dilution)	Dilution		
		Issue price		
		\$0.09	\$0.18	\$0.27
		Issue price at 50% decrease to current price	Issue price at current price	Issue price at 50% increase in current price
Funds raised				
Current Shares 447,851,977	44,785,197	\$4,030,667.73	\$8,061,335.46	\$12,092,003.19
50% increase to the current Shares 671,777,965	67,177,796	\$6,046,001.64	\$12,092,003.28	\$18,138,004.92
100% increase to the current Shares 895,703,954	89,570,395	\$8,061,335.55	\$16,122,671.10	\$24,184,006.65

* The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table has been prepared on the following assumptions:

- (i) the Company issues the maximum number of Equity Securities available under the 10% Placement Facility;

- (ii) no convertible securities (including any convertible securities issued under the 10% Placement Facility) are converted into Shares before the date of issue of the Equity Securities;
 - (iii) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;
 - (iv) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting;
 - (v) the table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% placement capacity under ASX Listing Rule 7.1;
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares; and
 - (vii) The issue price is \$0.18 being the closing price of Shares on the ASX on 8 October 2024.
- (c) **Period of approval** - The Company will only issue the Equity Securities during the 10% Placement Period. The approval of this Resolution for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under ASX Listing Rule 11.1.2 (a significant change of the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking).
- (d) **Purpose of issue** - The Company may seek to issue the Equity Securities in consideration for cash only. In such circumstances, the Company intends to use the funds raised towards funding growth initiatives, as cash consideration for the acquisition of new assets and/or other investments, or as cash for general working capital purposes.
- (e) **Disclosure obligations** - The Company will comply with the disclosure obligations under ASX Listing Rule 7.1A.4. Namely, upon issue of any Equity Securities:
- (i) it will state in its announcement of the proposed issue under ASX Listing Rule 3.10.3 or in its application for quotation of the securities under ASX Listing Rule 2.7 that the securities are being issued under ASX Listing Rule 7.1A; and
 - (ii) give to the ASX immediately after the issue a list of names of the persons to whom the Equity Securities are issued and the number of Equity Securities issued to each.
- (f) **Allocation policy** - The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iii) the financial situation and solvency of the Company; and
 - (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of the Notice of Annual General Meeting but may include existing substantial Shareholders and/or new Shareholders who are not a related party or an associate of a related party of the Company.

- (g) **Issues in prior 12 months** - The Company obtained shareholder approval under ASX Listing Rule 7.1A at the 2023 Annual General Meeting. In the past 12 months, the Company has not issued any Shares under Listing Rule 7.1A.
- (h) **Voting Exclusion statement** - A voting exclusion statement is included in the Notice of Annual General Meeting. At the date of the Notice of Annual General Meeting, the Company is not proposing to make an issue of equity securities under rule 7.1A.2, as such, no existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice of Annual General Meeting.

5.5 Voting exclusion and Directors' recommendations

The Board recommends that Shareholders vote in favour of this Resolution.

This Resolution is a special resolution and so requires the approval of 75% or more of the votes cast by Shareholders.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of this Resolution.

6. Resolution 5: Renewal of the Microba Employee Incentive Plan and the issue of equity securities under the Microba Employee Incentive Plan

6.1 Purpose of Resolution

A key component of remuneration provided to senior employees and executives is long-term incentives. Long-term incentives ensure employees have part of their remuneration aligned with Shareholder success.

One of the key foundations of the Company's equity incentive program is the Company's employee incentive plan. The employee incentive plan is designed to:

- (a) align employee incentives with Shareholders' interests;
- (b) assist employee attraction; and
- (c) encourage share ownership by employees.

The current incentive plan (**Microba Employee Incentive Plan**) was detailed in the prospectus for the initial public offering of Microba on the ASX.

Resolution 5 seeks Shareholder approval for a renewal of the Microba Employee Incentive Plan and the issue of securities under the Microba Employee Incentive Plan for the purposes of ASX Listing Rule 7.2 (Exception 13).

6.2 ASX Listing Rule 7.2 (Exception 13)

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

ASX Listing Rule 7.2 sets out a number of exceptions to ASX Listing Rule 7.1, one of which (Exception 13) is an issue of securities under an employee incentive scheme if, within three years before the date of issue the Shareholders approved the issue of securities under the scheme.

The Microba Employee Incentive Plan, which was detailed in the prospectus for the initial public offering of Microba on the ASX in April 2022, is approaching the three-year expiry mark shortly after the 2024 Annual General Meeting.

The Company seeks shareholder approval to extend the operation of the Employee Incentive Plan for an additional three-year period from the 2024 Annual General Meeting in order to allow the Company to retain flexibility to issue additional Equity Securities under the Microba Employee Incentive Plan over the next 3 years without reducing its 15% placement capacity.

To this end, Resolution 5 seeks Shareholder approval for the Microba Employee Incentive Plan under and for the purposes of ASX Listing Rule 7.2 (Exception 13).

6.3 Listing Rule 14.1A

If Resolution 5 is passed, any Equity Securities issued under the Microba Employee Incentive Plan that do not exceed the maximum number set out in this Notice will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of such issue.

If Resolution 5 is not passed, any Equity Securities issued under the Microba Employee Incentive Plan will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the date of such issue. Accordingly, the Board may need to consider alternative remuneration arrangements to incentivise its employees, which are consistent with the Company's remuneration principles, including providing an equivalent cash payment or long-term incentive subject to the risk of forfeiture, performance conditions and performance period.

6.4 Listing Rule 7.2 (Exception 13)

6.5 Directors' recommendations

The Directors recommend that Shareholders vote in favour of Resolution 5.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 5.

7. Resolution 6: Amendment to Constitution

7.1 Purpose of Resolution

Resolution 6 is a special resolution seeking approval to amend the Constitution for the purposes of section 1100(V) of the Corporations Act to permit the Company to issue Securities under the Plan up to a maximum of 10% of the issued capital of the Company.

7.2 New ESS Regulatory regime

Under new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under an employee incentive plan that do not require a monetary payment (e.g., zero exercise price options or performance rights) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must comply with an issue cap which is set at 5% under the Corporations Act unless this limit is increased by the company's constitution.

In ASIC Consultation Paper 364: *Modifications to the ESS regime*, ASIC has clarified that the issue cap does not apply where the company only makes offers in reliance on section 1100P (offers for no monetary consideration) or only makes offers in reliance on section 1100R (offers that do not need disclosure).

However, where a company is making a combined offer in reliance on s1100P or s1100R and there are also offers made in reliance on section 1100Q (i.e. monetary consideration), then all equity issued including securities issued for no monetary consideration (under section 1100P) and securities issued under another disclosure exemption (under section 1100R) must be included when calculating the issue cap. For the purpose of section 1100(V) of the Corporations Act, the Company is seeking approval pursuant to Resolution 6 to set the issue cap to 10% of the issued capital of the Company by adding a new clause 4.5 in the Constitution as follows:

4.5 Employee incentive plan - *Subject to the Listing Rules and the Corporations Act and for the purposes of section 1100V(2) of the Corporations Act, the issue cap is 10%.*

A copy of the new Constitution which incorporates clause 4.5 above (**Amended Constitution**) is available for review by Shareholders at the office of the Company. A copy of the Amended Constitution can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concerns.

7.3 Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 6.

The Chair of the Annual General Meeting intends to vote undirected proxies in favour of Resolution 6.

Buy-back	Incentives issued pursuant to the Plan will be subject to the Company's right to buy-back and may at any time be immediately bought-back by the Company: <ul style="list-style-type: none"> • if the Participant holding the Incentives ceases employment or office where the Offer Conditions, Performance Criteria and/or Vesting Conditions attaching to the Incentives have not been met by the time of cessation; • the bad leaver provisions set out in the Plan apply; • the fraudulent or dishonest actions provisions set out in the Plan apply; or • the Options, Performance Rights or offer of Incentive Shares have lapsed.
Assignment	Unless otherwise determined by the Board or required by law, Options and Performance Rights held under the Plan may not be transferred or assigned.
Amendment, Termination and suspension	The Board may at any time amend the rules of the Plan or the terms and conditions upon which any Incentives have been issued under the Plan. Other than to comply with any law or the ASX Listing Rules, no amendment to the Rules may be made if the amendment, in the opinion of the board, materially reduces the rights of any Participant in respect of Incentives granted to them prior to the date of the amendment. The Board may at any time terminate or suspend the operation of the Plan for such period or periods as it thinks fit.
Terms and conditions of Options	<p>(Entitlement) Each vested Option entitles the Participant holding the Option to subscribe for, or to be transferred, one Share on payment of the Exercise Price.</p> <p>(Exercise Period) The Exercise Period will be determined by the board.</p> <p>(Conditions for Vesting and Exercise) The Board will determine prior to an Offer being made and specify in the Offer any Performance Criteria and/or Vesting Conditions attaching to the Options. Upon receiving a vesting notification from the Company that the Participant's Incentives have vested and are exercisable, the Participant may exercise the Options within the Exercise Period by delivering a signed notice of exercise and the applicable payment to the Company, subject to the cashless exercise of the Options.</p> <p>(Cashless settlement) The Participant may elect to set off the exercise price for the Options against the number of Shares they are entitled to receive upon exercise, in which case the holder would receive Shares to the value of the surplus after the Exercise Price has been set off (Cashless Exercise Facility). For the avoidance of doubt, if the Cashless Exercise Facility is elected, the Participant will only be issued the number of Shares equal in value to the difference between the total Exercise Price otherwise payable on the Options being exercised and the then market value of the Shares. If the difference is zero or negative, then a Participant will not be entitled to use the Cashless Exercise Facility.</p> <p>(Adjustments) –</p> <ul style="list-style-type: none"> • Reorganisation – In the event of any variation in the share capital (such as a consolidation, subdivision, reduction or capital return), the number of Incentives held will be adjusted in accordance with the applicable ASX Listing Rules so that the Participant does not suffer any material detriment following any variation in the share capital as allowed under the ASX Listing Rules. • Rights Issue – If there is a pro-rata issue of new Shares to Shareholders, the Exercise Price or number of underlying Shares into which one Option is exercisable will, in the case of a pro-rata issue, be adjusted in accordance with the ASX Listing Rules. • Bonus Issue – If the Company makes a bonus issue of Shares or other securities to existing Shareholders, the number of Shares which must be issued on the exercise of a Participant's Options will be increased to the number of Shares which the Participant would have received if the Participant had exercised those Options before the record date for the bonus issue. <p>(New issue and other rights) A participant who holds Options is not entitled to:</p>

	<ul style="list-style-type: none"> • notice of, or to vote or attend at, a meeting of the Shareholders; • receive any dividends declared by the Company; • participate in any new issues of securities offered to Shareholders during the term of the Options; or • cash for the Options or any right to participate in surplus assets of profits of the Company on winding up, <p>unless and until the Options are exercised and the Participant holds Shares.</p> <p>(Change of Control) Where the Company announces a change of control event (i.e. approval of a scheme of arrangement, a takeover bid, a person acquiring more than 50.1% of the issued Shares or the sale of the business (Change of Control Event)) has occurred or is likely to occur:</p> <ul style="list-style-type: none"> • a Participant may exercise their Options regardless of the Vesting Conditions having been satisfied; and • where an offer has been made to the Participants on like terms to the terms proposed in relation to issued Shares under the Change in Control Event and this offer has not been accepted by the end of the offer period, the Options will lapse within 10 days of the end of that offer period.
<p>Terms and conditions of Performance Rights</p>	<p>(Entitlement) The Board may offer Performance Rights to any Participant in its sole discretion. Each Performance Right confers an entitlement to be provided with one Share.</p> <p>(Performance Criteria/Vesting Conditions and satisfaction and variation to Performance Criteria/Vesting Conditions) The Board will determine prior to an Offer being made and specify in the Offer any Performance Criteria, Vesting Conditions, Performance Period or Expiry Date attaching to the Performance Rights. The Board will determine at its sole discretion whether the Performance Criteria and/or Vesting Conditions have been satisfied.</p> <p>(Lapse of Performance Rights) Where Performance Rights have not satisfied the Performance Criteria by the end of the Performance Period or the Expiry Date (whichever occurs earlier), those Performance Rights will automatically lapse.</p> <p>(Adjustment for reorganisation) If there is any reorganisation of the issued share capital of the Company, the terms of Performance Rights and the rights of the Participant who holds such Performance Rights will be varied, including an adjustment to the number of Performance Rights, in accordance with the ASX Listing Rules that apply to the reorganisation as allowed under the ASX Listing Rules.</p> <p>(Bonus Issue) If, during the term of any Performance Rights, Shares are issued pro rata to Shareholders generally by way of bonus issue, the number of Performance Rights to which the Participant is then entitled, shall be increased to a number equal to the number of Shares which the Participant would have been entitled to receive if the Performance Rights then held by the Participant had vested immediately prior to the record date for the bonus issue.</p> <p>(New issue and other rights) A Participant who holds Performance Rights is not entitled by virtue of holding those Performance Rights to:</p> <ul style="list-style-type: none"> • notice of, or to vote or attend at, a meeting of the Shareholders; • receive any dividends declared by the Company; • participate in any new issues of securities offered to Shareholders during the term of the Performance Rights; or • cash for the Performance Rights or any right to participate in surplus assets of profits of the Company on winding up, <p>unless and until the Performance/Vesting Conditions are satisfied and the Participant holds Shares.</p> <p>(Change of Control) Where the Company announces a Change of Control Event has occurred or is likely to occur, all granted Performance Rights which have not yet vested or lapsed shall automatically and immediately vest, regardless of whether any Performance Criteria or Vesting Conditions have been satisfied.</p>

If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise.
