ANNUAL REPORT

In accordance with section 317(1) of the Corporations Act, the Company's Annual Report must be laid before the Meeting. There is no requirement for Shareholders to approve the Annual Report.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available on the Company's website at <https://www.airtasker.automic.com.au/investor-information>;

- (d) ask questions about, or make comments on, the Remuneration Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit,

may be submitted no later than 48 hours prior to the Meeting to the Company Secretary by email to companysecretary@airtasker.com, or may be raised during the Meeting in-person or by following the instructions in the "Virtual Meeting Online Guide" available on the Company's website at <https://www.airtasker.automic.com.au/investor-information>.

1. RESOLUTION 1: REMUNERATION REPORT

The Remuneration Report is set out in the Company's Annual Report which is available on the Company's website at <https://www.airtasker.automic.com.au/investor-information>.

The Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the Remuneration Report at the Meeting.

The Remuneration Report identifies the Company's Key Management Personnel for the financial year to 30 June 2024 and sets out the remuneration policy for the Company and the remuneration arrangements in place for such persons.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

However, if the Remuneration Report receives a "no" vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board (except a managing director). Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than a managing director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company notes that its Remuneration Report did not receive a Strike at last year's annual general meeting. A voting exclusion statement for Resolution 1 is included in the voting exclusions. The Chair intends to vote undirected proxies in favour of Resolution 1.

2. RESOLUTION 2: RE-ELECTION OF DIRECTOR – PETER HAMMOND

Pursuant to Article 41.2 of the Company's Constitution, ASX Listing Rule 14.4 and for all other purposes, Peter Hammond, being a Director, retires by way of rotation and, being eligible, offers himself for re-election as a Director.

Peter joined the Company as a non-executive Director in November 2013. Peter is the chair of the Board's Nomination and Remuneration Committee and a member of the Board's Audit and Risk Committee.

Peter is a co-founder and director of Exto Partners Pty Ltd, a Sydney-based venture capital fund formed in 2003. Peter is a director of several of the investee companies of Exto Partners and is experienced in building and scaling high growth companies.

Peter is a chartered accountant and prior to founding Exto Partners spent 10 years with KPMG in Australia and the USA. As a senior executive with KPMG Consulting in New York, he focused on advising capital markets clients on risk management, product pricing, business process re-engineering and large-scale merger integration.

Peter holds a Bachelor of Business from the University of Technology, Sydney and is a registered Australian Chartered Accountant.

In 2013 when Peter joined the Board, the Company's monthly gross marketplace volume was approximately 2% of the current volume. Peter has been a significant contributor to designing and implementing the business strategy, funding strategy and corporate governance of the Company throughout the last 11 years. He has worked alongside Airtasker Founder and Chief Executive Officer Timothy Fung, and the other Directors, to navigate the many challenges that have arisen during that time.

Peter continues to be a highly engaged Director with deep knowledge of the Company's business as well as extensive board level experience building high growth start-ups that are scaling internationally.

The Board (excluding Mr Hammond) recommends that Shareholders vote in favour of Resolution 2. The Chair intends to vote undirected proxies in favour of Resolution 2.

3. RESOLUTION 3: ISSUE OF CEO STVR RIGHTS TO THE MANAGING DIRECTOR AND CHIEF EXECUTIVE OFFICER

3.1 BACKGROUND

The total on-target compensation of Mr Timothy John Fung, the Managing Director and Chief Executive Officer of the Company, for the financial year ending on 30 June 2025 (**FY25**) is to comprise a base cash salary of \$465,000 plus statutory superannuation of \$29,932 (based on a combination of the statutory maximum superannuation contributions base and the superannuation guarantee rate) with the remainder of his compensation proposed to be in the form of Performance Rights (subject to Shareholder approval of Resolutions 3 and 4). The vesting of these Performance Rights is subject to meeting certain financial and non-financial short-term and long-term performance hurdles. Mr Fung's FY25 total on-target compensation reflects an increase of \$17,532 versus his total on-target compensation for the financial year ending on 30 June 2024 (**FY24**). The Board continues to support this remuneration structure as it aligns Mr Fung more closely with the Shareholders and the success of the Company.

Therefore, subject to Shareholder approval of each of Resolutions 3 and 4, the Company proposes to issue the following Equity Securities to Mr Fung under the Rights Plan:

- (i) \$375,000 worth of Performance Rights to Mr Fung in respect of his short-term incentive for FY25 (**CEO STVR Rights**) (see Resolution 3); and
- (ii) \$200,000 worth of Performance Rights to Mr Fung in respect of his long-term incentive for FY25 (**CEO LTVR Rights**) (see Resolution 4).

3.2 ASX LISTING RULE 10.14 APPROVAL

ASX Listing Rule 10.14 provides that a listed company must not permit a director (or certain other classes of persons) to acquire Equity Securities under an employee incentive scheme unless it obtains the approval of its shareholders.

Mr Fung is both a Director and substantial Shareholder of the Company. Accordingly, Shareholder approval is required for the issue of the CEO STVR Rights and the CEO LTVR Rights under ASX Listing Rule 10.14. As such, Shareholder approval is being sought for the issue of the CEO STVR Rights under Resolution 3 and the CEO LTVR Rights under Resolution 4. If Shareholder approval is given under ASX Listing Rule 10.14 pursuant to Resolutions 3 and 4, Shareholder approval under ASX Listing Rule 10.11 is not required.

Pursuant to ASX Listing Rule 7.2, exception 14, the effect of passing Resolutions 3 and 4 will be to allow the Company to issue the CEO STVR Rights and the CEO LTVR Rights (and issue of Shares on exercise of these rights) to Mr Fung without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

It should be noted that the approval of each of Resolutions 3 and 4 are not inter-conditional so if one Resolution is approved by Shareholders but another is not approved by Shareholders, this does not impact the Resolution that has been approved by Shareholders.

Accordingly, if Shareholder approval is given for the issue of the CEO STVR Rights or the CEO LTVR Rights for the purposes of ASX Listing Rule 10.14, then in relation to the applicable Equity Securities:

- (i) Shareholder approval will not be required for the purposes of ASX Listing Rule 7.1 (for the issue or exercise of the applicable Equity Securities); and
- (ii) the Company will issue the CEO STVR Rights or the CEO LTVR Rights (as applicable) without using the Company's 15% placement capacity under ASX Listing Rule 7.1.

If Shareholder approval is not given for the issue of the CEO STVR Rights or the CEO LTVR Rights, the Company will not be able to proceed with the proposed issue of CEO STVR Rights or CEO LTVR Rights (as applicable) to Mr Fung and the Board may consider other options available to compensate Mr Fung (e.g. cash remuneration or other forms of incentives).

Pursuant to and in accordance with ASX Listing Rule 10.15, the following additional information is provided for the purpose of obtaining Shareholder approval for Resolutions 3 and 4:

- (i) The CEO STVR Rights and CEO LTVR Rights will be issued to Mr Fung, who is a Director of the Company and therefore falls under a category of person in ASX Listing Rule 10.14.1.
- (ii) A summary of the material terms of the Rights Plan is contained in Schedule 1 to this Notice.
- (iii) No loans will be provided to Mr Fung in relation to the acquisition of CEO STVR Rights or CEO LTVR Rights.
- (iv) The total on-target compensation of Mr Fung for FY24 and FY25 is set out below:

	FY24	FY25	Variance
Base Cash Salary ¹	\$112,500	\$465,000	\$352,500
Superannuation ²	\$6,850	\$29,932	\$23,082
CEO Service Rights (Equity) ¹	\$358,050	-	(\$358,050)
Maximum CEO STVR Rights (Equity) ¹	\$375,000	\$375,000	-
Maximum CEO LTVR Rights (Equity) ¹	\$200,000	\$200,000	-
Total On-Target Compensation	\$1,052,400	\$1,054,932	\$17,532

1. In FY24 Mr Fung requested a re-negotiation of his compensation structure to reduce his base cash salary to \$112,500 plus statutory superannuation of \$6,850 with the remainder of his total on-target compensation to be paid in a combination of Service Rights and Performance Rights.
2. In FY25 superannuation is based on a combination of the annual statutory maximum superannuation contributions base of \$260,280 and the superannuation guarantee rate of 11.5%.

- (v) Under the Rights Plan, the Company has previously issued Mr Fung: (a) 4,000,000 fully vested and unexercised Share Appreciation Rights with an exercise price of \$0.76 and an expiration date of 4 February 2026; (b) 714,286 unvested Performance Rights with a nil exercise price and an expiration date of 1 July 2037; (c) 1,011,441 fully vested and unexercised Service Rights with a nil exercise price and an expiration date of 17 October 2038; (d) 913,313 fully vested and unexercised Service Rights with a nil exercise price and an expiration date of 1 January 2039; (e) 1,789,054 fully vested and unexercised Performance Rights with a nil exercise price and an expiration date of 17 October 2038; and (f) 1,149,426 unvested Performance Rights with a nil exercise price and an expiration date of 30 November 2038.
- (vi) If Resolutions 3 and 4 are passed, the CEO STVR Rights and the CEO LTVR Rights (as applicable) will be issued shortly following the Meeting and in any event within three (3) years of the date of the Meeting.
- (vii) The Company proposes to issue the CEO STVR Rights and the CEO LTVR Rights as part of the overall compensation package of Mr Fung for FY25.
- (viii) Details of any Equity Securities issued under the Rights Plan will be published in the annual report of the Company relating to the period in which they are issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. 4.2 SECTION 208 OF THE CORPORATIONS ACT

In accordance with section 208 of the Corporations Act, the Company must obtain Shareholder approval to give a financial benefit to a related party (which includes a Director), unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of the CEO STVR Rights or the CEO LTVR Rights as the exception in section 211 of the Corporations Act applies.

4.3 BOARD RECOMMENDATION

The Board (excluding Mr Fung) recommends that Shareholders vote in favour of Resolutions 3 and 4. A voting exclusion statement for Resolutions 3 and 4 is included in the voting exclusions. The Chair intends to vote undirected proxies in favour of Resolutions 3 and 4.

5. RESOLUTION 5: RATIFICATION OF THE ISSUE OF A CONVERTIBLE NOTE TO OOH!MEDIA

On 25 June 2024, the Company announced that it had agreed to issue a \$5,000,000 Convertible Note to oOh!media Operations Pty Limited ACN 094 713 210 (**oOh!media**) in connection with a strategic media partnership. The partnership with oOh!media provides the Company with access to over 35,000 advertising sites across Australia including billboards, street furniture, airports, office towers and retail centres.

The terms of the partnership provide the Company with \$6,000,000 worth of out-of-home media inventory in exchange for a \$5,000,000 Convertible Note.

The Convertible Note has a 2-year term and a 5.8% coupon rate. At maturity, the Company has the option to convert the outstanding Convertible Note and coupon into Shares at a 10% discount to the VWAP of the Company's Shares for the thirty (30) trading days prior to maturity or repay the outstanding Convertible Note and coupon in cash.

The material terms of the Convertible Note issued to oOh!media are further summarised at Schedule 2.

The Company is now seeking Shareholder approval to ratify the issue of the Convertible Note to oOh!media described above for the purposes of ASX Listing Rule 7.4 and for all other purposes.

5.1 LISTING RULE BACKGROUND

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Company has issued the Convertible Note which does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, the Convertible Note uses up part of the 15% limit under ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 over the subsequent 12-month period.

ASX Listing Rule 7.4 permits the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without needing to obtain Shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 5 seeks Shareholder approval to ratify the issue of the Convertible Note under and for the purposes of ASX Listing Rule 7.4.

If Resolution 5 is passed, the Convertible Note issued to oOh!media will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the subsequent 12-month period.

If Resolution 5 is not passed, the Convertible Note issued to oOh!media will be included in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the subsequent 12-month period.

5.2 TECHNICAL INFORMATION REQUIRED UNDER ASX LISTING RULE 7.5

In accordance with ASX Listing Rule 7.5, the below information is provided to Shareholders for the purposes of obtaining Shareholder approval under Resolution 5:

- the Company has issued a \$5,000,000 Convertible Note to oOh!media;
- the material terms of the Convertible Note and the agreement under which the Convertible Note was issued are summarised in Schedule 2;
- the shares to be issued on conversion of the Convertible Note (and any coupon) will be on the same terms as the Company's Shares;
- the Company will receive \$6,000,000 in media inventory from oOh!media in exchange for the issue of the Convertible Note to oOh!media;
- the Company issued the Convertible Note to oOh!media in connection with a strategic marketing partnership to increase brand awareness across Australia and enable the Company to scale in a capital efficient way through access to oOh!media's existing advertising infrastructure, including billboards, street furniture, airports, office towers and retail centres, first announced to ASX on 25 June 2024; and
- a voting exclusion statement is included in this Notice.

5.3 BOARD RECOMMENDATION

The Board recommends that Shareholders vote in favour of Resolution 5. A voting exclusion statement for Resolution 5 is included in the voting exclusions. The Chair intends to vote undirected proxies in favour of Resolution 5.

6. RESOLUTION 6: RATIFICATION OF THE ISSUE OF A CONVERTIBLE NOTE TO ARN MEDIA

On 4 July 2024, the Company announced that it had agreed to issue a \$5,000,000 Convertible Note to Australian Radio Network Pty Limited ACN 065 986 987 (**ARN Media**) in connection with a strategic media partnership. The partnership with ARN Media provides the Company with access to an Australian network of 58 radio stations including KIIS FM and Pure Gold as well as the world's fastest growing digital entertainment platform iHeartRadio.

The terms of the partnership provide the Company with \$5,000,000 worth of audio media inventory in exchange for a \$5,000,000 Convertible Note.

The Convertible Note has a 2-year term and a 5.8% coupon rate. At maturity, the Company has the option to convert the outstanding Convertible Note and coupon into Shares at a 10% discount to the VWAP of the Company's Shares for the thirty (30) trading days prior to maturity or repay the outstanding Convertible Note and coupon in cash.

The material terms of the Convertible Note issued to ARN Media are further summarised at Schedule 3.

The Company is now seeking Shareholder approval to ratify the issue of the Convertible Note to ARN Media described above for the purposes of ASX Listing Rule 7.4 and for all other purposes.

6.1 LISTING RULE BACKGROUND

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Company has issued the Convertible Note which does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, the Convertible Note uses up part of the 15% limit under ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 over the subsequent 12-month period.

ASX Listing Rule 7.4 permits the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without needing to obtain Shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 6 seeks Shareholder approval to ratify the issue of the Convertible Note under and for the purposes of ASX Listing Rule 7.4.

If Resolution 6 is passed, the Convertible Note issued to ARN Media will be excluded in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the subsequent 12-month period.

If Resolution 6 is not passed, the Convertible Note issued to ARN Media will be included in calculating the Company's 15% limit under ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without shareholder approval over the subsequent 12-month period.

6.2 TECHNICAL INFORMATION REQUIRED UNDER ASX LISTING RULE 7.5

In accordance with ASX Listing Rule 7.5, the below information is provided to Shareholders for the purposes of obtaining Shareholder approval under Resolution 6:

- the Company has issued a \$5,000,000 Convertible Note to ARN Media;
- the material terms of the Convertible Note and the agreement under which the Convertible Note was issued are summarised in Schedule 3;
- the shares to be issued on conversion of the Convertible Note (and any coupon) will be on the same terms as the Company's Shares;
- the Company will receive \$5,000,000 in media inventory in exchange for the issue of the Convertible Note to ARN Media;
- the Company issued the Convertible Note to ARN Media in connection with a strategic marketing partnership to increase brand awareness across Australia and enable the Company to scale in a capital efficient way through access to ARN Media's network of radio stations and its digital entertainment platform, first announced to ASX on 4 July 2024; and
- a voting exclusion statement is included in this Notice.

6.3 BOARD RECOMMENDATION

The Board recommends that Shareholders vote in favour of Resolution 6. A voting exclusion statement for Resolution 6 is included in the voting exclusions. The Chair intends to vote undirected proxies in favour of Resolution 6.
