Pursuant to the Corporations Act, Shareholders will be given a reasonable opportunity at the Meeting to ask questions about, or make comments in relation to, each of the aforementioned reports during consideration of these items.

Note: The vote on this Resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement: In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by or on behalf of a member of the Company's key management personnel (including the Directors), whose remuneration details are included in the Remuneration Report (**KMP**), or any of that person's Closely Related

If you appoint the person chairing the Meeting (**Chair**) and you are not a Restricted Voter, by submitting the Proxy Form you authorise the person chairing the Meeting to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP, and you will be taken to have directed the Chair to vote in accordance with his or her stated intention to vote in favour of Resolution 1. Resolutions

Remuneration Report

Resolution 1 – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at <https://www.ltrpharma.com/>.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at the 2025 Annual General Meeting (2025 **AGM**), the Company will be required to put to the vote a resolution (**Spill Resolution**) at the 2025 AGM to approve the calling of a further meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2025 AGM. All of the Directors who were in office when the 2025 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed the Chair to vote in accordance with the Chair's stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

Re-election of Director

Resolution 2 – Re-election of Julian Chick as Director

The Company's Constitution requires a rotation of directors. The director (other than a managing director) who has been in office the longest since last being elected should stand for re-election.

Julian Chick was appointed as a Director of the Company on 25 November 2020 and has not sought re-election since appointment.

Under this Resolution, Julian Chick has elected to retire by rotation, and being eligible, seeks re-election as a Director of the Company at this AGM.

Julian is an experienced healthcare executive with over 20 years' experience in senior management and board positions including in ASX listed companies Avexa (ASX: AVX) and Admedus (ASX: AHZ, AVR). He has eight years' investment banking experience and has also held a role as an analyst reviewing healthcare and biotechnology investment opportunities for private equity investors and venture capitalists.

Directors' recommendation

The Directors (excluding Julian Chick) recommend that Shareholders vote for this Resolution.

Ratification of Prior Issue of Fully Paid Ordinary Shares

Resolution 3 – Ratification of Prior Issue of Fully Paid Ordinary Shares

Background

As announced by the Company on 31 July 2024, the Company issued 14,383,562 Fully Paid Ordinary Shares utilising the Company's existing capacity under Listing Rule 7.1

As announced by the Company on 24 July 2024, the Company successfully completed a placement to sophisticated and professional investors (**Placement**) of 14,383,562 new fully paid ordinary shares at an issue price of \$0.73 per Share raising \$10.5 million (before costs) for the Company.

The Company announced that the Placement would be issued under the Company's existing capacity under ASX Listing Rules 7.1.

On 31 July 2024, the Company completed the Placement, which resulted in the issue of 14,383,562 fully paid ordinary shares at an issue price of \$0.73 per Share.

ASX Listing Rule 7.1

This Resolution proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 14,383,562 Fully Paid Ordinary Shares, which were issued on 31 July 2024 (**Issue Date**).

All of the Fully Paid Ordinary Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Fully Paid Ordinary Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

To this end, this Resolution seeks Shareholder approval to subsequently approve the issue of Fully Paid Ordinary Shares for the purposes of Listing Rule 7.4.

If this Resolution is passed, the issue of Fully Paid Ordinary Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

If this Resolution is not passed, the issue of Fully Paid Ordinary Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12 month period following the Issue Date.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) The Fully Paid Ordinary Shares were issued to sophisticated and professional investors.
- (b) The Company issued 14,383,562 Fully Paid Ordinary Shares.
- (c) The Shares were fully paid on issue and ranked equally in all aspects with all existing fully paid ordinary shares previously issued by the Company.
- (d) The Fully Paid Ordinary Shares were issued on 31 July 2024.
- (e) Each of the Fully Paid Ordinary Shares were issued at an issue price of \$0.73 per share, which raised \$10.5 million (before costs).
- (f) Funds raised from the issue of the Shares have been and will be used by the Company to accelerate SPONTAN's commercialisation and growth.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

ASX Listing Rule 7.1A

Resolution 4 – ASX Listing Rule 7.1A Approval of Future Issue of Securities

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$264 million and therefore is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.3A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and
- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used to accelerate SPONTAN's commercialisation and growth.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
- (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.86 50% decrease in issue price	\$1.72 issue price ^(b)	\$3.44 100% increase in issue price

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 20 September 2024.
- (b) Based on the closing price of the Company's Shares on ASX as at 20 September 2024.
- (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
- (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.
- (e) The table shows the effect of an issue of equity securities under Listing Rule 7.1A only, not under the Company's 15% placement capacity under Listing Rule 7.1.

Allocation policy for issues under Listing Rule 7.1A

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

Based on the Company's historical cashflow reports and capital raising activities in the past 12 months, the Company considers that it may raise funds during the Listing Rule 7.1A mandate period, although this cannot be guaranteed. As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to

whom the Company is able to make an offer of equity securities.

The Company has not previously sought Shareholder approval under Listing Rule 7.1A and therefore has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding the AGM.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution.

Issue of Options to Directors

Resolutions 5 to 7 – Approval of Issue of Options to Directors

Background

The LTR Pharma Employee Incentive Plan (**Incentive Plan**) was adopted by the Company at the 2023 AGM.

The Company seeks to invite:

- (a) Lee Rodne, Executive Director;
- (b) Julian Chick, Non-Executive Director; and
- (c) Maja McGuire, Non-Executive Director.

Subject to Shareholder approval that is sought under Resolutions 5 to 7, to participate in the Incentive Plan by subscribing for the following Options under the Incentive Plan:

Director	Options
Lee Rodne	100,000
Julian Chick	100,000
Maja McGuire	100,000

A summary of the material terms of the Options are as follows:

Director and Related Party Approvals

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Messrs Rodne and Chick and Ms McGuire are Directors of the Company, the proposed issue of Options constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Accordingly, Resolutions 5 to 7 seeks the required Shareholder approval to issue Options to

Messrs Rodne and Chick and Ms McGuire under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 8), separate approval is not required under Listing Rule 10.11.

If Resolutions 5 to 7 are not passed, the Company will not be able to proceed with the proposed issue of Options to the Directors.

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Incentive Securities constitutes the giving of a financial benefit.

A “related party” for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of “related party” also includes a person whom there is reasonable grounds to believe will become a “related party” of a public company.

- (c) The maximum number of Options proposed to be issued is as follows:

- (f) The Company considers Options as appropriate service-based incentives which will align the interests of Directors with those of Shareholders. Further, Options provide a deferred taxation benefit to the Directors which is also beneficial to the Company as it means that the Directors are not required to immediately sell the Options to fund a tax liability (as compared to an issue of Shares where the tax liability arises upon issue) and will instead continue to hold an interest in the Company.

(g) The material terms of the Options are as follows:

(i) The Options will be offered for nil cash consideration.

(j) The Options will be issued within 1 month from the date of this Meeting, subject to Shareholder approval (or otherwise, as determined by ASX in the exercise of their discretion).

(l) There will be no loan made to the Directors in relation to the issue of Options.

(m) Details of any securities issued under the Incentive Plan will be published in each annual report of the Company relating to a period which securities have been issued, and that approval for the issue of securities was obtained under ASX Listing Rule 10.14. Any additional persons who become entitled to participate in the Incentive Plan after the resolution was approved and who were not named in the notice of meeting will not participate until approval is obtained under ASX Listing Rule 10.14.
