EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in this Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Annual General Meeting will include receipt and consideration of the Financial Report of the Company for the financial year ended 30 June 2024 together with the declaration of the directors, the directors' report, the remuneration report and the auditor's report.

The Company is not required to provide a hard copy of the Company's Financial Report to Shareholders unless a Shareholder has specifically elected to receive a printed copy. Shareholders may view the Company Financial Report on its website at www.arumaresources.com.

Shareholders will be offered the following opportunities:

- (a) discuss the Financial Report for the financial period ended 30 June 2024;
- (b) ask questions and make comment on the management of the Company;
- (c) ask questions about, or make comment on, the Remuneration Report;
- (d) ask the auditor questions about:
 - (i) the conduct of the audit;
 - (ii) the preparation and content of the Auditor's Report;
 - (iii) the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (iv) the independence of the auditor in relation to the conduct of the audit.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the content of the Auditor's Report; and
- (b) the conduct of the audit of the Financial Report.

may be submitted no later than 5 business days before the Meeting to the Company Secretary at the Company's registered office.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the Financial Report of the Company for the financial year ending 30 June 2024.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting. Shareholders should note that the vote on this Resolution is advisory only and does not bind the Company or the Directors.

2.1 Voting Consequences

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "Spill Resolution") that another general meeting be held within 90 days at which all of the Directors (other than the Managing Director) must go up for re-election.

2.2 Previous Voting Results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.3 Proxy Restrictions

Pursuant to the Corporations Act, if you appoint a member of the Key Management Personnel (other than the Chair) or any Closely Related Party as your proxy to vote on this Resolution 1, **you must direct the proxy how they are to vote**. Where you do not direct such a person on how to vote on this Resolution 1, the proxy is prevented by the Corporations Act from exercising your vote and your vote will not be counted in relation to Resolution 1.

If you appoint the Chair as your proxy, and you do not direct the Chair on how to vote on this Resolution 1, then by signing and returning the proxy form you are giving express authorisation for the Chair to vote all undirected proxies **FOR Resolution 1** even though the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JAMES MOSES

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Rule 7.3 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr James Moses, who has served as a Director since 1 August 2022 and was last re-elected on 9 November 2022, retires by rotation and seeks re-election.

3.1 Qualifications

Mr Moses (B Bus, Grad Dip Com) has an extensive background in investment markets in a career spanning 31 years. He is the founder and Managing Director of a leading Australian bespoke investor relations and corporate communications practice for public companies. Prior to this, he was Investor Relations Manager for a major national public relations firm. He also previously worked as a business and finance journalist. His career began in the investment markets, where he held multiple business development roles with leading global fund managers over a period of 15 years and was also a private client adviser for a high net worth investment advisory firm.

3.2 Other Material Directorships

Mr Moses is a non-executive director of Power Minerals Limited.

3.3 Independence

Mr Moses is a non-executive Director of the Company. The Board considers that Mr Moses is an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Moses will be re-elected to the Board as an independent Director.

In the event that Resolution 2 is not passed, Mr Moses will not join the Board as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board Recommendation

The Directors (apart from Mr Moses) recommend that Shareholders vote in favour of the re-election of Mr Moses.

4. RESOLUTION 3 – APPROVAL OF ADDITIONAL 10% CAPACITY

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$3.5 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 1 October 2024).

This Resolution seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit in issuing Equity Securities without shareholder approval set out in Listing Rule 7.1.

4.2 Information for Shareholders as required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) Period for which approval is valid

An approval under Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) The time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 or Listing Rule 11.2.

(b) Minimum price at which Equity Securities may be issued

Any Equity Securities issued under Listing Rule 7.1A must be in an existing quoted class of the eligible entity's Equity Securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (ii) if the securities are not issued within 10 Trading Days of the date in paragraph (i), the date on which the securities are issued.

(c) Purposes for which funds raised may be used

Equity Securities can only be issued under Listing Rule 7.1A for a cash consideration. Funds raised by the issue of Equity Securities under Listing Rule 7.1A may be used for the continued development of the Company's current assets, the acquisition of new assets or other investments (including expenses associated with such acquisition), and for general working capital.

(d) Risk of economic and voting dilution

If this Resolution is approved by Shareholders and the Company issues Equity Securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted.

There is a risk that:

- (i) the market price for the Equity Securities in that class may be significantly lower on the issue date than on the date of the Shareholder approval under Listing Rule 7.1A; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

The table below shows the potential dilution of existing Shareholders on the basis of 3 different assumed issue prices and values for variable "A" in the formula in Listing Rule 7.1A.2. This includes one example that assumes that "A" is double the number of Shares on issue at the time of the approval under Listing Rule 7.1A and that the price of Shares has fallen by 50%.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A.2)	Number of Shares issued under additional 10% capacity	Dilution		
		Funds raised based on issue price of 0.8 cents	Funds raised based on issue price of 1.6 cents	Funds raised based on issue price of 2.4 cents
		(50% decrease in current issue price)	(Current issue price)	(50% increase in current issue price)
222,058,172 (Current)*	22,205,817	\$177,647	\$355,293	\$532,940
333,087,258 (50% increase)	33,308,725	\$266,470	\$532,940	\$799,409
444,116,344 (100% increase)	44,411,634	\$355,293	\$710,586	\$1,065,879

*The number of Shares on issue (variable "A" in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

1. The current Shares on issue are the Shares on issue as at 1 October 2024.
2. The issue price set out above is the closing price of the Shares on the ASX on 1 October 2024.
3. The Company issues the maximum number of Equity Securities available under the additional 10% capacity.
4. No Options are exercised into Shares before the date of the issue of the Equity Securities.

(e) Allocation Policy

The Company's allocation policy for the issue of Equity Securities under the additional 10% capacity will depend on the prevailing market conditions at the time of any proposed issue. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the additional 10% capacity have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company and may include new investors who have not previously been Shareholders.

(f) Equity Securities issued under Listing Rule 7.1A.2 in the previous 12 months

The Company has not issued or agreed to issue equity securities under Listing Rule 7.1A.2 in the 12 months preceding this Meeting.

(g) Voting Exclusion

As at the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. Therefore, no existing shareholder's votes will be excluded and there is no voting exclusion statement.
