## EXPLANATORY STATEMENT

---

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

---

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at [www.evolutionenergyminerals.com.au](http://www.evolutionenergyminerals.com.au).

---

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

---

### 3. RESOLUTIONS 2 TO 4 – ELECTION OF DIRECTORS

#### 3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Pursuant to Resolution 2, Brian Gordon, having been appointed by other Directors on 30 September 2024 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

Pursuant to Resolution 3 Craig Moulton, having been appointed by other Directors on 15 August 2024 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

## 4. RESOLUTION 5 – APPROVAL OF 7.1A MANDATE

### 4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). The Company is an Eligible Entity.

### 4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

### 4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
<b>Period for which the 7.1A Mandate is valid</b>	<p>The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:</p> <ul style="list-style-type: none"> <li>(a) the date that is 12 months after the date of this Meeting;</li> <li>(b) the time and date of the Company's next annual general meeting; and</li> <li>(c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).</li> </ul>
<b>Minimum price</b>	<p>Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:</p> <ul style="list-style-type: none"> <li>(a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or</li> <li>(b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.</li> </ul>
<b>Use of funds</b>	<p>The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business and general working capital.</p>
<b>Risk of economic and voting dilution</b>	<p>Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.</p> <p>If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.</p> <p>The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 30 October 2024.</p> <p>The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.</p>

## 5. RESOLUTION 6 – CONFIRMATION OF APPOINTMENT OF AUDITOR AT AGM

### 5.1 Background

On 27 September 2024, in accordance with section 327C of the Corporations Act 2001, the Company appointed BDO Audit Pty Ltd (**BDO Audit**) as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, BDO Audit (WA) Pty Ltd, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, BDO Audit holds office as auditor of the Company until the Company's next annual general meeting, being the meeting the subject of this Notice.

In accordance with section 327B(1)(b), the Company now seeks Shareholder approval for the ongoing appointment of BDO Audit as the auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act 2001, notice in writing nominating BDO Audit as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice as Annexure A.

BDO Audit has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

If this Resolution is passed, the appointment of BDO Audit as the Company's auditor will take effect at the close of this Meeting.

BDO Audit (WA) Pty Ltd, the Company's current auditor, has given notice of its intention to resign as auditor of the Company to ASIC in accordance with section 329(5) of the Corporations Act.

## 5.2 Board Recommendation

The Board recommends that Shareholders vote in favour of this Resolution. The Chairman of the Meeting intends to vote undirected proxies in favour of this Resolution.

## 6. RESOLUTION 7 – REPLACEMENT OF CONSTITUTION

### 6.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

A summary of the proposed material changes is set out in Section 6.2 below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website ([www.evolutionenergyminerals.com.au](http://www.evolutionenergyminerals.com.au)) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary ([jstephenson@evlminerals.com.au](mailto:jstephenson@evlminerals.com.au)). Shareholders are invited to contact the Company if they have any queries or concerns.

### 6.2 Summary of material proposed changes

<b>Restricted securities (Clause 2.12)</b>	The Proposed Constitution complies with the changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX requires certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A. However, for less significant holdings (such as non-related parties and non-promoters), ASX permits the Company to issue restriction notices to holders of restricted securities in the form of Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.
<b>Minimum securities holding (Clause 3)</b>	The Proposed Constitution now extends the minimum holding provisions to all securities as provided for under the Listing Rules. The clause previously only referred to shares.
<b>Joint holders (Clause 9.8)</b>	The ASX is considering replacement options for its Clearing House Electronic Subregister System ( <b>CHES</b> ). Due to complexities with the solution design, there is no current go-live date. To ensure compliance with any replacement CHES system, clause 9.8 of the Proposed Constitution provides that the number of registered joint holders of securities shall be as permitted under the Listing Rules and the ASX Settlement Operating Rules.
<b>Capital reductions (Clause 10.2)</b>	The Proposed Constitution now permits sales of unmarketable parcels to a sale nominee(s) as part of a capital reduction.
<b>Direct voting (clause 13)</b>	The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes

	cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any Resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.
<b>Use of technology (Clause 14)</b>	The Proposed Constitution includes a new provision to permit the use of technology at general meetings (including wholly virtual meetings) to the extent permitted under the Corporations Act, Listing Rules and applicable law.
<b>Closing date for Director nominations (Clause 15.3)</b>	In December 2019, ASX amended Listing Rule 3.13.1 to provide that companies must release an announcement setting out the date of its meeting and the closing date for nominations at least 5 business days before the closing date for the receipt of such nominations. The closing date period under clause 15.3 of the Proposed Constitution has been amended to at least 30 business days to allow the Company time to issue the required notification for director nominations prior to circulating the notice of meeting.
<b>Dividends (Clause 23)</b>	<p>Section 254T of the Corporations Act provides that a company must not a pay a dividend unless:</p> <ul style="list-style-type: none"> <li>(a) the company's assets exceed its liabilities immediately before the dividend is declared and the excess is sufficient for the payment of the dividend;</li> <li>(b) the payment of the dividend is fair and reasonable to the company's shareholders as a whole; and</li> <li>(c) the payment of the dividend does not materially prejudice the company's ability to pay its creditors.</li> </ul> <p>The existing Constitution reflects the former profits test and restricts the dividends to be paid only out of the profits of the Company. The Proposed Constitution is updated to reflect the requirements of s254T of the Corporations Act. The Directors consider it appropriate to update the Constitution for this amendment to allow more flexibility in the payment of dividends in the future should the Company be in a position to pay dividends</p>

### 6.3 Insertion of partial (proportional) takeover provisions

<b>Overview</b>	<p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.</p> <p>Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.</p> <p>A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).</p>
-----------------	---

<p><b>Effect of proposed proportional takeover provisions</b></p>	<p>Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.</p>
<p><b>Reasons for proportional takeover provisions</b></p>	<p>A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.</p>
<p><b>Knowledge of any acquisition proposals</b></p>	<p>As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.</p>
<p><b>Potential advantages and disadvantages of proportional takeover provisions</b></p>	<p>The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> <li>(a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;</li> <li>(b) assisting in preventing Shareholders from being locked in as a minority;</li> <li>(c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and</li> <li>(d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.</li> </ul> <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> <li>(a) proportional takeover bids may be discouraged;</li> <li>(b) lost opportunity to sell a portion of their Shares at a premium; and</li> <li>(c) the likelihood of a proportional takeover bid succeeding may be reduced.</li> </ul>
<p><b>Recommendation of the Board</b></p>	<p>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</p>

## 7. RESOLUTION 8 – APPROVAL TO ISSUE ZERO PRICE OPTIONS TO FORMER DIRECTOR – PHIL HOSKINS

### 7.1 General

On 22 May 2024, the Board resolved to grant Zero Price Options to Phil Hoskins (or his nominee) subject to Shareholder approval. On 4 June 2024, Mr Hoskins resigned from his role as a Director and on 15 July 2024, Mr Hoskins resigned from his role as chief executive officer of the Company.

This Resolution seeks Shareholder approval for the purposes of Listing Rule 10.11 for the issue of 2,500,000 Zero Price Options to Phil Hoskins (or his nominee(s)) on the terms and conditions set out below.

Further details in respect of the Securities proposed to be issued are set out in the table below.

QUANTUM	RECIPIENT	RESOLUTION	EXERCISE PRICE	EXPIRY DATE
2,500,000	Phil Hoskin	12	Nil	The date that is 6 months from the date of issue.

### 7.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 5.3 above.

The issue constitutes giving a financial benefit and Phil Hoskins is a related party of the Company by virtue of being a person who has been a Director in the last six months.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the agreement to issue the Zero Price Options, reached as part of the terms of the Settlement Deed agreed by the Company with Mr Hoskins, which was negotiated on an arm's length basis.

### 7.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.2 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

### 7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue.

Any nominee(s) of the recipient who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.11.4.
<b>Number of Securities and class to be issued</b>	2,500,000 Zero Price Options will be issued.
<b>Terms of Securities</b>	The Zero Price Options will be issued on the terms and conditions set out in Schedule 1.
