DETAILS OF SHARE BUY-BACK

GQG Partners Inc. (GQG or the Company) (ASX: GQG) today announced that will establish an on-market buy-back. Under the buy-back, GQG will have flexibility to purchase up to AUD\$100 million of CHESS Depository Instruments on common stock (CDIs). The on-market buy-back recognizes the significant market volatility at present and will allow GQG to opportunistically and flexibly acquire CDIs. The Board believes that the current CDI price significantly undervalues the Company. GQG continues to have a strong and robust balance sheet which favourably positions the Company to undertake this capital management initiative. The total number of shares to be purchased under the on-market buy-back will be dependent on business and market conditions and GQG may, at its discretion, vary the size of the on-market buy-back.

"We believe our stock is undervalued and this is a great investment opportunity," said CEO Tim Carver. "We have a strong balance sheet and GQG believes in the strength of its business. We're happy to buy our stock at these values."
