## MANAGEMENT INFORMATION CIRCULAR

This Management Information Circular is furnished in connection with the solicitation of proxies by the management of Besra Gold Inc. (the **Company**) for use at the Meeting for the purposes set forth in the accompanying Notice.

While it is expected the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the Directors, officers and regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company.

The contents and the sending of this Management Information Circular have been approved by the Directors of the Company.

This Circular describes how registered and beneficial Holders may vote. All Holders and duly appointed proxyholders may attend the Meeting but must follow the instructions set out in this Circular if they wish to vote at the Meeting.

### Shares Outstanding

19 November 2024 has been fixed by the Directors of the Company as the record date (**Record Date**) for the purpose of determining those Holders entitled to receive notice of, and to vote at, the Meeting. Only Shareholders of record at the close of business on the Record Date who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have their Shares voted at the Meeting.

The Company's authorised share capital consists of an unlimited number of common shares (**Common Shares**) without par value. As at the Record Date, there were 418,100,906 Common Shares issued and outstanding, of which 415,488,951 are CDIs underlying Common Shares on issue with the Australian Securities Exchange (ASX).

To the knowledge of the Directors and senior officers of the Company, the only person or company who beneficially owns, directly or indirectly or exercises control or direction over Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company is:

Name	No. of Securities	Percentage
Quantum Metal Recovery Inc	124,938,256	29.88%

### Voting Information

#### Voting

If you are a registered Shareholder at the close of business on 19 November 2024, you, or the person you appoint as your proxyholder can attend and vote at the Meeting in person. On a show of hands, every individual who is present and is entitled to vote as a Shareholder or as a representative of one or more corporate Shareholders, or who is holding a proxy on behalf of a Shareholder who is not present at the Meeting, will have one vote, and on a poll every Shareholder present in person or represented by a proxy and every person who is a representative of one or more corporate Shareholders, will have one vote for each Share registered in his or her name on the list of Shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. and will be available at the Meeting.

If you are a non-registered or beneficial Shareholder you have the ability to vote at the Meeting by providing voting instructions to your intermediary.

### **Registered or Non-Registered (beneficial) Shareholder**

The voting process is different depending on whether you are a registered or a non-registered (beneficial) Shareholder.

A **Registered Shareholder** holds Common Shares of the Company directly in his/her own name and a share certificate has been issued.

A **Non-Registered (beneficial) Shareholder** has Common Shares that:

1. are registered in the name of an intermediary such as a bank, trust company, securities dealer or broker and trustee or administrators of self-administered plans; or
2. are registered in the name of a clearing agency or participant in a clearing agency, such as the Canadian Depository for Securities Limited in Canada; or
3. are traded on the ASX and therefore registered in the name of CHESS Depository Nominees Pty Ltd. (**CDN**) in Australia.

If a Shareholder holds Common Shares with a broker, the Shareholder is a Non-Registered Shareholder.

### **Non-Registered (beneficial) Shareholder**

Non-Registered Holders in Australia hold Chess Depository Interests (**CDIs**), which are registered in the name of CDN. As the holders of CDIs are not the legal registered owners of the underlying Common Shares, CDN is entitled to vote at the Meeting on the instructions of the holder of the CDIs.

Holders of CDIs can expect to receive a Voting Instruction Form, together with the Meeting materials from Computershare, the CDI Registry in Australia. The Voting Instruction Form is to be completed by holders of CDIs who wish to vote at the Meeting and returned to Computershare. CDN is required to follow the voting instructions properly received from the holders of CDIs.

In Canada, there are two kinds of Non-Registered Holders - those who object to their name being made known to the Company (called OBOs for **Objecting Beneficial Owners**) and those who do not object to the Company knowing who they are (called NOBOs for **Non-Objecting Beneficial Owners**).

### **Objecting Beneficial Owners (OBOs)**

In accordance with the requirements of National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer (NI 54-101)*, the Company has distributed copies of the Meeting materials to the intermediaries for onward distribution to OBOs. Intermediaries are required to forward the Meeting materials to OBOs unless, in the case of certain proxy-related materials, the OBO has waived the right to receive them. Very often, intermediaries will use service companies such as Broadridge Investor Communications Corporation (**Broadridge**) to forward the Meeting materials to OBOs. With those Meeting materials, intermediaries or their service companies should provide OBOs with a request for Voting Instruction Form which, when properly completed and signed by such OBO and returned to the intermediary or its service company, will constitute voting instructions which the intermediary must follow. The purpose of this procedure is to permit OBOs to direct the voting of the Common Shares that they beneficially own. The Company intends to pay for intermediaries to deliver the Meeting materials to OBOs. Please return your voting instructions as specified in the request for voting instructions.

### **Non-Objecting Beneficial Owners (NOBOs)**

The Company takes advantage of certain provisions of NI 54-101, which permits the Company to directly deliver proxy-related materials to NOBOs who have not waived the right to receive them and therefore NOBOs can expect to receive a scannable Voting Instruction Form together with the Meeting materials from Broadridge, the approved intermediary for mailing proxy-related materials to be beneficial owners (both objecting and non-objecting).

The voting instruction form is to be completed and returned to Broadridge and Broadridge is required to follow the voting instructions properly received from NOBOs. Broadridge will tabulate the results of the Voting Instruction Forms received from NOBOs and will provide appropriate instructions to our transfer agent, Computershare, with respect to the Common Shares represented by the Voting Instruction Forms they receive.

### **Voting in advance of the Meeting**

Holders are encouraged to vote in advance.

#### *Registered Holders*

Registered Holders who cannot attend the Meeting may vote by proxy or appoint a proxyholder to attend and vote during the Meeting on their behalf.

Proxies must be received at the office of Computershare Investor Services Inc. Proxy Dept. 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 Canada, not less than 48 hours prior to the Meeting (excluding Saturdays, Sundays and holidays) in accordance with the instructions contained in the proxy form.

#### *Non-Registered Holders*

Non-Registered Holders who have not waived the right to receive the meeting materials will either:

1. receive a form of proxy which has already been signed by the intermediary (typically by a facsimile stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed; or
2. more typically receive a Voting Instruction Form which is not signed by the intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the intermediary or its service company, will constitute authority and instructions (**proxy authorisation form**) which the intermediary must follow.

In summary:

- Canadian Registered Shareholder will provide voting instructions by lodging a proxy form.
- Canadian Non-Objecting Beneficial Owners will provide voting instructions by lodging a Voting Instruction Form; and
- Australian Non-Registered Shareholder with CDI's trading on ASX will provide voting instructions by lodging a CDI Voting Instruction Form received from Computershare in Australia. CDN is required to follow the voting instructions properly received from holders of CDIs.

### **Appointment of a proxy as a Registered Shareholder**

A Registered Shareholder has the right to designate a person (who need not be a Shareholder), other than the Management Designees as named in the accompanying proxy form to attend and vote on behalf of the Shareholder at the Meeting.

- If a Management Designees is appointed and voting instructions are not indicated, the Management Designees will vote the Shares in accordance with the Board recommendations, which is “For” all resolutions.
- If a proxyholder other than the Management Designees is appointed, that proxyholder must attend the Meeting for the vote to be counted.

### **Appointment of a proxy as a Non-Registered Shareholder**

If Computershare or the Company receives a written request that the NOBO or its nominee be appointed as proxyholder, if management is holding a proxy with respect to Common Shares beneficially owned by such NOBO, the Company must arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxyholder in respect of those Common Shares. Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as proxyholder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the Meeting and any adjournment or postponement of the Meeting.

If the Company receives such instructions at least one business day before the deadline for submission of proxies, it is required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxyholder.

The intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as proxyholder in respect of the OBO's Common Shares. Under NI 54-101, unless corporate law does not allow it, if the intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the intermediary (who is the registered Shareholder) in respect of all matters that come before the Meeting and any adjournment or postponement of the Meeting. An intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as proxyholder.

Voting by mail or by internet are the only methods by which a holder may appoint a person as proxyholder other than the Management nominees named on the form of proxy.

### **Voting of Proxies**

The Shares represented by a properly executed proxy in favour of persons proposed by management as proxyholders in the accompanying form of proxy will:

- (a) be voted for or against or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be taken; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

On a poll such Shares will be voted **IN FAVOUR** of each matter for which no choice has been specified or where both choices have been specified by the Shareholder.

The enclosed form of proxy when properly completed and delivered and not revoked confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on

such matters or business. At the time of the printing of this Management Information Circular, the management of the Company knows of no such amendment, variation or other matter which may be presented to the Meeting.

**Revocation of Proxies**

Unless you are a holder of CDIs, a Shareholder can change or revoke their vote. If a registered Shareholder attends the Meeting and votes the Shares on any Resolutions, the registered Shareholder will be deemed to have revoked any prior proxy or voting instruction on all matters.

The revocation is by an instrument in writing executed by the Shareholder or by his/her attorney authorised in writing or, where the Shareholder is a corporation, by a duly authorised officer or attorney of the corporation, and delivered either to the registered office of the Company, at 67 Yonge Street, Suite 701, Toronto, Ontario Canada M5E 1J8, at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, any reconvening thereof, or to the Chair of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **Resolution 6**

#### **Issue of Options to Director - Mr Chang Loong Lee**

On 30 April 2024, the Company announced Mr Chang Loong Lee's appointed as an Executive Director. Mr Lee and the Company have entered into an executive services agreement (**Executive Services Agreement**), under which it was agreed that Mr Lee would receive the following remuneration for his services to the Company:

- Mr Lee is to receive a salary of A\$300,000 per annum; and
- subject to Shareholder approval, the Company will issue Mr Lee is to be granted 7,000,000 Options, each exercisable at A\$0.45 and expiring 31 December 2026.

The Executive Services Agreement otherwise contains provisions considered standard for an agreement of its nature.

This Resolution seeks Shareholder approval for the issue of up to 7,000,000 Options to Mr Lee (or his nominee(s)) on the terms and conditions set out below.

#### **Listing Rule 10.11**

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- |         |   |
|---------|---|
| 10.11.1 | a related party;  |
| 10.11.2 | a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;  |
| 10.11.3 | a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so; |
| 10.11.4 | an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or  |

10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

#### Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Options and may be required to provide increased cash based remuneration to Mr Lee which will deplete the Company's cash reserves.

**Employee Equity Incentive Plan Summary**

In March 2021, the Board of Directors adopted the Employee Equity Incentive Plan (the **Plan**). For the fiscal year ended 30 June 2024, this is the only incentive scheme that exists for the purpose of enabling the Company to make equity-based grants to employees, Non-Executive Directors, management, contractor or casual employees. The Company can, however, issue equity securities outside of the Plan by utilising its ASX Listing Rule placement capacity.

The Plan was established to assist in the motivation retention and reward of eligible employees and Directors. The Plan has been designed to align the interest of employees with the interests of CDI Holders by providing an opportunity for employees to receive an equity interest in Besra.

The Plan provides for both short term incentive and long-term incentive arrangements including the grant of options, performance rights and/or shares as incentives, subject to the terms of individual offers.

As of the date of this Notice of Meeting, there had been no equity-based grants under the Plan for the fiscal year ended 30 June 2024. The Board does not deem it necessary to adopt a new employee equity incentive plan and has made the decision to keep the existing Plan on foot.

The key terms of the Plan are summarised in Schedule 2 below.

## SCHEDULE 4 – 2024 CORPORATE GOVERNANCE STATEMENT

### Pursuant to ASX Listing Rule 4.10.3

---

#### 2024 Corporate Governance Statement

The Besra Gold Inc (Besra) or the Company) has adopted the ASX Corporate Governance Council's ("Council") Fourth Edition Corporate Governance Principles and Recommendations (ASX Governance Principles) and is committed to operating at the highest standards of financial and ethical behaviour as well as maintaining a high standard of corporate governance which reflects our values, the expectations of the Company's shareholders and the requirements of the market regulators. Where the Company's corporate governance practices do not meet with all the recommendations by the Council, or the Board does not consider it practicable or necessary to implement, the Board's reasoning for any departure is explained and an alternative governance arrangement set out. The Company's vision is to continually find and apply the best practices in exploration, development, and mining achieve sustainable production but tread lightly in the environment and communities where Besra operates.

Our corporate governance framework is designed to comply with the regulatory requirements applicable in jurisdictions in which Besra operates. The Board is committed to maintaining a framework which is appropriate for the size and scope of its operations, including our values of accountability and integrity. These values are the cornerstones of how the Company operates and it is reflective of the Company's commitment to instill a culture of recognising its legal obligations, the legitimate expectations of stakeholders and promoting practices necessary to maintain confidence in the Company integrity.

#### Corporate Governance Compliance

This Statement has been approved by the Board of Besra and is current as at 30 September 2024, and should be read in conjunction with the information presented in the corporate governance section on the Besra website at <https://www.besra.com/> and at <https://www.besra.com/corporate-governance/>, the 2024 Annual Report and the Appendix 4G released on the ASX Market Announcements platform on 30 September 2024. The Company advises that it complies with the ASX Governance Principles, other than where the Company sets out alternative governance arrangements as to why it does not comply with some Council recommendations.

As the Company's board has only four members, the board has put in place alternative governance arrangements, in that the board undertakes the functions of a nominations committee (Recommendations 2.1), internal audit (Recommendation 7.3), and a remuneration committee (Recommendation 8.1) as it would not be practical given the size of the board to have separate committees. Besra has an alternative Diversity Policy that includes gender, and has not set measurable objectives due our current modest scale of operations (Recommendations: 1.5)

One of four directors of the board are considered independent, and the Chair is not independent (Recommendation 2.4 and Recommendation 2.5), however for Recommendation 7.1. the Besra Audit and Risk Committee has one independent member being the Chair, Jon Morda, as per Recommendation 7.1 (a) (2).

## Additional Corporate Governance Disclosure

### (a) Board of Directors

The Board of Directors fulfills its mandate directly and is assisted in the process by the established Audit Committee. The Directors are kept informed regarding the Company's operations at regular meetings, or as otherwise required and through reports and discussions with management on matters within their particular areas of expertise. Frequency of meetings may be increased, and the nature of the agenda items may be changed depending upon the state of the Company's affairs and in light of opportunities or risks that the Company faces.

The Board of Directors currently consists of three (3) Non-Executive Directors, namely Dato Lim (Non-Executive Chair), Jon Morda and Michael Higginson and one (1) Executive Director, Chang Loong Lee. It is expected all the Directors will be elected at this Meeting and will serve in office until the next meeting of shareholders at which Directors are to be elected.

Pursuant to National Instrument 52-110 – *Audit Committees (NI 52-110)*, a director is considered independent if he or she has no direct or indirect material relationship with the Company that the Board believes could reasonably be perceived to materially interfere with his or her ability to exercise independent judgment. NI 52-110 sets out certain situations where a director is deemed to have a material relationship with the Company.

The Board takes steps to ensure Directors exercise independent judgment in considering transactions and agreements in respect of which a Director or an employee or consultant of the Company has a material interest, which include ensuring that such individuals are familiar with rules concerning reporting conflicts of interest and obtaining direction from the Board or a member of senior management of the Company regarding any potential conflicts of interest.

The Board of Directors considers Jon Morda to be the only independent Director. The Board of Directors considers Dato Lim, Chang Lee and Michael Higginson are not independent Directors for the following reasons:

- Dato Lim by virtue of him be the controlling shareholder of the Company's major shareholder;
- Chang Lee by virtue of him being a professional adviser to the Company's major shareholder; and
- Michael Higginson by virtue of him being the Corporate Secretary of the Company.

In exercising powers and discharging duties, the Board is required to act honestly and in good faith with a view to the best interests of the Company, and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to officers, directors, employees and consultants, to help them recognize and deal with ethical issues; promoting a culture of honesty, integrity and accountability; and ensuring awareness of disciplinary action for violations of ethical business conduct.

## Directorships

Other than as follows, none of the current directors of the Company currently serve as a director of any other reporting issuer:

Name	Reporting Issuer	Market
Jon Morda	Kootenay Silver Inc.	TSX Venture Exchange

## Orientation and Continuing Education

The Board recognises the importance of ongoing director education and the need for each director to take personal responsibility for this process. The Company has not yet developed a formal orientation or training program for new directors or a formal continuing education program for existing directors. Nevertheless, through discussions and meetings with other directors, officers and employees, new directors will be provided with a thorough description of the Company's business, properties, assets, operations and strategic plans and objectives. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

## Ethical Business Conduct

As part of its responsibility for the stewardship of the Company, the Board seeks to foster a culture of ethical conduct by requiring the Company to carry out its business in line with high business and moral standards and applicable legal and financial requirements.

The Board has adopted a written code of business conduct and ethics - the Code of Conduct, which applies to all employees, contractors, consultants, officers and directors of the Company and its subsidiaries. The purpose of the Code is to, among other things, promote honest and ethical conduct, promote the avoidance of conflicts of interest, promote compliance with applicable laws, rules and regulations, provide guidance to employees, contractors, consultants, officers and directors of the Company to help them recognize and deal with ethical issues and help foster a culture of honesty and accountability for the Company. A copy of the Code has been filed with the regulators, in accordance with applicable legislation, and is available under the Company's profile on SEDAR at [www.sedarplus.ca](http://www.sedarplus.ca) and the Company's webpage at [www.besra.com](http://www.besra.com)

The Board also has adopted a written Whistleblower Protection Policy which establishes procedures for: (i) the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls, auditing matters or violations of the Code; and (ii) the submission by employees, contractors, consultants, directors or officers of the Company, on a confidential and anonymous basis, of concerns regarding questionable accounting, auditing matters or violations of the Code, any other policy, charter or mandate of the Company, or applicable laws, rules and regulations.

The Board has also adopted a written Anti-Bribery and Corruption Policy which establishes procedures that corrupt practices are not acceptable, irrespective of local standards and practices in the place of business. Besra is committed to conducting its business ethically and with honesty and integrity, with a "zero-tolerance" approach to bribery and corruption.

The Board also has adopted a written Securities Trading Policy to ensure, among other things: (i) strict compliance by all insiders with all requirements relating to the reporting of insider trading and with respect to trading when in possession of "undisclosed material information" (as defined in the policy); and (ii) that individuals subject to scheduled and unscheduled blackout periods adhere to the restrictions on trading as set out in the policy.

The Board of Directors conducts a review of the above policies on a regular basis to ensure they are consistent with market expectations and the Company requirements.

### **Nomination of Directors**

The Board is responsible for the nomination of directors and identifying new candidates for appointment to the Board. In that regard, the Board is also responsible for identifying the competencies and skills required for nominees to the Board, with a view to ensuring that the Board is comprised of directors with the necessary skills and experience to facilitate effective decision-making. The Board may retain external consultants or advisors to conduct searches for appropriate potential director candidates if necessary.

All Directors are expected to actively support the core values of the Company, and to work diligently to safeguard the long-term interests of the Company and its value to Holders. All Directors must demonstrate a track record of ethical leadership and accountability, of operating successfully in an environment of challenge and collegiality, and of understanding commercial risk/return trade-offs. Particular skills and experience which need to be adequately represented include (not in priority order):

The Board will identify and recommend new nominees as directors of the Company based upon the following considerations:

- (i) the competencies and skills necessary for the Board as a whole to possess;
- (ii) the competencies and skills necessary for each individual director to possess;
- (iii) the competencies and skills which each new nominee of the Board is expected to bring; and
- (iv) whether the proposed nominees to the Board will be able to devote sufficient time and resources to the Company.

### **Remuneration**

The Board is responsible for making recommendations regarding remuneration of Directors.

### **Board Committees**

The Company has an Audit & Risk Committee. The Board will consider whether to constitute additional committees to be responsible for corporate governance and nomination, as and when appropriate for the Company's operations.

The Audit & Risk Committee is responsible for monitoring the Company's systems and procedures for financial reporting and internal control, reviewing certain public disclosure documents, including the Company's annual audited financial statements and unaudited quarterly financial statements, and monitoring the performance and independence of the Company's external auditors. The Audit & Risk Committee is also responsible for reviewing with management the Company's risk management policies, the timeliness and accuracy of the Company's regulatory filings and all related party transactions as well as the development of policies and procedures related to such transactions.

The Board assumed the role of the Remuneration Committee.

The Board reviews, determines and implements as required:

- the Company's remuneration framework for directors, including the process by which any pool of directors' fees approved by security holders is allocated to directors;
- the remuneration packages to be awarded to senior executives;
- equity-based remuneration plans for senior executives and other employees;

- superannuation arrangements for directors, senior executives and other employees; and
- whether there is any gender or other inappropriate bias in remuneration for directors, senior executives or other employees.

In addition to the Audit & Risk Committee, independent committees may be appointed from time to time, when appropriate.

### **Assessments**

The Board of Directors intends to make annual assessments regarding the effectiveness of the Board of Directors itself and individual directors in fulfilling their responsibilities, as well as the adequacy of information provided to directors, communication between the Board of Directors and management and the strategic direction and processes of the Board of Directors.

### **(b) Diversity**

As diversity is a part of determining overall Company balance, Besra endorses the nomination principles of competence, skillset, experience and diversity of perspective.

As the Board of Directors in any company “sets the tone” of action, Besra seeks diversity in Board composition and recognises that there is great merit in a diversity of backgrounds, views and experiences being present at the Board and management levels.

The Company will not shy away from periodically reviewing the composition of the Board to recommend measures to achieve appropriate balance of diversity and representation of designated groups.

The ethos of the Besra Diversity Policy is to provide equal opportunity in all aspects of employment with Besra.

The Board has not yet adopted a written policy or targets relating to the identification and nomination of designated groups (including women, Aboriginal peoples, persons with disabilities and members of visible minorities) to the Board.

The Board has not yet adopted a written policy of gender specific targets from designated groups for nomination to the Board and/or senior management.

Given the small size of the executive team, management believes that implementing targets is not appropriate at this time. However, in the Company’s hiring practices, it considers diversity and the level of representation of women in executive officer positions.

The Board has not currently adopted a policy on term limits or other forms of board renewal.

Going forward, Besra may set diversity aspirations regarding the Board’s optimum composition as part of the identification and nomination of new directors to the Board.

The Besra recruitment process for any position within the Group will consider a number of factors, including gender, ethnic and geographic diversity, age, business experience, professional expertise, sexual identity, religion, family upbringing, neurodiversity, personal skills, personal experience and personal perspectives.

Notwithstanding the foregoing, recommendations concerning Board nominees are, foremost, based on merit and performance, with due regard to the overall effectiveness of the Board.

If all Directors nominated for election at the meeting are elected, the Company's Board will comprise one male executive director and three male non-executive directors, two of whom are visible minorities.
