BSA secures extension of the nbn Unified Field Operations (Services) contract

Sydney, 28 November 2024: BSA Limited (ASX:BSA) is pleased to announce that it has secured an extension to its nbn Unified Field Operations (Services) contract to 30 September 2025 for the ongoing service and maintenance of nbn's fixed-line infrastructure network, with a further extension option up to 30 September 2026 exercisable at nbn's discretion.

The extension will see BSA continue to provide a range of activation and assurance services to nbn customers for Fibre and Hybrid Fibre Coaxial (HFC) network infrastructure. BSA will continue to operate in its allocated regions across New South Wales and Victoria.

The extension will be on consistent commercial terms to the existing contract.

BSA will also continue to inform the market of any progress in relation to the nbn Field Services Contract tender.

Current estimated timelines indicate that the nbn Field Services contract will not commence before September 2025.

Authorised for release by the Board of Directors.

About BSA:

BSA (ASX: BSA) is an Australian-owned and operated ASX-listed company with over 25 years' experience delivering fixed-line and wireless Telco services, smart metering services and premium EV charging solutions. BSA provides services to Australia's household brands, including nbn, Foxtel and Telstra. The BSA team is focused on building strong, long-term relationships with customers and partners in the Telco, Smart Energy and EV sectors.
