## First cargo to long-term foundational offtake customer

Liontown's largest cargo of spodumene concentrate and the first to LG Energy Solution under long-term offtake agreement sails from the Port of Geraldton today.

### Highlights

- First cargo of spodumene concentrate to long-term foundational customer LG Energy Solution loaded onto MV Bunun Queen, is sailing from the Port of Geraldton on 11 December 2024.
- Shipment comprised of two separate Liontown cargoes, totalling ~33,000 wet metric tons (WMT) of spodumene concentrate with a weighted average concentrate grade of ~5.2% Li<sub>2</sub>O,<sup>1</sup> including ~11,000WMT designated for LG Energy Solution, with the balance sold to an existing short-term offtake customer.
- This marks the fourth and largest cargo shipped since Kathleen Valley Lithium Operations commenced production.

### First cargo of concentrate shipped to foundation customer

Liontown Resources Limited (ASX: LTR) (the Company) is pleased to announce that the first cargo of spodumene concentrate, under its long-term supply partnership with LG Energy Solution, sails from the Port of Geraldton on 11 December 2024.

This is the first cargo under our long-term supply partnership with LG Energy Solution, a major supplier of lithium-ion batteries, and is aligned with Liontown's previously announced intention to progressively start deliveries into its long-term offtake agreements.

Liontown's Managing Director and CEO Tony Ottaviano commented:

*"Shipping our first cargo to LG Energy Solution marks the beginning of our long-term offtake partnership. This ~33,000wmt shipment of spodumene concentrate is our largest to date, and I'm incredibly proud of our team's hard work and dedication. We have now shipped one cargo per month since our first cargo in September, generating revenue and demonstrating continued progress on our ramp up toward becoming a reliable, major supplier of lithium to the global market."*

This announcement has been approved for release by the Managing Director, Tony Ottaviano.
