Nufarm Limited Notice of Annual General Meeting 4 February 2025

Chair's Letter

Dear Shareholder

I am pleased to invite you to the Annual General Meeting (**Meeting** or **AGM**) of Nufarm Limited (**Nufarm**), which will be held as a hybrid meeting at our head office in Laverton, Melbourne, and online at 11.00am (AEDT) on Tuesday 4 February 2025. This Meeting relates to Nufarm's financial year ending 30 September 2024.

Shareholders can watch, vote and ask questions in relation to the business of the Meeting in real time whether attending in person or virtually. Information on how to participate virtually is set out in the accompanying Notice of Meeting (NOM) and in the Online Meeting Guide which is available at www.computershare.com.au/virtualmeetingguide.

FY24 saw the culmination of a period of board renewal, and we now have a board with a diverse mix of skills, experience and tenure that is well aligned with the current and future needs of our business as a global agricultural innovator. David Jones has completed his first term and is standing for re-election at this meeting. We greatly value David's extensive global experience and his contribution to date and the board recommends his re-election to shareholders.

We are also seeking approval for the grant of performance rights to our CEO and Managing Director under our EIP. Further details about the proposed grants are included in the explanatory notes accompanying this NOM, and I encourage you to review our FY24 remuneration report, which details our approach to remuneration and the changes made to our EIP for FY24 in consultation with key stakeholders.

FY24 was a challenging year for the crop protection industry, however we were able to compete vigorously and at the same time continue to invest in our innovation and growth agenda. Importantly, we maintained strong financial discipline across the year and, as we enter FY25, our balance sheet is strong and we are well positioned for the year ahead.

How to vote

Details of each resolution to be proposed at this Meeting are set out in the accompanying NOM and the Explanatory Notes.

Directors recommend that shareholders vote in favour of resolutions 2 to 4. Information on voting, including how to vote directly and appoint a proxy, are available in the Notes relating to Voting section on page 4 of the NOM. If you cannot join the Meeting in person or online, you may appoint a proxy to attend and vote on your behalf. To do this you must appoint a proxy and lodge a proxy vote so that it is received no later than 11.00am (AEDT) on Sunday 2 February 2025.

Notes relating to voting

Entitlement to vote

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001, the Board has determined that persons who are registered holders of shares in the Company as at **7.00 pm (AEDT) on Sunday 2 February 2025** will be entitled to attend and vote at the Meeting as a shareholder. Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

If more than one joint holder of shares attends the Meeting (whether personally, by proxy, by attorney or by representative) and tenders a vote, only the vote of the joint holder whose first name appears first on the register will be counted.

Exercising your right to vote

Voting on all resolutions will be conducted by a poll.

The poll will be conducted live and online during the Meeting using the Computershare online meeting platform.

On a poll, shareholders have one vote for every fully paid ordinary share held (subject to restrictions on voting referred to above).

On a poll, if:

- a shareholder has appointed a proxy (other than the Chair of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
- that shareholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,

the Chair of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the shareholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that shareholder.

Shareholders are encouraged to submit their vote in advance of the Meeting by appointing a proxy at www.investorvote.com.au by 11:00am (AEDT) on Sunday 2 February 2025.

Proxies

A shareholder entitled to attend and vote at the Meeting can appoint a proxy to attend and vote on their behalf. Instructions on how to appoint a proxy are on the online voting website, www.investorvote.com.au

A proxy need not be a Shareholder of Nufarm and may be an individual or a body corporate. If you are entitled to cast two or more votes, you may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If you appoint two proxies and do not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half of the votes.

If you choose to appoint a proxy, you are encouraged to direct your proxy on how to vote by marking the "for", "against" or "abstain" box on the Proxy Form. Your proxy may only exercise your vote in the manner you have directed. If no direction is given, the proxy may vote as it sees fit, subject to any voting restrictions applicable to the proxy. Unless the Chair of the Meeting is your proxy, members of the Company's KMP (which includes each of the Directors) will not be able to vote as proxy on Items 2 or 4 unless you direct them how to vote. If you intend to appoint any of those persons as your proxy, you should ensure that you direct that person how to vote on Items 2 and 4.

Appointed proxies will need to contact Computershare to obtain a username and password to vote online. Further details are available in the online meeting guide available at www.computershare.com.au/virtualmeetingguide.

Either the original, facsimile or electronic transmission of the Proxy Form(s) and any Power of Attorney or authority under which they are signed must be received at least 48 hours prior to the Meeting (i.e. by no later than 11.00am (AEDT) on Sunday 2 February 2025). The Board considers that David Jones is an independent Director.

Directors' Recommendation

The Board (excluding David Jones) unanimously recommends that shareholders vote in favour of resolution 3.

Item 4: FY24 Grant of Rights to the MD and CEO under the EIP

Background to Executive Incentive Plan (EIP)

Nufarm's EIP rewards achievement against a combination of financial and non-financial performance measures that are aligned to the creation of shareholder value over both the short term and long term. A combination of financial and non-financial measures achieved over a 12 month performance period determines the number of Rights that may be awarded. Those Rights are subsequently tested after a further 3 year vesting period against a rTSR measure and other strategic measures supporting our long-term objectives. Offers made under the EIP are made pursuant to the Equity Incentive Plan Rules.

Item 4 set out in the Notice of AGM seeks approval for the proposed issue of Rights to the MD and CEO (as well as the allocation of Shares upon vesting of those Rights) in respect of the grant of the FY24 EIP Rights. These Rights are granted in

respect of the performance achieved in the performance period from 1 October 2023 to 30 September 2024, and will be tested at the end of FY27.

FY24 EIP award outcome

The Board assessed each of the FY24 EIP award measures and determined that all financial metrics were below threshold and non-financial metrics were substantially achieved. The Board determined that the MD and CEO achieved 18.75% or \$372,939 of his potential target opportunity in respect of the 12 month performance period ending 30 September 2024. The annual cash award gateway, which tests uEBIT over Year 1, was not met. This means the award will be delivered in Rights only, subject to shareholder approval, on the terms set out below.

Appendix B – Other required information – ASX Listing Rules

Approval is being sought from shareholders for all purposes, including for the purpose of ASX Listing Rule 10.14. ASX Listing Rule 10.14 provides that a listed company must not issue securities to a Director under an employee incentive scheme unless it obtains the approval of its shareholders.

The EIP was adopted on 1 October 2021. Grants were previously made to the MD and CEO under the EIP in relation to FY22 and FY23.

The MD and CEO is the only director of Nufarm (or associate of a director) entitled to participate in the EIP and receive Rights. No loans have been or will be granted to the MD and CEO in connection with his participation in the EIP and the MD and CEO is prohibited from entering into hedging transactions or arrangements in respect of his Rights.

For the purposes of ASX Listing Rule 10.15.4, the MD and CEO's current total remuneration package is as follows:

Fixed annual remuneration (including superannuation)	\$1,536,285
Target opportunity under the EIP	134% of FAR, being \$2,058,621 which if awarded is delivered 32% in cash and 68% in Rights.

Further information on the MD and CEO's remuneration is set out in the 2024 Remuneration Report.

Details of any Rights issued under the EIP are published in the Remuneration Report relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14. Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in any issue of shares under the EIP after this resolution is approved and who are not named in this Notice of Meeting will not participate until approval is obtained under that rule.

If shareholder approval is not obtained for Item 4, the Board will consider alternative arrangements to appropriately remunerate and incentivise the MD and CEO, including a cashbased incentive.

The Board considers that it is in the best interests of shareholders to provide the MD and CEO with equity-based incentives to ensure there is alignment between satisfactory returns to shareholders and reward to the MD and CEO as an executive Director. The Company uses Rights because they create alignment between the executive and ordinary shareholders but do not provide the executive with the full benefits of share ownership (such as dividend and voting rights) unless and until the Rights vest. As the Rights form part of the MD and CEO's remuneration, they will be issued at no cost.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

(Noting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
