Voluntary Suspension

ChemX Materials Ltd (**Company**) requests that its securities be placed in voluntary suspension and provides the following information in accordance with ASX Listing Rule 17.2:

- a) the voluntary suspension is requested to enable the Company to manage its continuous disclosure obligations pending the release of an announcement regarding an update on funding and management restructure (**Announcement**);
- b) the Company requests that the voluntary suspension to remain in place until the earlier of the release of the Announcement by the Company, or the commencement of trading on 23 December 2024; and
- c) the Company is not aware of any reason the voluntary suspension should not be granted, or any other information necessary to inform the market about the voluntary suspension.
