GENERAL MEETING - EXPLANATORY NOTES

These Explanatory Notes accompanying this Notice of Meeting are incorporated in and comprise part of this Notice of Meeting, and should be read in conjunction with this Notice of Meeting.

If any Shareholder is in doubt as to how they should vote, they should seek advice from their legal, financial or other professional adviser prior to voting.

Introduction

These Explanatory Notes have been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be considered at the General Meeting of the Company. The Directors recommend Shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Terms defined in the Notice of Meeting have the same meaning in these Explanatory Notes.

GENERAL BUSINESS

Resolution 1: Ratification of the issue of up to 30,000,000 Placement 1 Shares

On 10 December 2024, the Company announced that it had received commitments to issue 30,000,000 Placement Shares at an issue price of \$0.01 per Placement 1 Share under a private placement to sophisticated, professional and institutional investors (**Placement 1**). The issue of Shares pursuant to Placement 1 was undertaken under the Company's 15% placement capacity under ASX Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 and ASX Listing Rule 7.1A limit the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% and 10% respectively of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Placement Shares did not fall within an exception and were issued without Shareholder approval under the Company's 15% placement capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under ASX Listing Rule 7.1 and Listing Rule 7.1A, provided the issue did not breach the maximum threshold set by ASX Listing Rule 7.1 and Listing Rule 7.1A. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and Listing Rule 7.1A and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under those rules.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1 and thus the Company is seeking ratification of the issue of Placement 1 Shares the subject of Resolution 1. The Company confirms that the issue and allotment of Placement 1 Shares did not breach ASX Listing Rule 7.1 at the date of issue.

If Resolution 1 is passed, the Placement 1 Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolutions 1 is not passed, the relevant issues will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

ASX Listing Rule 7.5 contains certain requirements as to the contents of a Notice sent to Shareholders for the purpose of ASX Listing Rule 7.4 and the following information is included in these Explanatory Notes for that purpose:

Party	The Placement Shares were issued to various investors who did not require a disclosure document and who were identified and selected by the Company and introduced by Oakley Capital Partners Pty Limited (Oakley). None of the parties are Related Parties of the Company and there is no issue of Placement Shares to members of Key Management Personnel. If any of the Placement 1 Shares are issued after the date of the Notice, they will be parties nominated by the Lead Manager and will be issued Shares prior to the date of the Meeting to the maximum amount for which ratification is sought.
Number and Class of Securities issued	30,000,000 fully paid ordinary shares (Shares) under Listing Rule 7.1.

Date of issue	The Placement Shares were issued on or about 20 December 2024. Some Placement 1 Shares may be issued up to the date of the Meeting.
Price or other Consideration	The Placement Shares were issued at a price \$0.01 (1.0 cents) per Share and the Company received \$300,000 for the issue of the Placement 1 Shares.
Terms	The Placement 1 Shares rank equally with all other Shares on issue.
Purpose	The funds raised from the Placement will be used to progress exploration at the Company's exploration projects, business development and for working capital purposes.
Material terms of agreement	The relevant placement agreements provided that the issue price of the Placement 1 Shares was \$0.01 and included various conditions customary for a placement agreement of this sort.

Board Recommendation: The Directors recommend that Shareholders vote in favour of Resolution 1 and advise that that they intend to vote any Shares that they own or control in favour of Resolution 1.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1.

Resolutions 2, 3 and 4: Approval to issue up to 15,000,000 Placement 1 Options, 11,250,000 Corporate Advisory Shares and 15,000,000 Broker Options

On 10 December 2024, the Company announced the issue of Placement 1 Shares as detailed above. Together with the Placement 1 Shares, the Company announced the issue of Placement 1 Options on a 1 for 2 basis with the Placement 1 Shares, issue of 11,250,000 Corporate Advisory Shares for services under the Broker Mandate and issue of 15,000,000 Broker Options to Oakley Capital Partners Pty Limited (Oakley) (or their nominee/s) in part consideration for the capital raising services provided by the Broker in relation to Placement 1. The Options have an exercise price of \$0.018 and expiry of 31 July 2028 and are intended to be quoted when issued.

As noted in the Explanatory Notes to Resolution 1, broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Resolutions 2, 3 and 4 seek Shareholder approval for the issue of Placement 1 Options, Corporate Advisory Shares and Broker Options to the Broker for the purposes of ASX Listing Rule 7.1.

If Resolutions 2, 3 and 4 are passed, the Company will be able to proceed with the issue of Placement 1 Options and Corporate Advisory Shares and Broker Options to Oakley. In addition, the Shares and Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

Resolutions 11, 12, 13 and 14: Issue Director Options and Director Shares to Mr Rogatsky and Mr Zaetz

Background

Mr Rogatsky and Mr Zaetz (**Participating Directors**) are executive Directors with responsibility of management and oversight of the Company. For the purpose of remunerating the Participating Directors to preserve cash, the Board has determined to include an equity based component to their remuneration package. The Participating Directors have been invited by the board of the Company to receive Shares and Options as remuneration, if approved by Members at this Meeting. The Company also seeks Shareholder approval to fund the issue of 31,225,000 Shares to Director Aharon Zaetz via a loan. The value of the Loan will be based on the 5 day VWAP of the Company's Shares immediately prior to the date of issue – representing the market value of the Shares at that time.

Reason for approval – Listing Rules

ASX Listing Rules 10.11 and 10.14 require Shareholder approval for the issue of Equity Securities to a related party, or a person whose relationship with the entity, or a related party is, in ASX's opinion, such that approval should be obtained.

Accordingly, Shareholder approval is sought for the issue of Shares and Options to the Participating Directors (or their nominee/s) on the terms set out below. If approval of the issue of the Shares and Options is given under Listing Rules 10.11 and 10.14, approval is not required under Listing Rule 7.1. The issue of Shares and Options to the Participating Directors will therefore not be included in the 15% calculation for the purposes of Listing Rule 7.1.

All Options are proposed to be issued under the Company's SOP.

If Resolutions 11, 12, 13 and 14 are approved, then the Participating Directors will be able to receive remuneration via the issue of the relevant Shares and Options.

If Resolutions 11, 12, 13 and 14 are not approved, no Share nor Options will be issued to the Participating Directors pursuant to the SOP.

Reason for approval – Corporations Act – Termination Benefits

The Corporations Act restricts the Company from giving certain "benefits" to certain persons (those who hold a managerial or executive office, as defined in the Corporations Act) on ceasing their employment with the Company (**Termination Benefits**), in the absence of prior shareholder approval unless an exemption applies.

The term "benefit" is defined broadly in the Corporations Act and includes benefits arising from the Board exercising its discretion under the rules of the SOP.

Accordingly, Resolutions 11, 12, 13 and 14 also seek Shareholder approval for the purpose of the Company providing these Termination Benefits to the Participating Directors in accordance with the terms of the SOP.

Specifically, Shareholder approval is being sought to enable the Board to exercise certain discretions under the SOP, including the discretion to determine to waive some or all of the Performance Conditions (if any) attaching to Options or accelerate their vesting, where a participant ceases to be employed or engaged by the Company, including as a result of redundancy, death, total or permanent incapacity and other circumstances determined by the Board.

This approval is being sought in respect of the current participation in the SOP, and the Termination Benefits that may arise if and when the Participating Directors cease to be engaged by the Company.

Other than as expressly set out in Resolutions 11, 12, 13 and 14, no current Director will participate in the SOP unless separate Shareholder approval is first obtained.

For the purposes of section 200E of the Corporations Act, the Company advises that various matters will or are likely to affect that value of the Termination Benefits that the Board may give under the SOP and, therefore the value of the Termination Benefits cannot be determined in advance.

The value of a particular benefit resulting from the exercise of the Board's discretion under the SOP will depend on factors such as the Company's share price at the time of the exercise of this discretion and the number of Options that the Board decides to waive the Performance Conditions in respect of or for which the vesting date is accelerated. Some of the factors that may affect the value of the Termination Benefits are as follows:

- (a) the nature and extent of any Performance Conditions waived by the Board;
- (b) the number of Performance Conditions that have been satisfied at the time that the Board exercises this discretion; and
- (c) the number of unexercised Options that the Director holds at the time that this discretion is exercised.

Issue of Options to the Participating Directors

Upon approval at this Meeting, the Company intends to issue Options to the Participating Directors within 1 month of the Meeting. The Options will be issued as vested Securities. The Company will not issue the Options later than the three year anniversary of approval of this Resolution at the Meeting.

In the event that all Options are exercised, the Company will issue one Share for each vested Option. The Shares to be issued upon exercise of the Options will all be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares at the date of issue.

The Company advises that it will provide a limited recourse nil interest loan in relation to the issue of Shares to Mr Zaetz.

Issue Price and Exercise Price

There is no issue price and consequently there are no funds raised upon issue of the Shares and Options as they are issued for nil consideration. Each issued Option will have an exercise price of \$0.018 and expiry of 31 July 2028.

Vesting

The Shares and Options are issued as vested Securities and become exercisable as elected by the Participating Director.

Each Participating Director will be issued 31,250,000 Shares and 31,250,000 Options.

Director total current remuneration

The Participating Directors are remunerated as listed below (base salary and superannuation).

TABLE 1

Director	Full year amount	2023/24 payments ¹
M Rogatsky	\$350,000	\$204,167
A Zaetz	\$350,000	\$204,167

¹ Cash remuneration for the year ended 30 June 2024 as disclosed the Company's Remuneration Report. The Directors commenced employment with the Company during the 2023/24 financial year. Remuneration of Mr Zaetz and Mr Rogatsky was settled via issued of Shares during the 2023/24 year.

The participating Directors have the following relevant interest in Equity Securities of the Company (post consolidation effected on 6 December 2024):

TABLE 2

Director	Shares	Listed options	Unlisted options
M Rogatsky	29,090,625	3,750,000	22,775,000
A Zaetz	21,875,000	-	22,500,000

If all the Options granted vest and are exercised, then a total of 62,500,000 new Shares would be issued. This will increase the number of Shares on issue from 201,252,876 to 263,752,876 (assuming that no other Shares are issued other than Placement 1) with the effect that the shareholding of existing Shareholders would be diluted by approximately 21.28%.

The market price for Shares during the term of the Shares and Options will affect the value of the perceived benefit given to the Participating Directors. The trading history of Shares on ASX in the 12 months before to 13 December 2024 is listed in Table 3 below (based on adjusted pricing following the recent 1:8 consolidation):

TABLE 3

	Price	Date

Corporations Act – Related Party

Under Chapter 2E of the Corporations Act, a public company cannot give a financial benefit to a related party unless an exception applies or shareholders have in a general meeting approved the giving of that financial benefit to the related party.

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of the Options, pursuant to Resolutions 11, 12, 13 and 14, as the exception in section 211 of the Corporations Act applies. Shareholder approval must nonetheless be obtained pursuant to ASX Listing Rules 10.11 and 10.14. The Director Shares and Options which are proposed to be issued are considered to be reasonable remuneration for the purposes of section 211 of the Corporations Act.

ASX Listing Rules Disclosure

ASX Listing Rules 10.11 and 10.14 provides that a Company must not issue or agree to issue securities to a Person, without first obtaining shareholder approval.

ASX Listing Rule 10.13 requires that the following additional information be provided to Shareholders when seeking an approval for the purposes of ASX Listing Rules 10.11:

- (a) the Shares will be issued to nominees of the Participating Directors (or an entity associated with the Participating Directors), being persons who fall within Listing Rules 10.11.1 and, therefore, for whose nominees fall within 10.11.4 ;
- (b) the Company proposes to issue 31,250,000 Shares to each Participating Director;
- (c) the issue of the Shares, the subject of Resolutions 11 and 13, will occur no later than 1 month after the date of the Meeting;
- (d) the Shares will be issued for no consideration;
- (e) no funds will be raised upon the issue of Shares, and the purpose of the issue is to include a cash preservation component available to the Participating Directors; and
- (f) the value of each Share is \$0.018 based on the closing Share price on 13 December 2024.

ASX Listing Rule 10.15 requires that the following additional information be provided to Shareholders when seeking an approval for the purposes of ASX Listing Rule 10.14:

- (a) the Options will be issued to nominees of the Participating Directors (or an entity associated with the Participating Directors), being persons who fall within Listing Rule 10.14.1 and, therefore, for whose nominees fall within 10.14.3;
- (b) the Company proposes to issue 31,250,000 Options to each Participating Director;
- (c) the issue of the Options, the subject of Resolutions 12 and 14, will occur no later than 3 years after the date of the Meeting, but is expected to occur within 1 month after the Meeting;
- (d) the Options will be issued for no consideration with \$0.018 payable by the Participating Directors upon the exercise and conversion of Options to a Share. Unexercised Options will expiry on 31 July 2028. Detailed Option terms are included in Appendix 2, including that the Company will seek quotation of the Options when issued;
- (e) no funds will be raised upon the issue of Options, and the reason that Options are being issued is as a cash preservation component available to the Participating Directors in remunerating the Participating Directors commensurate with their skills and experience;
- (f) the Company has not previously issued Options to the Participating Directors;
- (g) the Company will undertake a valuation of the Director Options using the Black Scholes valuation method if approved by Shareholders at the Meeting. If all Director Shares and Options were currently vested, then each Director Share and Option would convert into one (1) Share in the Company and would currently be valued at approximately \$0.01 per Share (estimated Black Scholes valuation);
- (h) details of any Securities issued under the SOP, as contained in Appendix 2, will be published in the Company's annual report in the period to which they were issued along with a statement that approval for the issue was obtained under Listing Rule 10.14; and
- (i) any additional persons covered by Listing Rule 10.14 who became entitled to participate in an issue of Securities under the SOP after the Resolution is approved and who were not named in the Notice will not participate until approval is obtained under that Listing Rule.

Board Recommendation

The Participating Directors decline to make a recommendation to Shareholders in relation to Resolutions 11, 12, 13 and 14 due to their material personal interest in the outcome of the Resolutions on the basis that they may be issued Shares and Options should Resolutions 11, 12, 13 and 14 be passed.

With the exception of the Shares and Options to each Participating Director in respect of the Resolution as it relates to themselves, no other Director has a personal interest in the outcome of Resolutions 11, 12, 13 and 14 as they relate to the other Participating Directors. The Directors (other than in respect of Shares and Options that relate to themselves) recommend that Shareholders vote in favour of Resolutions 11, 12, 13 and 14 for the following reasons:

- the issue of Shares and Options to the Participating Directors will better align the interests of the Participating Directors with those of Shareholders;
- the issue of the Shares and Options is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would, if cash payments were given the Participating Directors under their employment arrangements; and
- it is not considered that there aren't any significant opportunity costs to the Company or benefits foregone by the Company in the issue of Shares and Options on the terms proposed.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolutions 11, 12, 13 and 14.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
