## IMPORTANT INFORMATION ABOUT VOTING ON THE RESOLUTIONS

### All Resolutions will be by Poll

In accordance with rule 27 of the Company's Constitution, the Chair intends to call a poll on each of the Resolutions proposed at the Meeting. Each Resolution considered at the Meeting will therefore be conducted by a poll, rather than on a show of hands. The Chair considers voting by poll to be in the interests of the Shareholders as a whole and is a way to ensure the views of as many Shareholders as possible are represented at the Meeting.

Shareholders may vote by appointing a proxy to attend and vote on their behalf, using the enclosed Proxy Form.

### Voting by proxy

A member who is entitled to vote at the Meeting may appoint:

- (a) one proxy if the member is only entitled to one vote; or
- (b) two proxies if the member is entitled to more than one vote.

Where the member appoints two proxies, the appointment may specify the proportion or number of votes that each proxy may exercise. If the appointment does not specify a proportion or number, each proxy may exercise one half of the votes, in which case any fraction of votes will be discarded.

A proxy need not be a member of the Company.

The Proxy Form and the power of attorney or other authority (if any) under which it is signed (or a certified copy) must be received by the Company's Share Registry no later than 10am on 8 February 2025 at 10.00am (AEST) (that is, at least 48 hours before the meeting). Proxies received after this time will not be accepted. Instructions for completing the Proxy Form are outlined on the form.

Proxies given by corporate Shareholders must be executed in accordance with their Constitutions or signed by a duly authorised attorney.

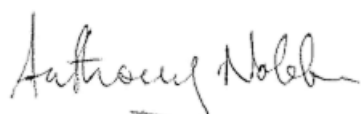

A proxy may decide whether to vote on any motion except where the proxy is required by law or the Constitution to vote, or abstain from voting, in their capacity as a proxy. If a proxy is directed how to vote on an item of business, the proxy may vote on that item only in accordance with that direction. If a proxy is not directed how to vote on an item of business, a proxy may vote how he or she thinks fit.

The Constitution provides that a Proxy Form issued by the Company may provide that where the appointment of a proxy has not identified the person who may exercise it, the appointment will be deemed to be given in favour of the Chair of the meeting to which it relates or to such other person as the Board determines.

If a Shareholder appoints the Chair of the meeting as the Shareholder's proxy and does not specify how the Chair is to vote on an item of business, the Chair will vote, as a proxy for that Shareholder, in favour of the item on a poll.

## EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions to be put to Shareholders at the General Meeting to be held at Level 19, 480 Queen St, Brisbane, Brisbane on 10 February 2024.

The Notice of Meeting, which is also enclosed, sets out details of proposals concerning the Resolutions to be put to Shareholders.

The Directors recommend Shareholders read the accompanying Notice of Meeting and this Explanatory Statement in full before making any decision in relation to the Resolutions.

Unless otherwise defined, terms used in this Explanatory Statement are defined in the Glossary forming part of this Explanatory Statement.

### 1. Resolution 1 – Ratification of prior issue of Placement Options

---

#### 1.1 Background

##### (a) Placement

On 4 December 2024, the Company announced on the ASX that it had conducted a placement to raise approximately \$1,800,000 (**Placement**), pursuant to which it had agreed to issue to sophisticated and other investors exempt from disclosure under Part 6D.2 of the Corporations Act:

- (i) 300,000,000 Shares (**Placement Shares**) at an issue price of \$0.006 per Placement Share;
- (ii) 300,000,000 unlisted Options (**Placement Options**) exercisable at \$0.006 per Placement Option with an exercise period of 12 months; and
- (iii) one CCOOA quoted Option (**Piggyback Option**) would be issued for every Placement Option is exercised on or before 31 March 2025, subject to Shareholder approval for the issue of the Piggyback Options.

The Placement Shares were issued pursuant to the approval by Shareholders under Listing Rule 7.1 at the Company's Annual General Meeting on 29 November 2024. The Placement Options were issued to investors under the Company's 15% Listing Rule 7.1 issue capacity.

##### (b) Lead Manager Mandate

In relation to the Placement, the Company appointed SP Corporate Advisory Pty Ltd (**Lead Manager**) as Lead Manager and book runner for the Placement, set out in a Lead Manager Mandate. In consideration for those services, the Company has also agreed to pay the Lead Manager:

- (i) a Lead Manager Fee of 6% of funds raised under the Placement, equating to \$108,000;
- (ii) the issue of 12,450,000 Lead Manager Options (being CCOOA Options, an existing class of Options of the Company that are quoted on the ASX); and

- (iii) a fee of A\$7,500 + GST for the management and execution of the DVP and cash settlement function.

The Lead Manager Agreement also contained a number of indemnities, representations and warranties from the Company to the Lead Manager that the Company considered standard for an agreement of this type.

## 1.2 ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Placement Options (the **Issue**) does not fit within any of the exceptions in Listing Rule 7.2 and, as their issue has not yet been approved by Shareholders, the Issue effectively used up part of the Company's 15% limit under Listing Rule 7.1. Therefore, the Issue reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of the Issue.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 1 seeks Shareholder approval to the Issue under and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the Issue of Placement Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, the Issue of Placement Options will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date.

## 1.3 Information required under Listing Rule 7.5

For Shareholders to ratify an issue of Equity Securities under Listing Rule 7.4, the Company must provide the following information pursuant to Listing Rule 7.5 in relation to Resolution 1:

<p>The names of the persons to whom the entity issued or agreed to issue the securities or the basis on which those persons were identified or selected</p>	<p>The Issue of Equity Securities pursuant to the Placement was made to sophisticated investors identified by the Lead Manager, SP Corporate Advisory Pty Ltd, who was engaged by the Company to lead manage and act as bookrunner for the Placement.</p> <p>None of the investors are related parties, Key Management Personnel, substantial holders of, or advisors to, the Company, or associates of such persons, and are being issued 1% or more of the Company's current issued capital.</p>
<p>The number and class of securities the entity issued or agreed to issue and their material terms of Issue</p>	<p>300,000,000 Placement Options.</p> <p>The terms of issue of the Placement Options are set out in Schedule 1.</p>

## 2. **Resolution 2 - Approval for the issue of Lead Manager Options**

### 2.1 **Background**

As stated in Section 1.1(a), the Company recently announced completion of the Placement and as set out in Section 1.1(b), under the Lead Manager Mandate, the Company agreed to issue the Lead Manager 12,455,000 Lead Manager Options, subject to Shareholder approval.

### 2.2 **ASX Listing Rule 7.1**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Lead Manager Options does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

Resolution 2 seeks the required Shareholder approval to the issue of the Lead Manager Options under and for the purposes of Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Lead manager Options and will issue the Lead manager Options no later than three months after the date of the Meeting, without reducing its available issue capacity under Listing Rule 7.1.

## 2.4 Directors' Recommendation

None of the Directors have a material personal interest in the subject matter of Resolution 2. The Board recommends that Shareholders vote in favour of Resolution 2, as this will enable the Company to have flexibility in respect of future capital raising activities.

## 3. Resolution 3 - Approval for the issue of Piggyback Options

If Resolution 3 is passed, the Company will be able to proceed with the issue of the Piggyback Options and will issue the Piggyback Options no later than three months after the date of the Meeting, without reducing its available issue capacity under Listing Rule 7.1. As stated in Section 1.1(a)(iii), the holder of Placement Options must exercise those Options by 31 March 2025 to qualify for the issue of Piggyback Options on the basis of 1 Piggyback Option for every Placement Option exercised by that date.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the Piggyback Options.

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to the proposed issue of the Lead Manager Options:

Voting exclusion	A voting exclusion statement is set out in the Notice of Meeting.

### 3.4 Directors' Recommendation

None of the Directors have a material personal interest in the subject matter of Resolution 3. The Board recommends that Shareholders vote in favour of Resolution 3, as this will enable the Company to have flexibility in respect of future capital raising activities.

## 4. Resolution 4 - Approval for the issue of Service Provider Shares

### 4.1 Background

## 5. Approval for the cashless buy-back of 30,000,000 Plan Shares from Mr James Dack

### 5.1 **Background**

At the Company's Annual General meeting on 30 November 2022, Shareholders approved the issue under Listing Rule 10.14 to Mr James Dack of 30,000,000 Shares (**Plan Shares**) under a Loan Funded Share Scheme pursuant to which Mr Dack would receive the Plan Shares in lieu of cash director's fees.

The Plan Shares were to vest in 3 tranches of 10,000,000 Plan Shares on the 12-month, 18-month and 24-month anniversary of the offer of the Plan Shares to Mr Dack. The issue price of the Plan Shares, being a 5-day VWAP, was funded by a limited recourse loan (**Share Loan**) from the Company to Mr Dack for the aggregate purchase price of all the Plan Shares, namely \$600,000.

The Plan Shares were issued to Mr Dack and despite the first two tranches technically vesting, all the Plan Shares remain under a holding lock.

The terms of the Loan Funded Share Scheme under which the Plan Shares were issued allowed Mr Dack to elect to forfeit the Plan Shares at his discretion, in which case the balance of the limited recourse Loan is to be set off against cancellation of the forfeited shares, with the net effect that the Plan Shares are to be cancelled and the Share Loan is to be forgiven. Mr Dack has elected to forfeit the Plan Shares and has resigned as a Director.

Consequently, the Company now proposes, by Resolution 5, to buy-back the Plan Shares and cancel them in consideration for forgiveness of the associated limited recourse loan.

### 5.2 **Corporations Act**

The buy-back by the Company of the Plan Shares pursuant to the rules of the Loan Funded Share Scheme constitutes a selective buy-back of shares that is regulated by section 275D of the Corporations Act. Section 275D requires that the buy-back be approved by a special resolution of shareholders and that any agreement relating to the buy-back must be conditional on such approval.

### 5.3 Technical disclosure under Regulatory Guide 110

The Company discloses the following information concerning the proposed buy-back of Plan Shares pursuant to ASIC Regulatory Guide 110:

Shares currently on issue	2,209,386,706
Number and percentage of Shares to be bought back	30,000,000 1.36% of Shares currently on issue
Terms of the buy-back	The Shares will be bought back and cancelled. Consideration for the buy-back will be forgiveness by the Company of the Share Loan advanced to Mr Dack to fund the aggregate issue price of the Plan Shares, in accordance with the terms on which the Plan Shares were offered and approved by Shareholders.
Offer price for the Plan Shares	The 30,000,000 Plans Shares are to be bought back for forgiveness of the \$600,000 Share Loan, equating to \$0.02 per Plan Share.
Reasons for the buy-back	Mr Dack has elected to exercise his right under the terms of issue of the Plan Shares to forfeit them in consideration of forgiveness of the Share Loan and their cancellation by the Company.
Interests of Mr Dack in the Company	In addition to the Plan Shares, Mr Dack holds 10,000,000 Shares and 5,000,000 CCOOA Options.
Financial effect of the buy-back on the Company	The buy-back has no effect on the Company's cash position. The Share Loan is not an asset in the Company's balance sheet, and the Loan Funded Share Scheme was regarded as an option granted to Mr Dack by the financial auditors in FY2023 and FY2024 and resulted in an expense of \$68,084 in FY2023 and an expense of \$116,716 in FY2024 in the company's accounts.
Source of funds for the buy-back	The buy-back is cashless and is funded by forgiveness of the \$600,000 Share Loan.
Effect of the buy-back on control of the Company	The buy-back will have no material effect on control of the Company.
Identity of the seller in the buy-back	Mr James Dack is the seller
Latest audited financial statements	The Company's Annual Report was released on the ASX on 30 August 2024.
Current share price	\$0.006.

### 5.4 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provision; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

The forgiveness of the Share Loan may be a financial benefit and Mr Dack is a related party of the Company because he was a Director in the 6 months preceding the Meeting.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 5, because in light of the stated terms of the Share Loan and the original characterisation of the issue of the Plan Shares as reasonable remuneration, the buy-back constitutes reasonable remuneration, which is one of the exceptions contemplated in paragraph (a) above. As a result, the approval of Shareholders contemplated in the summary above is not required.

## 5.5 **Directors' Recommendations**

The Directors recommend that Shareholders vote in favour of Resolution 5, because they consider that given Mr Dack's resignation as a Director and his exercise of his right to forfeit the Plan Shares under their terms of issue, it is appropriate that they be forfeited and cancelled.
