### 1. Corporate Update

Global Lithium Resources Limited (ASX: GL1, “Global Lithium” or “the Company”) advised on 10 September 2024 (ASX Release: Global Lithium Corporate Update) that it was implementing significant corporate and operational changes considering the current and likely protracted downturn in the global lithium market.

The Company’s budgets and operations had been under constant review by the Board, with the protection of the balance sheet and capital assets uppermost in mind.

The Board resolved to implement several material changes to the Company's corporate structure and operations, including:

- An immediate pause on several components of work in relation to the Definitive Feasibility Study ("DFS") for the Company's 100% owned Manna Lithium Project ("Manna");
- A material reduction in monthly expenditure on all corporate overheads and operational spending; and
- A reduction in the Board size from four to three will be implemented at the Annual General Meeting ("AGM") in November, at least for the duration of the current lithium downturn and until there is greater certainty in lithium market forecasts.

The expenditure reductions will ensure that Global Lithium remains in a strong financial position to advance Manna in the future when more favourable market conditions prevail. In the meantime, the Company plans to undertake targeted exploration activities (either directly or via a partnership collaboration), which it anticipates will be value-accretive to all shareholders.

### **Talga Project Acquisition**

On 31 December 2024, the Company announced that the strategic, low-cost acquisition of the Talga Project from Octava Minerals Limited for \$200,000 cash and \$200,000 in Global Lithium Resources ordinary shares ((1,144,237 shares) based on the 5-day VWAP prior to completion) was completed.

Exploration program planning for CY2025 in relation to a potential porphyry/Intrusion related Cu-Au mineralised system is underway with the aim of improving base geological datasets as well as following up on historical drill results. The Company is commencing discussions with interested parties who may wish to participate in the Talga gold and base metal opportunity by funding further exploration activities.

At a corporate level, the reduction of the Board of Directors from four to three members ensures the retention of the necessary core skills required to oversee the execution of the Company's immediate corporate strategy and ensure sound corporate governance while still allowing for additional Directors to be appointed in the future as appropriate (the Constitution presently permits the Company to have anywhere between 3 and 9 Directors).

Non-Executive Directors Greg Lilleyman and Hayley Lawrance resigned on 20 November 2024. Executive Director Dianmin Chen has returned to a Non-Executive Director role and seeks re-election as a Non-Executive Director.

The Company's then Chief Financial Officer, Matthew Allen, was appointed as a Director to fill the Board vacancies created by the proposed resignations of Mr Lilleyman and Ms Lawrance and stands for election as a Non-Executive Director at the upcoming AGM.

## 2. Section 249D issues

As announced by the Company on 23 August 2024, the Company received revised notices under sections 203D and 249D of the Corporations Act from Sincerity Development Pty Ltd (**Sincerity**), a company controlled by Mr Liaoliang (Leon) Zhu.

Under section 249D of the Corporations Act, members with at least 5% of the votes that may be cast at a general meeting can request to state any resolution to be proposed at the AGM. Under section 203D of the Corporations Act, a Company may, by resolution, remove a Director from office.

Mr Zhu, on behalf of Sincerity, requested the Company to hold a meeting of shareholders to consider the removal of independent Non-Executive Directors Ms Hayley Lawrance and Mr Greg Lilleyman as Directors of the Company and the appointment of Mr Zhu as a Director of the Company. Given the cost-cutting and restructuring measures that the Company had initiated, both Ms Lawrance and Mr Lilleyman, in accordance with the undertakings given to the Supreme Court set out below, retired as Directors of the Company on 20 November 2024.

The Revised 249D Notice also included a resolution seeking to put a maximum limit of three Directors on the total number of Directors on the Company's Board. While this resolution can only be included in circumstances where the Company only has three Directors, a form of the resolution is provided for in Resolution 5 (but subject to the outcome of the other resolutions regarding Director appointments).

As per the Company's announcements to ASX on 10, 12 and 19 September 2024, the Company sought orders from the Supreme Court of WA, which were ultimately granted, allowing the Company to consider the required section 249D requisitions at the Company's AGM.

On 8 November 2024, the Company announced that it applied to the Supreme Court of Western Australia for orders to defer the Company's 2024 AGM to allow time for the Treasury of the Australian Government to consider a report submitted by the Company on matters concerning potential breaches of the *Foreign Acquisitions and Takeovers Act 1975 (Cth)* before the AGM is required to be held.

In announcements made on 19 and 20 November 2024, the Company advised that the Supreme Court had issued Orders that the Annual General Meeting be deferred until 14 February 2025, or such earlier date as may be subsequently announced (now 13 February 2025).

The Court's decision, ruling in favour of the Company to defer its AGM, was based on the following reasoning:

- 1) The Treasury has issued a public policy document, Guidance Note 8, National Security, which provides guidance as to when the Treasurer will act under the *Foreign Acquisitions and Takeovers Act 1975* (Cth) (**FATA**) for critical minerals projects, which includes lithium projects.
- 2) The Treasurer has previously acted to make orders under the FATA in relation to other lithium projects.
- 3) GL1 has made a report to the Treasurer about a possible breach of the FATA (**Report**).
- 4) Following the Report being lodged, there has been further communication between representatives of GL1 and its solicitors with the Treasurer in relation to the Report.
- 5) A possible outcome of any investigation by the Treasurer is that the Treasurer could take steps that affect the ability of certain shareholders to vote at any general meeting of the Company.
- 6) If these shares are voted at any general meeting before any investigation by the Treasurer is concluded, it is possible that this could impugn the result of the AGM.
- 7) If there is a change in the directors of GL1 at the AGM, there is a risk that the shareholders, the subject of the Report, will control the Board of GL1, change the direction of GL1 and make decisions that may prove difficult to unwind.
- 8) At present, GL1 has complied with all of its financial reporting obligations by the statutory deadline.

The relevant Sincerity resolutions which will be put to shareholders at the AGM, are:

- the proposed appointment of Mr Zhu as a Director (Resolution 3); and
- to cap the maximum number of Directors of the Company at three (Conditional Resolution 5).

**ON BEHALF OF THE BOARD, I ENCOURAGE YOU TO REVIEW ALL AGM MATERIALS CAREFULLY AND PARTICIPATE IN THIS DECISION BY ATTENDING IN PERSON OR SUBMITTING THE REVISED PROXY FORM ATTACHED TO THE REVISED NOTICE OF AGM.**

The Directors, other than Dr Chen, recommend that you vote **FOR** Resolution 2 (Election of Director – Mr Allen) and vote **AGAINST** Resolution 3 (Appointment of Director – Mr Zhu) and vote **AGAINST** Resolution 4 (Re-election of Dr Chen). All Directors recommend that you vote **AGAINST** Resolution 5 (Approval to reduce the maximum number of Directors to 3). All Directors, other than Dr Chen, recommend that you vote **AGAINST** Resolution 9 (Election of Dr Sun).

In accordance with the Corporations Act 20001 (Cth), the Company will not be dispatching physical copies of the Revised Notice of AGM and accompanying Explanatory Memorandum (Meeting Materials) to shareholders unless they have made a valid election to receive documents in physical copy.

Instead, a copy of the Meeting Materials will be available to shareholders electronically under the "Investors" section of the Company's website at <https://globallithium.com.au/investors/notice-of-agm/>.

As you have not elected to receive notices by email, a copy of your personalised Revised Proxy Form is enclosed for your convenience.

If Shareholders do not attend the AGM in person, they will be able to participate by lodging the enclosed Revised Proxy Form attached to the Revised Notice of AGM no later than 4.00pm (AWST) on Tuesday, 11 February 2025, as per the instructions on the Revised Proxy Form.

The Directors **strongly encourage all Shareholders to lodge their directed proxy votes prior to the AGM** in accordance with the instructions set out in Revised Proxy Form. Shareholders may appoint the Chair or any other person as their proxy (where no appointment is specified, the Chair will be appointed). The Directors **strongly encourage all Shareholders to appoint the Chair** as their proxy.

## EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the AGM will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024, together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at [www.globallithium.com.au](http://www.globallithium.com.au).

### 2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

#### 2.1. General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the Directors of the company.

The remuneration report sets out the company's remuneration arrangements for the Directors and senior management of the company. The remuneration report is part of the Directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2. Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of Directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against the adoption of the remuneration report, and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the Directors of the company who were in office when the Directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing Director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting, those persons whose election or re-election as Directors of the company is approved will be the Directors of the company.

### 2.3. Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this AGM.

## 3. RESOLUTION 2 – ELECTION OF DIRECTOR – MATTHEW ALLEN

### 3.1. Background

As announced to the ASX on 10 September 2024, the Board appointed Mr Matthew Allen as Executive Director of Finance of the Company. Mr Allen's role reverted to Non-Executive Director on 27 November 2024. Mr Allen's appointment has been on a casual basis from the date of commencement on 9 September 2024 until his first annual general meeting.

### 3.2. General

Listing Rule 14.4 provides that a Director appointed to fill a casual vacancy or as an addition to the board must not hold office (without election) past the next annual general meeting of the entity.

Clause 14.4 of the Constitution sets out that any Director so appointed holds office only until the next following annual general meeting and is then eligible for election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Allen, who was appointed as an additional Director on 9 September 2024, retires and, being eligible, seeks re-election.

### 3.3. Mr Matthew Allen

Mr Matthew Allen commenced as Chief Financial Officer (CFO) at Global Lithium in April 2023 and was appointed to the Board as Executive Director of Finance on 9 September 2024. On 27 November 2024, the Company announced the role of CFO held by Matthew Allen had been made redundant effective 6 December 2024. Mr Allen's role reverted to Non-Executive Director on the same date. He joined the

Company from his previous role at Hastings Technology Metals Ltd, where he was responsible for overseeing the financing of a large rare earth development.

Mr Allen has more than 25 years of experience in the resources finance sector in a range of commodities, including minerals and oil and gas. He has significant experience in debt and equity funding solutions for resource development, the operation and management of resource projects and publicly listed companies and the establishment of finance teams, systems and processes.

Mr Allen holds a Bachelor of Business and is a Fellow of Chartered Accountants Australia and New Zealand, a Graduate Member of the Australian Institute of Company Directors (GAICD) and a Fellow of the Financial Services Institute of Australasia.

### 3.4. Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Allen will be re-elected to the Board as a Non-Executive Director.

If this Resolution is not passed, Mr Allen will not continue in his role as a Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute its strategic vision.

### 3.5. Recommendations

As Chair, Mr Mitchell recommends that Shareholders **VOTE FOR** Resolution 2.

As Director, Mr Allen recommends that Shareholders **VOTE FOR** Resolution 2.

As Director, Dr Chen recommends that Shareholders **VOTE AGAINST** Resolution 2.

## 4. RESOLUTION 3 – APPOINTMENT OF DIRECTOR – LIAOLIANG ZHU

### 4.1. Background

A summary of the revised notices under sections 203D and 249D of the Corporations Act, received from Mr Zhu on behalf of Sincerity, and the orders of the Supreme Court are set out above.

### 4.2. General

Mr Zhu, on behalf of Sincerity, has given notice proposing a resolution for the appointment of Mr Zhu as a Director of the Company.

Section 14.3 of the Company's Constitution provides that the Company may elect a person as a Director by resolution passed in a general meeting.

Subject to the passing of Resolution 3, the appointment of Mr Zhu as a Director of the Company will take effect from the close of the AGM.

Section 249P of the Corporations Act permits Mr Zhu to submit a statement for circulation to shareholders regarding the resolution and any other matter that may be properly considered at the AGM. As of the date of this Notice, Mr Zhu has submitted a statement for inclusion in this Revised Notice of AGM, a copy of which is included in Schedule 1.

According to the website homepage, Sincerity Group Pty Ltd is a company running Property, Construction, Migration and Education businesses. The Board, other than Dr Chen, considers it difficult to determine how Mr Zhu's experience as a property developer will enhance the key skills of the Board and assist in advancing the Manna Lithium Project. The Board, other than Dr Chen, considers that the appointment of Mr Zhu would not add to the mining and corporate governance experience to the Board.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Dr Chen, who has held office without re-election since 25 November 2021 and being eligible retires by rotation and seeks re-election.

#### 5.2. Technical information required by Listing Rule 14.1A

If this Resolution is passed, Dr Chen will be re-elected to the Board as a Director.

If this Resolution is not passed, Dr Chen will not continue in his role as a Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company.

### 5.3. Recommendations

As Chair, Mr Mitchell recommends that Shareholders **VOTE AGAINST** Resolution 4.

As Director, Mr Allen recommends that Shareholders **VOTE AGAINST** Resolution 4.

As Director, Dr Chen recommends that Shareholders **VOTE FOR** Resolution 4.

## 6. RESOLUTION 5 – APPROVAL TO REDUCE THE NUMBER OF DIRECTORS TO 3

### 6.1. Background

A summary of the revised notices under sections 203D and 249D of the Corporations Act, received from Mr Zhu on behalf of Sincerity, is set out above.

### 6.2. General

Section 14.1 of the Company's Constitution provides that the number of Directors of the Company shall be a minimum of three Directors (to comply with the requirements of the Corporations Act Sec 201A) and a maximum of nine Directors. A resolution of shareholders may vary from time to time, the maximum number of Directors.

Mr Zhu, on behalf of Sincerity, has given notice proposing a resolution to reduce the maximum number of Directors of the Company to three. The substance of this resolution is included as Resolution 5.

Resolution 5 is conditional upon the outcome of the votes cast on the proposed Resolutions 2, 3,4 and 9.

If proposed Resolutions 2, 3, 4 and 9 are passed, the Board considers this conditional Resolution 5 would be ultra vires (beyond the power of the Company) and could not be lawfully affected by the Company, as the number of validly elected Directors of the Company would exceed the maximum number of three Directors as proposed under this Resolution 5. If all of the proposed Resolutions 2, 3,4 and 9 are passed, Resolution 5 may not be effective even if passed.

If, however, the outcome of the votes on Resolutions 2, 3, 4 and 9 is such that there are only three Directors (as at the conclusion of the AGM, when the appointment of Directors will take effect), then Resolution 5 may be affected (assuming that the majority of shareholders vote in favour of it).

Subject to the passing of Resolution 5, the reduction of the maximum number of Company Directors to three will take effect from the close of the AGM.

### 6.3. Recommendations

The Board considers that the proposal to reduce the maximum number of Directors to three (which is also the statutory minimum, therefore meaning that there will always be a board of three), may allow the assumption of effective control of the Company and its decision-making without pursuing a corporate control transaction as required under the Corporations Act.

The Board is also concerned that having only three Directors on a permanent basis (or at least until shareholders are able to vote again to increase the number of Directors) will reduce the spread of the Board's knowledge and experience, increase the risk of conflicts of interest and reduce corporate governance oversight and may result in the Company being controlled by unknown or undisclosed individuals (including foreign persons).

The Full Board does not consider that Resolution 5 is in the best interest of Shareholders and recommends that shareholders **VOTE AGAINST** Resolution 5.

## 7. RESOLUTION 6 – APPROVAL TO ISSUE INCENTIVE PERFORMANCE RIGHTS TO DIRECTOR – RON MITCHELL

### 7.1. General

Resolution seeks Shareholder approval for the purposes of Listing Rule 10.11 for the issue of:

## 7.2. Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Incentive Performance Rights to the Related Parties constitutes giving a financial benefit, and each of the Related Parties is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Mitchell, who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Incentive Performance Rights to Mr Mitchell, because the issue of Incentive Performance Rights is considered to be remuneration which is reasonable (given the circumstances of the Company and the Recipients) and as such, the giving of the financial benefit falls within the exception set out in Section 211 of the Corporations Act.

### 7.3. Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a Director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders, unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It, therefore, requires the approval of Shareholders under Listing Rule 10.11.

### 7.4. Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue of the Incentive Performance Rights within one month after the date of the AGM (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights. The Company may be required to find alternative means of incentivising Ronald Mitchell, including but not limited to cash payments.

### 8.1. General

Resolution 7 seeks Shareholder approval for the purposes of Listing Rule 10.11 for the issue of:

1,822,737 Options to Mr Ron Mitchell (or his nominee) pursuant to Resolution 7

on the terms and conditions set out below (Incentive Options).

### 8.2. Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 7.2 above.

The issue constitutes giving a financial benefit, and Mr Mitchell is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Mitchell) who have a material personal interest in the Resolutions) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of Incentive Options to Mr Mitchell because the issue of Incentive Options is considered to be remuneration, which is reasonable (given the circumstances of the Company and the Related Parties) and as such, the giving of the financial benefit falls within the exception set out in Section 211 of the Corporations Act.

### 8.3. Listing Rule 10.11

A summary of Listing Rule 10.11 is set out in Section 7.3 above.

## **9. RESOLUTION 8 - APPROVAL OF GRANT OF POTENTIAL TERMINATION BENEFITS TO NON-EXECUTIVE CHAIRMAN**

### **9.1. General**

Resolution 8 seeks Shareholder approval in accordance with Part 2D.2 of the Corporations Act (including sections 200B and 200E of the Corporations Act) and Listing Rule 10.19 for the Company to give potential termination benefits to Mr Mitchell in connection with Mr Mitchell ceasing to be an officer of or ceasing to hold a managerial or executive office in, the Company or a related body corporate.

### **9.2. Part 2D.2 of the Corporations Act**

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) in the Company or its related bodies corporate in connection with the retirement from their position in the Company or its related bodies corporate, unless an exception applies.

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a relevant person's retirement from an office, the Company must, subject to various exceptions, obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act.

Provided shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e., the approved benefit will not count towards the statutory cap under the Corporations Act).

### 9.3. Listing Rule 10.19

Listing Rule 10.19 provides that without shareholder approval, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules (5% Threshold).

### 9.4. Termination benefits and their value

Mr Mitchell holds 'managerial or executive offices' as their details are included in the Directors' report (as included in the annual financial report of the Company for the financial year ended 30 June 2024) by virtue of being a Director.

The term 'benefit' has a wide operation and includes any automatic or accelerated vesting of convertible securities upon termination or cessation of employment in accordance with their terms or the exercise of any Board discretion to determine whether such automatic or accelerated vesting will occur.

Resolution 8 seeks Shareholder approval to enable the Company to give Mr Mitchell a termination benefit (comprising of payment in accordance with their existing employment arrangements and/or the reduction of waiver of vesting conditions attaching to securities held by Mr Mitchell in connection with the termination or cessation of the employment or engagement of Mr Mitchell).

The Board considers it prudent to obtain Shareholder approval under section 200B of the Corporations Act for any termination benefits provided to Mr Mitchell in case those benefits do not technically fall within one of the statutory exemptions under the Corporations Act.

The Board considers it prudent to obtain Shareholder approval under Listing Rule 10.19 in order to give the Company flexibility in case the value of the termination benefits exceeds this 5% Threshold.

For personal use only

A summary of the termination benefits which may be payable to the Director is set out below.

<p><b>Executive Services Agreement</b></p>	<p><b>Description of benefit</b> Mr Ron Mitchell is a party to an executive services agreement with the Company (<b>ESA</b>). The ESA contains the following termination provisions:</p> <p>a) The Company may terminate the ESA without cause by giving six (6) months' notice of termination. The Company may make payment in lieu of part or all of the notice period.</p> <p>b) Mr Mitchell may terminate the ESA without cause by giving the Company six (6) months' notice of termination. The Company may make payment in lieu of part or all of the notice period.</p> <p>It is also possible that Mr Mitchell may be entitled to accrued contractual benefits (such as unused annual leave) at the time they cease employment.</p> <p><b>Manner in which value can be calculated</b> The Company will calculate the value of this benefit as including up to six (6) months of remuneration in lieu of notice of termination of employment.</p> <p><b>Matters, events or circumstances that will, or are likely to, affect the calculation of that value</b> The amount or value of any benefits required to be paid or otherwise given under the ESA will depend on:</p> <p>a) the total fixed remuneration of Mr Mitchell at the time (including his cash salary, superannuation contributions, and/ or other non-cash benefits agreed between Mr Mitchell and the Company from time to time);</p> <p>b) the circumstances in which Mr Mitchell leaves office; and</p> <p>c) the nature of the Company's operations at the relevant time.</p> <p>The amount or value of any benefits payable under the ESA can only be determined once notice is given. Accordingly, the amount or value of the benefits cannot be ascertained as of the date of this Notice.</p> <p>The following would not be included as a 'termination benefit':</p> <p>a) the payment of any salary for the period up to the date of termination of employment; or</p> <p>b) the payment of any pro-rated cash performance bonuses for the period up to the date of termination of employment.</p>
<p><b>Incentive Securities</b></p>	<p><b>Description of benefit</b> The Related Party holds securities in the following proportions:</p> <p>a) Mr Mitchell:</p> <p>i. 582,519 Shares;</p> <p>ii. 2,426,733 Performance Rights comprising:</p> <p>(a) 1,783,483 Incentive Performance Rights subject to the passing of Resolution 6; and</p> <p>(b) 643,250 Incentive Performance Rights previously issued</p> <p>iii. 2,191,791 Options comprising:</p> <p>(a) 1,822,737 Incentive Options subject to the passing of Resolution 7</p> <p>(b) 369,054 Incentive Options previously issued</p> <p>The Incentive Securities remain subject to prescribed vesting conditions. The Plan allows for Board discretion to be exercised to waive vesting conditions to Incentive Securities in any particular case (except in the case of a Change of Control), which might include upon the termination or cessation of employment.</p> <p><b>Manner in which value can be calculated</b> The Company will calculate the value of this benefit as being equal to the value of the number of Incentive Securities that vest.</p> <p><b>Matters, events or circumstances that will, or are likely to, affect the calculation of that value</b> The value of the benefits that the Board may give Mr Mitchell in respect of his Incentive Securities, in connection with his retirement cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting, the number of Incentive Securities that vest or remain on foot and the extent to which any relevant vesting conditions have been satisfied (if applicable).</p>

If this Resolution is approved at the AGM, Mr Mitchell will be entitled to be paid the termination benefits outlined above, and the value may exceed the 5% Threshold.

If this Resolution is not approved at the AGM, Mr Mitchell will not be entitled to be paid any termination benefits, unless they fall within an exception under the Corporations Act and do not breach the 5% Threshold.

The Chair intends to vote all available proxies in favour of Resolution 8.

A voting exclusion statement and a voting prohibition statement apply to Resolution 8.

## SCHEDULE 1 – STATEMENT FROM MR LIAOLIANG (‘LEON’) ZHU

Dear Shareholders,

I am Leon Zhu. I have written to you several times about why I believe I am the right candidate to serve as a director of Global Lithium Resources Limited and to share my vision for the company’s future. Please visit my website to review my previous correspondence: <https://votewithsincerity.com.au/>

Like many of you, when I invested in Global Lithium Resources, it was with the understanding that the company was focused on becoming a lithium producer. However, recent developments suggest a shift in direction toward gold and copper exploration, despite the significant lithium deposits in the company’s tenements.

### The Original Vision for Global Lithium Resources

When I invested, I did so based on the belief that Global Lithium was advancing toward lithium production, including completing essential studies like a **Definitive Feasibility Study (DFS)** to assess the viability of extracting lithium. However, the board appears unwilling to complete this study and has instead shifted to exploring copper and gold.

This shift is concerning. While lithium prices are currently down, we need to position the company to benefit when lithium market recovers. Lithium remains a highly valuable resource for the energy transition in the future, and it is puzzling that the board has deprioritized this focus.

### Concerns with the Board’s Decisions

The recent cost-cutting measures taken by the board to halt necessary studies towards a lithium producer are short-sighted and in my view without a clear understanding of their long-term impact on the company. While controlling costs is important, the overall change of direction seems to lack strategic foresight.

I made the decision to nominate myself as a director when I became concerned about the direction that the company was taking. As a substantial shareholder, I believe we need clear answers about the company’s direction and the value of our investments.

My attempt to hold the board accountable has been met by a smear campaign and strong resistance including costly applications to the Supreme Court for which the company has to pay significant costs including my legal cost for the most recent application to the court.

The question you as shareholders want to be answered is why so much effort and cost have been put to exclude me from a board position, surely you as a shareholder should get to decide who sits on the board? Surely you as a shareholder want to have the opportunity to have your say at the AGM and elect to the board directors who will be capable and acting on the best interest of all shareholders.

## Transparency and Accountability

As shareholders, we deserve transparency about the company's operations and future. Specifically, we need clarity on two key issues:

1. **The status of the lithium deposits:** Were we encouraged to invest without proper studies or accurate representations about the deposits' potential?
2. **Profitability:** Are the deposits viable to extract, and if not, why has the DFS not been completed to provide this critical information?

Completing a DFS would offer transparency and allow us to evaluate whether lithium extraction is viable and at what cost. Without this study, we are left in the dark about the company's trajectory and its ability to deliver a return on our investments.

## The Importance of an Independent Director

You need an independent director on the board who can act in your best interests and provide proper oversight. An independent director who will ensure:

- **Transparency** about the company's financial health and strategic decisions.
- **Accountability**, ensuring management's actions align with shareholder interests.
- **Independent evaluation** of past and current decisions, including whether information provided to investors accurately reflected the company's position.

If elected, I will prioritise completing the DFS to determine the viability and profitability of lithium extraction. This study will provide the data needed to understand the company's future direction and evaluate the board's recent pivot to copper and gold exploration.

## Issues with the Current Board

It seems the board will go to great lengths to prevent me from becoming a director. Their decision to involve the Supreme Court, incurring significant costs for the company and ultimately being ordered to pay my legal fees, is an example of this resistance. This legal process taken by the board will be proven very costly and in my view is not in the best interest for the shareholders.

Matthew Allen was involved in these decisions, he bears responsibility, and shareholders have the reason to be concerned about the board's priorities. Instead of focusing on creating more value for shareholders, recent actions appear self-serving and detrimental to the company.

## My Commitment to Shareholders

If elected, I will work to ensure:

1. you know the future of the company as a Lithium producer; and
2. we create more shareholder value.

My focus will be on ensuring transparency and accountability at every level. You deserve to know whether the company is being managed effectively and whether the shift to gold and copper exploration aligns with the company's long-term goals.

## I need your vote

I need your vote to assist with a turnaround strategy, I am confident in my ability to contribute as an independent director to this. With your support in being elected to the board, I will work in your best interests to ensure transparency, accountability, and a clear path forward for Global Lithium Resources.

Together, with you as shareholders we must make informed decisions about the company's trajectory and I will work as a director toward realising the value of our investments.

Leon Zhu
