ASX Announcement

Titomic establishes U.S. Senior Advisory Group

Huntsville, Alabama – Titomic USA, Inc., the USA subsidiary of Titomic Limited, a global leader in cold spray additive manufacturing and kinetic fusion technologies, is proud to announce the establishment of a Senior Advisory Group to enhance sales and product strategies across the Defense, Aerospace and Energy sectors to support the Company's growth in the United States.

The Senior Advisory Group, which will meet at least quarterly, will primarily provide strategic and tactical recommendations, help build relationships with key stakeholders, identify innovative applications for Titomic's cold spray technology and facilitate partnerships with Defense, Aerospace and Energy primes and Government entities.

The members appointed to the Senior Advisory Group are as follows:

Lt. Gen. (Ret.) Henry "Trey" Obering – Retired U.S. Air Force senior acquisition leader; Former Director of the U.S. Missile Defense Agency; Senior Executive at Booz Allen Hamilton.

John Schumacher - Former NASA Chief of Staff and Vice President at Aerojet Rocketdyne.

John P. Stopher (PhD) - Former Principal Assistant to the Secretary of the Air Force for Space; former Budget Director on the U.S. House Special Select Committee on Intelligence.

LTC (Ret.) Rich Choppa – President DellaCioppa Inc.; Former Senior Director for Business Development, Boeing Defense; Retired U.S. Army Ranger.

Michael Kirkpatrick - Chairman of DESE Research, Inc., Huntsville, Alabama. DESE provides advanced engineering, scientific and technical support to the U.S. Government and Industry customers with a focus on Energy, Defense, Space and Environment.

Chris Myers – President, Global Resource Advisors; Former Vice President, Lockheed Martin; former U.S. Naval Officer.

"We are quite humbled and excited to be able to attract this level of connectivity and experience within our Senior Advisory Group," said Titomic Executive Chairman Dag W.R. Stromme. "Their extensive experience in defense, aerospace, and energy sectors will complement our strong management team and accelerate our ability to build a large business in the United States."

ABOUT TITOMIC LIMITED

Titomic Limited (ASX: TTT) is an Australian public company specialising in large integrated solutions for industrial-scale metal additive manufacturing, using its patented cold spray additive manufacturing (Cold Spray AM) technology. Titomic provides Cold Spray AM solutions, OEM production and R&D services to the global Aerospace, Defense, Shipbuilding, Oil & Gas, Mining and Automotive industries. Titomic also offers global sales and support for all of its Cold Spray AM activities from its Melbourne Head Office, as well as through local presence in the USA and Europe. Titomic delivers competitive advantages in metal additive manufacturing at every stage in the product value chain. For more information, please visit www.titomic.com.

FORWARD LOOKING STATEMENTS

Certain statements made in this release are forward-looking statements and are based on Titomic's current expectations, estimates and projections. Words such as "anticipates", "expects," "intends," "plans," "believes," "seeks," "estimates," "guidance" and similar expressions are intended to identify forward-looking statements. Although Titomic believes the forward-looking statements are based on reasonable assumptions, they are subject to certain risks and uncertainties, some of which are beyond Titomic's control, including those risks or uncertainties inherent in the process of both developing and commercialising technology. As a result, actual results could materially differ from those expressed or forecasted in the forward-looking statements. The forward-looking statements made in this release relate only to events as of the date on which the statements are made. Titomic will not undertake any obligation to release publicly any revisions or updates to these forward-looking statements to reflect events, circumstances or unanticipated events occurring after the date of this release except as required by law or by any appropriate regulatory authority.
