The accompanying Explanatory Statement forms part of this Notice and should be read in conjunction with it.

- (b) a proxy need not be a member of the Company;
- (c) a Shareholder may appoint a body corporate or an individual as its proxy;

Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Company's Spill Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice.

This Explanatory Statement should be read in conjunction with the Notice. Certain capitalised terms used in the Notice (including in the Resolutions) and the Explanatory Statement are defined in the Glossary.

Spill Resolution and Spill Meeting

The 'two strikes rule' in the Corporations Act provides that, if at least 25% of the votes validly cast on the resolution to adopt the remuneration report are voted against the adoption of the remuneration report at two consecutive annual general meetings of the Company (the first and second 'strikes'), the Company will be required to put to Shareholders a resolution proposing that a general meeting (ie the Spill Meeting) be called to consider the election of the Company's Directors ("Spill Resolution").

The Spill Meeting must be held within 90 days of the date of the annual general meeting at which the Spill Resolution was passed. For any Spill Resolution to be passed, more than 50% of the votes cast on the Spill Resolution must be in favour of it. If a Spill Resolution is passed, all the Company's Directors (other than the Managing Director who may continue to hold office without re-election) who were Directors of the Company when the resolution to make the remuneration report considered at the second annual general meeting will cease to hold office immediately before the end of the Spill Meeting, unless re-elected at that meeting.

Determination of directors

The Directors elected or re-elected at the Spill Meeting will commence to hold office on and from the end of the Spill Meeting.

If a Director of the Company is re-elected in these circumstances, the Corporations Act provides that the term of office of the Director will not be affected and Directors will be subject to retirement and re-election at an annual general meeting of the Company as if the cessation and appointment at the Spill Meeting had not occurred.

The Corporations Act requires that a public company must have a minimum of 3 directors. The Corporations Act includes provisions (section 250X) to ensure a company will have at least 3 directors after the Spill Meeting in the event insufficient resolutions are passed by the requisite majority and would otherwise result in a company having fewer than 3 directors following the Spill Meeting. If a company would have fewer than 3 directors following a Spill Meeting, the effect of section 250X of the Corporations Act is that such number of directors as would result in the company having 3 directors following the Spill Meeting are taken to have been appointed, with the directors taken to be appointed being those with the highest percentage of votes favouring their appointment cast at the Spill Meeting on the resolution for their appointment. If 2 or more persons have the same percentage of votes favouring their appointment, the director or directors who hold office apart from by operation of section 250X of the Corporations Act may choose the person taken to be appointed and such person is deemed to have a higher percentage of votes. A person taken to have been appointed because of such a choice must have their appointment confirmed at the company's next annual general meeting.

This Spill Meeting

At the 2023 annual general meeting of the Company, the resolution to adopt the Company's remuneration report for the financial year ended 30 June 2023 was not carried and more than 25% of the votes cast on that resolution were voted against the resolution, constituting a 'first strike'. At the 2024 annual general meeting of the Company ("2024 AGM") the resolution to adopt the Company's remuneration report for the financial year ended 30 June 2024 was not carried and more than 25%

of the votes cast on that resolution were voted against the resolution, constituting a 'second strike'. Given the occurrence of a 'second strike', a Spill Resolution was put to Shareholders at the 2024 AGM which was carried. Accordingly, the Company must hold the Spill Meeting within 90 days after the 2024 AGM, being by 27 February 2025, to consider the composition of the Board. This is the notice for that meeting.

In accordance with section 250V of the Corporations Act, the following Directors of the Company will automatically cease to hold office as Directors of the Company immediately before the end of the Spill Meeting, unless they are re-elected at the Spill Meeting:

- Mr Thomas Amos (independent non-executive Chair)
- Mr Wayne Stevenson (independent non-executive Director)
- Mr Timothy Ebbeck (independent non-executive Director)

Mr Amos, Mr Stevenson and Mr Ebbeck have all agreed to stand for re-election at the Spill Meeting.

The Vector Scheme

As announced on 5 December 2024, Bigtincan has entered into a scheme implementation deed ("SID") with Vector Capital Management L.P. ("Vector") under which Big Wombat Pty Ltd ("Vector BidCo") has agreed to acquire 100% of the issued share capital of the Company by way of scheme of arrangement for cash consideration of 22 cents per share (which will be reduced on a per share basis to the extent that the Company's transaction costs in connection with the IAAC transaction, the Vector Proposal and the director nominations at the 2024 AGM exceed \$4 million), ("Vector Scheme"). The SID also provides for a separate and concurrent scheme of arrangement between Bigtincan and its option holders under which each holder will receive cash for each instrument held in accordance with an agreed valuation methodology.

It is noted that a break fee of \$1,826,000 may be payable by Bigtincan to Vector BidCo in certain circumstances. Those circumstances include, relevantly, where any member of the Bigtincan board of directors (as constituted from time to time, including future directors) fails to recommend the Vector Scheme in the manner required by the SID or withdraws or adversely modifies or qualifies their recommendation of the Vector Scheme in the manner required by the SID.

Each of the Directors seeking re-election (Mr Thomas Amos, Mr Wayne Stevenson and Mr Timothy Ebbeck) is supportive of the Vector Scheme and will continue to progress the Vector Scheme if re-elected as a Director of the Company so it can be put to Bigtincan shareholders for consideration and, if approved, implemented.

The scheme meeting for the Vector Scheme will be held shortly after the Spill Meeting. The scheme booklet in respect of the Vector Scheme is expected to be released to the ASX and provided to Bigtincan shareholders in February 2025. The scheme booklet will include detailed information about the Vector Scheme, including the advantages and disadvantages of the transaction, and should be read carefully by Bigtincan shareholders.

Recent Board changes and shareholder engagement

There has been a recent process of Board renewal, which has seen:

- in June 2024, Mr Ebbeck appointed as an independent non-executive Director; and
- in November 2024, Mr Agarwal appointed as an independent non-executive Director.

Before and after the 2024 AGM in November 2024, the Board of the Company engaged with representatives of Bigtincan's largest securityholders to ensure that their concerns were heard. This engagement has been honest and helpful. The Board of the Company considers that the Board's objectives are aligned with the best interests of all shareholders in seeking to have the Vector Scheme implemented following an extended period of takeover interest in Bigtincan, which occurred during an at times challenging market environment for technology companies.

It is noted that while Bigtincan was the subject of a number of non-binding indicative control proposals over an extended period, and facilitated due diligence access to a number of parties, such interest did not result in a binding proposal being made to Bigtincan which the Bigtincan Board was prepared to recommend to its shareholders, other than the Investcorp Transaction¹ and the Vector Scheme.

1. Resolution 1 – Re-election of a Director – Mr Thomas Amos

Mr Amos will cease to hold office immediately before the end of the Meeting in accordance with section 250V of the Corporations Act and, being eligible, is seeking re-election as a Director of the Company.
