## ASX ANNOUNCEMENT

### MARKET RELEASE

14 February 2025

## Successful A\$15 million placement

### Highlights

- **Binding commitments received for A\$15 million under a two-tranche placement to professional or sophisticated investors (Placement) at A\$0.73 per share (Placement Price).**
- **Placement proceeds to be applied to accelerate regulatory applications for Salix® Coronary Plaque (SCP) & Salix® Coronary Flow (SCF), customer implementation, clinical studies, research & development, regulatory costs & working capital along with commencing a flagship plaque study (SAPPHIRE) to support broad clinical credibility and accelerate commercial adoption of the Salix® Software in new US hospital centres.**

Artrya Limited (ASX:AYA), ('Artrya' or the 'Company'), is pleased to announce it has received binding commitments for a A\$15 million two tranche placement at A\$0.73 per share.

The Placement supports acceleration of the ongoing commercialisation of the Company's patented AI platform that detects key coronary artery disease imaging markers.

Placement proceeds will be applied to accelerate regulatory applications for Salix® Coronary Plaque (SCP) & Salix® Coronary Flow (SCF), customer implementation, clinical studies, research & development, regulatory costs & working capital along with commencing a flagship plaque study (SAPPHIRE) to support broad clinical credibility and **accelerate** commercial adoption of the Salix® Software in new US hospital centres.

Further information in relation to the Company and Placement is provided in the investor presentation lodged with this announcement.

Petra Capital acted as sole lead manager and sole bookrunner to the Placement.

### Artrya CEO Mathew Regan said

*"The team is delighted to be raising capital at such an important inflection point in the Company's history. Clearance from the US Food and Drug Administration (FDA) in relation to regulatory approval for the Salix® Coronary Anatomy product is expected in March 2025.*

*The Company continues the regulatory pathway to expand FDA approvals this year with a portion of Placement proceeds applied to accelerate regulatory applications for our SCP & SCF products, along with customer implementation costs including the Sonic Healthcare Australia Radiology commercial agreement announced on 12 February 2025.*

*A portion of Placement proceeds will also be applied to commence the SAPPHIRE study, expected to expand the Salix® software to additional centres in the US, providing further credibility for commercial roll out whilst locking the centres into the Company's software.*

*We look forward to continuing to update the market with our ongoing progress."*

## Placement Details

The A\$15 million placement, being 20,547,946 shares, will be completed in two tranches at a Placement Price of A\$0.73 per share. The Placement Price represents a 10.4% discount to the 5-day volume weighted average trading price at 11 February 2025.
