COMPANY SECRETARY

------------	---------------------------

PRINCIPAL ACTIVITIES

The principal activity of the Company during the half year ended 31 December 2024 was the exploration, evaluation and development of lead-silver, copper-gold and other mineral deposits with a view to becoming a miner in the short to medium term. No change in the principal activity occurred during this period.

RESULTS AND REVIEW OF OPERATIONS

The result of the Company for the half-year ended 31 December 2024 was a loss after tax of \$6,877,242 (31 December 2023: loss \$3,314,334).

The 2024 Starter Zone infill drilling campaign was completed late in the December 2024 quarter having drilled 10,076 metres since the program commenced in June 2024.

Assay results from the first five holes in the program show more wide intercepts of ore-grade silver with lead mineralisation within the Starter Zone growing our confidence in the Maronan resource model.

Importantly these results and from holes hitting the target areas and returning excellent results have led to the acceleration of project related studies that will determine potential mineability. A review of the Mineral Resource on the strength of the drilling and reviewing the financials at Scoping Study level will be undertaken in the first half of 2025.

Mine ready studies progressed this quarter include:

- metallurgical flotation optimisation and ore sorting testwork,
- advanced mine scenario modelling assessing alternative underground mining methods and surface portal locations, and
- geotechnical assessments for underground infrastructure and surface portal excavation.

In addition to that key steps necessary for grant of a Mineral Development Licence over a proposed exploration decline were outlined in readiness for a formal lodgement.

For more detailed results, refer to the Company's website and the list of ASX Announcements.

EVENTS SUBSEQUENT TO REPORTING DATE

The Directors are not aware of any matter or circumstance not otherwise dealt with in this Report or in the financial statements that has significantly or may significantly affect the operations of the Company, the results of those operations or the state of affairs of the Company in subsequent financial years.

INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Maronan Metals Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the half-year financial report of Maronan Metals Limited (the Company), which comprises the statement of financial position as at 31 December 2024, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Company does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Company's financial position as at 31 December 2024 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the directors for the financial report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
