Interim Report - 31 December 2024

For personal use only

Dear Shareholders,

Despite significant cost of living pressures globally and a challenging environment in the US, I am pleased to report that revenue for the first half increased by 2.4% to \$15.3M and NPAT was up 956% to \$0.6M.

The US market was significantly affected by the election and subsequent Trump administration policies on government spending, which has resulted in revenue for Tutorfly dropping 78%. However, in our primary operations, franchise fees rose by 15.6%, while corporate revenue increased by 5%. Earnings improved due to cost-saving initiatives implemented in the prior year. EBITDA grew 46% to \$3.4M driven by reductions in headcount and marketing expenses.

Tutorfly

Tutorfly has secured more tutoring contracts than at the same time last year, however, government-related work requests put to market has nearly ceased. While the volume of new RFPs remains strong, operational start dates continue to be delayed. We anticipate that schools will resume normal operations once uncertainty decreases, given that most funding is state-driven. We continue to maintain minimal staffing to ensure responsiveness should conditions improve. Meanwhile, the new Corporate Centre in Frisco is gradually gaining momentum, with plans to establish two additional centers in adjacent territories to create a regional hub being implemented as Frisco proves through break-even.

Operations & Core business drivers

Global network revenue for the half-year reached \$52.9M, reflecting a 4.8% increase compared to the same period last year. Lesson delivery declined by 0.4% (excluding the US), as cost-of-living pressures have impacted assessment volumes, though retention remains strong. Revenue growth was also supported by the successful implementation of price adjustments during the period.

Core Business Driver	FY22 HY1	FY22 HY2	FY23 HY1	FY23 HY2	FY24 HY1	FY24 HY2	FY25 HY1
Lesson numbers ('000)	881	991	903	1,004	919	1,012	915
Centre numbers	526	531	522	505	495	489	469
Average weekly lessons per centre	64.4	71.8	66.5	76.5	71.4	79.6	75.1
Average lesson charge (\$)	\$ 50.7	\$ 48.4	\$ 49.5	\$ 53.2	\$ 54.9	\$ 57.0	\$ 57.8
Franchise fee %	14.3%	15.6%	16.4%	16.2%	16.2%	17.0%	17.9%
EBT Contribution margin centre (\$'000)	\$ 14.3	\$ 13.6	\$ 10.7	\$ 12.4	\$ 9.5	\$ 11.4	\$ 14.7

Centre numbers have declined with global closures driven primarily by the removal of underperforming locations and the exit of silver partners unwilling to transition to gold status. This has contributed to an increase in the franchise fee percentage to 17.9% from 16.2% at December 2023. Average weekly lessons per centre remains flat, while average lesson charges have continued to improve with an 5.2% year-on-year increase to A\$57.80.

Corporate centres continue to perform well, achieving strong year-on-year increase in contribution, while franchise centres also recorded a rise. We remain confident that targeted expansion in key areas presents a strong growth opportunity for the business.

Capitalisation and Cash Balances

We invested \$0.9M for the half in the ongoing development of our specialised software and curriculum. Underlying net cash flow from operations was \$3.2M, allowing us to repay \$1.4M in debt during the period. The company renewed its debt facilities with HSBC in December 2024 and at this time the full facility of \$1.85M remains undrawn. Unrestricted cash balances at 31 December 2024 were \$3.5M.

Outlook

The global tuition market is experiencing some cost-of-living pressures; however, most parents continue to prioritize tutoring within their household budgets. Our blended delivery model offers the flexibility and convenience that aligns with the needs of modern families.

We anticipate continuing strong performance in our core markets for the full FY25 year, though challenges persist in the US, resulting in an uncertain outcome across that market.

The Board has approved an interim dividend of 0.5 cents per share, fully franked, to be paid on 27 March 2025.

We extend our gratitude to our customers, franchisees, employees, and shareholders for their invaluable contributions to the education and success of our students.

INDEPENDENT AUDITOR'S REVIEW REPORT

TO THE MEMBERS OF KIP MCGRATH EDUCATION CENTRES LIMITED

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Kip McGrath Education Centres Limited (the Company), which comprises the consolidated statement of financial position as at 31 December 2024, and the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, a statement of accounting policies, other selected explanatory notes, and the directors' declaration of the company and the consolidated entity comprising the Company and the entities it controlled at the year's end or from time to time during the financial year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Kip McGrath Education Centres Limited is not in accordance with the Corporations Act 2001 including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2024, and of its financial performance for the half-year ended on that date; and
- (b) complying with the Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. In accordance with the Corporations Act 2001, we have given the directors of the Company a written Auditor's Independence Declaration.

Directors' Responsibility for the Half-Year Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with the Australian Accounting Standards and the Corporations Regulations 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Half-Year Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2023 and its performance for the half year ended on that date, and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Kip McGrath Education Centres Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
