Directors' Report

Half-year Ended 31 December 2024

Your Directors submit the financial report for the half-year ended 31 December 2024.

Directors

The names of Directors who held office during the whole of the financial half-year and up to the date of this report are:

- Mr. Benjamin Harrison
- Mr. Mark Smethurst
- Hon. Christopher Pyne
- Ms. Adelaide McDonald
- Mr. Mark Stevens (resigned on 31 July 2024)

Principal Activities

During the financial half-year, the principal continuing activities of the consolidated HighCom Ltd entity consisted of:

- **HighCom Armor** – focused on designing, manufacturing and supplying global military, law enforcement and first responder customers with world-class, advanced personal protection ballistic products and solutions for body armour, ballistic helmets and composite armour structures.
- **HighCom Technology** – focused on the provision of uncrewed systems, control systems, and sensors for use by defence, security and law enforcement agencies in Australia and around the world including project management, engineering, integration, repair and maintenance services, product support and related training.

Financial Overview

The net operating profit after income tax, for the half-year ended 31 December 2024 is \$1.213m (Dec 2023: loss \$13.5m). The return to profitability is primarily due to increased sales volume, savings from the cost-reduction program undertaken during 2024, and the sales campaign to reduce inventory levels. The key financial results include:

- The Group's revenue from continuing operations increased by 78% to \$26.6m up from \$14.9 in H1 FY24, including \$21m revenue related to ballistic product sales generated by HighCom Armor and \$5.6m revenue generated by HighCom Technology, being \$3.5m for Small Uncrewed Aerial Systems (SUAS) spare parts and \$2.1m sustainment services provided to the Australian Department of Defence.
- As at 31 December 2024, the Group held cash of \$8.4m, with \$3.8m of undrawn lending facilities available. There was \$1.2m capital expenditure related to the XTclave™ re-commissioning during the reporting period, which was offset by cash inflows related to reduced inventory levels.
- Inventory levels decreased by \$2.2m to \$15.6m as at 31 December 2024, compared to \$17.8m as at 30 June 2024. The company remains focused on reducing inventory towards its longer term target of \$10m. As part of this strategy, HighCom implemented targeted discounts on discontinued product lines and ran sale campaigns during trade shows. These efforts led to strong sales of slow-moving or excess inventory, resulting in a positive profit impact of \$0.7m in H1 FY25.

Review of Operations

HighCom Armor

- HighCom Armor sales of \$20.9m included monthly domestic US run rate sales and a larger \$8.9m order from a military customer delivered during H1 FY25, for its advanced, high performance, specialist ballistic protection products.
- At the end of the reporting period, the HighCom Armor business had an order book backlog of work in excess of \$6m and continues to receive regular orders from US customers, all of which it expects to deliver and recognise in H2 FY25.
- The reassembly of the patented XTclave™ production system in Columbus, Ohio, continues and is on track to be re-commissioned in Q2 CY2025.

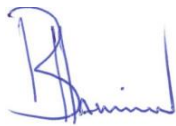

HighCom Technology

- During the half-year period ended 31 December 2024, the HighCom Technology business successfully delivered a variety of engineering, maintenance and logistic support services under existing contracts awarded by the Commonwealth of Australia's (CoA) Department of Defence, for Small Unmanned Aerial Systems (SUAS). At the end of the reporting period, HighCom Technology held orders in hand for delivery in H2 FY25 worth over \$7m.
- HighCom Technology continues to invest in business development efforts to increase sales and services to existing customers, as well as to identify and assess new opportunities related to adjacent technologies for the defence and civilian markets.

Auditor's Independence Declaration

The lead auditor's independence declaration under s 307C of the Corporations Act 2001 is set out on page 4 for the half-year ended 31 December 2024.

This Directors' Report is signed in accordance with a resolution of the Board of Directors, pursuant to section 306(3)(a) of the Corporations Act 2001

AUDITOR'S INDEPENDENCE DECLARATION

As lead auditor for the review of the financial report of HighCom Limited for the half-year ended 31 December 2024, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the *Corporations Act 2001* in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

INDEPENDENT AUDITOR'S REVIEW REPORT**TO THE MEMBERS OF****HighCom Limited****Report on the Half-Year Financial Report***Conclusion*

We have reviewed the accompanying half-year financial report of HighCom Limited which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of HighCom Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of HighCom Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

Directors' Responsibility for the Half-Year Financial Report

The directors of HighCom Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Notes to the Financial Statements

Half Year Ended 31 December 2024

The consolidated financial report covers HighCom Limited and Controlled Entities (HighCom). HighCom is a for-profit company limited by shares, incorporated, and domiciled in Australia.

Each of the entities within HighCom prepare their financial statements based on the currency of the primary economic environment in which the entity operates (functional currency). The consolidated financial statements are presented in Australian dollars which is the parent entity's functional and presentation currency (unless stated otherwise).

The financial report was authorised for issue by the Directors on 27th February 2025.

Where required by Accounting Standards comparative figures have been adjusted to conform with changes for the current reporting period.

1. Basis of Preparation

This consolidated half year financial report for the reporting period ending 31 December 2024 has been prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard AASB 134: *Interim Financial Reporting*.

The half year financial report is intended to provide users with an update on the latest annual financial statements of HighCom Limited and controlled entities (HighCom or the Group). As such it does not contain information that represents relatively insignificant changes occurring during the half year within HighCom. This consolidated financial report does not include all the notes normally included in an annual financial report. It is therefore recommended that this financial report be read in conjunction with the annual financial statements of HighCom for the year ended 30 June 2024, together with any public announcements made during the half year.

The same accounting policies and methods of computation have been followed in this half year financial report as were applied in the most recent annual financial statements.

Estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. The resulting accounting judgements and estimates may differ from the actual results. In preparing this consolidated interim financial report, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty are the same as those applied to the consolidated financial report as at and for the year ended 30 June 2024.

New or Amended Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

Terms and conditions

Trade and other receivables are non-interest bearing and generally on thirty-day terms. The consolidated entity has adopted a lifetime expected loss allowance in estimating expected credit losses to trade receivables through the use of a provisions matrix using fixed rates of credit loss provisioning. These provisions are considered representative across all customers of the consolidated entity based on recent sales experience, historical collection rates and forward-looking information that is available. There was no provision recognised for the half year ended 31 December 2024 (FY24:nil).

11. Contract Assets

Contract assets	233,113	-

Reconciliation

Reconciliation of the written down values at the beginning and end of the contract and previous financial year are set out below:

Opening balance	-	3,007,469
Additions	271,111	-
Transfer to trade receivables	(37,998)	(3,007,469)
Closing Balance	233,113	-

12. Inventories

19. Operating Segments

The consolidated entity is organised into two operating segments based on differences in products and services provided; Armor Division and Technology Division (see note 2a). These operating segments are based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Maker ('CODM')) in assessing performance and determining the allocation of resources. There is no aggregation of operating segments.

The CODM reviews EBITDA (earnings before interest, tax, depreciation and amortisation). The accounting policies adopted for internal reporting to the CODM are consistent with those adopted in the financial statements. The information is reported to the CODM on a monthly basis.
