

## Company announcement

### PME signs A\$40M, 7-year contract with LucidHealth

03 March 2025

#### HIGHLIGHTS

- **PME signs AUD \$40M, 7-year contract with LucidHealth**
- **Visage to replace legacy PACS throughout LucidHealth**
- **Contract is for Visage 7 Viewer**
- **Visage 7 platform to be implemented in the cloud**
- **Continues PME's expansion into North American private market/teleradiology networks**
- **Transaction-based model with potential upside**

Leading health imaging company Pro Medicus Limited [ASX: PME] today announced its wholly-owned U.S. subsidiary, Visage Imaging, Inc., has signed a A\$40M, 7-year contract with LucidHealth, a leading provider of radiology services in the US.

Based on a transactional licensing model, the contract will see the company's cloud-based Visage 7 Enterprise Imaging Platform ('Visage 7'), including Visage 7 Viewer, implemented throughout LucidHealth, providing a unified diagnostic imaging platform.

Planning for the rollout will begin immediately, based on Visage's proven cloud-based implementation process, with a phased go-live targeted to commence in late Q3/Q4 of the 2025 calendar year.

LucidHealth employs more than 300 Radiologists across their network of 140 care sites. The group provides subspecialized remote and onsite radiology reading services, as well as having its own clinically integrated network of radiology practices

“LucidHealth joins our rapidly growing list of private practice clients,” said Dr Sam Hupert, Pro Medicus CEO. “Their needs, which include subspecialized onsite and remote reading/ teleradiology capabilities, are uniquely catered for by our proprietary server-side streaming technology reinforcing our view that Visage 7 is ideally positioned to address this market and the other key market segments we service, which include academic medical centers, IDNs and outpatient clinics”.

Dr Hupert continued, “LucidHealth joins the increasing number of Visage 7 North American clients to opt for Visage CloudPACS, our cloud-based solution, which is fast becoming the standard in the North American healthcare IT market.”

Authorised by the Board of Pro Medicus Limited.
