NOTES TO THE CONSOLIDATED INTERIM FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2024

NOTE 1: BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICY INFORMATION

BPH Global Limited (the "Company" of "BP8") is a for-profit company incorporated and domiciled in Australia. The consolidated interim financial report of the Company as at and for the half-year ended 31 December 2024 comprises the Company and its subsidiaries (together referred to as "the consolidated group" or "the Group").

The consolidated interim financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards including AASB 134 *Interim Financial Reports* and the *Corporations Act 2001*.

The half-year financial report does not include full disclosures of the type normally included in an annual financial report.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2024 and with any public announcements issued during the half-year in accordance with the continuous disclosure obligations arising under the *Corporations Act 2001* and Australian Securities Exchange.

The accounting policies in these interim financial statements are the same as those applied in the Group's financial statements for the year ended 30 June 2024.

New accounting standards and interpretations adopted

The Group has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ("AASB") that are mandatory for the current reporting period. Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. These standards are not expected to have a material impact on the Group in the current or future reporting periods and on foreseeable future transactions

NOTE 2: SUBSEQUENT EVENTS

In January 2025 the Company announced the completion of the acquisition of Indonesian-based seaweed assets and Joint Venture Development. The Company entered into a legally binding term sheet with Indonesian based Joint Venture Partners Rajiv Ramnarayan, Deepak Jha and PT Mitra Global (an Indonesian registered company) for the acquisition of Indonesian-based seaweed business owned by the Joint Venture partners. To facilitate the transaction the Company has incorporated a wholly owned Indonesian subsidiary, PT BPH Global Indonesia ("BPH Indonesia"), with the Joint Venture assets assigned to the company.

In January 2025 the Company issued 10 million ordinary shares to Rajiv Ramnarayan as part of the agreement, and Deepak Jha has been appointed a director of PT BPH Global Indonesia. The Indonesian subsidiary will be engaged in the sale of raw seaweed, production of bio stimulant seaweed products, extraction of nutraceuticals, R&D on the extraction of minerals, nano-minerals and chemicals and R&D into the production and extraction of biohydrogen and other biogases.

Further milestone payments included in the term sheet included:

- Upon BPH Indonesia being granted an export licence to enable export of seaweed products within 12 months, issue of ordinary shares to the value of \$25,000;
- Upon BPH Indonesia generating US\$50,000 in sales revenue during the 12 month period commencing on the date that BP8 disburses the first tranche of working capital required to run the business in accordance with the mutually agreed budget, issue of ordinary shares to the value of \$25,000;
- Upon BPH Indonesia generating revenue of US\$150,000 in the 24 month period commencing on the date that BP8 disburses the first tranche of working capital required to run the business in accordance with the mutually agreed budget, the issue of ordinary shares to the value of \$25,000; and
- Upon BPH Indonesia acquiring bio-stimulant patent licence within 12 months of the date that the budget is agreed for acquiring this licence, the issue of shares to the value of \$25,000.

BPH GLOBAL LIMITED AND ITS CONTROLLED ENTITIES

NOTES TO THE CONSOLIDATED INTERIM FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2024

On 17 February the Company held an EGM, at which its shareholders:

- Approved the issue of free attaching share options offered in the December 2024 placement;
- Approved the issue of 66,666,668 ordinary shares and 16,666,667 share options exercisable at \$0.006 per option to convert loans provided during the half year;
- Approved the conversion of convertible notes with the value of \$239,000 to equity;
- Approval of 58,333,334 ordinary shares and 29,166,668 share options to directors to settle outstanding amounts for accrued fees;
- Approved the issue of \$1,000,000 worth of ordinary shares to create the capacity to raise working capital.

Other than the above, there has not arisen in the interval between the end of the half year and the date of this report any item, transaction or event of a material or unusual nature likely, in the opinion of the directors to affect the operations of the consolidated entity, the results of these operations or the state of affairs of the Group.

NOTE 3: GOING CONCERN

During the half year ended 31 December, the consolidated entity incurred a loss after income tax of \$483,167 (2023: \$945,526) from continuing operations and net cash outflows from operating activities of \$325,630 (2023: \$740,581). At 31 December 2024, the consolidated entity had net liabilities of \$1,681,738 (30 June 2024: \$1,419,040) and had cash of \$218,461 (2023: \$133,619).

Accordingly, there is material uncertainty that may cast doubt on the consolidated entity's ability to continue as a going concern. Notwithstanding this the financial report has been prepared on a going concern basis which assumes the realisation of assets and discharge of liabilities in the normal course of business at the amounts stated in the financial report, for the following reasons:

Since 31 December 2024 the company has settled on the acquisition of the BP Indonesia assets and commenced operations in Indonesia in order to generate revenue streams from the sale of seaweed products.

The ability of the consolidated entity to continue as a going concern depends on the consolidated entity managing its cash outflow and generating additional cash inflows from:

- Issue of shares and options to settle loans issued during the period reducing borrowings by \$469,706;
- Issue of shares and options to settle accrued Director remuneration reducing debt by \$175,000;
- By executing the Group's strategy of building up the Indonesian seaweed business in line with its business plan so that it contributes positively to the Group's operations;
- The receipt of debt funding; or
- The receipt of equity funding which is currently being planned as the Company has approval from shareholders to raise an additional \$1 million without using any of the Company's placement capacity (i.e. both the 10% & 15% capacity).

The Group has a demonstrated record of raising additional capital and the Board has a reasonable expectation that the Company will be able to successfully raise funds over the 12-month period ending March 2026.

Should the Company be unable to continue as a going concern it may be required to realise its assets and discharge its liabilities other than in the normal course of business and at amounts different from those stated in the financial statements. This financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or to the amounts and classification of liabilities that might be necessarily incurred should the consolidated entity not continue as a going concern.

Independent Auditor's Review Report to the Members of BPH Global Limited

Conclusion

We have reviewed the interim financial report of BPH Global Limited ("the Company") which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, including material accounting policy information, and the directors' declaration, for the Group comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying interim financial report of the Group does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Group, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Regarding Going Concern

We draw attention to Note 3 *Going Concern* in the interim financial report, which indicates that the Group had a net deficiency of assets over liabilities of \$1,681,738, incurred a loss of \$483,167 and had a net cash outflow from operating activities of \$325,630 during the period ended 31 December 2024. As stated in Note 3 *Going Concern*, these events or conditions, along with other matters as set forth in Note 3 *Going Concern*, indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibility of the Directors for the Financial Report

The directors of the Group are responsible for the preparation of the interim financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the interim financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the interim financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the interim financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of an interim financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
