## FINEXIA FINANCIAL GROUP LIMITED DIRECTORS' REPORT

Your directors submit the half-year financial report of the consolidated entity (the "Group") consisting of Finexia Financial Group Limited (the "Company") and the entities it controlled, for the half-year to 31 December 2024.

In order to comply with the provisions of the *Corporations Act 2001*, the directors' report as follows:

### DIRECTORS

The names of the directors who held office during or since the end of the half-year and until the date of this report are noted below. Directors were in office for the entire period unless otherwise stated.

#### DIRECTORS

Neil Sheather (appointed 10 November 2014)  
Robert Spano (appointed 1 February 2024)  
Patrick Michael Bell (appointed 1 October 2020  
- resigned 27 February 2025)  
Daniel Ritchie (appointed 19 November 2024)

### RESULTS

The loss for the half year after tax was \$47,400 (2023: \$153,042 profit).

### REVIEW OF OPERATIONS

Finexia Financial Group Limited has delivered a satisfactory performance in the first six months of the 2025 financial year. Our continued focus on streamlining operations into our two core strategic segments, namely Private Credit and Funds Management has yielded satisfactory results on both financial and operational fronts.

Finexia recorded top line operating income (*net interest margin (NIM) and management fees*) of A\$4,697,178 a 12.44% increase on the previous corresponding period. This performance is a testament to our team's dedication and our unique positioning as a non-bank lender to the Australian Childcare sector. Disappointingly, our pre-tax operating loss position decreased to a loss of (\$48,682), and our net profit after tax (NPAT) decreased to a loss of (\$47,400). This outcome was primarily driven by increased employee expenses with the expansion of our origination team in Sydney, a 10% increase in the total financing charges including the amortisation of previous financing costs.

The disappointing net profit result has been the catalyst for your Board to initiate a wide sweeping review of the operational businesses and the Group's overall strategy. In the coming months the Board will be in a position to provide shareholders and the broader market the result of this strategic review.

A significant highlight of this period has been the introduction of Factory Capital ('Factory') onto the Finexia register (19.98%) via a shareholder approved private placement, which was completed on 19 November 2024. We welcome Factory's investment and the appointment of Mr Daniel Ritchie to the Board as a non-executive director.

### **Operational Highlights**

- The total loan book (receivables) as at 31 December 2024 - \$125m (excludes securities backed lending)
- Finexia Childcare lending total Assets Under Management as at 31 December 2024 – \$105.1m
- The loan book growth has been primarily fuelled by demand for Finexia's childcare loan product coupled with the Company having access to additional funding through its established loan note facility with fixed income specialists Income Asset Management (IAM:ASX). The Company also secured an additional funding source through private credit specialists, Global Credit Investments (GCI)

Thank you for your continued trust and support. As we navigate this dynamic financial landscape, our commitment to creating sustainable, long-term value for all our stakeholders remains steadfast.

### **SUBSEQUENT EVENTS**

As announced to the ASX on the 6th of March 2025, following the resignation of Mr Patrick Bell, the Company signed a non-binding agreement where a group of investors (including Mr Bell) proposed to lead the acquisition of Creative Capital Group Pty Ltd ("CCG") and the management rights of Finexia Childcare Finance Trust ("FCFT").

The proposed transaction involves certain business assets and operations including:

1. The entire issued share capital of CCG
2. Management rights and operational control of the FCFT
3. Assets related to CCG's lending operations, including security interests, loan documentation, and customer relationships

Subsequently, several other parties have expressed interest in these assets, signed non-disclosure agreements, and have been granted access to the data room for due diligence purposes.

Finexia's management is conducting a structured process to evaluate all proposals for these assets.

This transaction is significant and will be reflected in the consolidated financial statements in the following reporting period, subject to the completion of the transaction and the satisfaction of the required conditions.

Other than the above, there was no other matter or circumstance that has arisen since 31 December 2024 that has significantly affected, or may significantly affect:

- (a) the Group's operations in future financial years, or
- (b) the results of those operations in future financial years, or
- (c) the Group's state of affairs in future financial year

**9. FAIR VALUE MEASUREMENT**

***Fair value measurement of financial instruments***

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three (3) levels of a fair value hierarchy. The three (3) levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: unobservable inputs for the asset or liability

## Independent Auditor's Report to the Directors of Finexia Financial Group Limited

### Conclusion

We have reviewed the accompanying half-year financial report of Finexia Financial Group Limited ("Company") and its subsidiaries ("Group"), which comprises the condensed consolidated interim statement of financial position as at 31 December 2024, the condensed consolidated interim statement of comprehensive income, the condensed consolidated interim statement of changes in equity, and the condensed consolidated interim statement of cash flows for the half-year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information, and the Directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Finexia Financial Group Limited is not in accordance with the *Corporations Act 2001*, including:

- a) giving a true and fair view of the Group's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- b) complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* ("Code") that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which was given to the Directors of the Company on 5 March 2025, would remain in the same terms if given to the directors as at the time of this auditor's review report dated 6 March 2025.

### Emphasis of Matter

We refer to Note 16, Events Subsequent to the Reporting Date, which discloses a non-binding offer to potentially purchase a material portion of the Company's business. Our opinion is not modified in this respect.

## Directors' Responsibility for the Financial Report

The Directors of the Company are responsible for the preparation of the half -year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

## Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including, giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Finexia Financial Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all material matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
