EXPLANATORY NOTES

The following explanatory notes (including any annexures) have been prepared to provide information to Shareholders about the items of business set out in the Notice of Extraordinary General Meeting and form part of that Notice.

Items 1a and 1b – Ratification of the prior issue of Placement Shares and Consideration Shares

On 10 February 2025, the Company announced that it had entered into a Share Sale Agreement (**SSA**) to acquire all of the shares in Evidentia Group Holdings Pty Ltd (**Evidentia**) for total up-front consideration of \$320 million, comprising approximately \$244.9 million in cash and approximately \$75.1 million in GDG shares (**Transaction**).

Evidentia is one of Australia's leading providers of investment management and tailored managed account solutions.

On 10 February 2025, the Company also announced the launch of a fully underwritten accelerated non-renounceable rights issue at \$4.15 per fully paid ordinary share in the Company (**Shares**) to raise approximately \$173.5 million and a fully underwritten placement to institutional investors at \$4.15 per Share to raise approximately \$114.4 million (**Placement**), raising approximately, in aggregate \$287.9 million (together, the **Capital Raising**).

The funds raised under the Capital Raising will be used by the Company to fund the cash component of the consideration payable by the Company under the Transaction (as described below) and associated transaction costs, implementation costs and future growth initiatives.

On 12 February 2025, the Company announced the results of the Placement, and accordingly, 27,566,606 Shares (**Placement Shares**) were issued on 17 February 2025 (**Placement Shares Issue Date**) to certain institutional investors.

As set out in the announcement on 10 February 2025, the terms of the Transaction permitted sellers of Evidentia shares to elect to take their consideration in Shares, cash, or a combination of both.

On 18 February 2025, the Company announced its completion of the Transaction, including the issue of 18,004,826 shares based on elections made by certain sellers to accept Shares (**Electing Sellers**) on 18 February 2025 (**Consideration Shares Issue Date**).

The consideration payable under the Transaction was paid as follows:

- \$220,134,720 in cash (**Completion Payment**) paid on 18 February 2025;

- \$25,186,371 in cash (**Deferred Completion Payment**) paid on 7 March 2025; and
- in aggregate, 18,004,826 Shares, to the Electing Sellers in lieu of a cash payment, which Shares, in aggregate have a monetary value of \$74,720,028. These Shares were issued at an agreed price of \$4.15 per Share, being the same price as the Capital Raising as announced by the Company on 10 February 2025 (**Consideration Shares**).

Further, the Consideration Shares were issued subject to voluntary escrow until 18 February 2026.

The SSA also provides for earn-out consideration payable by the Company by way of cash. The maximum earn-out amount payable is based on the combined Evidentia and Lonsec managed account business achieving FY26 year on year revenue growth of 46%. The maximum earn-out amount payable by GDG is \$40 million.

For further details about the Transaction, we refer Shareholders to the Company's ASX announcement and Investor Presentation each dated 10 February 2025.

ASX Listing Rule 7.4

Resolutions 1 and 2 propose that Shareholders of the Company ratify the issue and allotment of the Placement Shares and Consideration Shares.

The Placement Shares and Consideration Shares were issued by utilising the Company's existing capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Placement Shares and Consideration Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as they have not been approved by the Company's Shareholders, they effectively use up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the Placement Shares Issue Date and Consideration Shares Issue Date.

Listing Rule 7.4 allows the Shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1, and so does not reduce the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

Resolution 1 therefore seeks Shareholder approval for the issue of Placement Shares for the purposes of Listing Rule 7.4. Resolution 2 seeks Shareholder approval for the issue of Consideration Shares for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of Placement Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Placement Shares Issue Date.

If Resolution 1 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 for the 12-month period following the Placement Shares Issue Date. This would limit the Company's ability to raise further funds without Shareholder approval, which may affect its growth and operations.

If Resolution 2 is passed, the issue of Consideration Shares will be excluded in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the Consideration Shares Issue Date.

If Resolution 2 is not passed, the issue of the Consideration Shares will be included in calculating the Company's 15% capacity to issue equity securities under Listing Rule 7.1 for the 12-month period following the Consideration Shares Issue Date. This would limit the Company's ability to raise further funds without Shareholder approval, which may affect its growth and operations.

In accordance with section 1074E(2)(g) of the Corporations Act and Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth), the Board of the Company has determined that a Shareholder's voting entitlement at the Meeting will be taken to be the entitlement of the person shown in the register of members as at 7 p.m. (Melbourne time) on 21 April 2025. Transactions registered after that time will be disregarded in determining the Shareholders entitled to attend and vote at the Meeting.

VOTING EXCLUSION STATEMENT

Resolutions 1 and 2

In accordance with the Corporations Act, the Company will disregard any votes cast on Resolution 1 by or on behalf of any recipient of the Placement Shares, and will disregard any votes cast on Resolution 2 by or on behalf of any recipient of the Consideration Shares, or an associate of that person or those persons.

However this does not apply to a vote cast in favour of a resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or

 - o the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - o the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

PROXIES

A Shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxy (who need not be a Shareholder of the Company) to attend and vote in the Shareholder place. A proxy form accompanies this Notice of Meeting for this purpose.

A proxy form must be signed by a Shareholder or his or her attorney and, in the case of a joint holding, by each of the joint holders.

Shareholders who are entitled to cast two or more votes may appoint not more than two proxies to attend and vote at the Meeting. Shareholders wishing to appoint a second proxy should request an additional proxy form from the Company's share registry - Boardroom Pty Limited. Where two proxies are appointed, both forms should be completed with the nominated proportion or number of votes each proxy may exercise. If no such proportion or number is specified, each proxy may exercise half of the votes. Fractions of votes are to be disregarded.

Where a Shareholder appoints 2 proxies, on a show of hands neither proxy may vote if more than one proxy attends and on a poll each proxy may only exercise votes in respect of those shares or voting rights the proxy represents.

The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending the Meeting and voting personally. If the Shareholder votes on a resolution, the proxy must not vote as the Shareholder's proxy on that resolution.

Any instrument appointing a proxy in which the name of the appointee is not completed is regarded as given in favour of the chairman of the Meeting.

In the case of joint holders of Shares, if more than one holder votes at the Meeting, only the vote of the first named of the joint holders in the share register of the Company will be counted.

To be effective, proxy forms (and the power of attorney or other authority (if any) under which it is signed (or an attested copy)) must be received by the Company at its registered office or delivered in person, by mail or by fax to the Company's Share Registry's office (Details below). Proxy forms may also be lodged online by visiting <https://www.votingonline.com.au/gdgeg2025>.

Completed proxy forms must be received no later than 48 hours before the appointed time of the Meeting, therefore by 10 a.m. (Melbourne time) on 21 April 2025.

The Company's Share Registry details are as follows:

Boardroom Pty Limited
Level 8, 210 George Street, Sydney, NSW 2000
GPO Box 3993, Sydney, NSW, 2001
Facsimile: +61 2 9290 9655

Proxies given by a corporation must be signed either under seal or under the hand of a duly authorised attorney. In addition, should the constitution of a corporation permit the execution of documents without using a common seal, the documents must be signed by two directors or a director and company

secretary, or for a proprietary company that has a sole director who is also a company secretary, that director.

If a body corporate is appointed as proxy, please write the full name of that body corporate (eg, Company X Pty Ltd). Do not use abbreviations. The body corporate will need to ensure that it:

- appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and
- provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the Meeting.

If no such evidence is received before the Meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

CORPORATE REPRESENTATIVES

A corporation, by resolution of its directors, may authorise a person to act as its representative to vote at the Meeting. A representative appointed by a corporation may be entitled to execute the same powers on behalf of the corporation as the corporation could exercise if it were an individual Shareholder of the Company.

To evidence the authorisation, either a certificate of corporate body representative executed by the corporation or under the hand of its attorney or an equivalent document evidencing the appointment will be required.

The certificate or equivalent document must be produced prior to the Meeting.
