Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and their attendance recorded. To be effective a certified copy of the Power of Attorney, or the original Power of Attorney, must be received by the Company in the same manner, and by the same time as outlined for proxy forms below.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed.

- The proxy can be either an individual or a body corporate.
- If a proxy is not directed how to vote on an item of business, the proxy may generally vote, or abstain from voting, as they think fit.

- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy

appointment will not be counted in calculating the required majority.

- Shareholders who return their Proxy Forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which apply to the proposed Resolutions. These rules are explained in this Notice.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in the accompanying Notice of General Meeting of the Company.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Memorandum.

1 Background to Resolutions

On 11 March 2025, the Company issued a total of 217,391,305 Shares at an issue price of \$0.023 per Share (**Placement Shares**), utilising the Company's existing placement capacity under Listing Rules 7.1 and 7.1A, to raise \$5 million (before costs) pursuant to the placement to new and existing institutional and sophisticated investors (**Placement Participants**) announced to the ASX on 5 March 2025 (**Placement**). The proceeds from the Placement will be applied to general corporate costs and working capital while the Company follows up promising recent discussions regarding securing the remaining balance of funding to develop the Mahenge Graphite Project (**Mahenge**). Petra Capital Pty Ltd (**Petra Capital**) acted as sole lead manager and sole bookrunner to the Placement.

Together with the Placement, subject to shareholder approval, the Company also announced a proposed offer to the Placement Participants of one free unquoted option, each with an exercise price of \$0.035 and an expiry date of three years from the date of issue (**New Options**), for every two Placement Shares subscribed for and issued under the Placement (**Option Offer**). It is proposed that the Option Offer will be made under a transaction specific prospectus in accordance with section 713 of the Corporations Act (**Prospectus**). Further details of the Option Offer will be contained in the Prospectus which is expected to be made available shortly following the date of the Meeting, subject to Resolution 3 being passed.

Refer to the Company's ASX announcement dated 5 March 2025 for further details of the Placement and Option Offer.

Resolution 1 seeks Shareholder ratification pursuant to Listing Rule 7.4 of the issue of 92,186,447 Placement Shares to the Placement Participants under the Placement pursuant to the Company's capacity under Listing Rule 7.1.

Resolution 2 seeks Shareholder ratification pursuant to Listing Rule 7.4 of the issue of 125,204,858 Placement Shares to the Placement Participants under the Placement pursuant to the Company's capacity under Listing Rule 7.1A.

Resolution 3 seeks Shareholder approval pursuant to Listing Rule 7.1 to issue the New Options to the Placement Participants under the proposed Option Offer.

2 Resolutions 1 and 2 – Ratification of issue of Placement Shares

2.1 Listings Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period. Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. Shareholders approved this additional capacity at the Company's last annual general meeting.

Given the Placement does not fit within any of the exceptions and it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date on which the Company issued the Placement Shares.

Additionally, given the Placement does not fit within any of the exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1A for the 12-month period following the date on which the Company issued the Placement Shares (and the Listing Rule 7.1A mandate not otherwise expiring).

Listing Rule 7.4 allows the shareholders of a company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 or 7.1A (as applicable) and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under those rules. The Company confirms that there was no breach of Listing Rules 7.1 and 7.1A at the time of issue of the Placement Shares.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rules 7.1 and 7.1A and therefore seeks Shareholder approval under Resolutions 1 and 2 to ratify the issue of Shares pursuant to the Placement under and for the purposes of Listing Rule 7.4.

If Resolutions 1 and 2 are passed, the Placement Shares will be excluded in calculating the Company's 25% limit in Listing Rules 7.1 and 7.1A, respectively, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval:

- under Listing Rule 7.1 for the 12 month period following the date the Company issued the Placement Shares; and
- under Listing Rule 7.1A for the 12 month period following the date the Company issued the Placement Shares (and the Listing Rule 7.1A mandate not otherwise expiring).

If Resolutions 1 and 2 are not passed, the Placement Shares will be included in calculating the Company's 25% limit in Listing Rules 7.1 and 7.1A, respectively, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval under Listing Rules 7.1 and 7.1A for the periods noted immediately above.

2.2 Information Requirements – Listing Rule 7.5

The following information in relation to the Placement Shares is provided to Shareholders for the purposes of Listing Rule 7.5:

- (a) the Placement Shares were issued to the Placement Participants, each of which is an unrelated party of the Company. The Placement Participants were selected following a bookbuild process by Petra Capital (as sole lead manager and sole bookrunner), in consultation with the Company. In accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that no related parties of the Company, members of the Company's Key Management Personnel, advisers of the Company or an Associate of any of these parties were issued more than 1% of the issued capital of the Company. Copulos Group, a substantial holder of the Company, participated in the raising via four associated entities (as disclosed in its Form 604 *Notice of change of interest of substantial holder* dated 12 March 2025). Copulos Group was issued a total 91,304,348 Placement Shares under the Placement, equivalent to 6.21% of the issued capital of the Company, on a post Placement basis. Turner Group, who became a substantial shareholder by virtue of participating in the Placement, was issued a total of 16,400,000 Placement Shares as part of the Placement, equivalent to 1.12% of the issued capital of the Company, on a post Placement basis;
- (b) a total of 217,391,305 Placement Shares were issued, comprising:

- (i) 92,186,447 Placement Shares issued under Listing Rule 7.1, ratification which is sought pursuant to Resolution 1; and
- (ii) 125,204,858 Placement Shares issued under Listing Rule 7.1A, ratification which is sought pursuant to Resolution 2;
- (c) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing Shares on issue;
- (d) the Placement Shares were issued on 11 March 2025;
- (e) the Placement Shares were issued at an issue price of \$0.023 each;
- (f) the Placement Shares were issued for the purpose of raising \$5 million (before costs) to be applied to general corporate costs and working capital while the Company follows up promising recent discussions regarding securing the remaining balance of funding to develop Mahenge;
- (g) the Placement Shares were issued to the Placement Participants pursuant to standard form placement commitment letters; and
- (h) a voting exclusion applies in respect of Resolutions 1 and 2 as set out in the Notice of Meeting.

3 Resolution 3 – Proposed Issue of New Options

3.1 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in section 2.1 above.

The proposed issue of New Options to the Placement Participants pursuant to the Option Offer does not fall within any of the exceptions set out in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Shareholders under Listing Rule 7.1.

Resolution 3 seeks the required Shareholder approval for the proposed issue of New Options under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will be able to proceed with the proposed Option Offer and the Company will issue up to 108,695,652 New Options to the Placement Participants. Where all the New Options are exercised by the Placement Participants (which cannot be guaranteed), the Company's cash reserves will increase by up to approximately \$3.8 million.

In addition, the issue of the New Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the proposed Option Offer and will not be able to issue the New Options to the Placement Participants. In such an event, the Company will not receive the up to approximately \$3.8 million from any New Options that may be exercised by the Placement Participants (which cannot be guaranteed).

3.2 Information Requirements – Listing Rule 7.3

The following information in relation to the New Options to be issued is provided to Shareholders for the purposes of Listing Rule 7.3:

- (a) the New Options will be issued to the Placement Participants, on the same basis as that set out in section 2.2(a) above, subject to receipt of applications for the New Options from Placement Participants under the Prospectus;

- For personal use only
- (b) the Company will issue up to 108,695,652 New Options, subject to rounding and receipt of applications under the Prospectus;
 - (c) a summary of the material terms of the New Options is set out in Annexure 1, with the full terms and conditions of to be contained in the Prospectus. The Shares issued on exercise of the New Options will be fully paid ordinary shares in the capital of the Company and rank equally in all respects with the existing fully paid ordinary shares on issue;
 - (d) the New Options will be issued no later than 3 months after the date of the Meeting;
 - (e) the New Options will be issued at a nil issue price as the New Options will be offered for free to the Placement Participants on the basis of one New Option for every two Placement Shares subscribed for and issued under the Placement. The Company will not receive any other consideration for the issue of the New Options, other than in respect of any funds received on exercise of the New Options. Where all the New Options are exercised by the Placement Participants (which cannot be guaranteed), the Company's cash reserves will increase by up to approximately \$3.8 million;
 - (f) the New Options are being issued to satisfy the Company's obligations under the Placement. The purpose of the Placement was to raise \$5 million (before costs) to be applied to general corporate costs and working capital while the Company follows up promising recent discussions regarding securing the remaining balance of funding to develop Mahenge;
 - (g) the Placement Participants entered into standard form placement commitment letters with the Company which provided that the Placement Participants would be offered New Options subject to Shareholder approval; and
 - (h) a voting exclusion applies in respect of this Resolution as set out in the Notice of Meeting.
