Explanatory Statement

1. Background

1.1 Introduction

The Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Meeting.

The purpose of the Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the resolutions set out in the accompanying Notice. It explains the resolutions and identifies the Board's reasons for putting them to Shareholders.

1.2 Action to be taken by Shareholders

Shareholders should read this Explanatory Statement carefully before deciding how to vote on the resolutions set out in the Notice.

All Shareholders are invited and encouraged to attend the Meeting. If Shareholders are unable to participate in the Meeting, a proxy form should be completed either as a hard copy or online through the MUFG voting portal. Lodgement of an electronic proxy form will not preclude a Shareholder from attending the Meeting and voting at the Meeting, but the person appointed as the proxy must not exercise the rights conferred by the electronic proxy form.

2. Capital raising

As announced to the market on 21 February 2025, the Company undertook a capital raising comprised of

- a placement of Shares to professional and sophisticated investors at an offer price of \$0.425 per New Share to raise up to \$5.5 million (**Placement**), which completed on 28 February 2025; and
- an underwritten securities purchase plan of Shares to certain eligible Shareholders pursuant to *ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547* for up to \$30,000 worth of New Shares to raise \$7 million, which closed on 18 March 2025 (**SPP Offer**).

In connection with the above capital raising, the Company has also made the following offers:

- an offer to participants in the Placement (**Placement Participants**) to apply for options on the terms set out in Schedule 1 (**New Options**) on the basis of 1 New Option for nil consideration for every 1 Share issued under the Placement (**Placement Options Offer**);
- an offer to participants in the SPP Offer (**SPP Participants**) to apply for 1 New Option for nil consideration for every 1 Share issued under the SPP Offer (**SPP Options Offer**);

- an offer to sub-underwriters to the SPP Offer (**Sub-Underwriters**) of 5,000,000 New Options (**Sub-Underwriter Options Offer**) on the basis of approximately 0.714 New Options for every \$1.00 of sub-underwriting commitment secured for the SPP Offer; and
- a further offer of options on the terms set out in Schedule 2 (**Piggyback Options**) to holders of New Options (**Eligible Optionholder**), on the basis of 1 Piggyback Option for nil consideration for every 1 New Option exercised by an Eligible Optionholder (**Piggyback Options Offer**)

Subject to satisfying the ASX conditions for quotation of securities, the Company intends to apply for Official Quotation of the New Options and the Piggyback Options.

The issue of the New Options under the Placement Options Offer and the SPP Options Offer will be conditional upon the Company obtaining shareholder approval at this Meeting pursuant to Resolution 2. Given the Piggyback Options will only be issued to holders of New Options that are validly exercised, the issue of Piggyback Options associated with the issue of New Options under the Placement Options Offer and the SPP Options Offer, will not proceed if Shareholder approval is not obtained for the issue of underlying New Options pursuant to Resolution 2.

The Sub-Underwriter Options Offer (and the issue of associated Piggyback Options) will be undertaken pursuant to the Company's available placement capacity under ASX Listing Rule 7.1, and is not subject to Shareholder approval. However, the Company is seeking Shareholder approval pursuant to Resolution 3 to ratify the proposed issue of New Options and Piggyback Options to the Sub-Underwriters under the Sub-Underwriter Options Offer.

Further information regarding the Placement and SPP Offer can be found in the Company's market announcement regarding the capital raise on 21 February 2025 and the SPP Offer booklet issued by the Company on 25 February 2025.

Further information regarding the Placement Options Offer, the SPP Options Offer, the Sub-Underwriter Options Offer and the Piggyback Options Offer (collectively, the **Options Offers**) can be found in the prospectus issued by the Company dated Tuesday, 25 March 2025.

3. Resolutions

3.1 Resolution 1 – Ratification of the issue of Shares under the Placement

As noted in section 2 of this Explanatory Statement above, the Company completed the Placement on 28 February 2025 and issued 12,941,176 new Shares at an issue price of \$0.425 per Share (**Placement Issue**).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Placement Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the Placement Issue, being 28 February 2025.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 1 seeks shareholder approval for the Placement Issue under Listing Rule 7.4.

If Resolution 1 is passed, the Placement Issue will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the date of the Placement Issue, being 28 February 2025.

If Resolution 1 is not passed, the Placement Issue will be included in calculating the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the date of the Placement Issue, being 28 February 2025.

Information required under Listing Rule 7.5

In accordance with Listing Rule 7.5, the following information is provided in relation to the approval of the Placement Issue under Resolution 1.

Listing Rule	Required Disclosure
7.5.1	The Company issued Shares under the Placement to sophisticated and professional investors in Australia, New Zealand and Hong Kong. The Company confirms that none of the recipients of the Shares are related parties of the Company or a material investor for the purposes of section 7.4 of ASX Guidance Note 21.
7.5.2	The Company issued a total of 12,941,176 Shares under the Placement.
7.5.3	The Shares issued pursuant to the Placement Issue are fully paid ordinary shares.
7.5.4	The Shares were issued on 28 February 2025.
7.5.5	The Shares were issued at an issue price of \$0.425 per Share, raising a total of \$5.5 million (before costs).
7.5.6	The purpose of the Placement Issue was to raise funds for commercialisation requirements and for general working capital.
7.5.7	The Shares issued pursuant to the Placement Issue were not issued under an agreement.

Listing Rule	Required Disclosure
7.5.8	Please refer to the voting exclusion statements for Resolution 1 set out in the Notice.

Recommendation

The Board recommends that Shareholders vote in favour of Resolution 1.

3.2 Resolution 2 – Approval for the proposed issue of New Options under the Placement Options Offer and SPP Options Offer

As noted in section 2 of this Explanatory Statement above, the Company seeks to issue the following New Options under the Placement Options Offer and the SPP Options Offer:

- 12,941,176 New Options to Placement Participants pursuant to the Placement Options Offer; and
- 23,342,943 New Options to SPP Participants pursuant to the SPP Options Offer.

The proposed issue of the New Options to Placement Participants and SPP Participants (**New Options Issue**) is subject to the Company obtaining Shareholder approval pursuant to this Resolution 2.

As summarised in the Explanatory Statement for Resolution 1 above, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The New Options Issue does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's Shareholders under Listing Rule 7.1.

This Resolution 2 seeks the required Shareholder approval for the New Option Issue under and for the purposes of Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the New Option Issue. In addition, the issue of New Options under the Placement Options Offer and the SPP Options Offer, as well as the Shares and Piggyback Options that will be issued upon the valid exercise of any such New Options, will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the New Option Issue. In addition, given the New Options under the Placement Options Offer and the SPP Options Offer will not occur, the Company will not proceed with the issue of any Piggyback Options associated with the exercise of underlying New Options.

Information required under Listing Rule 7.3

In accordance with Listing Rule 7.3, the following information is provided in relation to the approval of the proposed issue of New Options under the Placement Options Offer and the SPP Options Offer under Resolution 2.

Listing Rule	Required Disclosure
7.3.1	<p>The Company is proposing to issue New Options:</p> <ul style="list-style-type: none">• to Placement Participants under the Placement Options Offer; and• to SPP Participants under the SPP Options Offer.
7.3.2	<p>The number of New Options that the Company proposes to issue is:</p> <ul style="list-style-type: none">• 12,941,176 New Options under the Placement; and• 23,342,943 New Options under the SPP Offer.
7.3.3	<p>The terms of issue of the New Options are set out in Schedule 1.</p> <p>When validly exercised, each New Option is exercisable for the issue of 1 Share and 1 Piggyback Option. The terms of issue of the Piggyback Options are set out in Schedule 2.</p>
7.3.4	<p>If Resolution 2 is passed, the Board intends to issue the New Options on Friday, 2 May 2025, or in any event, within 3 months of the date of the Meeting.</p>
7.3.5	<p>The New Options will be issued for nil consideration.</p>
7.3.6	<p>The New Options are being issued:</p> <ul style="list-style-type: none">• to provide the Company with a potential source of additional capital if the New Options are exercised; and• to raise funds incrementally, such that the Company will receive funds from the exercise of any New Options during the approximately 9-month period in which those New Options are able to be exercised and converted into Shares and Piggyback Options. <p>The Company intends to use any funds raised upon the exercise of the New Options for general working capital purposes.</p>
7.3.7	<p>The New Options are not being issued under an agreement.</p>
7.3.8	<p>The New Options are not being issued under, or to fund, a reverse takeover.</p>
7.3.9	<p>Please refer to the voting exclusion statements for Resolution 2 set out in the Notice.</p>

Recommendation

The Directors recommend that Shareholders vote in favour of Resolution 2.

3.3 Resolution 3 – Ratification of the proposed issue of New Options under the Sub-Underwriter Options Offer

As noted in section 2 of this Explanatory Statement above, the Company has agreed to issue 5,000,000 New Options to the Sub-Underwriters under the SPP Offer. Under their terms of issue, the holder of each New Option is entitled to receive 1 Share and 1 Piggyback Option upon the valid exercise of each New Option.

As summarised in the Explanatory Statement for Resolution 1 above, Listing Rule 7.1 limits the number of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The proposed issue of New Options to the Sub-Underwriters (**Sub-Underwriter Issue**) does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the proposed date of the Sub-Underwriter Issue, being 2 May 2025.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 3 seeks shareholder approval for the Placement Issue under Listing Rule 7.4.

If Resolution 3 is passed, the Sub-Underwriter Issue will be excluded in calculating the Company's 15% limit under Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without shareholder approval over the 12 month period following the proposed date of the Sub-Underwriter Issue, being 2 May 2025. In addition, the issue of the Shares and Piggyback Options that will be issued upon the valid exercise of any such New Options, will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Sub-Underwriter Issue, as well as the associated issue of Piggyback Options thereunder, will be included in calculating the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the date of the Placement Issue, being 28 February 2025.

Information required under Listing Rule 7.5

In accordance with Listing Rule 7.5, the following information is provided in relation to the approval of the Sub-Underwriter Issue under Resolution 3.

Listing Rule	Required Disclosure
7.5.1	<p>The Company proposes to issue the New Options under the Sub-Underwriter Issue to sub-underwriters of the SPP Offer.</p> <p>The Company confirms that none of the recipients of the New Options are related parties of the Company or a material investor for the purposes of section 7.4 of ASX Guidance Note 21.</p>
7.5.2	<p>The Company proposes to issue up to 5,000,000 New Options under the Sub-Underwriter Issue.</p>
7.5.3	<p>The terms of issue of the New Options are set out in Schedule 1.</p> <p>When validly exercised, each New Option is exercisable for the issue of 1 Share and 1 Piggyback Option. The terms of issue of the Piggyback Options are set out in Schedule 2.</p>
7.5.4	<p>If Resolution 3 is passed, the Board intends to issue the New Options on Friday, 2 May 2025, or in any event, within 3 months of the date of the Meeting.</p>
7.5.5	<p>The New Options will be issued for nil consideration.</p>
7.5.6	<p>The proposed issue of New Options under the Sub-Underwriter Issue is consideration for the Sub-Underwriters agreeing to provide sub-underwriting commitments to support the SPP Offer.</p>
7.5.7	<p>The New Options proposed to be issued under the Sub-Underwriter Issue are being issued pursuant to an underwriting agreement entered into between the Company and Bell Potter Securities Limited ACN 006 390 772, being the underwriter to the SPP Offer (Underwriting Agreement). A summary of the material terms of the Underwriting Agreement are contained in the investor presentation released by the Company on 21 February 2025.</p>
7.5.8	<p>Please refer to the voting exclusion statements for Resolution 3 set out in the Notice.</p>

Recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.
