#### Resolution 1: Remuneration Report

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a resolution is advisory only and does not bind the Directors of the Company.

The Remuneration Report sets out the Company's remuneration arrangements for Key Management Personnel of the Company. The Remuneration Report is part of the Directors' Report contained in the annual financial report of the Company for the financial year ending 31 December 2024. A copy is available on the Company's website.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

#### **Voting consequences**

Under the Corporations Act, if at least 25% of the votes cast on a Remuneration Report resolution are voted against the adoption of the Remuneration Report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of Directors of the Company at the second annual general meeting (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting, at which all of the Directors (other than the Managing Director) of the Company, would need to stand for re-election.

As Shareholders voted in favour of the Company's Remuneration Report at its last annual general meeting, the Spill Resolution is not relevant for this Annual General Meeting.

#### **Directors' recommendation**

As the resolution relates to matters pertaining to the remuneration of the Directors and the Board, and as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, the Directors make no recommendation regarding this resolution.

#### **Directors' recommendation**

The Directors (with Mr Wang abstaining) unanimously recommend that Shareholders vote in favour of this Resolution.

#### **Background to Resolutions 3 and 4**

As announced to the ASX on 7 November 2024, the Company undertook a capital raising in the form of a placement whereby the Company issued 82,879,584 Shares at an issue price of \$0.0036 per Share to raise \$298,367. In accordance with the terms of the Placement, the participants are also entitled to receive two free Options (exercisable at a price that is the greater of \$0.0036 or a 15% discount to the 15-day VWAP immediately prior to exercise and expiring 9 months from the date of issue) for every 3 Shares issued.

The 82,879,584 Shares were issued utilising the Company's Listing Rule 7.1 placement capacity, for which ratification is sought pursuant to this Resolution 3.

Resolution 4 seeks Shareholder approval to issue the 55,253,056 free attaching Options.

#### **Resolution 3: Ratification of Prior Issue of 82,879,584 Shares**

As set out above, the Company issued 82,879,584 Shares on 15 November 2024 to raise \$298,367 utilising available capacity pursuant to Listing Rule 7.1 at the time of issuance. Broadly speaking, and subject to a number of exceptions in Listing Rule 7.2, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of Shares does not fit within any of the relevant exceptions in Listing Rule 7.2 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows shareholders to approve an issue of Equity Securities after it has been made or agreed to be made. If shareholders approve, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

In accordance with Listing Rule 7.4, to restore the Company's capacity to issue Shares it is proposed that Shareholders ratify the issue of Shares to restore the Company's capacity.

If Resolution 3 is passed, the 82,879,584 Shares will be excluded when calculating the Company's 15% limit under Listing Rule 7.1 effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the issue date.

If Resolution 3 is not passed, the Company's capacity to raise additional equity funds over the next 12 months without Shareholder approval will be reduced.

Resolution 3 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.5 the following information is provided:

Persons who participated in the issue:	Panda Education Pty Ltd (who is not a Related Party of the Company)
Number and Class of Securities to be Issued	82,879,584 Shares
Date on which the securities were issued	21 November 2024
Issue Price	\$0.0036 per Share
Purpose of the issue	The funds will be used as working capital to support the business.

#### **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

#### **Resolution 4: Issue of up to 55,253,056 Options**

Resolution 4 seeks Shareholder approval under and for the purposes of Listing Rule 7.1 to issue two (2) free attaching Options for every three (3) Shares issued in conjunction with the placement announced to ASX on 7 November 2024 (as detailed in the Background for Resolutions 3 and 4 above), exercisable at a price that is the greater of \$0.0036 or a 15% discount to the 15 day VWAP immediately prior to exercise and expiring 9 months from the date of issue.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions under ASX Listing Rule 7.2, issue or agree to issue Equity Securities during any 12-month period in excess of 15% of the number of Shares on issue at the commencement of that 12-month period without Shareholder approval.

If Resolution 4 is passed, the Company can issue the Options which will be excluded from the calculation of its 15% capacity, allowing it to issue Equity Securities in the future without having to obtain Shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to issue the Options and will need to consider alternate compensation to the subscribers of the Options.

Resolution 4 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.3 the following information is provided:

The names of the persons to whom the entity will issue the securities:	Panda Education Pty Ltd (who is not a Related Party of the Company)
Number and Class of Securities to be Issued	55,253,056 Options
Material terms of the securities	<p>The Options are exercisable at a price that is the greater of \$0.0036 or a 15% discount to the 15 day VWAP immediately prior to exercise and expiring 9 months from the date of issue.</p> <p>On exercise of the Options, the Shares issued will rank equally with existing Shares.</p>

Date on which the securities will be issued	No later than 3 months after the date of the Meeting.
Issue Price	Nil
Purpose of the issue and intended use of funds raised by the issue.	Working capital to continue to support the Company.
If the +securities are being issued under an agreement, a summary of any other material terms of the agreement	Two free attaching Options for every three Shares subscribed for in the placement

### Directors Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4.

### Background to Resolutions 5 and 6

As announced to the ASX on 31 January 2025, the Company undertook a capital raising in the form of a placement whereby the Company issued 40,000,000 Shares at an issue price of \$0.007 per Share to raise \$280,000. In accordance with the terms of the Placement, the participants are also entitled to receive one (1) free Option (exercisable at a price that is the greater of \$0.007 or a 15% discount to the 15-day VWAP immediately prior to exercise and expiring 9 months from the date of issue) for every 10 Shares issued.

### **Resolution 5: Ratification of Prior Issue of 40,000,000 Shares**

The 40,000,000 Shares were issued on 28 March 2025 to raise \$280,000, utilising the Company's Listing Rule 7.1 and 7.1A placement capacity (26,918,592 Shares were issued under the Company's Listing Rule 7.1 capacity; 13,081,408 Shares were issued under the Company's Listing Rule 7.1A capacity), for which ratification is sought pursuant to Resolution 5.

Subject to a number of exceptions in Listing Rule 7.2, Listing Rules 7.1 and 7.1A limit the amount of Equity Securities a listed company can issue without the approval of its shareholders over a 12-month period to a combined 25% of the fully paid ordinary securities it had on issue at the start of that period (in the case of Listing Rule 7.1A, the 12-month period runs from the date of the last approval of the issue capacity in a general meeting). The Company sought and obtained Shareholder approval for the additional 10% placement capacity under Listing Rule 7.1A at the annual general meeting held on 30 May 2024.

As the issue of Shares does not fall within any of the relevant exceptions in Listing Rule 7.2 and are yet to be approved by Shareholders, it effectively utilises the Company's combined 25% placement capacity, the 15% limit in Listing Rule 7.1 and the 10% limit in Listing Rule 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval for the 12-month period following the issue date (and in the case of Listing Rule 7.1A, until a date that is 12 months from the date of last approval of the issue capacity in general meeting at which time the 10% limit expires unless it is replenished by fresh shareholder approval).

Listing Rule 7.4 provides that where shareholders subsequently approve an issue of securities, the issue will be treated as having been approved for the purpose of Listing Rule 7.1 and 7.1A (as applicable), thereby replenishing the Company's 15% capacity under Listing Rule 7.1 (on a rolling 12-month basis from the date of issue) and 10% capacity under Listing Rule 7.1A (until the expiry of the 12-month period from the date of last approval of the capacity in a general meeting), enabling the Company to issue further securities up to those respective limits.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1, and to retain its capacity to issue equity securities under the current approval under Listing Rule 7.1A. Resolution 5 therefore seeks Shareholder ratification of the issue of Shares under and for the purposes of Listing Rule 7.4.

If Resolution 5 is passed: 26,918,592 Shares will be excluded when calculating the Company's 15% placement capacity under Listing Rule 7.1, allowing it to issue additional Equity Securities over the 12 month period from the date of issue without Shareholder approval; and 13,081,408 Shares will be excluded when calculating the Company's 10% placement capacity under Listing Rule 7.1A for the remainder of the period of that issue capacity as described above.

If Resolution 5 is not passed, the Company's placement capacity under Listing Rules 7.1 and 7.1A will be reduced, restricting it from raising additional equity funds without Shareholder approval.

Resolution 5 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.5, the following information is provided:

Persons who participated in the issue:	Hydro Synergy Pty Ltd (who is not a Related Party of the Company)

Date on which the securities were issued	28 March 2025

Purpose of the issue	The funds will be used as working capital to support the business.

#### Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5.

#### **Resolution 6: Issue of up to 4,000,000 Options**

Resolution 6 seeks Shareholder approval under and for the purposes of Listing Rule 7.1 to issue one (1) free attaching Option for every ten (10) Shares issued in conjunction with the placement announced to ASX on 31 January 2025 (as detailed above in the Background for Resolutions 5 and 6), exercisable at a price that is the greater of \$0.007 or a 15% discount to the 15 day VWAP immediately prior to exercise and expiring 9 months from the date of issue.

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions under ASX Listing Rule 7.2, issue or agree to issue Equity Securities during any 12-month period in excess of 15% of the number of Shares on issue at the commencement of that 12-month period without Shareholder approval.

If Resolution 6 is passed, the Company can issue the Options which will be excluded from the calculation of its 15% capacity, allowing it to issue Equity Securities in the future without having to obtain Shareholder approval under Listing Rule 7.1.

If Resolution 6 is not passed, the Company will not be able to issue the Options and will need to consider alternate compensation to the subscribers of the Options.

Resolution 6 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.3 the following information is provided:

## Directors Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 6.

### **Resolution 7: Ratification of Prior Issue of 3,219,432 Options**

At the Annual General Meeting of the Company on 30 May 2024, the Company sought and obtained the approval from Shareholders to issue up to 20,000,000 securities pursuant to Listing Rule 7.2 Exception 13(b). On 27 January 2025, the Company issued 23,219,432 Options under the Employee Incentive Plan (**Plan**) to employees.

Given that the quantum of Options issued to employees was greater than 20,000,000 previously approved by Shareholders for the purpose of Listing Rule 7.2 (Exception 13(b), the residual 3,219,432 Options issued were issued utilising the Company's Listing Rule 7.1 capacity.

Resolution 7 seeks ratification of the issue of the Options in accordance with Listing Rule 7.4.

Listing Rule 7.1 limits the number of securities a company can issue in a 12-month period without shareholder approval to 15% of its existing issued capital.

The issuance of these Options forms part of the Company's Employee Incentive Plan, which is designed to incentivise and retain employees by providing them with an equity stake in the Company. These Options align employee interests with those of shareholders and are integral to the Company's ongoing employee remuneration strategy.

If Resolution 7 is passed, the 3,219,432 Options will be excluded when calculating the Company's 15% capacity under Listing Rule 7.1, thereby replenishing the Company's 15% capacity and allowing it to issue additional Equity Securities over the next 12-month period without Shareholders approval.

If Resolution 7 is not passed, the Company's ability to raise additional equity funds over the next 12-month period without Shareholder approval will be restricted.

Resolution 7 is an ordinary resolution requiring it to be passed by a simple majority of votes cast by Shareholders entitled to vote on it.

In accordance with Listing Rule 7.5 the following information is provided:

The names of the persons to whom the entity issued the securities:	Various employees of the Company eligible to participate in the Employee Incentive Plan.
Number and Class of Securities to be Issued	3,219,432 Options
Material terms of the securities	Options exercisable at \$0.0035 and expiring 31 December 2030  On exercise of the Options, the Shares issued will rank equally with existing Shares.
Date of Issue	28 January 2025
Issue Price	Nil
Purpose of the issue and intended use of funds raised by the issue.	Employee equity incentives with no funds raised from the issuance. Funds received on exercise will be utilised as working capital to support the Company.

## Directors Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 7.

## **Resolutions 8(a), (b), (c) and (d): Issue of Options to Directors and an Associate of a Director**

Subject to Shareholder approval, the Company proposes to grant Options to each of the following pursuant to the Plan:

- (a) 35,000,000 Options to Mr Fadi Geha or his nominee;
- (b) 30,000,000 Options to Mr Qiang Wang or his nominee;
- (c) 10,000,000 Options to Mr Stephen Thornhill or his nominee; and
- (d) 4,162,500 Options to Mrs Tanya Geha (associate of Fadi Geha) or her nominee.

The proposed grant of Options to Directors is primarily to link the equity rewards to shareholder value creation and align their interests with those of Shareholder, and to encourage the long-term sustainable growth of the Company.

The Options shall be issued under, and subject to, the terms of the Plan.

Listing Rule 10.14 requires a listed company to obtain shareholder approval prior to the issue of securities under an employee incentive scheme to a director (or associate) of the company. The Directors (and their associate) are related parties of the Company by virtue of section 228(2) of the Corporations Act. As such, Resolutions 8(a), (b), (c) and (d) seek Shareholder approval to issue the Options to each of Mr Geha, Mr Wang, Mr Thornhill and Mrs Geha (or their nominee).

Once approval is obtained pursuant to Listing Rule 10.14, the Company is entitled to rely on Listing Rule 10.12, Exception 8 as an exception to any requirement that may otherwise apply requiring shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.

If Resolutions 8(a), (b), (c) and (d) are passed, the Options will be issued to the Directors and Mrs Geha (or their nominees) and any Shares issued upon vesting and exercise will not deplete the Company's 15% capacity.

If Resolutions 8(a), (b), (c) and (d) are not passed, the Company will not be able to issue the Options to the Directors or their associates, and may need to consider alternative forms of remuneration including by way of cash payment.

Resolutions 8(a), (b), (c) and (d) are ordinary resolutions requiring approval by a simple majority of votes cast by Shareholders entitled to vote on it.

The key terms of the Options are set out in the table below:

Recipient	Mr Fadi Geha	Mr Qiang Wang	Mr Stephen Thornhill	Mrs Tanya Geha (related party of Mr Fadi Geha)

<b>Material Terms of the Securities</b>	Options are subject to an exercise price of \$0.0035 per Option and an expiry date that is 31 December 2030.			
<b>Purpose of Issuance</b>	In conjunction with the remuneration plan and to align the interests of Directors (and their associates) and management with those of Simble's Shareholders.			

In accordance with Listing Rule 10.15 the following information is provided:

For the purposes of Listing Rule 10.15.2 each of Mr Geha, Mr Wang and Mr Thornhill fall under Listing Rule 10.14.1, as they are Directors of the Company. Mrs Tanya Geha is the spouse (associate) of Mr Fadi Geha (Executive Director) and falls under Listing Rule 10.14.2.

For the purposes of Listing Rule 10.15.5, Mr Geha, Mr Wang, Mr Thornhill and Mrs Geha have not previously received any Options under the Plan.

For the purposes of Listing Rule 10.15.6, the Company proposes to issue Options to Directors (as opposed to fully paid ordinary securities) and Mrs Geha for the following reasons:

- (a) Options are designed to incentivise employees and Directors of the Company. Options also act to provide a retention incentive for key employees, to facilitate long-term growth; and
- (b) equity based incentives assist in the alignment of Shareholders and Directors' interests.

The other general terms for the Options are outlined in Annexure B of this Explanatory Memorandum.

For the purposes of Listing Rule 10.15.7, it is intended that the Options be issued within 3 days of the Annual General Meeting, but in any event will be issued no later than 3 years after the Annual General Meeting.

For the purpose of Listing Rule 10.15.8, the Options will be issued for \$nil consideration.

For the purpose of Listing Rule 10.15.9, the other general terms for the Options are outlined in Annexure B of this Explanatory Memorandum.

For the purpose of Listing Rule 10.15.10, there are no loan arrangements with Messrs Geha, Wang and Thornhill or Mrs Geha in relation to the acquisition of the Options.

For the purpose of Listing Rule 10.15.11, details of any securities issued under the Plan will be published in the annual report of the entity relating to the period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

Any additional persons covered by Listing Rule 10.14 who become entitled to participate in an issue of securities under the Equity Incentive Plan after this resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

## General Information

Consistent with the accounting standards, the Company discloses the following information concerning the value of the Options to be issued. A fair value for the Options to be issued has been calculated using the Black Scholes pricing model and based on a number of assumptions, set out below, with an adjustment to the expected life of the Options to take account of limitations on transferability. This methodology is commonly used for valuing Options and is one of the permitted methodologies under ASIC Regulatory Guide 76. The Board believes this valuation model to be appropriate to the circumstances and has not used any other valuation or other models in proposing the terms of the Options.

The Board draws Shareholders' attention to the fact the stated valuation does not constitute, and should not be taken as, audited financial information. The reportable value of the employee benefit expense in subsequent financial periods may vary due to a range of timing and other factors. In particular, the figures were calculated effective as at 13 March 2025.

## Valuation for Options to be issued

	Mr Geha	Mr Wang	Mr Thornhill	Mrs Geha
<b>Underlying price</b>	\$ .004			
<b>Volatility</b>	95%			
<b>Dividend Yield (estimate)</b>	0%			
<b>Expiry Date</b>	31 December 2030			
<b>Exercise (strike) price</b>	\$.0035			
<b>Risk free rate</b>	3.78			
<b>Value - per right</b>	\$0.003	\$0.003	\$0.003	\$0.003

<b>Number of Performance Rights issued</b>	35,000,000	30,000,000	10,000,000	4,162,500
<b>Employee benefit expense</b>	\$105,000	\$90,000	\$30,000	\$12,487.50

(a) The values do not factor in the probability of meeting non-market conditions.

A significant factor in the determination of the final value of Options will be the ultimate Share price at the date of final Options grant (this will be the date of approval by the Shareholders if such approval is obtained). The following table details total employee benefit expense based on the highest and lowest closing prices of the Shares traded on the ASX over the 12 months ending on 28 March 2025.

	Highest	Lowest Price
<b>Closing Price (\$)</b>	0.006	0.002
<b>Date</b>	08 January 2025	26 June 2024
<b>Total employee benefits expense</b>		
<b>Fadi Geha</b>	\$210,000	\$70,000
<b>Qiang Wang</b>	\$180,000	\$60,000
<b>Stephen Thornhill</b>	\$60,000	\$20,000
<b>Tanya Geha</b>	\$24,975	\$8,325

As such, if it is assumed, all other factors are equal, where the Share price increases above the \$0.0035 disclosed above the final value of Options granted will increase, and conversely where the Share price reduces the final value of Options granted will also reduce.

### Section 208 of Corporations Act

In accordance with section 208 of the Corporations Act, to give a financial benefit to a related party, the Company must obtain Shareholder approval unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The amount, terms and value (subject to the stated assumptions) of the Options are set out above.

The reasons for giving this financial benefit are:

- (a) the Company wishes to maximise the use of its cash resources towards other strategic initiatives and equity based incentives;
- (b) the total quantum of Options to be issued is reasonable in number, and will act as an incentive for future growth of the business;
- (c) Options are designed to incentivise employees, and in this case, to incentivise Directors of the Company. Options also act to provide a retention incentive for key employees, such as Mr Geha, Mr Wang and Mr Thornhill to facilitate long-term growth;
- (d) equity based incentives assist in the alignment of Shareholders and Directors' interests; and
- (e) the Company believes the associated expense is limited and the nature of the Options package proposed is commensurate with market practice.

On this basis the Company believes the giving of the financial benefit, as constituted by the issue of the Options to the applicable Directors is in the best interests of the Company and its Shareholders.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed grant of Options as the exception in section 211 of the Corporations Act applies. The Options are being issued for the reasons set out above and are considered reasonable remuneration for the purposes of section 211 of the Corporations Act.

#### Existing interests and the dilutionary effect on other Shareholders' interests

The effect that the vesting of the Options will have on the interests of the applicable Directors relative to other Shareholders' interests is set out in the following table. The table assumes no further issues of Shares in, or reconstruction of the capital of the Company during the time between issue and vesting of the Options and is based upon shares on issue as at 28 March 2025.

#### Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to Resolutions 8(a), (b), (c) and (d).

#### Resolution 9: Approval of 10% Placement Facility

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period by way of a special resolution approved at an Annual General Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 9 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% Placement Facility provided for in Listing Rule 7.1A to issue Equity Securities without shareholder approval.

If Resolution 9 is passed, the Company will be able to issue Equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 9 is not passed, the Company will not be able to access the additional 10% Placement Facility to issue Equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity securities without Shareholder approval set out in Listing Rule 7.1.

The exact number of Equity securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer below).

### **Description of Listing Rule 7.1A**

**a) Shareholder approval:**

The ability to issue Equity securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at an annual general meeting.

**b) Equity Securities:**

Any Equity securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity securities of the Company. The only class of quoted Equity securities of the Company at the date of the Notice are ordinary Shares.

**c) Formula for calculating 10% Placement Facility:**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

**A** is the number of Shares on issue 12 months before the date of issue or agreement:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17);
- plus the number of fully paid ordinary securities issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
  - a. the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
  - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
  - a. the agreement was entered into before the commencement of the 12 months; or
  - b. the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- plus the number of fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without Shareholder approval; and
- less the number of fully paid ordinary securities cancelled in the 12 months.

*Note, that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.*

**D** is 10%

**E** is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not subsequently approved by Shareholders under Listing Rule 7.4.

**d) Listing Rules 7.1 and 7.1A:**

The ability of an entity to issue Equity securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. As of 28 March 2025, the Company has on issue 876,330,351 Shares. At present, the Company has no remaining capacity to issue Equity securities under Listing Rule 7.1. Subject to the approval of Resolutions 4, 5, 6, 7 and this Resolution, this amount will increase to 153,017,608 Equity securities.

### 10% Placement Period:

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Annual General Meeting at which the approval is obtained and expires on the earliest to occur of:

- (a) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- (b) the time and date of the Company's next Annual General Meeting; or
- (c) the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**10% Placement Period**).

### Listing Rule 7.1A

The effect of Resolution 9 will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 9 is a special resolution requiring approval of 75% of the votes cast by Shareholders present and entitled to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

### Specific information required by Listing Rule 7.3A

In accordance with Listing Rule 7.3A, the following information is provided:

- (a) The Equity Securities will be issued for cash consideration only at an issue price of not less than 75% of the VWAP for the Equity Securities over the 15 Trading Days on which trades in the relevant class were recorded immediately before:
  - i. the date on which the price at which the Equity Securities are to be issued is agreed; or
  - ii. if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 9 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company will be diluted as shown in the table below. There is a risk that:
  - i. the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date Shareholders provide their approval at the Annual General Meeting; and
  - ii. the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

In accordance with Listing Rule 7.3A.2, the table below shows the dilution of existing Shareholders calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- (a) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue to all Shareholders) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' Meeting; and
- (b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

- (a) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
  - (b) None of the 46,056,932 Options that the Company currently has on issue are exercised into Shares before the date of the issue of the Equity Securities.
  - (c) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
  - (d) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
  - (e) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
  - (f) The issue of Equity Securities under the 10% Placement Facility consists only of Shares.
  - (g) The issue price is \$0.004, being the closing price of the Shares on the ASX on 28 March 2025.
- (c) The Company will only issue Equity Securities during the 10% Placement Period. The approval under Resolution 9 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
  - (d) The Company will issue the Equity Securities for cash consideration only. In such circumstances, the Company intends to use the funds raised towards an acquisition of new business assets or investments (including expenses associated with such acquisition) and/or general working capital.
  - (e) The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any Equity Securities.
  - (f) The Company's allocation policy will depend on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility.

The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- i. the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
- ii. the effect the issue of the Equity Securities might have on the control of the Company;
- iii. the financial situation and solvency of the Company; and
- iv. advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company sought and obtained approval from Shareholders under Listing Rule 7.1A at the Annual General Meeting held on 30 May 2024.

In accordance with Listing Rule 7.3.A.6 the following information is provided:

**(e) Number of securities issued under rule 7.1A.2 in the 12-month period preceding the date of the meeting:**

13,081,408 Shares representing 2.2 % of the total number of Equity Securities on issue at the commencement of the 12-month period.

**(f) issue price of securities:**

The Shares were issued at \$0.007 per Share for a total of \$91,569.85.

**(c) Allottees of the securities:**

The Shares were allotted by the Company to Hydro Synergy Pty Ltd who is not a related party of the Company.

**(d) Use of the funds:**

The funds will be used as working capital to continue to support the business.

At the date of the Notice, the Company has not approached any particular existing Shareholder or an identifiable class of existing security holder to participate in an issue of Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

**Directors' Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 9.

**Resolution 10 – Appointment of auditor**
