Notes relating to voting

1 Entitlement to vote

Persons who are registered holders of securities in the Company as at 7:00 pm AEST on Monday, 19 May 2025 will be entitled to attend and vote at the Annual General Meeting (**Meeting**) as a securityholder. Security transfers registered after this time will be disregarded in determining entitlements to attend and vote at the Meeting.

Securityholders have the option to vote on resolutions considered at the Meeting by

- voting in person during the Meeting; or
- appointing a proxy to vote on your behalf at the Meeting by 10.00am (AEST) on Monday 19 May 2025 (see pages 3 to 6).

Voting on the day of the Meeting will only be permissible by securityholders who are physically present at the Meeting. There will be no online voting during the Meeting.

If more than one joint holder of securities is present at the Meeting (whether personally, by proxy or by attorney or by representative) and tenders a vote, only the vote of the joint holder whose name appears first on the Company's securities register will be counted.

Voting on all resolutions set out in this Notice of Meeting will be conducted by poll. On a poll, securityholders have one vote for every fully paid ordinary security held (subject to the restrictions on voting referred to below).

2 Voting exclusions

Resolution 3 (Adoption of Remuneration Report)

The Company will disregard any votes cast on resolution 3:

- by or on behalf of a member of the Company's key management personnel (**KMP**) named in the Company's Remuneration Report for the reporting period ended 31 December 2024 or their closely related parties, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the Meeting or their closely related parties,

unless the vote is cast as proxy for a person entitled to vote on resolution 3:

- in accordance with a direction in the proxy form; or
- by the Chairman of the Meeting pursuant to an express authorisation to exercise the proxy even though resolution 3 is connected with the remuneration of the Company's KMP.

3 Proxies

- (a) A securityholder entitled to attend and vote has a right to appoint a proxy to attend and vote on behalf of the securityholder. A proxy need not be a securityholder and can be either an individual or a body corporate. A securityholder can appoint a proxy by completing and returning a signed proxy form (see section 4 of these notes relating to voting, and the proxy form).
- (b) A securityholder that is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If no proportion or number is specified, each proxy may exercise half of the securityholder's votes.
- (c) If you wish to indicate how your proxy should vote, please mark the appropriate boxes on the proxy form. If you do not direct your proxy how to vote on a particular item of business, you are authorising your proxy to vote as they decide, subject to any applicable voting exclusions.

- (d) Members of the Company's KMP (which includes each of the Directors) and their closely related parties (which includes spouses and dependants) will not be able to vote as proxy on resolution 3, unless you direct them how to vote or the Chairman of the Meeting is your proxy. If you intend to appoint a member of the KMP (such as one of the Directors) as your proxy, you should ensure that you direct that person how to vote on resolution 3.
- (e) If you intend to appoint the Chairman of the Meeting as your proxy, you can direct the Chairman how to vote by marking the boxes for the relevant resolution (for example, if you wish to vote "for", "against" or to "abstain" from voting). However, if you do not mark a box next to resolution 3, or if the Chairman of the Meeting becomes your proxy by default, then by completing and returning the proxy form, you will be expressly authorising the Chairman of the Meeting to vote as they see fit in respect of resolution 3 even though it is connected with the remuneration of the Company's KMP.
- (f) On a poll, if
- a securityholder has appointed a proxy (other than the Chairman of the Meeting) and the appointment of the proxy specifies the way the proxy is to vote on the resolution; and
 - that securityholder's proxy is either not recorded as attending the Meeting or does not vote on the resolution,
- the Chairman of the Meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for the securityholder for the purposes of voting on that resolution and must vote in accordance with the written direction of that securityholder.
- (g) Please note that for proxies without voting instructions that are exercisable by the Chairman of the Meeting, the Chairman intends to vote all available proxies in favour of each resolution.
