VOTING PROCEDURES AT THE AGM

All Resolutions Will Be By Poll

In accordance with clause 14.10 of the Company's Constitution (**Constitution**), the Chair intends to demand a poll on each of the resolutions proposed at the Meeting. Each resolution considered at the Meeting will therefore be conducted by a poll. The Chair considers voting by poll to be in the interests of the Shareholders as a whole and is a way to ensure the views of as many Shareholders as possible are represented at the Meeting.

Entitlement to Vote

The Directors have determined pursuant to regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders of the Company as at 5.00pm (AEST) on Monday 19 May 2025 (**Entitlement Time**).

This means that if you are not the registered holder of a share in the Company at the Entitlement Time, you will not be entitled to attend and vote at the Meeting.

How to Vote

Direct vote – using the Voting Form

Shareholders are able to vote directly on resolutions considered at the Meeting **at any time between the date of this Notice of Meeting and 1.00pm (AEST) on Monday 19 May 2025**. For details about how you can submit your Voting Form, please refer to the section below titled 'Submitting your Voting Form prior to the AGM'.

If you lodge a direct vote, you are voting directly and are not appointing a third party, such as a proxy, to act on your behalf.

The Dicker Data Direct Voting Regulations governing direct voting are available on the Dicker Data website at www.dickerdata.com (under Investors). By submitting a direct vote, you agree to be bound by the Dicker Data Direct Voting Regulations.

Voting – During AGM

Those Shareholders attending the meeting will be able to vote at the meeting using forms provided. Voting Shareholders will be presented with a Voting Form upon registration at the AGM and the completed forms will be collected at the closure of voting as announced by the Chair during the AGM.

Appointment of Proxy

A Shareholder who is entitled to attend and vote at this Meeting is entitled to appoint not more than two proxies to attend and vote in place of the Shareholder.

If the Shareholder appoints two proxies, the Shareholder may specify the proportion or number of votes each proxy is entitled to exercise. If no proportion or number of votes is specified, each proxy may exercise half of the Shareholder's votes. If the specified proportion or number of votes exceeds that which the Shareholder is entitled to, each proxy may exercise half of the Shareholder's votes. Any fractions of votes brought about by the apportionment of votes to a proxy will be disregarded.

A proxy need not be a Shareholder of the Company. A body corporate appointed as a Shareholder's proxy may appoint a representative to exercise any of the powers the body may exercise as a proxy at the Meeting. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which the appointment is signed, unless it has previously been given to the Company.

Subject to the specific proxy provisions applying to Items 2, 4, 5, 6 and 7 (see the Explanatory Memorandum below):

- If a Shareholder has not directed their proxy how to vote, the proxy may vote as the proxy determines, and
- If a Shareholder appoints the Chair of the Meeting as proxy and does not direct the Chair how to vote on an item of business, the Chair will vote in accordance with his voting intention as stated in this Notice of Meeting.

Proxy voting by the Chair

For Item 2 (Remuneration Report), Item 4 (Equity Plan) and Items 5-7 (Grant of long term incentive performance rights to Executive Directors, where the Chair is appointed as a Shareholder's proxy and that Shareholder has not specified the way in which the Chair is to vote on Items 2, 4 and 5-7 the Shareholder is directing the Chair to vote in accordance with the Chair's voting intentions for these items of business, even though Items 2, 4 and 5-7 are connected with the remuneration of Key Management Personnel (**Key Management Personnel** or **KMP**).

The Chair intends to vote all undirected proxies in favour of resolutions in Items 2 to 7 in the Notice of Meeting.

Voting Exclusion Statements

The Company will disregard any votes cast on Item 2:

- by or on behalf of a member or a former member of the Company's KMP named in the Company's Remuneration Report for the year ended 31 December 2024 or their closely related parties, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the meeting or their closely related parties, unless the vote is cast as proxy for a person entitled to vote on Resolution 2:
 - o in accordance with a direction in the proxy form; or
 - o by the Chair of the meeting pursuant to an express authorisation on the proxy form to vote as the proxy decides, even though the resolution is connected with the remuneration of the KMP.

This restriction on voting undirected proxies does not apply to the Chair of the Meeting acting as proxy for a person entitled to vote on Item 2 because the Company's proxy appointment expressly authorised the Chair of the Meeting to exercise undirected proxies even though the Item is connected with the remuneration of a member of the Company's KMP.

What this means for Shareholders: If you intend to appoint a member of the KMP (such as one of the directors) as your proxy, please ensure that you direct them how to vote on the proposed resolution in Item 2. If you intend to appoint the Chair of the Meeting as your proxy, you can direct the Chair how to vote by marking the boxes for Item 2 (for example, if you wish to vote for, against or abstain from voting), or you can choose not to mark any of the boxes for Item 2 and give the Chair your express authority to vote your undirected proxy (in which case the Chair will vote in favour of this item of business).

The Company will disregard any votes cast on Item 4:

- in favour of the resolution by or on behalf of Mr Vladimir Mitnovetski, Ms Mary Stojcevski, or Mr Ian Welch or any of their associates, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the meeting or their closely related parties,

However, this does not apply to a vote cast in favour of a resolution by:

- a person as a proxy or attorney for a person entitled to vote on the resolution in accordance with directions given to the proxy or attorney to vote on the resolution in that way;
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- as a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary, provided the following conditions are met:
 - o the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - o the holder votes on the resolution in accordance with directions given by the beneficiary to the holder, to vote in that way.

The Company will disregard any votes cast on Items 5 to 7:

- in favour of the resolution by or on behalf of Mr Vladimir Mitnovetski, Ms Mary Stojcevski, or Mr Ian Welch or any of their associates, regardless of the capacity in which the vote is cast; or
- as a proxy by a person who is a member of the Company's KMP at the date of the meeting or their closely related parties,

However, this does not apply to a vote cast in favour of a resolution by:

- a person as a proxy or attorney for a person entitled to vote on the resolution in accordance with directions given to the proxy or attorney to vote on the resolution in that way;
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chair to vote on the resolution as the Chair decides; or
- as a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary, provided the following conditions are met:
 - o the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and

the holder votes on the resolution in accordance with directions given by the beneficiary to the holder, to vote in that way.

Director's Recommendation

The Board recommends that Shareholders vote **FOR** this resolution.

Item 3 - Re-election of Directors

In accordance with the ASX Listing Rules and the Company's Constitution an election of Directors must be held at each annual general meeting.

The Company's Constitution states that one-third of all Directors must retire and offer themselves for re-election, excluding the Managing Director and Directors appointed during the year by the Board. If no Directors are scheduled to be elected by virtue of the ASX Listing Rules or the Constitution, then one-third of Directors must still retire and be re-elected by the Shareholders of the Company. Normally, this would be the Director (other than the Managing Director) who has held office the longest since being appointed or last being elected.

Listing Rule 14.4 states that no Director is entitled to hold office without re-election past the third AGM following the Director's appointment or three years, whichever is longer.

Mr Ian Welch was last re-elected as a Director on 20 May 2022 and therefore must retire and submit himself for re-election at this AGM by virtue of ASX Listing Rule 14.4 and clause 16.3(b)(ii) of the Company's Constitution.

Ms Leanne Ralph was last elected as a Director on 20 May 2022 and therefore must retire and submit herself for re-election at this AGM by virtue of ASX Listing Rule 14.4 and clause 16.3(b)(ii) of the Company's Constitution.

The election of each of the candidates must be considered and voted on as separate resolutions. Details of the candidates are outlined below.

Item 3.1 - Re-election of Mr Ian Welch

Mr Welch was last re-elected to the Board by Shareholders on 20 May 2022 and now retires from the Board by rotation and offers himself for re-election.

Mr Welch joined Dicker Data in March 2013 as General Manager – IT before he was appointed Chief Information Officer on 6th August 2015.

Prior to officially joining Dicker Data Ian spent more than 16 years consulting to Dicker Data in various roles. During this period Ian had been instrumental in establishing and maintaining the IT Systems for Dicker Data and as a result has a deep understanding of the business and all related processes. Ian started his career as an IT Professional working as consultant to businesses in various sectors. A large proportion of these were in the logistics space which have allowed Ian to develop a fundamental understanding of such operations.

Mr Welch is also an Executive Director of the company and was appointed 6th August 2015.

Prior to submitting himself for re-election, Mr Welch confirmed he would continue to have sufficient time to properly fulfil his Director duties for the Company.

The submission of Mr Ian Welch for re-election satisfies the requirements of Director re-election under the Constitution.

Having had regard to the ASX Corporate Governance Principles and Recommendations (4th edition) (**ASX Principles**), the Board considers Mr Welch to be a non-independent Director, by virtue of his position as an executive of the Company.

Director's Recommendation

The Board (with Mr Welch abstaining) supports the re-election of Mr Welch and recommends that Shareholders vote **FOR** Mr Welch's re-election as a Director of the Company for the reasons of his extensive relevant skills, qualifications and experience as outlined above.

Item 3.2 - Re-election of Ms Leanne Ralph

Ms Ralph was last re-elected to the Board by Shareholders on 20 May 2022 and is offering herself for re-election at this Meeting by virtue of clause 16.3 of the Constitution, which requires that one-third of previously elected Directors retire at each meeting and submit themselves for re-election.

Ms Ralph was appointed as an independent Non-Executive Director on 13 December 2019. Prior to her appointment Ms Ralph was the founder and Director of Boardworx Australia Pty Ltd, a provider of outsourced company secretarial services, until its sale in 2017.

Ms Ralph is a highly experienced governance professional with over 16 years in this field, having held the role of Company Secretary for a number of ASX-listed entities across a diverse range of industries. She currently is Company Secretary for various listed and unlisted entities.

Ms Ralph's prior executive positions focussed on accounting and finance for almost 21 years, as CFO of International Brand Management Pty Ltd, a business of importing, wholesaling and retailing luxury fashion brands, and Principal Client Advisor with Altus Financial, providing management accountant and company secretarial services to clients.

Leanne has extensive experience in people and culture, leadership, and entrepreneurship, having previously built and operated a growth business; corporate governance experience in the ASX space for the past 16 years, including corporate transactions and capital management, regulatory and risk management, and financial management experience; and also experience in importing, wholesaling and retailing.

Ms Ralph holds a Bachelor of Business with majors in Accounting and Finance, is a Graduate Member of the Australian Institute of Company Directors and a Fellow of the Governance Institute of Australia.

Prior to submitting herself for re-election, Ms Ralph confirmed she would continue to have sufficient time to properly fulfil her Director duties for the Company.

Having had regard to the ASX Principles, the Board (with Ms Ralph abstaining) considers Ms Ralph to be an independent Non-Executive Director.

Director's Recommendations

The Board (with Ms Ralph abstaining) supports the re-election of Ms Ralph and recommends that Shareholders vote **FOR** the re-election of Ms Ralph as a Non-Executive Director of the Company for the reasons of her extensive relevant skills, qualifications and experience as outlined above.

Item 4: Approval of Dicker Data Limited Employee Equity Plan

Item 4 seeks shareholder approval for the introduction of the new Dicker Data Employee Equity Plan for the issue of future securities.

ASX Listing Rule 7.1 prohibits an entity from issuing more than 15% of its fully paid ordinary share capital of the company in any 12-month period without obtaining Shareholder approval (unless an exception applies).

ASX Listing Rule 7.2 (Exception 13) provides that an issue of securities under an employee incentive scheme will not count towards the 15% placement capacity if, within three years prior to the issue, Shareholders at a general meeting have approved the issue of securities under the scheme as an exception to Listing Rule 7.1. Shareholder approval is being sought for this purpose.

The Board wishes to establish and operate the Employee Equity Plan, which aims to:

- Increase participants' personal exposure to total shareholder returns and hence increase the alignment with shareholder interests;
- Address concerns of the shareholders who did not support our FY23 Remuneration Report;
- Enhance the Company's ability to attract and retain talented and experienced employees; and
- Promote a culture that encourages employee share ownership.

If Shareholders approve this Resolution, any issue of securities issued under the Dicker Data Limited Employee Equity Plan within the three-year period from the date of the AGM will not count towards the 15% limit under Listing Rule 7.1.

If Shareholders do not approve this Item, securities under the Employee Equity Plan may be settled by purchasing on market, in cash, or as contributions to a complying superannuation fund.

Information Required by ASX Listing Rule 7.2, Exception 13(b)

- *Summary of the Employee Equity Plan*

See Schedule 1.

- *The number of securities issued under the scheme since the entity was listed or the date of the last approval under this rule*

As the shareholder approval is sought for Employee Equity Plan for the first time, there were no securities issued under this scheme before.

- *The maximum number of equity securities proposed to be issued under the scheme following the approval*

The maximum number of Awards that could be issued under the Employee Equity Plan following the shareholder approval over the three-year period from the date of this Annual General Meeting is 1,500,000 Awards (representing 0.61% of issued capital as of 31 December 2024). This maximum is not a prediction of the actual number of Awards to be issued under the Employee Equity Plan but is specified for the purposes of setting a ceiling on the number of securities approved to be issued under and for the purposes of ASX Listing Rule 7.2, Exception 13(b). Once that number is reached, any additional issues of Awards under the Employee Equity Plan would not have the benefit of Exception 13 without new shareholder approval and can only be able to be made without shareholder approval under ASX Listing Rule 7.1 if the Company has sufficient placement capacity available at the time under ASX Listing Rule 7.1 (or if applicable ASX Listing Rule 7.1A).

- *A voting exclusion statement*

See 'Voting Exclusion Statement' from the 'Voting Procedures At The AGM' section.

Director's Recommendation

The Board recommends that Shareholders vote **FOR** this resolution.

Items 5 - 7: Approval of issue of Performance Rights

The Resolutions in Items 5 to 7 seek the approval for the grant of Performance Rights to executive directors Mr Vladimir Mitnovetski, Ms Mary Stojcevski, and Mr Ian Welch, respectively. ASX Listing Rule 10.14 states that a listed company must not permit a director to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders. Accordingly, the Board considers that for the purpose of good corporate governance and in compliance with the obligations under the ASX Listing Rules and for all other purposes, shareholder approval be obtained prior to the grant of Performance Rights to executive directors.

The grants vest subject to long term performance and is in lieu of superannuation that executive directors were otherwise entitled to receive under their prior executive agreements.

While remaining true to our current remuneration philosophy and rationale that focuses on pay varying with profit, the grant arises from considerations as to how we might address the concerns of shareholders who did not support our remuneration report. Executive KMP remuneration is detailed in each of their employment agreements, so any changes to their remuneration structure must be mutually agreed for an amendment. Extensive discussions with our executives centred on how we can cost effectively provide for a portion of current executive remuneration to be delivered as equity via a long-term incentive. To this end it was agreed that a portion of executives' contractual superannuation entitlements equal in value to what was earned by them in FY24 be forgone for an LTI opportunity that, on achieving the performance target, would have a total expense equal to 85% of salary. The grant will have a maximum value equal to 130% of salary, represented by the present-day face value of shares underlying each Performance Right. The actual value will depend on the share price at the time of vesting (if it vests) and subsequent exercise. The minimum award value is zero if the award is not made, it is cancelled or forfeited, or it fails to vest.

The amendment to contracts permitting an LTI grant in lieu of superannuation was announced to the ASX on 17 April 2025.

The grant will be awarded as Performance Rights to fully paid ordinary shares that vest if performance requirements are achieved. Weighted average earnings per share (**EPS**) growth equal to or exceeding stretch target forecasts over a 3-year performance period is required for vesting.

Each Performance Right entitles the holder to one ordinary share in the Company on vesting. In addition, after vesting and upon exercise, the participant will receive a dividend equivalent amount only in relation to the Performance Rights that meet performance requirements, delivered in the form of shares equal in value to the amount of dividends that would have been paid and re-invested had the participant held those shares during the period from the Performance Rights grant date to the exercise date, rounded down the nearest whole number of shares. This treatment is consistent with the [Dicker Data Dividend Reinvestment Plan Rules](#) which apply to all shareholders. The Board retains the discretion to make a cash-equivalent payment to settle the dividend equivalent payment in lieu of shares.

The Performance Rights are subject to a 'malus' policy during the vesting period – this means that some or all of the Performance Rights may be forfeited in the event of fraud or dishonesty, a breach of obligations or material misstatement of the Company's financial statements.

Performance Rights do not carry any voting rights or an entitlement to dividends. However, as noted above, the number of shares delivered on exercise of Performance rights will be adjusted by a dividend equivalent amount in the form of additional shares (or the cash equivalent value) equal in value to the dividends that would have been paid had the participant held the shares during the period from grant date to exercise date, rounded down to the nearest whole number of shares. Shares allocated on exercise carry the same dividend and voting rights as other ordinary shares issued by the Company.

Performance Rights and shares subject to dealing restrictions are not transferable without the consent of the Board.

Hedging is prohibited in respect to unvested Share Rights or shares subject to dealing restrictions.

The Board believes we have found a solution that both preserves our philosophy, is contingent on sustained longer-term performance and, because it replaces remuneration entitlements with another entitlement of comparable value (based on the FY24 financial result and profit shares), is fair.

If Shareholder approval is obtained, the Company will grant Performance Rights to Mr Vladimir Mitnovetski, Ms Mary Stojcevski and Mr Ian Welch as soon as practicable after the AGM, but in any event, within 12 months of the AGM. If the Resolutions in items 5, 6 and 7 are approved, the Company will grant Performance Rights of 91,765 to Mr Vladimir Mitnovetski, 38,235 to Ms Mary Stojcevski and 38,235 to Mr Ian Welch. If resolutions 5, 6 or 7 are not approved, the Board will consider alternative arrangements to appropriately remunerate and incentivise Mr Vladimir Mitnovetski, Ms Mary Stojcevski and Mr Ian Welch, which may include on market purchase of securities, settling the incentive in cash of equivalent value or reversion to prior arrangements whereby the target LTI is again delivered as superannuation.

A summary of the key features of the Long-Term Incentive is set out in Schedule 2.

Director's Recommendation

The Board recommends that Shareholders vote **FOR** this resolution.
