1 RESOLUTIONS 1 & 2 – RATIFICATION OF PRIOR ISSUE OF SHARES UNDER LISTING RULES 7.1 AND 7.1A

1.1 Background

On 30 January 2025, the Company announced a capital raising through the issue of 225,000,000 Shares (**January Placement Shares**) to professional and sophisticated investors at an issue price of \$0.004 per January Placement Share to raise a total of \$900,000 (before costs) (**January Placement**). Funds raised from the January Placement will be used to partially fund the development and production of the Company's own food, health and wellness products to service identified demand for its products, along with the launch and marketing of new stores and sales channels globally.

The January Placement Shares were issued on 6 February 2025 under the Company's Listing Rule 7.1 and 7.1A capacity as follows:

- (a) 179,404,691 January Placement Shares were issued under Listing Rule 7.1 and are the subject of Resolution 1; and
- (b) 45,595,309 January Placement Shares were issued under Listing Rule 7.1A and are the subject of Resolution 2.

The Company confirms that the issue of the January Placement Shares did not breach Listing Rules 7.1 or 7.1A.

1.2 Listing Rules 7.1, 7.1A and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of shareholders over any 12-month period to 15% of the fully paid shares it had on issue at the start of that period.

The issue of the January Placement Shares the subject of Resolution 1 does not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the January Placement Shares.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to have an additional 10% capacity to issue Equity Securities under Listing Rule 7.1A (**Listing Rule 7.1A Mandate**). Shareholders approved this additional capacity at the Company's last annual general meeting on 29 November 2024.

The issue of the January Placement Shares the subject of Resolution 2 does not fit within any of the exceptions in Listing Rule 7.2 and, as it has not been approved by Shareholders, it effectively uses up part of the 15% limit under Listing Rule 7.1 and the 10% limit under Listing Rule 7.1A, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under:

- (a) Listing Rule 7.1 for the 12 month period following the issue of the Shares; and
- (b) Listing Rule 7.1A for the Period ending on the earliest of:
 - (i) the date that is 12 months after the Company's last annual general meeting at which the Listing Rule 7.1A Mandate was approved; and
 - (ii) the time and date of the Company's next annual general meeting,
(**Listing Rule 7.1A Mandate Expiry Date**).

Listing Rule 7.4 allows the shareholders of a listed company to approve issues of Equity Securities after it has been made or agreed to be made. If Shareholders approve an issue under Listing Rule 7.4, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolutions 1 and 2 seek Shareholder approval for the issue of the January Placement Shares under and for the purposes of Listing Rule 7.4.

1.3 Technical Information required by Listing Rule 14.1A

If Resolution 1 is passed, the 179,404,691 January Placement Shares the subject of Resolution 1 will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of issue of the January Placement Shares.

If Resolution 1 is not passed, the issue of the 179,404,691 January Placement Shares the subject of Resolution 1 will be included in calculating the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of issue of the January Placement Shares.

If Resolution 2 is passed, the 45,595,309 January Placement Shares the subject of Resolution 2 will be excluded in calculating the Company's additional 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval for the period ending on the Listing Rule 7.1A Mandate Expiry Date.

If Resolution 2 is not passed, the 45,595,309 January Placement Shares will be included in calculating the Company's additional 10% limit in Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval for the period ending on the Listing Rule 7.1A Mandate Expiry Date.

1.4 Technical Information required by Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5 in relation to Resolutions 1 and 2:

- (a) The January Placement Shares were issued to professional and sophisticated investors (within the meaning of sections 708(8) – (11) of the Corporations Act), other than as set out in Section 1.4(b), none of whom are a Related Party of the Company, a member of Key Management Personnel, a substantial holder in the Company, an adviser to the Company or an associate of any such person. The January Placement Shares were issued to sophisticated and professional investors who are clients of SP Corporate Advisory Pty Ltd.
- (b) 1,500,000 January Placement Shares were issued to Oschie Capital Pty Ltd, an entity controlled by Mr Reece O'Connell, a Director. At the time of the January Placement, Mr O'Connell was not a Director and did not believe or have reasonable grounds to believe that he would become a Director at any time in the future. Therefore, Mr O'Connell was not, at the time of the January Placement, a Related Party of the Company.
- (c) The January Placement Shares issued were fully paid ordinary shares that rank equally with all other existing Shares from their date of issue.
- (d) A total of 179,404,691 January Placement Shares were issued on 6 February 2025 pursuant to Listing Rule 7.1.
- (e) A total of 45,595,309 January Placement Shares were issued on 6 February 2025 pursuant to Listing Rule 7.1A.
- (f) The January Placement Shares were issued for cash consideration of \$0.004 per January Placement Share, raising in aggregate a total of \$900,000 (before costs).
- (g) Funds raised from the issue of the January Placement Shares will be used to partially fund the development and production of the Company's own food, health and wellness products to service identified demand for its products, along with the launch and marketing of new stores and sales channels globally.
- (h) The January Placement Shares were not issued under an agreement.
- (i) A voting exclusion statement is included in the Notice for Resolutions 1 and 2.

1.5 Directors' recommendation

The Board recommends Shareholders vote in favour of Resolutions 1 and 2.

2 RESOLUTION 3 – APPROVAL TO ISSUE PLACEMENT OPTIONS UNDER LISTING RULE 7.1

2.1 Background

A summary of the January Placement is set out in Section 1.1 above.

Under the terms of the January Placement, the Company agreed to issue one free attaching Option for every two January Placement Shares subscribed for by participants in the January Placement (**Placement Option**), with each

Resolution 3 seeks Shareholder approval pursuant to Listing Rule 7.1 for the issue of the Placement Options.

2.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 1.2 above. The proposed issue of Placement Options does not fit within any of the exceptions in Listing Rule 7.2 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rule 7.1.

2.3 Technical Information required by Listing Rule 14.1A

If Resolution 3 is passed, the Company will be able to proceed with the issue of the 111,750,000 Placement Options. In addition, the issue of the Placement Options will be excluded from the calculation of the number of Equity Securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of the 111,750,000 Placement Options.

2.4 Technical Information required by Listing Rule 7.3

The following information is provided to Shareholders for the purposes of Listing Rule 7.3 in relation to Resolution 3:

- (a) The Placement Options will be issued to professional and sophisticated investors (within the meaning of sections 708(8) – (11) of the Corporations Act), none of whom are a Related Party of the Company, a member of Key Management Personnel, a substantial holder in the Company, an adviser to the Company or an associate of any such person. The Placement Options were issued to sophisticated and professional investors who are clients of SP Corporate Advisory Pty Ltd.
- (b) A total of 111,750,000 Placement Options will be issued.
- (c) The Placement Options are anticipated to be issued on or around 23 May 2025 and, in any event, by no later than 3 months after the date of the Meeting.
- (d) The Placement Options will be issued for nil consideration as they are being issued as free-attaching Options to participants in the January Placement.
- (e) No funds will be raised from the issue of the Placement Options.
- (f) A summary of the material terms to which the Placement Options will be issued is set out in Schedule 1.
- (g) The Placement Options are not being issued under an agreement.
- (h) The Placement Options are not being issued under, or to fund, a reverse takeover.
- (i) A voting exclusion statement is included in the Notice for Resolution 3.

2.5 Directors' recommendation

The Board recommends Shareholders vote in favour of Resolution 3.

3 RESOLUTION 4 – APPROVAL TO ISSUE PLACEMENT OPTIONS TO OSCHIE CAPITAL PTY LTD UNDER LISTING RULE 10.11

3.1 Background

A summary of the January Placement is set out in Section 1.1 above.

Resolution 4 seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of 750,000 Placement Options to Oschie Capital Pty Ltd (**Oschie**), an entity controlled by Mr Reece O'Connell, a Director (**Oschie Placement Options**). The material terms and conditions of the Oschie Placement Options are set out in Schedule 1.

Resolution 4 seeks Shareholder approval pursuant to Listing Rule 10.11 for the issue of the Oschie Placement Options.

3.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%) holding in the company;

- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to the Listing Rule 10.11.1 to 10.11.3; or
- (e) a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 (set out above) is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

Notwithstanding that Mr O'Connell was not a Director at the time of the January Placement, as Mr O'Connell is now a Director, the proposed issue of Oschie Placement Options, falls within Listing Rule 10.11.1 above and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11. Resolution 4 seeks the required Shareholder approval to issue the Oschie Placement Options under and for the purposes of Listing Rule 10.11.

If approval is obtained under Listing Rule 10.11 then, in accordance with Listing Rule 7.2 (exception 14), separate approval is not required under and for the purposes of Listing Rule 7.1.

3.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a Related Party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions set out in section 210 to 216 of the Corporations Act; or
- (b) shareholder approval is obtained prior to the giving of the financial benefit in the manner set out in section 217 to 227 of the Corporations Act and the benefit is given within 15 months following such approval.

The proposed issue of Oschie Placement Options (which is a type of Equity Security, for the purposes of Chapter 2E of the Corporations Act) constitutes the giving of a financial benefit. Mr O'Connell is a Related Party of the Company by virtue of being a Director.

The Directors (excluding Mr O'Connell) have carefully considered the issue of the Oschie Placement Options and formed the view that the issue of the Oschie Placement Options are on arm's length terms, as the securities proposed to be issued are on the same terms as offered to non-related parties of the Company under the January Placement.

Accordingly, the Directors (excluding Mr O'Connell) believe that the issue of the Oschie Placement Options falls within the exceptions set out in section 210 of the Corporations Act and Shareholder approval is therefore not sought for the purposes of Chapter 2E of the Corporations Act.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to proceed with the issue of Oschie Placement Options.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of Oschie Placement Options [and the Company may need to discuss alternative methods of compensation for Oschie (likely in the form of cash consideration).

12 RESOLUTION 18 – AMENDMENT TO CONSTITUTION – SALE OF EXISTING UNMARKETABLE PARCELS

12.1 Background

Pursuant to section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by way of a special resolution of shareholders.

Listing Rule 15.13 provides that an entity's constitution must not permit it to sell the securities of a holder who has less than a Marketable Parcel of those securities unless the constitution provides for both of the matters in Listing Rule 15.13A or each of the following:

- (a) the entity may do so only once in any 12 month period.
- (b) the entity must notify the security holding in writing of its intention.
- (c) the security holder must be given at least 6 weeks from the date the notice is sent in which to tell the entity that the holder wishes to retain the holding.
- (d) if the security holder tells the entity under paragraph (c) that the holder wishes to retain the holding, the entity will not sell it.
- (e) the power to sell lapses following the announcement of a takeover. However, the procure may be started again after the close of the offers made under the takeover.
- (f) the entity or the purchaser must pay the costs of sale.
- (g) the process of the sale will not be sent until the entity has received any certificate relating to the securities.

Listing Rule 15.13A provides that an entity's constitution must provide for the following:

- (a) The divestment provisions only apply to securities in a new holding created by the transfer of a parcel of securities that was less than a marketable parcel at the time the transfer was initiated or, in the case of a prepare based transfer document, was lodged with the entity. However, the provisions must not apply to securities transferred before 1 September 1999.
- (b) The process of the sale of the securities (less the cost of the sale) must be sent to the holder after the sale.

The Constitution includes the matters set out in Listing Rule 15.13A but does not provide for the matters in Listing Rule 15.13 (being those matters set out in paragraphs (a) to (g) above).

Accordingly, Resolution 18 seeks the approval by Shareholders by way of a special resolution to amend the Constitution in the manner set out in Schedule 10 to enable the Company to facilitate a sale of unmarketable parcels of Shares in accordance with Listing Rule 15.13.

12.2 Directors' Recommendation

The Board recommends that Shareholders vote in favour of Resolution 18.

The Chair will cast all available proxies in favour of Resolution 18.

13 RESOLUTION 19 – AMENDMENT TO CONSTITUTION – PROPORTIONAL TAKEOVER PROVISIONS

13.1 Background

Pursuant to section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by way of a special resolution of shareholders.

Resolution 19 seeks to adopt the Proportional Takeover Provisions set out in Schedule 11 (**Proportional Takeover Provisions**). The Proportional Takeover Provisions prohibit the registration of transfers of Shares acquired under a proportional takeover bid unless a resolution is passed by Shareholders approving the bid.

Under section 648D of the Corporations Act, a company may include in its constitution proportional takeover provisions of the kind proposed under Resolution 19. In accordance with section 648G of the Corporations Act, these provisions are effective for a maximum of three years, unless renewed by way of a special resolution of Shareholders.

The Directors believe it is appropriate to adopt the Proportional Takeover Provisions in the Constitution. If adopted, the Proportional Takeover Provisions will operate for three years from the date this Meeting and after that time will cease to apply unless renewed by a further Special Resolution of Shareholders.

If Resolution 19 is passed, then for 21 days after the Meeting, the holders of not less than 10% (by number) of the Shares have the right to apply to the Court to have Resolution 19 set aside. The Court may set aside Resolution 19 if the Court is satisfied in all the circumstances that it is appropriate to do so, otherwise the Court must dismiss the application.

The Corporations Act requires the Company to include the following information in this Notice in relation to Resolution 19.

13.2 Proportional Takeover Bid

A proportion takeover bid is a takeover bid that is sent to all shareholders in a class, offering to purchase a specified proportion only (not all) of each shareholder's shares. If a shareholder accepts, the shareholder disposes of that specified portion and retains the balance.

13.3 Effects of the Proportion Takeover Provisions

If Resolution 19 is passed, the effects of the Proportional Takeover Provisions are that:

- (a) If a bidder makes a proportional takeover bid for any class of shares in the Company, the Directors must ensure that a meeting of members of that class is convened where a resolution to approve the proportional takeover bid is voted on (**Approving Resolution**). The vote is decided on a simple majority. The bidder and its associated are excluded from voting on the Approving Resolution.
- (b) The meeting and the vote on the Approving Resolution must take place more than 14 days before the last day of the bid period (**Approval Deadline**).
- (c) If the Approving Resolution is rejected before the Approval Deadline, the bid cannot proceed and the offer will be taken to have been withdrawn. Any transfers giving effect to the takeover contracts for the bid will not be registered and all offers under the takeover bid are taken to be withdrawn and all takeover contracts must be rescinded.
- (d) If the Approving Resolution is not voted on, the bid will be taken to have been approved under section 648E(3) of the Corporations Act.
- (e) If the Approving Resolution is passed (or taken to have been approved), the transfers must be registered (subject to the provisions of the Corporations Act and the Constitution).

The Proportional Takeover Provisions do not apply to full takeover bids.

13.4 Reasons for the Proportional Takeover Provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. Accordingly, Shareholders are exposed to the risk of being left as minority Shareholders in the Company by not being able to sell their entire shareholding into a proportional takeover bid. Further, by making a proportional bid, a bidder could obtain practical control of the Company by acquiring less than a majority interest. This might allow a bidder to acquire control without payment of an adequate control premium.

The Director believe that the Proportional Takeover Provisions are desirable to give Shareholders protection from the risks inherent in proportional takeover bids. The Proportional Takeover Provisions proposed to be adopted allow Shares to decide if a proportional takeover bid is acceptable in principle, and may assist in ensuring that any proportional takeover bid is appropriately priced.

To assess the merits of the Proportional Takeover Provision, Shareholders should make a judgment as to what events are likely to occur in relation to the Company during the three-year life of the provisions, if adopted.

The Directors consider it is appropriate to adopt the Proportional Takeover Provisions because:

- This is consistent with past practice, and the Board's unchanged view of the desirability (or otherwise) of proportional takeover bid as a means of affecting a change in control; and
- Whilst the Proportional Takeover Provisions will be in place for three years, the Board cannot say whether a party intends to make a proportional takeover bid.

For these reasons, the Board considers it appropriate to seek to adopt the Proportional Takeover Provisions.

13.5 Potential advantages and disadvantages of the Proportional Takeover Provisions

The Corporations Act requires this Notice to set out the potential advantages and disadvantages for Directors and Shareholders if the proposed Proportional Takeover Provisions are adopted.

The Directors do not consider that the Proportional Takeover Provisions have any potential advantages or disadvantages to them (other than in their respective capacities as Shareholders). Accordingly, the Directors considers that they would remain free to make a recommendation to Shareholders on whether or not to accept an offer under a proportional takeover bid at the time such an offer was made.

The Directors note that it could be argued that the Proportional Takeover Provisions provide an advantage to them as a means of a takeover defence mechanism that could be exploited to entrench the incumbent Board. However, the Directors believe that the basic objective of the Proportional Takeover Provisions is to empower Shareholders in connection with a proportional takeover bid, not the Directors.

The advantages that Shareholders may obtain as a result of the adoption of the Proportional Takeover Provisions include the following:

- shareholders will have a right to decide, by way of a majority vote, whether an offer under a proportional takeover bid should proceed;
- the Proportional Takeover Provisions may protect Shareholders from being locked in as a minority Shareholder;
- the Proportional Takeover Provisions may increase the bargaining power of Shareholders and assist in ensuring that any proportional takeover bid is adequately priced; and
- each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders, which may in turn, assist individual Shareholders in deciding whether to accept or reject an offer under a proportional takeover bid.

The disadvantages that Shareholders may experience as a result of the adoption of the Proportional Takeover Provisions include the following:

- proportional takeover bids for shares in the Company may be discouraged;
- if a proportional takeover bid is not approved under an Approving Resolution, Shareholders may lose an opportunity to sell some of their Shares at a premium under the relevant proportional takeover bid;
- individual Shareholders may consider that the Proportional Takeover Provisions would restrict their ability to deal with their Shares as they see fit; and
- the likelihood of a proportional takeover bid succeeding may be reduced.

13.6 Previous operation of Proportional Takeover Provisions

The Corporations Act requires this Notice to retrospectively address the advantages and disadvantages for Directors and Shareholders of the Proportional Takeover Provisions which were previously adopted.

The Company has not previously adopted Proportional Takeover Provisions and accordingly, there are no retrospective advantages or disadvantages of the Proportional Takeover Provisions.

13.7 Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of a proposal by any person to acquire, or increase the extent of, a substantial interest in the Company.

Those Directors who are also Shareholders have the same interest in Resolution 19 as all Shareholders.

13.8 Directors' Recommendation

The Board recommends that Shareholders vote in favour of Resolution 19.

The Chair will cast all available votes in favour of Resolution 19.

YOUR VOTE IS IMPORTANT

For your proxy appointment to be effective it must be received by **10:00am (AWST) on Monday, 19 May 2025.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held. Delete titles as applicable.
