EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.mmel.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – NEIL GOODMAN

3.1 General

As announced on 5 February 2025, Mr Neil Goodman has transitioned from the role of Managing Director to a role as a Non-Executive Director.

As this Meeting represents the first annual general meeting at which Mr Goodman is eligible for election as a Non-Executive Director, the Board has determined that Mr Goodman will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seek election from Shareholders.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Goodman will be elected to the Board as independent Director.

If this Resolution is not passed, Mr Goodman will not continue in their role as independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – ATHAN LEKKAS

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Board recommendation	Having received an acknowledgement from Mr Lekkas that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Lekkas since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Lekkas) recommend that Shareholders vote in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Lekkas will be re-elected to the Board as Mr Lekkas Director.

If this Resolution is not passed, Mr Lekkas will not continue in their role as independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). As of the date of this Notice, the Company's market capitalisation is \$4,046,807, which is less than \$300,000,000. The Company is therefore an Eligible Entity.

5.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.3 Technical information required by Listing Rule 7.3A

The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. 4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. 5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. 6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. <p>Shareholders should note that there is a risk that:</p> <p>(a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and</p> <p>the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.</p>
