AGI ENTERS INTO BINDING SCHEME IMPLEMENTATION DEED WITH NOVOMATIC

Summary

- Ainsworth has entered into a Scheme Implementation Deed with its majority shareholder, Novomatic, under which Novomatic will acquire the 47.1% of the share capital of Ainsworth it does not currently own, by way of scheme of arrangement
- Under the Scheme, Ainsworth shareholders are to receive cash consideration of \$1.00 per Ainsworth share upon the Scheme being implemented.
- The cash consideration represents a premium of approximately 35% to Ainsworth's last closing price and 28% to Ainsworth's 6-month VWAP to 24 April 2025, the trading day prior to the date of this announcement
- Cash consideration implies an equity value of A\$336.8 million and enterprise value of A\$336.5 million for Ainsworth, representing ~7.0x EV / FY24A EBITDA
- Additional value may be realised by certain shareholders through the payment of one or more fully franked dividends, which may be declared and paid at the discretion of AGI's board in accordance with the SID prior to implementation of the Scheme (any dividend, if declared, would reduce the cash consideration amount per share by an amount equivalent to the dividend)
- The Ainsworth IBC unanimously recommends Ainsworth shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Ainsworth shareholders
- The Scheme is subject to limited customary conditions, including approval by Ainsworth shareholders at the Scheme meeting, with a Scheme booklet and an independent expert's report to be provided to Ainsworth shareholders
- The offer by Novomatic to pay \$1.00 per Ainsworth share is best and final and will not be increased, although Ainsworth is permitted to pay a dividend which will be deducted from the cash consideration

Overview of the Scheme

Ainsworth Game Technology Limited ("**Ainsworth**" or "**AGI**") announces that it has entered into a Scheme Implementation Deed ("**SID**") with Novomatic AG ("**Novomatic**"), to acquire all the outstanding shares in AGI ("**AGI Shares**") that Novomatic does not currently have a relevant interest in (the "**Scheme**"). Novomatic currently has a relevant interest in 52.9% of the AGI Shares on issue.

If the Scheme is implemented, AGI shareholders will receive \$1.00 (less the amount of any permitted dividend, if declared) in cash per AGI Share ("**Scheme Consideration**"), which implies an equity value of A\$336.8 million¹ and enterprise value of A\$336.5 million² for AGI, representing multiples of ~7.0x EV / FY24A EBITDA³

Novomatic's offer to pay the Scheme Consideration pursuant to the Scheme has been declared best and final and will not be increased, although Ainsworth is permitted to pay a dividend which will be deducted from the cash consideration.

The all-cash Scheme Consideration represents a:

- 35% premium to the closing price of AGI Shares on 24 April 2025 of \$0.74, being the last trading day prior to AGI making this announcement
- 27% premium to AGI's 1-month volume-weighted average price ("**VWAP**") per share of \$0.79 up to 24 April 2025, being the last trading date prior to this announcement⁴

¹ Calculated based on 336,793,929 ordinary shares in Ainsworth on issue as at the date of this announcement. Current outstanding performance rights are expected to fully lapse in accordance with its terms by the time the Scheme is expected to be implemented.

² Calculated based on 336,793,929 ordinary shares in Ainsworth on issue, loans and borrowings of \$10.1 million as at 31 December 2024, lease liabilities of \$9.4 million as at 31 December 2024, and cash and cash equivalents of \$19.8 million as at 31 December 2024.

³ Calculated based on underlying FY24A EBITDA of \$48.2 million.

⁴ 1-month VWAP is calculated as the market value divided by the market volume traded between 24 March 2025 and 24 April 2025

- 28% premium to AGI's 6-month VWAP per share of \$0.78 up to 24 April 2025, being the last trading date prior to this announcement⁵

Under the terms of the SID, AGI is permitted to pay a fully franked special dividend on or before the implementation date of the Scheme. The decision to pay the permitted dividend, and the quantum thereof, remains at the discretion of AGI's board under the terms of the SID, provided that the proposed terms of the permitted dividend fall within the parameters agreed with Novomatic under the SID (a full copy of which is annexed to this announcement).

If AGI declares and pays a permitted dividend, the Scheme Consideration will be reduced by the amount per AGI Share of that dividend. Should AGI pay a permitted dividend, subject to their individual tax position, AGI shareholders who hold their AGI Shares at the permitted dividend record date may obtain additional value by way of a release of franking credits.

Background to the Offer

AGI received an initial, unsolicited, non-binding indicative offer from Novomatic ("**Initial NBIO**"), following which AGI established an Independent Board Committee ("**IBC**") to oversee the assessment of the Initial NBIO. The IBC comprises the three non-executive directors of AGI who are independent of Novomatic, being Mr Daniel Gladstone (Chair of the IBC), Mr Graeme Campbell, and Mrs Heather Scheibstock. The IBC has appointed Macquarie Capital as financial adviser and Clayton Utz as legal adviser to assist AGI and the IBC in relation to its engagement with Novomatic.

Following a period of engagement with Novomatic, an improved non-binding indicative offer was received, and the parties have engaged in a short period of negotiation of the SID.

IBC unanimously recommends the Scheme

The AGI IBC unanimously recommends that shareholders vote in favour of the Scheme in the absence of a superior proposal, and subject to the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of AGI shareholders.

Subject to these same qualifications, all IBC members (who, in aggregate, own or control 579,350 AGI Shares⁶) intend to vote all the AGI Shares they hold or control in favour of the Scheme.

AGI Chairman, Mr Daniel Gladstone said: "The proposal put forward by Novomatic, who is already the majority shareholder of AGI, represents a significant premium to long term trading value and is compelling for AGI minority shareholders. The IBC have carefully evaluated the proposed Scheme Consideration against the company's medium-and long-term growth prospects and alternative opportunities, and has unanimously formed the view that the proposal represents attractive and certain value for AGI minority shareholders."

Details of the Scheme Implementation Deed

The implementation of the Scheme is subject to limited and customary conditions for a transaction of this nature, including:

- relevant approvals from ASIC and ASX;
- approval by the requisite majorities of AGI shareholders;
- approval by the Federal Court of Australia;
- an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of AGI shareholders;
- no court or regulatory authority taking action to restrain, injunct or prevent the Scheme;
- no prescribed events (as defined in the SIA annexed to this announcement) occurring in relation to AGI; and
- AGI's representations and warranties in the SID remaining true and correct in all material respects.

The Scheme is not conditional on any regulatory approvals being obtained or on Novomatic obtaining financing.

AGI notes that Novomatic:

- has informed AGI that it has already received approval of the Australian Foreign Investment Review Board in respect of the Scheme;
- has advised that it expects to fund the Scheme Consideration through a combination of existing cash reserves and third-party debt financing; and
- requires no due diligence to complete the acquisition

The SID contains customary exclusivity provisions, including "no shop", "no talk", and "no due diligence" restrictions. The "no talk" and "no due diligence" restrictions are subject to the directors' fiduciary obligations.

A copy of the SID (which sets out all conditions precedent to the Scheme and other terms relating to the Scheme and its implementation) is attached to this announcement.

⁵ 6-month VWAP is calculated as the market value divided by the market volume traded between 24 October 2024 and 24 April 2025

⁶ Aggregate holding of IBC members, which includes Mr Danny Gladstone (174,765 ordinary shares), Mr Graeme Campbell (389,241 ordinary shares) and Mrs Heather Scheibstock (15,344 ordinary shares) as at 31 December 2024.

Indicative timetable and next steps

AGI shareholders should take no action at this time.

A Scheme Booklet that will contain important information relating to the Scheme, the reasons for the IBC's recommendation, and the Independent Expert's report, is expected to be sent to shareholders in July 2025.

A scheme meeting for AGI shareholders to vote on the proposal will take place thereafter.

If the Scheme is approved by AGI shareholders and the other conditions precedent are satisfied or waived, the Scheme will then be submitted for final court approval. AGI expects that this will occur in August 2025 and if approved, the Scheme is expected to be implemented shortly after the scheme meeting.

AGI is being advised by Macquarie Capital as exclusive financial adviser and Clayton Utz as legal advisers.

Ainsworth shareholders should consult their stockbroker, accountant, tax, financial or other professional adviser about the impact of the Scheme and the permitted dividend (if it is declared) on their particular investment objectives.

Authorised for release by Ainsworth's Independent Board Committee.

3.2 Reasonable endeavours

Each of Company and Bidder agree to use reasonable endeavours to procure that:

- (a) each of the Conditions Precedent for which it is a party responsible (as noted in clause 3):
 - (i) is satisfied as soon as practicable after the date of this document; and
 - (ii) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
- (b) there is no occurrence that would prevent the Condition Precedent for which it is a party responsible being satisfied.

3.3 Waiver of Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.3 may do so in its absolute discretion.
- (c) If either Company or Bidder waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.3, then:
 - (i) subject to clause 3.3(c)(ii), that waiver precludes that party from suing the other for any breach of this document arising as a result of the breach or non-fulfilment of that Condition Precedent or arising from the same event which gave rise to the breach or non-fulfilment of that Condition Precedent; but

- (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.3(c)(i); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.
- (d) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
 - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or
 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.4 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other of satisfaction of a Condition Precedent and must keep the other informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent;
- (b) **(notice of failure)** immediately give written notice to the other if it becomes aware of a breach or non-fulfilment of a Condition Precedent, or of any event which will prevent the Condition Precedent being satisfied; and
- (c) **(notice of waiver)** upon receipt of a notice given under clause 3.4(b), give written notice to the other party as soon as possible (and in any event before 5.00pm on the day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of any Condition Precedent resulting from the occurrence of that event, specifying the Condition Precedent in question.

3.5 Deferral of Second Court Date

If the Condition Precedent in clause 3.1(b) is not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within 3 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party giving notice has in good faith reasonably formed the view that the prospect of the Court exercising its discretion in that way is reasonable. If such a notice is provided by either party, the Company must:

- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
- (b) make such submissions to the Court and file such evidence as counsel engaged by the Company to represent it in Court proceedings relating to the Scheme, in consultation with Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under

section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

3.6 Consultation on failure of Condition Precedent

If:

- (a) there is a breach or non-fulfilment of a Condition Precedent which is not waived in accordance with this document by the time or date specified in this document for the satisfaction of the Condition Precedent;
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent (and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this document); or
- (c) the Scheme has not become Effective by the End Date,

the parties must consult in good faith with a view to determine whether:

- (d) the Scheme may proceed by way of alternative means or methods;
- (e) to extend the relevant time for satisfaction of the Condition Precedent or to adjourn or change the date of an application to the Court; or
- (f) to extend the End Date.

3.7 Failure to agree

If the parties are unable to reach agreement under clause 3.6 within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):

- (a) subject to clause 3.7(b), either party may terminate this document (and that termination will be in accordance with clause 12.1(e)(i)); or
- (b) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document (and that termination will be in accordance with clause 12.1(e)(ii)),

in each case before 8.00am on the Second Court Date.

A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied or agreement cannot be reached as a result of a breach of this document by that party or a deliberate act or omission of that party.

- (a) accept that transfer; and
- (b) pay or procure the payment of the Scheme Consideration into the Trust Account in accordance with the Scheme and the Deed Poll.

Where the calculation of the Scheme Consideration to be provided to a Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest cent.

4.4 **No amendment to the Scheme without consent**

The Company must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Bidder (not to be unreasonably withheld or delayed).

4.5 **Permitted Dividend**

- (a) Subject to clause 4.5(b), the Bidder agrees that the Company may, at any time prior to the Second Court Date (in its absolute discretion), announce, declare or determine to pay a Permitted Dividend, the aggregate amount of which enables the Permitted Dividend to be franked to the maximum extent possible based on the balance of the Company's franking account as at 31 December 2024.
- (b) If the Company announces, declares or determines to pay a Permitted Dividend:
 - (i) the parties agree to consult and cooperate with each other in respect of the timing and mechanics associated with the Permitted Dividend with a view to ensuring that the Permitted Dividend can, to the extent lawfully possible, be franked to the maximum extent possible, subject to this clause 4.5;
 - (ii) the Permitted Dividend must be paid on or before the Implementation Date in cash (and franked) in accordance with the Tax Act, the Corporations Act, the general law, the Listing Rules and the Company's constitution;
 - (iii) the Permitted Dividend must not, of itself, cause the Company to incur any franking deficit tax;

- (iv) the Permitted Dividend must not, of itself, cause the Company to incur or otherwise become liable for any fine or penalty in connection with the franking deficit;
- (v) the franking account of the Company must not be (or be deemed to be) in a deficit position immediately prior to the Implementation Date, solely as a result of paying the Permitted Dividend, taking into account any reasonably expected tax refund in respect of any tax payments or instalments made for the period up to the Implementation Date;
- (vi) the Permitted Dividend must not cause the Company to breach the benchmark rule (as defined in section 203-25 of the Tax Act);
- (vii) the Permitted Dividend must not cause the share capital account of the Company to be debited or tainted;
- (viii) the Company undertakes that no amount of the Permitted Dividend shall be directly or indirectly funded before the Implementation Date from the issue of equity interests (as defined in of section 995-1 of the Tax Act) by any Company Group Member;
- (ix) the Bidder and the Company undertake to work together to develop binding principles, which will be documented in a written agreement between the Company and the Bidder, regarding the manner in which any Permitted Dividend shall be, in principal effect, directly and/or indirectly funded by the Company and the Bidder Group, as applicable, taking into account relevant legal, financial, accounting and tax considerations ("**the Funding Principles**"). The Funding Principles shall, amongst other things, also address the manner of direct and/or indirect funding, for repaying any portion of any Third Party Debt Financing (as defined at clause 4.5(b)(x)) or any Dividend Loan (as defined at clause 4.5(b)(xi)) that has been drawn by the Company (or a Related Body Corporate of the Company);
- (x) the Company must ensure that, to the maximum extent possible, the Company pays the Permitted Dividend from existing cash reserves which are available to the Company (including as a result of repatriating funds through the Company Group to the Company) at the time the Permitted Dividend is paid (provided the use of such cash reserves and/or the repatriation of funds, does not adversely impact the conduct of the businesses carried on by the Company Group, cause any member of the Company Group to be unable to pay its debts as and when they fall due, require the consent of existing lenders, which is denied, or breach any covenant or minimum liquidity requirements), and that the Company does not need to draw down on existing debt facilities, obtain Third Party Debt Financing (as defined below) or other financial accommodation to fund the Permitted Dividend. To the extent these cash reserves are not sufficient to pay the Permitted Dividend in full, the Company will fund the remainder of the Permitted Dividend by drawing down on existing debt facilities, to the extent possible. If the Company is not able to draw down on existing debt facilities or the amount drawn down is not sufficient to pay the remainder of the Permitted Dividend in full, the Company must use reasonable endeavours to obtain third party debt financing up to the amount of the Permitted Dividend ("**Funded Permitted Dividend Amount**") to enable the

Company to pay the Permitted Dividend ("**Third Party Debt Financing**"). The terms of the Third Party Debt Financing shall be on normal commercial terms acceptable to Bidder (acting reasonably);

- (xi) if the Company determines to pay a Permitted Dividend, and the Company has been unable, having used reasonable endeavours, to obtain Third Party Debt Financing as contemplated by clause 4.5(b)(x) and has provided evidence of this to the Bidder's satisfaction (acting reasonably), the Company may request and the Bidder must provide or procure that a member of the Bidder Group provides a loan to the Company on normal commercial terms up to the Funded Permitted Dividend Amount on or before the later of the first Business Day after the Effective Date and the first Business Day after the Permitted Dividend is determined ("**Dividend Loan**");
 - (xii) any Third Party Debt Financing or Dividend Loan cannot be repaid using proceeds from the issue of shares by the Company Group or the Company to the Bidder or the Bidder Group; and
 - (xiii) the Company Group will ensure, and the Bidder Group shall, if requested, provide all reasonable endeavours to facilitate that, in relation to any Third Party Debt Financing or Dividend Loan (as applicable) the Company Group remains in compliance with Part 2J.3 of the Corporations Act;
 - (xiv) for the avoidance of doubt it is agreed that (subject to compliance with this clause 4.5) the decision whether to pay the Permitted Dividend is entirely within the discretion of the Company Board and the Bidder Group shall have no right to influence that decision and the Scheme is not conditional on payment or otherwise of the Permitted Dividend;
 - (xv) the Permitted Dividend may only be funded (whether through existing cash reserves, drawing down on existing debt facilities, the Third Party Debt Financing and/or the Dividend Loan) up to an amount which is equal to the accumulated profits, retained earnings or distributable reserves (or a combination of some or all of them) of the Company Group immediately prior to the declaration of, or the determination to pay, the Permitted Dividend; and
 - (xvi) the Company must use its reasonable endeavours to obtain, by no later than 8:00am on the Second Court Date, confirmation from the ATO that it is prepared to issue a Class Ruling in a form and substance satisfactory to Bidder and the Company (acting reasonably) confirming that the Permitted Dividend is to be treated as a frankable distribution and is permitted to be franked to the maximum possible extent in accordance with Part 3-6 of the Tax Act.
- (c) For the purpose of determining the Company's franking account balance prior to the Implementation Date, the Company must provide a copy of the Company franking account to the Bidder on the following dates:

Subject to the provision of the Scheme Consideration for the Scheme Shares as contemplated by clauses 6.1 to 6.3 of this Scheme, on and from the Implementation Date until the Company registers the Bidder as the holder of all of the Company Shares in the Register, each Scheme Participant:

- (a) irrevocably appoints the Company as attorney and agent (and directs the Company in such capacity) to appoint the Bidder and each of its directors from time to time (jointly and each of them individually) as its sole proxy, and where applicable corporate representative, to attend shareholders' meetings, exercise the votes attaching to Company Shares registered in its name and sign any shareholders resolution, and no Scheme Participant may itself attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to this clause 5.7(a)); and
- (b) must take all other actions in the capacity of the registered holder of Company Shares as the Bidder directs.

The Company undertakes in favour of each Scheme Participant that it will appoint the Bidder and each of its directors from time to time (jointly and each of them individually) as that Scheme Participant's proxy or, where applicable, corporate representative in accordance with clause 5.7(a) of this Scheme.

6 Scheme Consideration

6.1 Consideration under the Scheme

On the Implementation Date, the Company must procure the Bidder to pay (or procure the payment of), and the Bidder must pay, the Scheme Consideration to the Scheme Participants in accordance with clauses 6.2, 6.3 and 6.4 of this Scheme.

6.2 Satisfaction of obligations

The obligation of the Company to procure payment of the Scheme Consideration pursuant to clause 6.1 of this Scheme will be satisfied by the Company procuring

the Bidder no later than 2 Business Days before the Implementation Date to deposit (or procure the deposit) in Immediately Available Funds the aggregate amount of the Scheme Consideration payable to all Scheme Participants into the Trust Account (except that the amount of any interest on the amount deposited will be to the Bidder's account).

6.3 Payment of Scheme Consideration

- (a) The Bidder must, by no later than 2 Business Days before the Implementation Date, deposit in Immediately Available Funds into the Trust Account an amount equal to the aggregate amount of the total Scheme Consideration payable to all Scheme Participants, such amount to be held by the Company on trust for the Scheme Participants and for the purpose of distributing the aggregate Scheme Consideration to the Scheme Participants (except that any interest on the amount will be for the account of Bidder).
- (b) On the Implementation Date, subject to receipt of the funds from the Bidder in accordance with clause 6.2 of this Scheme, the Company must pay or procure the payment to each Scheme Participant an amount equal to the Scheme Consideration for each Scheme Share transferred to the Bidder on the Implementation Date by that Scheme Participant from the Trust Account.
- (c) The obligations of the Company under clause 6.3(b) will be satisfied by the Company (in its absolute discretion) and despite any election referred to in clause 6.3(c)(i) or authority referred to in clause 6.3(c)(ii) made or given by the Scheme Participant):
 - (i) paying, or procuring the payment of, the relevant amount in A\$ by electronic means to a bank account nominated by the Scheme Participant, where the Scheme Participant has made a valid election prior to the Record Date in accordance with the requirements of the Registry to receive dividend payments from the Company to that bank account;
 - (ii) paying, or procuring the payment of, the relevant amount in \$A by electronic means to a bank account nominated by the Scheme Participant by an appropriate authority from the Scheme Participant to the Company; or
 - (iii) dispatching, or procuring the dispatch of, a cheque drawn on an Australian bank for the relevant amount in A\$ to each Scheme Participant by pre-paid ordinary post (or, if the address of the Scheme Participant in the Register is outside Australia, by pre-paid airmail post) to their address recorded in the Register on the Record Date, such cheque being drawn in the name of the Scheme Participant (or in the case of joint holders, in accordance with the procedures set out in clause 6.7).
- (d) If:
 - (i) a Scheme Participant does not have a Registered Address and no account has been notified in accordance with clause 6.3(c)(i) or a deposit into such account is rejected or refunded; or
 - (ii) a cheque issued under this clause 6.3 has been cancelled in accordance with clause 6.4(a)(i),

the Company as the trustee for the Scheme Participants may credit the amount payable to the relevant Scheme Participant to a separate bank

account of the Company ("**Separate Account**") to be held until the Scheme Participant claims the amount or the amount is dealt with under the Unclaimed Money Act. If the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Participant claims the amount or the amount is dealt with under the Unclaimed Money Act. Until such time as the amount is dealt with under the Unclaimed Money Act, the Company must hold the amount on trust for the relevant Scheme Participant, but any interest or other benefit accruing from the amount will be to the benefit of the Bidder. An amount credited to the Separate Account or Trust Account (as applicable) is to be treated as having been paid to the relevant Scheme Participant when credited to the Separate Account or Trust Account (as applicable). The Company must maintain records of the amounts paid, the people who are entitled to the amount and any transfers of the amounts.

- (e) If, following satisfaction of the Company's obligations under clause 6.3(d), there is a surplus in the amount held by the Company as trustee for the Scheme Participants in the Trust Account, that surplus must be paid by the Company to the Bidder.

6.4 Unclaimed monies

- (a) The Company may cancel a cheque issued under clause 6.3 of this Scheme if the cheque:

 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 1 year commencing on the Implementation Date, on request from a Scheme Participant, the Company must reissue a cheque that was previously cancelled under this clause 6.4.
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes "unclaimed money" (as defined in section 3 of the Unclaimed Money Act). Any interest or other benefit accruing from the unclaimed Scheme Consideration will be to the benefit of the Bidder.

6.5 Fractional entitlements and splitting

Where the calculation of the Scheme Consideration to be issued to a particular Scheme Participant would result in the Scheme Participant becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest whole cent.

6.6 Orders of a court or Regulatory Authority

In the case of notice having been given to the Company (or the Registry) of an order made by or a requirement of a court of competent jurisdiction or other Regulatory Authority:

- (a) which requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Participant, which would otherwise be payable to that Scheme Participant in accordance with clause 6.3 of this Scheme, then the Company must procure that payment is made in accordance with that order or otherwise by law; or

- (b) which would prevent the Company from providing payment to any particular Scheme Participant in accordance with clause 6.3 of this Scheme, or the payment is otherwise prohibited by applicable law, the Company will retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Participant multiplied by the Scheme Consideration until such time as payment in accordance with clause 6.3 of this Scheme is permitted by that order or otherwise by law,

and the payment or retention by the Company (or the Registry) will constitute full discharge of the Company's obligations under clause 6.3 with respect of the amount so paid or retained until, in the case of clause 6.3(c), it is no longer required to be retained.

6.7 Joint holders

In the case of Scheme Shares held in joint names:

- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Register is kept,

and the Company will not accept for registration, nor recognise for any purpose (except a transfer to the Bidder under this Scheme and any subsequent transfer by the Bidder or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

7.2 Register

The Company must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(b) of this Scheme on or before the Record Date.

7.4 Maintenance of Company Register

For the purpose of determining entitlements to the Scheme Consideration, the Company will maintain the Register in accordance with the provisions of this clause 7 until the Scheme Consideration has been paid to the Scheme Participants and the Bidder has been entered in the Register as the holder of all the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to the Bidder contemplated in clauses 5.2 and 7.4 of this Scheme, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of the Bidder and its successors in title). After the Record Date, each entry current on the Register as at the Record Date (other than entries in respect of the Bidder or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Participants

Within 3 Business Days after the Record Date the Company will ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Participant, as shown in the Register at the Record Date are available to the Bidder in such form as the Bidder reasonably requires.

Scheme means the proposed scheme of arrangement between the Company and Scheme Participants under which all the Scheme Shares will be transferred to the Bidder under Part 5.1 of the Corporations Act, substantially in the form of Annexure A to this document, or as otherwise agreed by the Bidder and the Company, subject to any amendments or conditions made or required by the Court pursuant to section 411(6) of the Corporations Act, to the extent they are approved in writing by the Company and the Bidder.

Scheme Implementation Deed means the scheme implementation deed dated [Insert date] 2025 between the Company and the Bidder under which, amongst other things, the Company has agreed to propose the Scheme to the Company Shareholders, and each of the Bidder and the Company has agreed to take certain steps to give effect to the Scheme.

All other words and phrases used in this document have the same meaning as given to them in the Scheme.

1.2 General interpretation

Clause 1.2 of the Scheme applies to this document.

1.3 Nature of deed poll

The Bidder acknowledges that:

- (a) this document may be relied on and enforced by any Scheme Participant in accordance with its terms even though the Scheme Participants are not a party to it; and
- (b) under the Scheme, each Scheme Participant irrevocably appoints the Company and each of its directors, officers and secretaries (jointly and individually) as its agent and attorney to enforce this document against the Bidder.

2 Conditions precedent and termination

2.1 Conditions precedent

The Bidder's obligations under clause 4 are subject to the Scheme becoming Effective.

2.2 Termination

The Bidder's obligations under this document will automatically terminate and the terms of this document will be of no further force or effect if:

- (a) the Scheme has not become Effective on or before the End Date; or
- (b) the Scheme Implementation Deed is terminated in accordance with its terms before the Scheme becomes Effective;

unless the Company and the Bidder otherwise agree.

2.3 Consequences of termination

If this document is terminated under clause 2.2, then, in addition and without prejudice to any other rights, powers or remedies available to Scheme Participants:

- (a) the Bidder is released from its obligations to further perform this document except those obligations contained in clause 7 and any other obligations which by their nature survive termination; and
- (b) each Scheme Participant retains the rights, powers or remedies they have against the Bidder in respect of any breach of this document which occurs before it is terminated.

3 Performance of obligations generally

Subject to clause 2, the Bidder covenants in favour of each Scheme Participant that it will be bound by the terms of the Scheme as if it were a party to the Scheme and undertakes to perform all obligations and other actions, including those obligations and actions which relate to the payment of the Scheme Consideration, and give each acknowledgement, representation and warranty (if any), attributed to it under the Scheme, subject to and in accordance with the terms of the Scheme Implementation Deed and the Scheme.

4 Scheme Consideration

Subject to clause 2, the Bidder undertakes in favour of each Scheme Participant to observe and perform all obligations contemplated of the Bidder under the Scheme to pay or procure the payment of the Scheme Consideration in cleared funds into the Trust Account, on behalf of each Scheme Participant, in accordance with the Scheme.

5 Representations and warranties

The Bidder represents and warrants that:

- (a) **(status)** it has been incorporated or formed in accordance with the laws of its place of incorporation or formation, is validly existing under those laws and has power and authority to own its assets and carry on its business as it is now being conducted;
- (b) **(power)** it has power to enter into this document, to perform and comply with its obligations under it and to carry out the transactions contemplated by this document;
- (c) **(no contravention)** the entry by it into, its performance of, and compliance with, its obligations and each transaction contemplated by this document do not and will not conflict with or result in the breach of or default under:
 - (i) its constituent documents or cause a limitation on its powers or the powers of its directors to be exceeded;
 - (ii) any writ, order or injunction, judgment, law, rule or regulation to which it is subject or by which it is bound; or
 - (iii) any Encumbrance or material document binding on or applicable to it;
- (d) **(authorisations)** it has in full force and effect each authorisation necessary for it to enter into this document, to perform and comply with its obligations and to carry out the transactions contemplated by this document, and to allow them to be enforced;
- (e) **(validity of obligations)** its obligations under this document are valid and binding and are enforceable against it in accordance with its terms; and
- (f) **(solvency)** it is not Insolvent.

6 Continuing obligations

This document is irrevocable and, subject to clause 2, remains in full force and effect until:

- (a) the Bidder has fully performed its obligations under this document; or
- (b) the earlier termination of this document under clause 2.2.

7 Stamp duty and registration fees

The Bidder:

- (a) agrees to pay or reimburse all stamp duty, registration fees and similar taxes payable or assessed as being payable in connection with the Scheme and this document or any other transaction contemplated by the Scheme and this document (including any fees, fines, penalties and interest in connection with any of these amounts); and
- (b) indemnifies each Scheme Participant against, and agrees to reimburse and compensate it, for any liability in respect of stamp duty under clause 7(a).

8 Notices and other communications

8.1 Form

Unless this document expressly states otherwise, all notices, demands, certificates, consents, approvals, waivers and other communications in connection with this document must be in writing and signed by the sender (if an individual) or an Authorised Officer of the sender.

All communications (other than email communications) must also be marked for the attention of the person referred to in the Details (or, if the recipient has notified otherwise, then marked for attention in the way last notified).

Email communications must state the first and last name of the sender and are taken to be signed by the named sender.

8.2 Delivery

Communications must be:

- (a) left at the address referred to in the Details;
- (b) sent by regular ordinary post (airmail if appropriate) to the address referred to in the Details; or
- (c) sent by email to the address referred to in the Details.

If the intended recipient has notified changed contact details, then communications must be sent to the changed contact details.

8.3 When effective

Communications take effect from the time they are received or taken to be received under clause 8.4 (whichever happens first) unless a later time is specified in the communication.

8.4 When taken to be received

Communications are taken to be received:

- (a) if sent by post, 6 Business Days after posting (or 10 days after posting if sent from one country to another); or
- (b) if sent by email:
 - (i) when the sender receives an automated message confirming delivery; or
 - (ii) 2 hours after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that delivery failed,

whichever happens first.

8.5 Receipt outside business hours

Despite anything else in this clause 8, if communications are received or taken to be received under clause 8.4 after 5.00pm on a Business Day or on a non-Business Day, they are taken to be received at 9.00am on the next Business Day. For the purposes of this clause, the place in the definition of Business Day is taken to be the place specified in the Details as the address of the recipient and the time of receipt is the time in that place.

9 General

9.1 Variation

A provision of this document or any right created under it may not be varied, altered or otherwise amended unless:

- (a) if the variation occurs before the First Court Date (as that term is defined in the Scheme Implementation Deed) the variation is agreed to by the Company and the Bidder in writing; and
- (b) if the variation occurs on or after the First Court Date (as that term is defined in the Scheme Implementation Deed), the variation is agreed to by the Company and the Bidder in writing and the Court indicates (either at the hearing on the First Court Date, at an interlocutory hearing or the hearing on the Second Court Date) that the variation, alteration or amendment would not itself preclude approval of the Scheme,

in which event the Bidder must enter into a further deed poll in favour of the Scheme Participants giving effect to the variation, alteration or amendment.

9.2 Partial exercising of rights

Unless this document expressly states otherwise, if the Bidder does not exercise a right, power or remedy in connection with this document fully or at a given time, it may still exercise it later.

9.3 No waiver

A provision of this document, or any right, power or remedy created under it may not be varied or waived except in writing signed by the party to be bound.

No failure to exercise, nor any delay in exercising, any right, power or remedy by the Bidder or by any Scheme Participant operates as a waiver. A waiver of any right, power or remedy on one or more occasions does not operate as a waiver of that right, power or remedy on any other occasion, or of any other right, power or remedy.

9.4 Remedies cumulative

The rights, powers and remedies in connection with this document are in addition to and do not exclude any other rights, powers and remedies given by law independently of this document.

9.5 Assignment or other dealings

The Bidder and each Scheme Participant may not assign or otherwise deal with its rights under this document or allow any interest in them to arise or be varied without the consent of the Bidder and the Company. Any purported dealing in contravention of this clause 9.5 is invalid.

9.6 Further steps

The Bidder agrees to do anything including executing all documents and do all things (on its own behalf or on behalf of each Scheme Participant) at its own expense necessary or expedient to give full effect to this document and the transactions contemplated by it.

9.7 Severability

If the whole or any part of a provision of this document is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of this document has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected. This clause has no effect if the severance alters the basic nature of this document or is contrary to public policy.

10 Governing law and jurisdiction

10.1 Governing law and jurisdiction

The law in force in the place specified in the Details governs this document. The Bidder submits to the non-exclusive jurisdiction of the courts of that place.

10.2 Serving documents

- (a) Without preventing any other method of service allowed under any relevant law, the Bidder:
 - (i) irrevocably appoints Dabserv Corporate Services Pty Limited (ABN 73 001 824 111) ("**Original Process Agent**") as its process agent to receive any document in an action in connection with this document, and agrees that any such document may be served on the Bidder by being delivered or left for the Bidder at the following address:

Dabserv Corporate Services Pty Limited (ABN 73 001 824 111)
 Level 61
 Governor Phillip Tower
 1 Farrer Place
 Sydney NSW 2000
 Australia

- (ii) agrees that a failure by the specified process agent to notify the Bidder of any document in an action in connection with this document does not invalidate the action concerned.
- (b) If for any reason the Original Process Agent ceases to be able to act as process agent, the Bidder agrees to appoint another person as its process agent in the place referred to in clause 10.1 and ensure that the replacement process agent accepts its appointment and confirms its appointment to the Company.
- (c) The Bidder agrees that service of documents on its process agent is sufficient service on it.
