EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.enovamining.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF STANISLAW (STAN) WASSYLKO

3.1 General

Listing Rule 14.4 and clause 4.6 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Mr Stanislaw (Stan) Wasylyko, who has held office without re-election since 26 May 2022 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Wasylyko is set out below.

Qualifications, experience and other material directorships	Mr Wasylyko was appointed to the Board on 21 March 2016. Mr Wasylyko has extensive experience in the resources sector and has 46 years' experience in businesses servicing the sector, in logistics, shipping, infrastructure, project construction, contract management and marketing. His long and diverse experience is invaluable as the Company steers the Charley Creek Project towards development.
Term of office	Mr Wasylyko has served as a Director since 22 March 2016 and was last re-elected on 26 May 2022.
Independence	If re-elected, the Board considers that Mr Wasylyko will be an independent Non-Executive Director.
Board recommendation	Having received an acknowledgement from Mr Wasylyko that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Wasylyko since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Wasylyko) recommend that Shareholders vote in favour of Resolution 2.

3.2 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Wasylyko will be re-elected to the Board as an independent Non-Executive Director.

If Resolution 2 is not passed, Mr Wasylyko will not continue in his role as an independent Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – RATIFICATION OF PLACEMENT SHARES – LISTING RULE 7.1A

4.1 General

On 28 January 2025, the Company announced that it had secured firm commitments for a placement to sophisticated and professional investors (**Placement Participants**) to raise up to \$1,500,000 before costs, through the issue of up to 428,571,429 Shares at an issue price of \$0.0035 per Share (**Placement Shares**) together with one free attaching listed Option for every one Placement Shares subscribed and issued (on the same terms as the Company's Options class, ASX:ENVO) (**Placement**).

It was agreed that the Placement Shares would be issued in two tranches as follows:

- (a) **Tranche 1:** 245,714,285 Placement Shares, comprising:
 - (i) 147,221,350 Placement Shares issued under the Company's Listing Rule 7.1 placement capacity; and
 - (ii) 98,492,935 Placement Shares issued under the Company's Listing Rule 7.1A placement capacity, which the Company is seeking to ratify under Resolution 3 (**7.1A Placement Shares**); and
- (b) **Tranche 2:** 182,857,144 Placement Shares.

The Tranche 1 Placement Shares were issued on 30 January 2025.

At the general meeting held on 14 March 2025 (**March EGM**), Shareholders ratified the issue of 147,221,350 Placement Shares issued under the Company's Listing Rule 7.1 placement capacity.

Resolution 1 of the notice of meeting dated 6 February 2025 (**February Notice**) had originally sought shareholder approval to ratify all 245,714,285 Tranche 1 Placement Shares. However, the Company understands that ASX requires separate resolutions to ratify the issue of shares issued under Listing Rule 7.1 placement capacity and the issue of shares issued under Listing Rule 7.1A placement capacity. Accordingly, Resolution 1 in the February Notice was amended at the March EGM to ratify only the issue of the Tranche 1 Placement Shares issued under the Company's ASX Listing Rule 7.1 placement capacity (147,221,350 Shares).

Accordingly, Resolution 3 at this Meeting seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 98,492,935 7.1A Placement Shares.

For further information relating to the Placement, please refer to the Company's February Notice and its announcements dated 28 January 2025 and 31 January 2025, released to the Company's ASX market platform.

4.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company's ability to utilise the additional 10% capacity is conditional on Resolution 10 being passed at this Meeting.

The issue of the 7.1A Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as Shareholders have not yet approved the issue under Listing Rule 7.1A, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

4.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If Resolution 3 is not passed, the issue will be included in calculating the Company's 10% limit in Listing Rule 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditional on Resolution 10 being passed at this Meeting.

5. RESOLUTION 4 – APPROVAL TO ISSUE SHARES TO MR RODRIGO DE BRITO MELLO

5.1 General

On 26 February 2024, the Company announced that it had entered into a binding option agreement (**Option Agreement**) with Mr Rodrigo de Brito Mello (**RBM**), under which the Company was granted the option to acquire a 100% interest in the CODA permits, situated in the state of Minas Gerais, Brazil (together, the **Permits**) (**CODA Option**). On 20 March 2024, the Company announced it had agreed to exercise the CODA Option.

A summary of the Option Agreement is set out in Schedule 1.

As part deferred consideration for the CODA Option, the Company agreed that, should the Company report 20m intercepts @ over 2,000 ppm TREO on the Permits within three (3) years from the date of the Option Agreement (**Second Milestone**), the Company shall pay RBM the equivalent to A\$200,000 in a combination of 50% cash, and 50% in Shares (**RBM Shares**). The issue of the RBM Shares are subject to Shareholder approval. The number of RBM Shares is equal to A\$100,000 divided by the amount calculated to be the 20-day VWAP of the Company's Shares over the 20 trading days in which trades occurred immediately prior to the date the Second Milestone is satisfied.

The Company satisfied the Second Milestone on 24 September 2024 and has calculated the number of RBM Shares as 8,010,740.

Accordingly, this Resolution 4 seeks Shareholder approval for the purposes of Listing Rule 7.1 for the issue of 8,010,740 RBM Shares to RBM as part consideration for the CODA Option.

5.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 4.2 above.

The proposed issue falls within exception 17 of Listing Rule 7.2. It therefore requires the approval of Shareholders under Listing Rule 7.1.

5.3 Technical information required by Listing Rule 14.1A

If this Resolution 4 is passed, the Company will be able to proceed with the issue. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution 4 is not passed, the Company will not be able to proceed with the issue. Consequently, the Company may be in breach of its obligations under the Option Agreement and may be liable for a breach of contract claim or otherwise agree with RBM to an alternative means of payment.

6.2 Director Recommendation

Each Director has a material personal interest in the outcome of Resolutions 5 to 8 on the basis that all of the Directors (or their nominee(s)) are to be issued Shares should Resolutions 5 to 8 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 5 to 8.

6.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

As Shares are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

6.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity shares to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

6.5 Technical information required by Listing Rule 14.1A

If Resolutions 5 to 8 are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If Resolutions 5 to 8 are not passed, the Company will not be able to proceed with the issue of the Shares and the accrued directors' fees will remain payable by the Company to the Directors in cash, unless an alternative means is agreed between the Company and the Directors. There is no guarantee that the Company and the Directors will agree on an alternative means or on terms favourable to the Company.

7. RESOLUTION 9 – APPROVAL TO INCREASE MAXIMUM SECURITIES UNDER THE COMPANY'S EMPLOYEE SECURITIES INCENTIVE PLAN

7.1 General

Resolution 9 seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) to increase the maximum number of Securities that may be issued under the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) from the present maximum of 32,046,467 Securities to a maximum of 80,000,000 Securities.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

7.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

A summary of Listing Rule 7.1 is set out in Section 4.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception

13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

7.3 Technical Information required by Listing Rule 14.1A

If Resolution 9 is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 7.4 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 9 is not passed, the Company will not be able to issue an increased number of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

7.4 Technical information required by Listing Rule 7.2 (Exception 13)

REQUIRED INFORMATION	DETAILS
Terms of the Plan	A summary of the material terms and conditions of the Plan is set out in Schedule 2.
Number of Securities previously issued under the Plan	The Company has issued 30,000,000 Securities under the Plan since the Plan was approved by Shareholders on 9 April 2024.
Maximum number of Securities proposed to be issued under the Plan	<p>The maximum number of Securities proposed to be issued under the Plan in reliance on to Listing Rule 7.2 (Exception 13), following Shareholder approval, is 80,000,000 Securities. It is not envisaged that the maximum number of Securities for which approval is sought will be issued immediately.</p> <p>The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.</p>
Voting exclusion statement	A voting exclusion statement applies to Resolution 9.
Voting prohibition statement	A voting prohibition statement applies to Resolution 9.

8. RESOLUTION 10 – APPROVAL OF 7.1A MANDATE

8.1 General

Resolution 10 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). As of the date of this Notice, the Company's market capitalisation is less than \$300,000,000. The Company is therefore an Eligible Entity.

8.2 Technical information required by Listing Rule 14.1A

For Resolution 10 to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If Resolution 10 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 10 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.3 Technical information required by Listing Rule 7.3A

9. RESOLUTION 11 – REPLACEMENT OF CONSTITUTION

9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

This Resolution is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

A summary of the proposed material changes is set out in Section 9.2 below.

A copy of the Proposed Constitution is available for review by Shareholders at the office of the Company or upon request to the Company Secretary (+61 3 9867 7199). Shareholders are invited to contact the Company if they have any queries or concerns.

9.2 Summary of material proposed changes

Employee incentive securities plan (Clause 2.4)	<p>Under the new Division 1A of Part 7.12 of the Corporations Act, which came into effect on 1 October 2022, offers under an employee incentive plan that do not require a monetary payment (e.g., zero exercise price options or performance rights) can be issued without an issue cap. However, offers requiring a monetary payment (whether upon grant or upon exercise/vesting of the awards and issue of the underlying shares) must be accompanied by an 'ESS offer document' and must comply with an issue cap. The cap is set at 5% under the Corporations Act unless raised by a company's constitution. A company may include a higher issue cap in its constitution to allow for more than 5% of securities to be issued under the plan.</p> <p>The Proposed Constitution has set the issue cap at 15%.</p>
Electronic Dispatch of Notice of Meetings (Clause 14.2)	<p>In February 2022, the Corporations Act was amended to permit dispatch of meeting materials electronically. In the Company's current Constitution, Shareholders must provide an election to receive notice of meeting materials electronically. The Proposed Constitution has been amended to reflect the changes to the Corporations Act.</p>
Closing date for Director nominations (Clause 15.3)	<p>In December 2019, ASX amended Listing Rule 3.13.1 to provide that companies must release an announcement setting out the date of its meeting and the closing date for nominations at least 5 business days before the closing date for the receipt of such nominations. The closing date period under clause 15.3 of the Proposed Constitution</p>

	has been amended to at least 30 business days (previously it was 45 business days) to allow the Company time to issue the required notification for director nominations prior to circulating the notice of meeting.
Board Quorum and Chair's casting vote (Clauses 17.3 and 17.6)	<p>Clause 17.3 provides that any two directors can form a quorum for a Board meeting.</p> <p>Clause 17.6 provides that where there is an equality of votes at a Board meeting, the Chair shall have a casting vote other than where only 2 directors are voting on that matter. The drafting of the equivalent provision in the Company's existing constitution was potentially ambiguous and may have resulted in the Chair having a casting vote in the event of a deadlock at a Board meeting with only 2 directors present and forming a quorum.</p>

9.3 Insertion of partial (proportional) takeover provisions

Overview	<p>A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.</p> <p>Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.</p> <p>In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.</p> <p>A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).</p> <p>The Company's current Constitution also included a provision regarding proportional takeover bids however, subject to this Resolution being passed the Company's current Constitution will be repealed and replaced by the Proposed Constitution in the form of clause 37.</p>
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of	The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they

proportional takeover provisions	<p>remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.</p> <p>The potential advantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. <p>The potential disadvantages of the proportional takeover provisions for Shareholders include:</p> <ul style="list-style-type: none"> (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	<p>The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.</p>
