EXPLANATORY MEMORANDUM AND RESOLUTIONS

ITEM 1 TO RECEIVE THE CONSOLIDATED AUDITED ANNUAL FINANCIAL STATEMENTS OF THE COMPANY FOR THE ENSUING YEAR

Background

The financial statements of the Company as at and for the year ended December 31, 2024 and the Auditor's Report thereon accompanying the Meeting materials will be placed before the Shareholders at the Meeting for their consideration. The Company's auditor, BDO Audit Pty Ltd., will be present at the meeting and Shareholders will have an opportunity to ask the auditor questions in relation to the conduct of the audit, the Auditor's Report, the Company's accounting policies, and the independence of the auditor. The auditor will also respond to any written questions provided these are submitted to the Company no later than five business days prior to the Meeting.

There is no requirement for Shareholders to approve the Company's financial statements and Auditor's Report.

ITEM 2 APPROVAL OF APPOINTMENT OF AUDITORS AND TO AUTHORISE THE DIRECTORS TO FIX THE AUDITOR'S REMUNERATION

Background

The management of the Company recommends the appointment of BDO Audit Pty Ltd., Chartered Accountants, as auditor of the Company for the ensuing year, and to authorise the directors of the Company (**Directors**) to fix their remuneration. BDO Audit Pty Ltd. has been the auditor of the Company since its incorporation on 27 December 2012.

Resolution

At the Meeting, Shareholders will be asked to approve an ordinary resolution approving the appointment of the auditor. The text of the resolution is as follows:

"Be it resolved as an ordinary resolution that BDO Audit Pty Ltd. be and is appointed as auditor of the Company for the ensuing year, and the Directors be and are authorised to fix their remuneration."

Board Recommendation

The Board unanimously recommends Shareholders vote in favour of Item 2.

The Chair intends to vote undirected proxies in favour of Item 2.

ITEM 3 RATIFICATION OF ISSUE OF SHARES ISSUED UNDER ASX LISTING RULE 7.1

Background – Private Placement

On 31 March 2025, the Company announced it intended to issue approximately 783 million Shares at A\$0.025 per Share in two tranches to sophisticated and professional investors to raise approximately A\$19.5 million (US\$12.3 million) (**Private Placement**). On 9 April 2025, the Company issued 169,297,750 Shares at an issue price of A\$0.025 per Share pursuant to Tranche 1 of the Private Placement (**Tranche 1 Shares**), using the Company's 15% placement capacity under ASX Listing Rule 7.1 (the subject of this Item 3).

Purpose of approval

The Company is now seeking Shareholder approval to ratify the issue of the Tranche 1 Shares under the Private Placement for the purposes of ASX Listing Rule 7.4.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that the Company can issue without the approval of its Shareholders over any 12-month period to 15% of the Shares it had on issue at the start of that period.

The issue of the Tranche 1 Shares the subject of this Item 3 does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the date the Company issued the relevant Tranche 1 Shares.

ASX Listing Rule 7.4 allows an issue made by the Company (without shareholder approval) to be treated as having been made with approval for the purposes of ASX Listing Rule 7.1, provided that:

- it is subsequently ratified by Shareholders at a general meeting; and
- the issue did not breach ASX Listing Rule 7.1 at the time it was made.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1.

If Item 3 is passed, the issue of Tranche 1 Shares under the Private Placement are taken to have been approved under ASX Listing Rule 7.1 and so do not reduce the Company's 15% capacity to issue further equity securities without Shareholder approval under that rule.

The Board will only undertake further issues of equity securities if they consider it is in the best interests of the Company to do so.

If Item 3 is not passed, the issue of the 169,297,750 Tranche 1 Shares under the Private Placement will be included in calculating the Company's 15% capacity in ASX Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date the Company issued those Tranche 1 Shares.

CDIs

Shares in the Company cannot be traded on ASX given they are foreign securities. Therefore, all Shares that have been, or will be, issued in respect of the Private Placement will be represented in the form of CDIs.

A CDI is a financial product quoted on ASX. A CDI represents an interest in an underlying Share in the Company. This allows investors to trade interests in Shares in the Company by trading the relevant CDIs on ASX. Each CDI represents one Share and confers a beneficial interest in that Share. CDIs are held by CDN on behalf of the holders of CDIs. CDIs are quoted and traded on ASX in Australian dollars. They will not be listed or traded on TSX.

The rights attaching to CDIs are economically equivalent to the rights attaching to Shares, and the Company will generally be required to treat holders of CDIs as if they were the holders of the Shares represented by those CDIs. This means that economic benefits such as dividends, bonus issues and rights issues will generally flow through to holders of CDIs as if they were the registered holders of the underlying Shares.

About the Projects

Detailed geological descriptions of the Company's projects are included in the Company's December 2024 quarterly report which is available on the Company's website, ASX platform (ASX:RTG) and the SEDAR+ website at www.sedarplus.ca.

The Company is currently engaged in three key projects:

1. **Mabilo Project** – the Company has a 40% interest in Mt. Labo Exploration and Development Corporation (**Mt. Labo**), which owns the high-grade gold/copper/magnetite Mabilo Project in the Eastern Luzon, Philippines.

Mt. Labo has secured the Mining Permit, the successful Final Award in the SIAC matter, won the Setting Aside action of Galeo Equipment Corporation ("Galeo") in Singapore and executed a binding term sheet with Glencore International AG for the debt finance and offtake to fund 100% of the planned capital expenditure for the development of Stage 1, the Direct Shipping Operation.

With the acceptance of the term sheet, Mt. Labo will progress to finalisation of long-form documentation. The initial focus will be the finalisation of land acquisition, drawing on Tranche 1 of the facility and then securing any necessary tree cutting permits. Following completion of these two key steps, Mt. Labo will be in a position to commit to the development schedule and start-up of the Mabilo Project.

2. **Chanach Project** – the Company holds a 90% interest in the Chanach Gold and Copper Project in the Kyrgyz Republic. The Company is the manager and operator of the Chanach Project Joint Venture company (Chanach LLC) and will fund operating expenditures until completion of a Bankable Feasibility Study.

3. **Panguna** – RTG is the nominated development partner with the joint venture company established by the Special Mining Lease Osikaiyang Landowners Association (**SMLOLA**) and Central Exploration Pty Ltd (**Central**) in their proposal with respect to the redevelopment of the 1.5B tonne Copper-Gold Panguna Project located in the Central Region of the island of Bougainville, within the Autonomous Region of Bougainville, PNG. The proposal is an initiative of the old Panguna mine's customary landowners (**Landowners**) (who are represented by the SMLOLA) and is conditional upon winning the support of the Autonomous Bougainville Government (**ABG**) and others.

Other business development opportunities

The Company continues to investigate a number of new business opportunities diversifying its Philippine and Kyrgyzstan interests and the opportunities in Bougainville. No agreements or arrangements (binding or otherwise) as to key terms have been reached with respect to any potential opportunity, other than as set out above with regard to the binding term sheet with Glencore International AG for the debt finance and offtake to fund 100% of the planned capital expenditure for the development of Stage 1 (ie the Direct Shipping Operation) of the Mabilo Project) and a possible role in the redevelopment of Panguna. At this stage there are no new business opportunities available to the Company that are considered sufficiently progressed to be considered material to RTG. There can be no guarantee that any particular opportunity considered by RTG from time to time will result in a transaction being entered into and/or completed.

Details required by ASX Listing Rules

The following information in relation to the issue of the Tranche 1 Shares under the Private Placement is provided to Shareholders for the purposes of ASX Listing Rule 7.5:

Securities issued	169,297,750 Tranche 1 Shares held indirectly by allottees as CDIs.
Date of issue	The Tranche 1 Shares were issued on 9 April 2025.
Issue price	A\$0.025 per Tranche 1 Share.
Allottees	Sophisticated and professional investors under sections 708(8) – (11) of the Corporations Act and investors to whom similar exemptions apply in each relevant jurisdiction, who were identified by Foster Stockbroking (Lead Manager) and the Company through a bookbuild process involving the Lead Manager seeking expressions of interest to participate in the Private Placement, in consultation with the Company. All participants in Tranche 1 of the Private Placement were not substantial holders (10% or more) or related parties of the Company. A summary of the material terms of the Private Placement is set out above.
Terms	Each Tranche 1 Share ranks equally in all respects with existing Shares. CDIs representing the Tranche 1 Shares were issued to investors under Tranche 1 of the Private Placement, tradeable on ASX.
Use of funds	The Company proposes to use the net proceeds from the Private Placement: <ul style="list-style-type: none"> • to continue to advance the Mabilo Project towards start-up, the first phase being a Direct Shipping Operation as well as progressing plans for additional exploration at the Mabilo Project; • to continue exploration plans at the Company's Chanach Project in the Kyrgyz Republic; • to continue to pursue new potential business development opportunities, including the Panguna Project in the Autonomous Region of Bougainville; and • for working capital and general corporate purposes.
Voting exclusion	A voting exclusion applies in respect of this Item 3 as set out below.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 3 by or on behalf of:

- any person who participated in the issue of the Tranche 1 Shares; or
- an Associate (as defined in the ASX Listing Rules) of those persons.

However, this does not apply to a vote cast in favour of Item 3 by:

- a person as proxy or attorney for a person who is entitled to vote on Item 3, in accordance with the directions given to the proxy or attorney to vote on Item 3 in that way; or
- the Chair as proxy or attorney for a person who is entitled to vote on Item 3, in accordance with a direction given to the Chair to vote on Item 3 as the Chair decides; or

- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an Associate of a person excluded from voting, on Item 3; and
 - the holder votes on Item 3 in accordance with directions given by the beneficiary to the holder to vote in that way.

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of Item 3.

The Chair intends to vote undirected proxies **in favour** of Item 3.

ITEM 4 APPROVAL OF ISSUE OF SHARES UNDER TRANCHE 2 OF THE PRIVATE PLACEMENT

Purpose of approval

The Company is seeking Shareholder approval to issue 365,486,155 Shares pursuant to Tranche 2 of the Private Placement (excluding those Shares proposed to be issued to Equinox and participating Directors (**Participating Directors**) or their nominees under the Private Placement, which are the subject of separate approvals in Items 5 and 7 to 10) (**Tranche 2 Shares**).

ASX Listing Rule 7.1 provides that a Company must not issue more than the 15% Capacity within a 12 month period unless a specified exception applies or the issue is made with prior Shareholder approval.

As no such exemption applies to the proposed issue of the Tranche 2 Shares, Item 4 seeks the approval of Shareholders under ASX Listing Rule 7.1 to permit the Company to issue the Tranche 2 Shares without eroding its 15% capacity under ASX Listing Rule 7.1.

If Shareholders do not approve Item 4 then the Tranche 2 Shares under the Private Placement will not be issued and any funds held by the Company in respect of those Tranche 2 Shares will be returned to participants and the Company may need to seek alternative funding sources in order to progress the Company's projects and to ensure that the Company has sufficient working capital.

ASX Participants – CDIs

The Company will apply to ASX for quotation of the Tranche 2 Shares in the form of CDIs.

Please refer to the section titled "CDIs" on page 7 above for details regarding the issue of CDIs, which will be quoted and traded on ASX in place of the Tranche 2 Shares.

About the Projects

Please refer to the section titled "About the Projects" on page 8 above for details regarding the Company's projects.

Details required by ASX Listing Rules

Securities issued 365,486,155 Tranche 2 Shares held indirectly by allottees as CDIs. This amount does not include the 241,269,841 Tranche 2 Shares to be issued to Equinox (a Related Party) and the 7,000,000 Tranche 2 Shares to be issued to the Participating Directors under the Private Placement, which are the subject of separate shareholder approvals in Items 5 and 7 to 10 respectively.

Voting exclusion A voting exclusion applies in respect of this Item 4 as set out below.

Board Recommendation

The Board unanimously recommends Shareholders vote **in favour** of Item 4.

The Chair intends to vote undirected proxies **in favour** of Item 4.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 4 by or on behalf of:

- any person who is expected to participate in, or who will obtain a material benefit as a result of, the issue of the proposed issue of the Tranche 2 Shares (except a benefit solely by being a holder of Shares in the Company); or
- an Associate (as defined in the ASX Listing Rules) of those persons.

However, this does not apply to a vote cast in favour of Item 4 by:

- a person as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with the directions given to the proxy or attorney to vote on Item 4 in that way; or
- the Chair as proxy or attorney for a person who is entitled to vote on Item 4, in accordance with a direction given to the Chair to vote on Item 4 as the Chair decides; or

ITEM 5 APPROVAL OF ISSUE OF SHARES UNDER TRANCHE 2 OF THE PRIVATE PLACEMENT TO EQUINOX

Background

Equinox wishes to participate in Tranche 2 of the Private Placement and, subject to Shareholder approval, has committed to subscribe for 241,269,841 Shares (in the form of CDIs) (**Equinox Shares**).

Equinox is a related party of the Company by virtue of Non-Executive Director Mr Sean Fieler's position as a controlling member of Equinox Partners GP, the General Partner of Equinox. Accordingly, subject to certain exceptions, Equinox cannot participate in issues of the Company's securities without prior Shareholder approval.

Purpose of approval

Item 5 seeks the approval of Shareholders pursuant to ASX Listing Rule 10.11 to approve the issue of the Equinox Shares to Equinox and/or its nominees as part of Tranche 2 of the Private Placement on the same terms and conditions as other investors.

ASX Listing Rule 10.11.3 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, the Company must not issue or agree to issue equity securities to a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the Company and who has nominated a Director to the Board pursuant to a relevant agreement which gives them a right or expectation to do so unless it obtains the approval of its Shareholders.

As noted above, due to Non-Executive Director Mr Sean Fieler holding a Board position in the Company and being a related party of the Company (and also being a controlling member of Equinox Partners GP, the General Partner of Equinox), the issue of the Equinox Shares to Equinox falls within ASX Listing Rule 10.11.3 and does not fall within any of the exceptions in

ASX Listing Rule 10.12, and therefore requires Shareholder approval under ASX Listing Rule 10.11.

If Item 5 is passed, the Company will be able to proceed with the issue of the Equinox Shares to Equinox as noted above. If Shareholder approval is obtained for the issue of Equinox Shares under ASX Listing Rule 10.11, no additional approval will be required under ASX Listing Rule 7.1 for the issue of the Equinox Shares.

If Item 5 is not passed, the Company will not be able to proceed with the issue of the Equinox Shares to Equinox as noted above and any funds held by the Company in respect of the Equinox Shares will be returned to Equinox and the Company may need to seek alternative funding sources in order to progress the Company's projects and to ensure that the Company has sufficient working capital.

The Board (other than Mr Sean Fieler, being the individual Director subject to the voting exclusion for this resolution) recommends that Shareholders vote **in favour** of Item 5.

The Chair intends to vote undirected proxies **in favour** of Item 5.

Voting exclusion statement

The Company will disregard any votes cast in favour of Item 5 by or on behalf of:

ITEM 6 APPROVAL OF ISSUE OF OPTIONS TO FOSTER STOCKBROKING

Background

The Company has agreed to issue 10,000,000 unlisted options to Foster Stockbroking (ie the Lead Manager under the Private Placement) (**Advisor Options**). The Advisor Options will be unlisted and expire on 15 June 2028. Prior to their expiry, Foster Stockbroking may exercise the Advisor Options at any time in batches of at least 500,000 options (unless it is holding less than 500,000 Advisor Options in which case it may exercise that entire holding below 500,000) to acquire CDIs at an exercise price of A\$0.05 per CDI. One Advisor Option may be exercised to acquire one CDI. The full terms of the Advisor Options are set out in **Annexure A**.

Purpose of approval

ASX Listing Rule 7.1 provides that a company must not issue equity securities (which includes options to acquire shares) in excess of its 15% capacity within a 12-month period unless a specified exception applies or the issue is made with prior Shareholder approval.

As the proposed issue of the Advisor Options will constitute the issue of equity securities for the purposes of ASX Listing Rule 7.1 and no exception applies to the issue of the Advisor Options, Item 6 seeks the approval of Shareholders under ASX Listing Rule 7.1 to permit the Company to issue the Advisor Options without eroding its 15% Capacity under ASX Listing Rule 7.1.

ITEMS 7 TO 10 APPROVAL FOR PARTICIPATING DIRECTORS TO PARTICIPATE IN THE PRIVATE PLACEMENT

Purpose of approval

Items 7 to 10 seek the approval of Shareholders pursuant to ASX Listing Rule 10.11 to enable the Participating Directors and/or their nominees to participate in Tranche 2 of the Private Placement on the same terms and conditions as other investors.

If Items 7 to 10 are passed, the Company will be able to proceed with the issue of the Director Shares to the Participating Directors as noted above. If approval is given for the issue of Director Shares under ASX Listing Rule 10.11, no additional approval will be required under ASX Listing Rule 7.1 for the issue of the Director Shares.

If Items 7 to 10 are not passed, the Company will not be able to proceed with the issue of the relevant Director Shares to the Participating Directors as noted above the Company may need to seek alternative funding sources in order to progress the Company's projects and to ensure that the Company has sufficient working capital.

Board Recommendation

The Board (other than a Director in respect of their own re-election) recommends Shareholders vote **in favour** of Item 11.

The Chair intends to vote undirected proxies in favour of Item 11.

Majority Voting Policy

The TSX has adopted amendments to its listing rules that require listed companies, such as the Company, to implement a majority voting policy. A majority voting policy is used when Shareholders are only entitled to vote “for” or “withhold” their vote in respect of the election of each Director. Majority voting policies generally provide that a Director who receives a majority of “withhold” votes, but is elected, must tender their resignation for consideration by the Board. A Board of Directors is generally expected to consider the Director’s resignation and make a public announcement of its decision.

The Company has not adopted a majority voting policy due to the fact that the Company is subject to a majority voting system that aligns with BVI corporate law. The Company Shareholders can vote “for”, “against” or “abstain” with respect to the election of each Director. Unless a Director receives a majority of votes in favour of their election, they will not be elected. Votes cast as an abstention are not counted in favour or against a resolution. Consequently, the TSX has granted an exemption from adopting the majority voting policy, as the Company otherwise satisfies the majority voting requirements in a manner acceptable to the TSX.

As a result, the Company does not include a management information circular pursuant to National Instrument 51-102 – Continuous Disclosure Obligations in this Notice and Canadian Shareholders are cautioned that the disclosures contained in this Notice of Meeting and Explanatory Memorandum may not be comparable to what would otherwise be disclosed by reporting issuers that are not designated foreign issuers

ITEM 12 OTHER BUSINESS

To consider any other business that can lawfully be brought before the Meeting.

GENERAL COMPANY INFORMATION

RELATIONSHIP BETWEEN THE COMPANY AND PROFESSIONAL PERSONS

In this paragraph, “professional person” means any person whose profession gives authority to a statement made by the person in the person’s professional capacity and includes a barrister and solicitor (attorney), a public accountant, an appraiser, valuator, auditor, engineer or geologist.

No professional person or associate of a professional person that has made a statement in this Explanatory Memorandum, holds any beneficial interest, direct or indirect, in any securities or property of the Company or of an associate or affiliate of the Company and no such person is expected to be elected, appointed or employed as a Director, Executive Officer or employee of the Company or of an associate or affiliate of the Company and no such person is a promoter of the Company or an associate or affiliate of the Company.

INFORMATION FOR CANADIAN HOLDERS

The Company is a “reporting issuer” subject to the securities laws of certain provinces of Canada, including disclosure requirements relating to proxies, notices of shareholder meetings and disclosure in connection with those meetings. However, the Company confirms that it continues to be a “designated foreign issuer” as defined in National Instrument 71-102 – Continuous Disclosure and Other Exemptions Relating to Foreign Issuers. As such, the Company is exempt from certain requirements otherwise imposed on reporting issuers in Canada, including proxies, notices of shareholder meetings and disclosure in connection with those meetings, provided generally that the Company complies with the relevant foreign disclosure requirements of an approved foreign jurisdiction. The Company is subject to the foreign regulatory requirements of the ASX and the Australian Securities & Investments Commission.

Annexure A – Terms of Advisor Options

1 Vesting

There are no vesting conditions applicable to the Options.

2 Entitlement

Each Option entitles the optionholder to subscribe for one fully paid ordinary share (**Share**) in the capital of RTG Mining Inc. (the **Company**).

3 Exercise Price

The exercise price for each Option is A\$0.05 (**Exercise Price**).

4 Quotation of the Options

The Options are unlisted and quotation of the Options will not be sought, whether on the Australian Securities Exchange (**ASX**), the Toronto Stock Exchange (**TSX**) or otherwise. If the Company is admitted to the official list of the ASX at the time of the exercise of the Options, the Company will apply to ASX for quotation of the Shares issued upon exercise of the Options in the form of Chess Depositary Interests (**CDIs**).

5 Expiry

The Options expire at 5:00pm (AEST) on 15 June 2028 (**Expiry Time**). An Option not exercised before the Expiry Time will automatically lapse at the Expiry Time.

Exercise period

The optionholder may exercise some or all Options at any time until the Expiry Time.

Manner of exercise

- (a) The optionholder may exercise Options (in parcels of at least 500,000 Options, unless the optionholder's holding is less than 500,000 Options in which case the optionholder may exercise its entire holding below 500,000) by delivery to the Company at its registered office:
- (i) the certificate for those Options;
 - (ii) an executed written notice for the exercise of the Options and specifying the number of Options exercised; and
 - (iii) payment of the Exercise Price for each Option exercised. The Company may at its absolute discretion permit the Exercise Price to be paid in another currency based on the prevailing exchange rate on the date of exercise.
- Any notice of exercise of an Option received by the Company will be deemed to be a notice of exercise of that Option as at the date of receipt of the notice of exercise and the payment of the Exercise Price for each Option being exercised in cleared funds.
- (b) Once given, the exercise notice may only be revoked at the request of the Company with the consent of the optionholder (such consent not to be unreasonably withheld). The optionholder must not withhold such consent where the Company has come into possession of Excluded Information (as defined in sections 708A(7) and (8) of the *Corporations Act 2001* (Cth)) (**Corporations Act**) and considers it is not in the Company's interests to disclose that Excluded Information under the Corporations Act at that time.
- (c) Unless the Board determines otherwise in its absolute discretion, the optionholder must not exercise Options during the period that trading in the Company's securities is prohibited in accordance with the Scheduled Black-out Period in the Company's share trading policy (being one week prior and ending on the second business day following the date on which an announcement has been issued in respect of the Company's interim or annual financial statements). The Company must notify the optionholder when a Black-out Period is in effect.

8 Allotment of Shares on exercise

- (a) The Company must issue to the optionholder the Shares to be issued on exercise of an Option within five Business Days (as such term is defined in the ASX Listing Rules, or, if the Company is not listed on the ASX but is listed on TSX, within ten trading days, as defined in the rules of the TSX) of the date on which the notice of exercise was delivered to the Company; and
- (b) subject to clause 8(c) below, if the Company is listed on ASX at the date of exercise, the Company must, if it is legally able to, provide a notice which complies with the requirements of sections 708A(5)(e) and 708A(6) of the Corporations Act (**Cleansing Notice**) to ASX on the date the Shares referred to in clause 8(a) are issued; or
- (c) if the Cleansing Notice for any reason is not effective or if the Company cannot satisfy the requirements in order to give a Cleansing Notice, to ensure that an offer for sale of those Shares does not require disclosure to investors, then at the Company's election:
- (i) the Company must no later than sixty (60) days after the date of issue of those Shares lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of those Shares does not require disclosure to investors; or
 - (ii) the Company may request and the optionholder must provide an undertaking to the Company not to sell the relevant Shares in circumstances in which would otherwise require the holder or the Company to issue a disclosure document under the Corporations Act in relation to the sale offer for a period of 12 months after the date of issue.

9 **Ranking of Shares issued on exercise**

Shares issued on exercise of the Options will rank equally with the then issued Shares except as regards dividends or other distributions payable by reference to a record date prior to the date on which the notice of exercise took effect.

10 **Quotation of Shares on exercise**

- (a) If admitted to the official list of the ASX at the time of exercise of the Options, the Company shall apply to the ASX for the quotation of the CDIs issued pursuant to the exercise of the Options within five Business Days (as such term is defined in the ASX Listing Rules of the date on which the notice of exercise was delivered to the Company).
- (b) If the Company is not listed on ASX at the time of exercise of the Options but it is still listed on the TSX, the Company shall, where lawful, apply to the TSX for the quotation of Shares issued on exercise of the Options.

11 **Transfers**

Unless the Board determines otherwise in its absolute discretion, the Options are not transferable by the optionholder.

12 **Participation in new issues**

The optionholder has no participating right or entitlement as the holder of an Option, without exercising an Option and being issued Shares on exercise of an Option prior to the record date for the new issue, to participate in new issues of capital offered to the Company's shareholders.

13 **Bonus issues**

If there is a bonus issue of Shares, the number of Shares over which an Option is exercisable increases by the number of Shares which the optionholder would have received if the Option had been exercised before the record date for the bonus issue and without any change to the Exercise Price.

14 **Reorganisation of capital**

[The following rules shall apply on a reorganisation of capital, unless inconsistent with the ASX Listing Rules at a time when the Company is listed on ASX, in which case the ASX Listing Rules shall prevail:

- (a) in a consolidation of Shares, the number of Options must be consolidated in the same ratio as Shares and the Exercise Price must be amended in inverse proportion to that ratio;
- (b) in a subdivision of Shares, the number of Options must be sub-divided in the same ratio as Shares and the Exercise Price must be amended in inverse proportion to that ratio;
- (c) in a return of capital to shareholders, the number of Options must remain the same, and the Exercise Price of each Option must be reduced by the same amount as the amount returned in relation to each Share;
- (d) in a reduction of capital by cancellation of capital paid up on Shares that is lost or not represented by available assets where no Shares are cancelled, the number of options and the Exercise Price of each option must remain unaltered;
- (e) in a pro rata cancellation of Shares, the number of Options must be reduced in the same ratio as the Shares and the Exercise Price of each Option must be amended in inverse proportion to that ratio; and
- (f) in any other case where the Shares are reorganised, the number of Options or the Exercise Price, or both, must be reorganised so that the optionholder will not receive a benefit that holders of Shares do not receive.]

In the event of any reorganisation (including reconstruction, consolidation, subdivision, reduction or return of capital) of issued capital of the Company, the Options will be reorganised as required by the ASX Listing Rules, but in all other respects the terms of exercise will remain unchanged.

15 **Options register**

- (a) The Company will maintain a register of optionholders which complies, so far as practicable, with the requirements of section 170 of the Corporations Act (as amended) (**Options Register**).
 - (b) The Options Register will be kept by or on behalf of the Company in Perth, Western Australia.
 - (c) The holder of an Option registered in the Options Register will be the absolute owner of the option represented by that registration.
