(i) **Discussion of the 2024 Annual Report (discussion item)**

The Company's 2024 Annual Report has been made available on the website and at the office address of the Company.

1. Implementation of the remuneration policy during 2024 (advisory voting item)

The implementation of the remuneration policy during the financial year 2024 has been outlined in section 2.3. of the 2024 Annual Report, taking into account the requirements promulgated by EU Directive 2017/828 as implemented in Dutch law. This agenda item will be put to an advisory vote.

The following resolution is proposed for adoption at the General Meeting: *"The implementation of the Company's remuneration policy during the financial year 2024 is approved."*

2. Remuneration policy of the Supervisory Board (voting item)

Pursuant to and in accordance with a recommendation by the Company's Governance, Nomination and Remuneration Committee (the "GNRC"), the Supervisory Board proposes to re-adopt the remuneration policy for the Supervisory Board (the "**Supervisory Board Remuneration Policy**") with effect from the financial year 2025. The Supervisory Board Remuneration Policy has been made available on the Company's website. The Supervisory Board Remuneration Policy remains unchanged and aligns with the policy of Unibail-Rodamco-Westfield SE ("**URW SE**") and its controlled undertakings (together with URW SE, the "**URW Group**") and is intended to attract, motivate and retain high calibre individuals with an appropriate degree of expertise and experience, which contributes to the long-term interests, sustainability, identity, mission and value of the Company and its business, considering the interests of the URW Group of which it forms part. (ii) **Explanation of the dividend policy (discussion item)**

In order to maintain its status as a fiscal investment institution (*fiscale beleggingsinstelling*) ("**FII**") within the meaning of the Dutch Corporate Income Tax Act 1969 (*Wet op de vennootschapsbelasting 1969*), the Company intends to comply with the fiscal distribution requirement to pay a dividend that is at least equal to the fiscal profit of the Company (if any) within eight months after the end of each financial year, subject to the applicable restrictions of Dutch law.

The Class A Shares are individually stapled with the shares of URW SE.

Given the statutory results and cumulated negative retained earnings of the Company in 2024, the Company has no obligation to pay a dividend in 2025 for the fiscal year 2024, under the FII regime.

The annual general meeting of URW SE¹ resolved on April 29, 2025 to make a cash distribution of €3.50 per share to be paid on May 12, 2025.

It is proposed that the Management Board members be released from liability for the performance of their duties during the financial year 2024. The scope of this release from liability extends to the exercise of their respective duties insofar as these are reflected in the 2024 Annual Report or 2024 financial statements or in other public disclosures prior to the adoption of the resolution proposed under this agenda item.

The competencies of each member of the Supervisory Board, along with their high attendance rates at meeting of the Supervisory Board and its committees (as detailed in section 2.2. of the Annual Report), demonstrate their significant involvement and dedication to the Company’s activities. Their independence has been assessed in accordance with the Dutch Corporate Governance Code. Each member is selected for their broad and relevant experience and international outlook. This balance ensures that the Supervisory Board can leverage Mr. Tritant’s deep company knowledge while still upholding the principles of independent oversight and governance.

The following resolution is proposed for adoption at the General Meeting: *“The appointment of Mr. Jean-Marie Tritant as member of the Supervisory Board is renewed for a term of four years, ending at the Company’s annual general meeting to be held in 2029.”*

11. Authorization for the Management Board to issue shares in the Company's capital or to grant rights to subscribe for shares in the Company's capital up to 10% of the Company's issued share capital (voting item)

In accordance with the authorization previously granted by the Company's general meeting held on June 12, 2024 (the **"2024 General Meeting"**) as agenda item 7. (the **"2024 10% Authorization"**), it is proposed by the Management Board, under the approval of the Supervisory Board, to authorize the Management Board, for a period of 18 months following the General Meeting, to resolve, subject to the approval of the Supervisory Board and the Stapled Share Principle (as defined in the Company's articles of association; the **"Stapled Share Principle"**), to issue, or to grant rights to subscribe for, Class A Shares representing up to 10% of the Company's issued share capital as at the date of the General Meeting. 13. Authorization for the Management Board to purchase the Company's shares (voting item)

In accordance with the authorization previously granted by the 2024 General Meeting, it is proposed by the Management Board, under the approval of the Supervisory Board, to authorize the Management Board, for a period of 18 months following the General Meeting, to resolve for the Company to purchase and acquire, with the approval of the Supervisory Board, on a stock exchange or otherwise, (i) up to 10% of the Class A Shares in issue from time to time (separate or as part of Stapled Shares) and (ii) up to 100% of the Class B Shares in issue from time to time, in each case at a price per share between the nominal value of the share concerned and 110% of the average market price of the Stapled Shares on Euronext (such average being calculated by reference to the closing prices on each of the five consecutive trading days preceding the date the purchase or acquisition is agreed upon by the Company). Any reference in the proposed authorization and the proposed resolution set forth

below to "Class A Shares" include depository receipts for Class A Shares, as well as depository receipts for Stapled Shares (including CHES depository interests that represent beneficial ownership in Stapled Shares).

All issued and outstanding Class B Shares are presently held by URW SE. With a view - among other things - to maintaining a single credit rating for the URW Group and full consolidation by URW SE of the Company and its subsidiaries, the Company and URW SE have entered into an amended and restated participation maintenance subscription right agreement which allows URW SE (the "**Amended and Restated Subscription Right Agreement**"). Under the Amended and Restated Subscription Right Agreement, the Company may be required to repurchase Class B Shares from URW SE (or certain of its consolidated affiliates) from time to time. The authorization requested with respect to the Class B Shares allows the Company to comply with this contractual obligation.

Adoption of the resolution proposed under this agenda item will replace the current authorization of the Management Board to purchase and acquire shares in the Company's capital, which was granted by the 2024 General Meeting.

The following resolution is proposed for adoption at the General Meeting: *"The Management Board is authorized, for a period of 18 months following the General Meeting, to resolve for the Company to purchase and acquire, with the approval of the Supervisory Board, on a stock exchange or otherwise, (i) up to 10% of the Class A Shares in issue from time to time (separate or as part of Stapled Shares) and (ii) up to 100% of the Class B Shares in issue from time to time, in each case at a price per share between the nominal value of the share concerned and 110% of the average market price of the Stapled Shares on Euronext (such average being calculated by reference to the closing prices on each of the five consecutive trading days preceding the date the purchase is agreed upon by the Company)."*

14. Cancellation of shares in the Company's capital (voting item)

It is proposed by the Management Board, under the approval of the Supervisory Board, to cancel any or all shares in the Company's share capital held by the Company on the date of the General Meeting or that may be purchased and acquired by the Company during the period of 18 months following the General Meeting pursuant to the authorization referred to under agenda item 13 or otherwise. The cancellation may be executed in one or more tranches. The number of shares that will be cancelled (whether or not in a tranche) shall be determined by the Management Board. The purpose of this proposal is to allow for optimization of the Company's equity structure through cancellation of shares held or to be purchased by the Company, to the extent that such shares will not be used to cover obligations of the Company (e.g., under share-based remuneration) or for other purposes. Any cancellation shall take place with due observation of the applicable provisions of Dutch law and the Company's articles of association.

The following resolution is proposed for adoption at the General Meeting: *"Any shares in the Company's capital held by the Company on the date of the General Meeting or that may be purchased and acquired by the Company during the period of 18 months following the General Meeting shall be cancelled in one or more tranches, provided that the implementation of any such cancellation (whether or not in a tranche) shall be subject to the determination by the Management Board of the exact number of shares to be cancelled (in the relevant tranche, as relevant) and the exact timing thereof."*
