Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (ie as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and

- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's shareholders; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - o the proxy is not recorded as attending the meeting; or
 - o the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

1. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF SHARES TO ZIWAN

1.1 Background

On 23 October 2024 the Company announced a placement to existing shareholders and new sophisticated and professional investors (**October Placement**) pursuant to which the Company agreed to issue 32,000,000 Shares (**October Placement Shares**). The Company announced on 23 October 2024 that the shares to Denala and Ziwan would be issued in mid-November 2024 and, in accordance with the Placement Confirmation Letter for Denala and placement term sheet for Ziwan would issue the shares following receipt of the required funding.

At the Company's Extraordinary General Meeting on 25 September 2024, the Company received shareholder approval for the issue of 30,000,000 Shares under ASX Listing Rule 7.1.

On 31 October 2024, 22,400,000 Shares were issued out of the 30,000,000 Shares that had been approved.

Following the issue on 31 October 2024, 9,600,000 October Placement Shares remained outstanding under the October Placement.

5,000,000 of those Shares were proposed to be issued to Denala pursuant to the Placement Confirmation Letter between Denala and the Company. Shareholder approval for that issue was received at the Company's Annual General Meeting on 29 November 2024. The remaining 4,600,000 of those Shares were proposed to be issued to Ziwan pursuant to a placement term sheet.

The Shares to Denala and Ziwan were never issued as both parties requested an extension of time in providing the required funding for the Shares past the agreed November 2024 payment date.

On 14 November 2024, pursuant to a Deed of Assignment and Assumption, Denala assigned the right to receive the 5,000,000 Shares to Ziwan.

The placement term sheet between the Company and Ziwan and the Deed of Assignment and Assumption have since been varied to amend the date required for the funds to be provided. The latest variation having been executed on 16 March 2025.

The Company issued 8,343,599 Shares to Ziwan under the October Placement on 3 April 2025.

The purpose of this Resolution is for Shareholders to ratify the issue of the 8,343,599 October Placement Shares to Ziwan (**Ziwan Placement Shares**) at \$0.25 each which were issued on 3 April 2025 without Shareholder approval using the Company's capacity under ASX Listing Rule 7.1.

This Resolution seeks the approval of Shareholders to ratify the issue of the Ziwan Placement Shares that were issued in accordance with ASX Listing Rule 7.1.

1.2 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% under ASX Listing Rule 7.1, of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the Ziwan Placement Shares does not fit within any of the exceptions and, as it has not yet been approved by Shareholders, the issue effectively uses up part of the 15% limit under ASX Listing Rule 7.1 reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Ziwan Placement Shares.

ASX Listing Rule 7.4 states that an issue by a company of Equity Securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the Ziwan Placement Shares under ASX Listing Rule 7.1. The Company confirms that the issue of the Ziwan Placement Shares did not breach ASX Listing Rule 7.1.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the Ziwan Placement Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1.

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Ziwan Placement Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the Ziwan Placement Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the Placement.

If this Resolution is not passed, the issue of the Ziwan Placement Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the Placement.

1.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

2. RESOLUTIONS 2 AND 3 – RATIFICATION OF PRIOR ISSUE OF SHARES TO ENAMEL COAST AND APPROVAL TO ISSUE SHARES UNDER ASX LISTING RULE 7.1 TO ENAMEL COAST

2.1 Background to Resolutions 2 and 3

On 15 November 2024 the Company entered into the Enamel Coast Term Sheet with Enamel Coast pursuant to which the Company agreed to issue Shares to Enamel Coast for Enamel Coast having introduced Denala to the Company.

Following the Deed of Assignment and Assumption, it was agreed that the consideration payable under the Enamel Coast Term Sheet would also apply to the funds received by Ziwan, as well as Denala.

Pursuant to the Enamel Coast Term Sheet the Company agreed to pay Enamel Coast:

- (a) a commission equivalent to 6% of the total number of Shares issued under the October Placement payable by the issue of Shares (**Enamel Coast Commission Shares**);
- (b) 300,000 Shares upon receipt of funds for the issue of the first tranche of Shares under the October Placement to Denala. These Shares were issued on 16 August 2024; and
- (c) 750,000 Shares upon receipt of funds for the issue of the second tranche Shares under the October Placement to Denala. These Shares were issued on 9 December 2024 (**Enamel Coast Shares**). The Enamel Coast Shares were issued under the Company's ASX Listing Rule 7.1 Placement Capacity.

Enamel Coast is a related party of Tim Zuo as he is the Managing Director of Enamel Coast.

Tim Zuo was appointed as a non-executive director of the Company on 14 April 2025. As announced to the ASX on 14 April, Mr Zuo is the nominee director for Denala and acts as an adviser to Denala in relation to their investment of funds.

Mr Zuo also acts as an adviser to Ziwan in relation to their investment of funds.

The Enamel Coast Term Sheet has not been varied or amended since it was agreed between Enamel Coast and the Company on 14 November 2024.

The Deed of Assignment and Assumption (other than the extension of time for Ziwan to pay the relevant funds) has not been varied or amended since it was agreed between Denala and Ziwan on 14 November 2024.

Denala's nomination of Tim Zuo to the Board on 14 April 2025 postdate the Enamel Coast Term Sheet and the Deed of Assignment and Assumption.

As the Enamel Coast Term Sheet and Deed of Assignment and Assumption were entered into prior to the nomination and appointment of Mr Zuo and those agreements have not been changed since that time (subject to comments above regarding timing of payment), the Company does not consider the issues to Enamel Coast a related party issue requiring approval under ASX Listing Rule 10.11.

Resolution 2 seeks the approval of Shareholders to ratify the issue of the Enamel Coast Shares that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Enamel Coast Term Sheet.

Resolution 3 seeks the approval of Shareholders for the issue of the Enamel Coast Commissions Shares to be issued under ASX Listing Rule 7.1 pursuant to the Enamel Coast Term Sheet. The Enamel Coast Commission Shares under the Enamel Coast Term Sheet form part of the 6% commission payable to Enamel Coast. Following the receipt of further funds from Ziwan, there will be further payable.

The relevant Regulatory Requirements for each of Resolutions 2 and 3 are detailed below.

3. RESOLUTION 2 – RATIFICATION OF PRIOR ISSUE OF SHARES TO ENAMEL COAST

3.1 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the Enamel Coast Shares does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively uses up part of the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Enamel Coast Shares.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the Enamel Coast Shares under ASX Listing Rule 7.1. The Company confirms that the issue of the Enamel Coast Shares did not breach ASX Listing Rule 7.1.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the Enamel Coast Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1 (i.e. the 15% limit is "renewed" to the extent of the approval).

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Enamel Coast Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the Enamel Coast Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue of the Enamel Coast Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

3.2 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

- (a) **The names of the persons to whom the entity issued the Enamel Coast Shares**
- The Enamel Coast Shares were issued to Enamel Coast. Enamel Coast is not a material investor of the Company.²

3.3 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

4. RESOLUTION 3 – APPROVAL TO ISSUE SHARES UNDER ASX LISTING RULE 7.1 TO ENAMEL COAST

4.1 Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Enamel Coast Commission Shares does not fit within any of the exceptions to ASX Listing Rules 7.1 or 7.1A and, as it has not yet been approved by Shareholders, it will effectively use up part of the Company's 25% placement capacity under ASX Listing Rules 7.1 and 7.1A if the Company decides to proceed with the Enamel Coast Commission Shares. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those ASX Listing Rules for the 12-month period following the issue of the Enamel Coast Commission Shares.

The effect of Shareholders passing this Resolution will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 25% placement capacity set out in ASX Listing Rule 7.1 and 7.1A, without the requirement to obtain prior Shareholder approval.

If this Resolution is passed, the Company will be able to proceed with the issue of 417,179 Enamel Coast Commission Shares to Enamel Coast.

If this Resolution is not passed, the Company will not be able to proceed with the issue 417,179 Enamel Coast Commission Shares as the Company does not presently have sufficient

placement capacity to issue all of the Enamel Coast Commission Shares. Accordingly, if this Resolution is not passed, the Company will not be able to proceed with the issue of all of the Enamel Coast Commission Shares and will pay a cash equivalent to Enamel Coast (being approximately \$117,795 at a deemed issue price of \$0.25 per Enamel Coast Commission Share).

4.2 Technical information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to this Resolution:

- (a) **The names of the persons to whom the entity will issue the Enamel Coast Commission Shares**
The Enamel Coast Commission Shares will be issued to Enamel Coast. Enamel Coast is not a material investor of the Company.³
- (b) **Number of securities and class of securities to be issued**
417,179 Enamel Coast Commission Shares will be issued.
- (c) **Terms of the securities**
The Enamel Coast Commission Shares will be fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.
- (d) **Date of issue**
Subject to Shareholder approval being received, it is anticipated that the Enamel Coast Commission Shares will be issued within 3 months after the date of the Meeting.
- (e) **Issue price or other consideration**
No monetary consideration will be received for the issue of the Enamel Coast Commission Shares as they will be issued as part consideration for services provided under the Enamel Coast Term Sheet.
- (f) **Purpose of the issue, including the intended use of funds raised**
The Enamel Coast Commission Shares will be issued as consideration for services provided by Enamel Coast in assisting the Company in undertaking a placement pursuant to the Enamel Coast Term Sheet.
- (g) **Relevant agreement**
The Enamel Coast Commission Shares will be issued pursuant to the Enamel Coast Term Sheet, as summarised in Schedule 3.
- (h) **Voting exclusion statement**
A voting exclusion statement has been provided for this Resolution in the Special Business section preceding this Explanatory Statement of this Notice of Meeting.

4.3 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.

³ ASX consider the following to be material investors:

- (i). a related party of the entity;
- (ii). a member of the entity's key management personnel;
- (iii). a substantial holder in the entity;
- (iv). an adviser to the entity; or
- (v). an associate of any of the above,

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF OPTIONS TO 5 POINT 8 CAPITAL

5.1 Background

On 23 November 2023, the Company entered into the Corporate Services Advisory Agreement with 5 Point 8 Capital.

On 6 December 2024, the Company and 5 Point 8 Capital varied the Corporate Services Advisory Agreement (**5 Point 8 Deed of Variation**) to issue 10,000,000 Options to 5 Point 8 Capital (**5 Point 8 Options**).

As consideration for the services provided by 5 Point 8 Capital, the Company issued the 5 Point 8 Options on 9 December 2024.

The 5 Point 8 Options were issued under the Company's Listing Rule 7.1 placement capacity.

This Resolution seeks the approval of Shareholders to ratify the issue of the 5 Point 8 Capital Options that were issued in accordance with ASX Listing Rule 7.1 pursuant to 5 Point 8 Deed of Variation.

5.2 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the 5 Point 8 Options does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively uses up part of the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the 5 Point 8 Options.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the 5 Point 8 Options under ASX Listing Rule 7.1. The Company confirms that the issue of the 5 Point 8 Options did not breach ASX Listing Rule 7.1.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the 5 Point 8 Options will be that these Options will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1.

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for the ratification of the issue of the 5 Point 8 Options under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the 5 Point 8 Options will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue of the 5 Point 8 Options will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

5.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

- (g) **Relevant agreement**

⁴ ASX consider the following to be material investors:

- (i). a related party of the entity;
- (ii). a member of the entity's key management personnel;
- (iii). a substantial holder in the entity;

On 17 December 2024, the parties to the Professional Services Agreement entered into a deed of termination and release to release all parties from their obligations under the Professional Services Agreement (**Deed of Termination and Release**).

(together, the **Consultant Shares**)

The Consultant Shares were issued under the Company's Listing Rule 7.1 placement capacity.

Resolution 5A seeks the approval of Shareholders to ratify the issue of the 70,138 Shares to Juan Cruz Cardoso that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Deed of Termination and Release.

Resolution 5B seeks the approval of Shareholders to ratify the issue of the 55,713 Shares to Julian Bustelo that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Deed of Termination and Release.

Resolution 5A is not conditional on the passing of Resolution 5B.

Resolution 5B is not conditional on the passing of Resolution 5A.

6.2 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the Consultant Shares to the Consultants does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively uses up part of the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Consultant Shares.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

Resolution 5A seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the 70,138 Consultant Shares to Juan Cruz Cardoso under ASX Listing Rule 7.1. The Company confirms that the issue of the Consultant Shares did not breach ASX Listing Rule 7.1.

Resolution 5B seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the 55,713 Consultant Shares to Julian Bustelo under ASX Listing Rule 7.1. The Company confirms that the issue of the Consultant Shares did not breach ASX Listing Rule 7.1.

The approval of Resolution 5A is not conditional on the approval of Resolution 5B.

The approval of Resolution 5B is not conditional on the approval of Resolution 5A.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the Consultant Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1 (i.e. the 15% limit is "renewed" to the extent of the approval).

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Consultant Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If Resolution 5A is passed, the issue of the Shares to Juan Cruz Cardoso will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If Resolution 5A is not passed, the issue of the Shares to Juan Cruz Cardoso will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If Resolution 5B is passed, the issue of the Shares to Julian Bustelo will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

7. RESOLUTION 6 – RATIFICATION OF PRIOR ISSUE OF 86,382 SHARES TO DR STEVE GARWIN

7.1 Background

On 2 January 2024, the Company entered into the Garwin Services Agreement with Steve Garwin Pty Ltd (**Contractor**) and Dr Steve Garwin (**Garwin**).

On 2 January 2025, the Company, the Contractor and Garwin executed a deed of variation to vary the terms of remuneration for Garwin (**Garwin Deed of Variation**).

The Garwin Deed of Variation amended the Garwin Services Agreement to permit the Company to pay part of the remuneration to Garwin as Shares.

As consideration for services as the Chief Technical Advisor with respect to the Company's tenements in Argentina and pursuant to the Garwin Services Agreement and the Garwin Deed of Variation to the value of \$16,006.58, the Company issued 86,382 Shares to Garwin on 6 January 2025 (**First Contractor Shares**). The number of First Contractor Shares were based on a deemed issue price of \$0.1853 per Share.

The First Contractor Shares were issued under the Company's Listing Rule 7.1 placement capacity.

This Resolution seeks the approval of Shareholders to ratify the issue of the First Contractor Shares that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Garwin Services Agreement.

7.2 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the First Contractor Shares to Steve Garwin does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively

uses up part of the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the First Contractor Shares.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the First Contractor Shares under ASX Listing Rule 7.1. The Company confirms that the issue of the First Contractor Shares did not breach ASX Listing Rule 7.1. None of the recipients of the First Contractor Shares were a related party of the Company within the meaning of the Corporations Act and the ASX Listing Rules.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the First Contractor Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1 (i.e. the 15% limit is "renewed" to the extent of the approval).

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the First Contractor Shares to Steve Garwin will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue of the First Contractor Shares to Steve Garwin will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

8. **RESOLUTION 7 – RATIFICATION OF PRIOR ISSUE OF 73,307 SHARES TO DR STEVE GARWIN**

8.1 **Background**

On 2 January 2024, the Company entered into the Garwin Services Agreement with Steve Garwin Pty Ltd (**Contractor**) and Dr Steve Garwin (**Garwin**).

On 2 January 2025, the Company, the Contractor and Garwin executed a deed of variation to vary the terms of remuneration for Garwin (**Garwin Deed of Variation**).

The Garwin Deed of Variation amended the Garwin Services Agreement to permit the Company to pay part of the remuneration to Garwin in Shares.

As consideration for services as the Chief Technical Advisor with respect to the Company's tenements in Argentina and pursuant to the Garwin Services Agreement and the Garwin Deed of Variation to the value of \$13,671.76, the Company issued 73,307 Shares to Garwin on 3 April 2025 (**Second Contractor Shares**). The number of Second Contractor Shares were based on a deemed issue price of \$0.1865 per Share.

The Second Contractor Shares were issued under the Company's Listing Rule 7.1 placement capacity.

This Resolution seeks the approval of Shareholders to ratify the issue of the Second Contractor Shares that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Garwin Services Agreement.

8.2 **Regulatory Requirements**

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the Second Contractor Shares to Steve Garwin does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively uses up part of the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Second Contractor Shares.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the Second Contractor Shares under ASX Listing Rule 7.1. The Company confirms that the issue of the Second Contractor Shares did not breach ASX Listing Rule 7.1. None of the recipients of the Second Contractor Shares were a related party of the Company within the meaning of the Corporations Act and the ASX Listing Rules.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the Second Contractor Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1 (i.e. the 15% limit is "renewed" to the extent of the approval).

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the Second Contractor Shares to Steve Garwin will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue of the Second Contractor Shares to Steve Garwin will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

8.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

(a) **The names of the persons to whom the entity issued the Second Contractor Shares**

The Second Contractor Shares were issued to Garwin who is not a material investor in the Company.⁷

(b) **Number of securities and class of securities issued**

Under this Resolution the Company seeks Shareholder approval for the ratification of the issue of 73,307 Second Contractor Shares.

⁷ ASX consider the following to be material investors:

(i). a related party of the entity;
(ii). a member of the entity's key management personnel;
(iii). a substantial holder in the entity;
(iv). an adviser to the entity; or
(v). an associate of any of the above,
where such person or entity is being issued more than 1% of the entity's current issued capital.

(c) **Terms of the securities**

The Second Contractor Shares are fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and rank equally in all respects with existing Shares.

The Company has applied to ASX for official quotation of the Second Contractor Shares.

(d) **Date of issue**

The Second Contractor Shares were issued on 3 April 2025.

(e) **Issue price or other consideration**

No monetary consideration will be received for the issue of the Second Contractor Shares as they will be issued as part consideration for services provided under the Garwin Services Agreement and the Garwin Deed of Variation.

(f) **Purpose of the issue, including the intended use of the funds raised**

As consideration for geological advisory and consulting services, the Company agreed to issue 73,307 Second Contractor Shares to Garwin.

(g) **Relevant agreement**

The Second Contractor Shares were issued pursuant to the Garwin Services Agreement and Garwin Deed of Variation, as summarised in Schedule 7.

(h) **Voting exclusion statement**

A voting exclusion statement has been provided for this Resolution in the Special Business section preceding this Explanatory Statement of this Notice of Meeting.

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

9. RESOLUTION 8 – RATIFICATION OF PRIOR ISSUE OF SHARES TO BRIG

9.1 Background

On 12 November 2024, GWK entered into the Civil Works Contract with Brig for the provision of civil works. On 1 January 2025, GWK and Brig entered into the Civil Works Contract Amendment to, among other things, permit the Company to pay part of the remuneration payable to Brig under the Civil Works Contract in Shares.

As consideration for services pursuant to the Civil Works Contract (as amended) to the value of \$667,169, the Company issued 4,141,335 Shares to Brig on 3 April 2025 (**Brig Contractor Shares**). The number of Brig Contractor Shares were based on a deemed issue price of \$0.1611 per Share.

The Brig Contractor Shares were issued under the Company's Listing Rule 7.1 placement capacity.

This Resolution seeks the approval of Shareholders to ratify the issue of the Brig Contractor Shares that were issued in accordance with ASX Listing Rule 7.1 pursuant to the Civil Works Contract.

9.2 Regulatory Requirements

ASX Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the ordinary securities issued by the company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

The issue of the Brig Contractor Shares to Brig does not fit within any of the exceptions and, as the issue has not yet been approved by Shareholders, the issue effectively uses up part of

the 15% limit (under ASX Listing Rule 7.1) reducing the Company's capacity to issue further Equity Securities without Shareholder approval under ASX Listing Rule 7.1 for the 12-month period following the date of issue of the Brig Contractor Shares.

ASX Listing Rule 7.4 states that an issue by a company of securities made without approval under ASX Listing Rule 7.1 is treated as having been made with approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 and the company's Shareholders subsequently approve it.

This Resolution seeks Shareholder approval under ASX Listing Rule 7.4 to ratify the issue of the Brig Contractor Shares under ASX Listing Rule 7.1. The Company confirms that the issue of the Brig Contractor Shares did not breach ASX Listing Rule 7.1. None of the recipients of the Brig Contractor Shares were a related party of the Company within the meaning of the Corporations Act and the ASX Listing Rules.

The effect of the approval under ASX Listing Rule 7.4 of the issue of the Brig Contractor Shares will be that these Shares will not be counted as reducing the number of securities which the Company can issue in the future without shareholder approval under the 15% placement limit imposed by ASX Listing Rule 7.1 (i.e. the 15% limit is "renewed" to the extent of the approval).

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain shareholder approval under ASX Listing Rule 7.1.

Accordingly, under this Resolution, the Company seeks Shareholder approval for, and ratification of the issue of the Shares under ASX Listing Rule 7.1 and for the purposes of ASX Listing Rule 7.4.

If this Resolution is passed, the issue of the Brig Contractor Shares to Brig will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue of the Brig Contractor Shares to Brig will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of the issue.

9.3 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

(a) **The names of the persons to whom the entity issued the Brig Contractor Shares**

(b) **Number of securities and class of securities issued**

⁸ ASX consider the following to be material investors:

(i). a related party of the entity;
(ii). a member of the entity's key management personnel;
(iii). a substantial holder in the entity;
(iv). an adviser to the entity; or
(v). an associate of any of the above,
where such person or entity is being issued more than 1% of the entity's current issued capital.

(c) **Terms of the securities**

The Brig Contractor Shares are fully paid ordinary shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and rank equally in all respects with existing Shares.

The Company has applied to ASX for official quotation of the Brig Contractor Shares.

(d) **Date of issue**

The Brig Contractor Shares were issued on 3 April 2025.

(h) **Escrow arrangement**

The Brig Contractor Shares are subject to voluntary escrow as follows:

- (i) 2,070,667 Brig Contractor Shares are escrowed for 6 months until 3 October 2025; and

9.4 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of this Resolution.

10. RESOLUTION 9 – APPROVAL TO ISSUE SHARES UNDER ASX LISTING RULE 7.1 – POTENTIAL PLACEMENT

10.1 Background

This Resolution seeks Shareholder approval pursuant to ASX Listing Rule 7.1 to issue Shares pursuant to a placement where the Company proposes issuing up to 20,000,000 Shares (**Potential Placement**).

If this Resolution is approved, the Company will have the ability to issue up to 20,000,000 Shares to unrelated parties that will be professional and sophisticated investors (**Potential Placement Participants**) at an issue price of no less than 80% of the 5-day VWAP at the time of issue, the subject of this Resolution.

At present, there is no agreement with any Potential Placement Participant for the issue of the Shares under any Potential Placement (**Potential Placement Shares**).

The Potential Placement Shares represent approximately 11.30% of the Company's current issued share capital (assuming that all Resolutions in this Notice are passed, and no other shares are issued).

10.2 Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its

shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Potential Placement Shares does not fit within any of the exceptions to ASX Listing Rules 7.1 or 7.1A and, as it has not yet been approved by Shareholders, it will effectively use up part of the Company's 25% placement capacity under ASX Listing Rules 7.1 and 7.1A if the Company decides to proceed with the Potential Placement. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those ASX Listing Rules for the 12-month period following the issue of the Potential Placement Shares.

The effect of Shareholders passing this Resolution will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 25% placement capacity set out in ASX Listing Rule 7.1 and 7.1A, without the requirement to obtain prior Shareholder approval.

If this Resolution is passed, the Company will be able to proceed with the issue of up to 20,000,000 Potential Placement Shares to professional and sophisticated investors.

If this Resolution is not passed, the Company will not be able to proceed with the issue of up to 20,000,000 Potential Placement Shares without using its available placement capacity permitted under ASX Listing Rules 7.1 and 7.1A.

The Company does not presently have sufficient placement capacity to issue all of the Potential Placement Shares. Accordingly, if this Resolution is not passed, the Company will not be able to proceed with the issue of all of the Potential Placement Shares.

10.3 Technical information required by ASX Listing Rule 7.3

Pursuant to and in accordance with ASX Listing Rule 7.3, the following information is provided in relation to this Resolution:

(a) **The basis on which the persons to whom the Potential Placement Shares will be issued will be identified and selected**

The Potential Placement Shares will be issued to the Potential Placement Participants, who will be sophisticated and professional investors, none of whom will be a material investor.⁹

The Potential Placement Participants have not been identified, however it is expected the Potential Placement Participants will be investors who the Board believe will bring a benefit to the Company. The Potential Placement Participants may be identified through a bookbuild process, which will involve a lead manager seeking expressions of interest to participate in the Potential Placement from clients of a lead manager.

(b) **Number of securities and class of securities to be issued**

A maximum of 20,000,000 Potential Placement Shares will be issued.

(c) **Terms of the securities**

The Potential Placement Shares will be fully paid ordinary shares in the capital of the Company and rank equally in all respects with the Company's existing Shares on issue.

(d) **Date of issue**

Subject to Shareholder approval being received, it is anticipated that the Potential Placement Shares will be issued within 3 months after the date of the Meeting.

⁹ ASX consider the following to be material investors:

(i). a related party of the entity;
(ii). a member of the entity's key management personnel;
(iii). a substantial holder in the entity;
(iv). an adviser to the entity; or
(v). an associate of any of the above,
where such person or entity is being issued more than 1% of the entity's current issued capital.

(e) **Issue price or other consideration**

The Potential Placement Shares will be issued at a price that is no less than 80% of the 5-day VWAP as at the issue date.

(f) **Purpose of the issue, including the intended use of funds raised**

The proceeds from the issue of the Potential Placement Shares are intended to be applied towards future exploration activity at the TMT project, exploration at the Australian projects, acquisition opportunities and general working capital.

(g) **Relevant agreement**

The Potential Placement Shares will not be issued pursuant to any agreement.

(h) **Voting exclusion statement**

A voting exclusion statement has been provided for this Resolution in the Special Business section preceding this Explanatory Statement of this Notice of Meeting.

10.4 Board recommendation

The Directors unanimously recommend that Shareholders vote in favour of this Resolution.
