

ASX Announcement 15 May 2025

Peak to be acquired by Shenghe following a Non-Renounceable Entitlement Offer

Not for release to US wire services or distribution in the United States

- **Peak and Ganzhou Chenguang Rare Earths New Material Co., Ltd. (Chenguang), a wholly-owned subsidiary of Shenghe, have entered into a binding Scheme Implementation Deed under which Chenguang proposes to acquire 100% of Peak**
- **Shenghe is Peak's major shareholder and has binding offtake rights to 100% of the rare earths production from the Ngualla Project¹**
- **Under the Scheme, Chenguang has agreed to pay A\$150.5 million, plus an amount equal to the funds raised (before costs) under a proposed ~A\$7.5 million Entitlement Offer to acquire 100% of Peak**
- **If the full amount of ~A\$7.5 million is raised pursuant to the Entitlement Offer and the Scheme is implemented, Peak shareholders will receive ~A\$0.359 per Peak share in cash², which represents a 199% premium to Peak's closing share price of A\$0.12 per share on 9 May 2025 and a 160% premium to Peak's 20-day VWAP of A\$0.138 per share**
- **The Scheme is recommended by the Peak Independent Board³ in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Peak shareholders and is subject to various conditions including Peak shareholder approval, Chinese and Tanzanian regulatory approvals and other confirmations, an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Peak shareholders, requisite Court approval and other customary conditions**
- **Peak will undertake an Entitlement Offer to raise up to ~A\$7.5 million at an offer price of A\$0.10 per new Peak ordinary share to seek to ensure the Company is sufficiently funded until the completion of the Scheme**
- **Entitlement Offer proceeds, together with existing cash and expected proceeds from a proposed sale the Teesside site, will be used to fund Peak's ongoing corporate and Ngualla activities, working capital requirements and transaction costs**

¹ Comprising of a 7-year offtake agreement covering 100% of rare earth concentrate and a minimum of 50% of any intermediate or final separated rare earth oxides. Refer to Peak's ASX announcement on 21 June 2024 titled 'Binding Offtake Agreement Conditions Precedent Satisfied'.

² If less than the full ~A\$7.5 million sought under the Entitlement Offer is raised, the consideration per share under the Scheme (should it become effective) would increase. However, if less than the full amount is raised, Peak may need to pursue an alternate capital raising, which could further dilute shareholders and may result in the Scheme's termination.

³ Being all Peak directors excluding Non-Executive Director Shasha Lu (Managing Director of Shenghe Resources Overseas Development) and any other Peak director appointed by or on behalf of a Chenguang group member or any of its associates. Ms Shasha Lu has excluded herself from discussions about the Scheme, and abstains from making a recommendation.

ASX Announcement 15 May 2025

Peak Rare Earths Limited ("**Peak**" or the "**Company**") (ASX: PEK) is pleased to announce it has entered into a binding Scheme Implementation Deed ("**SID**") with Ganzhou Chenguang Rare Earths New Material Co., Ltd. ("**Chenguang**"), a 100% subsidiary of Shenghe Resources Holding Co., Limited ("**Shenghe**"), under which it is proposed that Chenguang will acquire 100% of Peak by way of a scheme of arrangement ("**Scheme**").

If the Scheme is implemented, Peak shareholders will receive a minimum of ~A\$0.359 per Peak share in cash⁴, which represents a 199% premium to Peak's closing share price of A\$0.12 per share on 9 May 2025.

Shenghe is a major rare earths company listed on the Shanghai Stock Exchange (SSE:600392.SS), having a market capitalisation of ~US\$2.9 billion. Its wholly-owned subsidiary, Shenghe Resources (Singapore) Pte. Ltd. ("**Shenghe Singapore**") is an existing 19.86% shareholder in Peak and has binding offtake rights to rare earths production from the Ngualla Rare Earth Project in which Peak holds an 84% interest ("**Ngualla Project**")⁵. Shenghe Singapore has had a representative on the Peak Board, in Ms Shasha Lu, since late November 2022.

To seek to ensure that the Company is sufficiently funded whilst it pursues implementation of the proposed Scheme, Peak will undertake a non-underwritten, pro-rata non-renounceable entitlement offer ("**Entitlement Offer**") to eligible shareholders to subscribe for one (1) new share for every 4.70 shares held at an offer price of A\$0.10 per share to raise up to ~A\$7.5 million (before costs). Peak is also continuing to progress negotiations with respect to a sale of its non-core 49-acre Teesside site in the UK in order to supplement existing cash and funds raised under the Entitlement Offer.

Proceeds from the Entitlement Offer, together with existing cash and the expected proceeds from a proposed sale of Peak's non-core Teesside site in the UK, will be used to progress land compensation and other costs at Peak's 84% owned Ngualla Project, to support working capital requirements and transaction costs associated with the Scheme.

Shenghe Singapore has committed to subscribe for its full A\$1.49 million entitlement under the Entitlement Offer.

If the Scheme completes, any new Peak shares issued under the Entitlement Offer will also be acquired by Chenguang for the consideration offered under the Scheme.

⁴ The minimum Scheme Consideration per Share is A\$0.3589. If less than the full ~A\$7.5 million sought under the Entitlement Offer is raised, the consideration per share that shareholders may receive under the Scheme (should it become effective) would increase. However, if less than the full amount is raised, Peak may need to pursue an alternate capital raising, which could further dilute shareholders and may result in the Scheme's termination.

⁵ Refer to Peak's announcement lodged with the ASX on 9 August 2023 titled '*Executed Offtake Agreement and Strategic MOU with Shenghe*'.

ASX Announcement 15 May 2025

The Scheme is not conditional on any minimum level of subscription being achieved under the Entitlement Offer or the sale of Teesside completing. However, if less than the full amount is raised under the Entitlement Offer (inclusive of a Top-Up Facility and Shortfall Facility) or Peak is unable to sell Teesside for an acceptable sum, Peak may need to pursue an alternate capital raising, which could further dilute shareholders and may result in the termination of the Scheme and the payment of \$1.55 million by way of a break fee to Shenghe⁶. Importantly, investors in the Entitlement Offer should be aware that completion of the Entitlement Offer is not conditional upon the Scheme successfully completing⁷.

Background to the Scheme

In July 2024, Peak and Shenghe signed a non-binding Term Sheet ("**Shenghe Term Sheet**") covering an integrated investment, funding and development solution for the Ngualla Project⁸.

The proposed transaction ("**NGUK Transaction**") entailed Shenghe investing ~A\$96m to subscribe for a 50% interest in Peak's wholly owned subsidiary, Ngualla Group UK Limited ("**NGUK**"), which holds an 84% interest in Mamba Minerals Corporation Limited ("**Mamba Minerals**") and an effective 84% interest in the Ngualla Project. The difference between the Ngualla Project's total development cost and Shenghe's NGUK investment of ~A\$96 million was to be funded via a Shenghe arranged debt facility.

The Government of Tanzania holds a 16% free-carried interest in Mamba Minerals and the Ngualla Project.

Following the signing of the Shenghe Term Sheet, Peak and Shenghe made substantial progress in seeking to finalise the terms of binding transaction documentation to implement the NGUK Transaction.

However, recent geopolitical and regulatory developments have increased the risks of successfully establishing an incorporated joint venture between the parties. As a result, Peak and Shenghe have evaluated alternate transaction structures to the NGUK Transaction that could support greater transaction and project certainty, and a superior outcome for both companies and their shareholders.

⁶ The SID contains customary restrictions on Peak issuing new securities (other than permitted securities issues) without Chenguang's consent. A breach of these provisions that results in termination of the Scheme may result in a break fee being payable to Chenguang.

⁷ If the Scheme is not implemented, Peak shareholders will not realise the benefits of the Scheme, they will not receive any consideration under the Scheme, and they will continue to be exposed to Peak (and its associated risks). For further information regarding the risks associated with the Entitlement Offer and the Scheme, see the Entitlement Offer Booklet that is expected to be released to ASX on Monday, 26 May 2025.

⁸ Refer to Peak's announcement lodged with the ASX on 24 July 2024 titled '*Signed Term Sheet with Shenghe for A\$96m Investment and Fully Funded Project Solution for Ngualla*'.

ASX Announcement 15 May 2025

The Peak Independent Board believes that the Scheme delivers a superior outcome compared to the NGUK Transaction for the following reasons:

- the Scheme has the potential to provide a significantly higher value outcome for Peak shareholders on a risk-weighted basis, with an implied value for Peak of A\$150.5 million (pre-Entitlement Offer), compared to a value of A\$96m for Peak's interest in the Ngualla Project under the NGUK Transaction;
- the Scheme is considered to be unlikely to give rise to the same geopolitical and regulatory risks that ultimately resulted in the parties agreeing to discontinue the NGUK Transaction; and
- Peak shareholders will have an opportunity to realise an attractive price for their shares and avoid potential risks around the development, operation and funding of the Ngualla Project.

Peak Independent Board unanimously recommends the Scheme

The Peak Independent Board unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Peak shareholders. Subject to those same qualifications, each member of the Peak Independent Board who is eligible intends to vote, or cause to be voted, all Peak shares held or controlled by them in favour of the Scheme.

Peak Chief Executive Officer, Bardin Davis, said:

"The proposed Scheme offer price of a minimum of ~A\$0.359 represents an excellent outcome for shareholders and a 199% premium to Peak's closing share price prior to announcement. The offer provides an opportunity for Peak shareholders to realise an attractive price for their shares and accelerate the realisation of the Ngualla Project's value."

ASX Announcement 15 May 2025

Peak Chairman, Russell Scrimshaw, said:

"Having carefully evaluated the NGUK Transaction and other alternative options to develop and fund the Ngualla Project, we believe that the Scheme delivers the best outcome currently available to shareholders on a risk-weighted basis. We are also mindful of the importance to Tanzania of developing the Ngualla Project and believe that Shenghe is well positioned to partner with the Government of Tanzania to successfully develop this world-class project."

The Minister for Minerals for the United Republic of Tanzania, Hon. Anthony Mavunde has been briefed on the transaction by senior representatives of Peak, Shenghe and Mamba Minerals.

The Hon. Anthony Mavunde, said:

"The Government of Tanzania is very appreciative of the efforts of Peak and Shenghe in progressing a transaction that will support the expedited development of the world-class Ngualla Project"

The Tanzanian Minister for Minerals, Hon. Anthony Muvande meeting with Peak Chairman, Dr Russell Scrimshaw (AM), Peak CEO, Bardin Davis, Mamba Minerals CEO, Ismail Diwani, Shenghe Overseas Development Chairman, Quangen Wang and Assistant to the Managing Director of Shenghe Overseas Development, Mona Xu.

Overview of the Scheme

Under the terms of the SID, it is proposed that Chenguang will acquire 100% of Peak by way of a Court-approved scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth).

If the Scheme is implemented, each Peak shareholder on the record date for the Scheme will receive a cash amount per share ("**Scheme Consideration per Share**").

The total cash consideration payable by Chenguang pursuant to the Scheme for 100% of Peak is equal to A\$150.5 million plus the total amount raised (before costs) pursuant to the

ASX Announcement 15 May 2025

Entitlement Offer. The Scheme Consideration per Share is calculated by the following formula:

$$\text{Scheme Consideration per Share} = \frac{\text{A\$150.5m} + \text{Amount raised pursuant to Entitlement Offer (before-costs)}}{\text{Shares on issue at the time the Scheme becomes Effective (being Peak's fully diluted issued capital inclusive of shares issued pursuant to the Entitlement Offer and shares issued upon the vesting of Performance Rights)}}$$

If the Entitlement Offer is successful in raising the full A\$7.5 million (before costs), the total consideration payable by Chenguang would be A\$158 million, which equates to A\$0.359 per Share based on Peak's fully diluted issued capital of 440,111,934 Shares⁹. This represents a substantial and attractive premium of:

- 199% to Peak's last closing share price prior to this announcement of A\$0.12 per share on 9 May 2025; and
- 160% to Peak's 20-day volume-weighted average price prior to this announcement of A\$0.138 per share.

Shareholders should be aware that the Scheme Consideration per Share will increase if Peak is unsuccessful in raising the full amount sought pursuant to the Entitlement Offer. However, shareholders who do not take up New Shares in the Entitlement Offer may experience material dilution of their shareholding in Peak and will not acquire New Shares which could participate in the Scheme should it proceed. In addition, if less than the full amount is raised under the Entitlement Offer (inclusive of the Top-Up Facility and Shortfall Facility) or Peak fails to divest its Teesside site in the UK for sufficient proceeds to adequately supplement existing cash and funds raised under the Entitlement Offer, in order to satisfy Peak's working capital requirements and the expected transaction costs associated with the Scheme, Peak may need to pursue an alternate capital raising, which could further dilute shareholders and may result in the termination of the Scheme.

The Scheme is subject to approval by Peak shareholders at the Scheme meeting, which is anticipated to be held in September 2025. For the Scheme to proceed, the Scheme must be approved by at least 75% of all votes cast by Peak shareholders and a majority by number of all Peak shareholders present and voting (in person or by proxy) at the Scheme meeting.

⁹ Based on fully diluted Shares outstanding of 440,111,934, which is comprised of 352,116,612 Shares on issue (undiluted) as at the date of this announcement, 74,920,432 New Shares issued under the Entitlement Offer (assuming full subscription) and 13,074,890 shares issued on conversion of existing Peak performance rights

ASX Announcement 15 May 2025

Chenguang and its related bodies corporate, holding 19.86% of Peak, will not be able to vote with other Peak shareholders on the resolution to approve the Scheme.

Other conditions relating to the Scheme include:

- receipt of regulatory approvals in the People's Republic of China (including Ministry of Commerce, National Development and Reform Commission ("**NDRC**") and registration with the State Administration of Foreign Exchange ("**SAFE**") or a commercial bank entrusted or delegated by SAFE) (the "**PRC Regulatory Approvals**");
- receipt of approval from the Fair Competition Commission of Tanzania and any other approvals required from the Mining Commission of Tanzania;
- receipt of written confirmation from the Government of Tanzania that the Ngualla Project Special Mining Licence remains valid and free of any outstanding default notices;
- the independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of Peak shareholders;
- the requisite Australian court approvals; and
- other customary conditions, including no restraint of the Scheme by a government agency, no prescribed occurrence, no material adverse change and no material breach of warranties.

Importantly, the Scheme is not subject to any financing or due diligence conditions.

The conditions relating to the Scheme must be satisfied by no later than 15 December 2025 ("**Scheme End Date**").

The SID contains customary exclusivity obligations for Peak, including no shop, no talk and no due diligence restrictions, notification obligations, provision of information obligations and a matching right for Chenguang in the event that any superior proposal emerges for Peak.

The SID also details the circumstances in which a break fee may be required to be paid by Peak to Chenguang and circumstances where Chenguang may be required to pay a reverse break fee to Peak. The amount of the break fee and reverse break fee, should either become payable, is A\$1.55 million.

In the event that:

ASX Announcement 15 May 2025

- the SID is terminated because the PRC Regulatory Approvals condition precedent has not been satisfied; or
- the PRC Regulatory Approvals condition precedent has not been satisfied by the Scheme End Date and the SID has been terminated (provided that none of the other conditions precedent remain outstanding as at the Scheme End Date other than conditions precedent that remain outstanding as a result of, or otherwise due in whole or in part to, the PRC Regulatory Approvals condition precedent not having been satisfied by the Scheme End Date),

then, at Peak's election (and, if required, subject to Peak shareholder approval being obtained), Peak can require Shenghe to subscribe for A\$1.55 million worth of Shares at a price representing a 20% discount to the Scheme Consideration per Share.

Full details of the conditions precedent to the Scheme are set out in the SID, a copy of which is attached to this announcement.

Overview of the Entitlement Offer

To seek to ensure that the Company is sufficiently funded whilst it pursues implementation of the proposed Scheme, Peak will undertake a non-underwritten Entitlement Offer of new fully paid ordinary shares in Peak ("**Shares**") to raise up to approximately A\$7.5 million (before costs).

Under the Entitlement Offer, eligible shareholders will have the opportunity to subscribe for new Shares in Peak under the following terms:

- 1 new fully paid ordinary share for every 4.70 Shares ("**New Shares**") held as at 7.00pm (Sydney time) on Wednesday, 21 May 2025 ("**Offer Record Date**");
- offer price of A\$0.10 per New Share ("**Offer Price**"), which represents a:
 - 14.2% discount to the Theoretical Ex-Rights Price ("**TERP**") of A\$0.116 per Share based on last closing price of A\$0.12 per Share;¹⁰
 - 16.7% discount to the last closing price of A\$0.12 per Share on 9 May 2025; and
 - 72.1% discount to the minimum Scheme Consideration per Share of ~A\$0.359, assuming the Entitlement Offer successfully raises ~A\$7.5 million (before costs);

¹⁰ The TERP is the theoretical price at which Shares should trade immediately after the ex-date for the Entitlement Offer. TERP is a theoretical calculation only and the actual price at which Shares trade immediately after the ex-date for the Entitlement Offer will depend on many factors and may not equate to TERP. TERP is calculated by reference to Peak's closing price of A\$0.12 on 9 May 2025. The TERP calculation includes New Shares issued under the Entitlement Offer (assuming full subscription).

ASX Announcement 15 May 2025

- it is expected that, subject to certain conditions, existing shareholders on the Company's share register with registered addresses in Australia, the European Union (Germany, Italy, Luxembourg, the Netherlands and Portugal), Hong Kong, New Zealand, Singapore or the United Kingdom as at the Offer Record Date ("**Eligible Shareholders**") will be eligible to participate in the Entitlement Offer¹¹;
- each New Share issued under the Entitlement Offer will rank equally with the Company's existing fully paid ordinary shares from the date of issue;
- the Entitlement Offer is non-renounceable, and entitlements will not be tradeable or otherwise transferrable;
- shareholders who do not take up their entitlement in full will not receive any value in respect of entitlements not taken up; and
- Eligible Shareholders (other than Peak directors and any person to whom ASX Listing Rule 10.11 applies) who take up their entitlement in full will be able to apply for additional New Shares in excess of their entitlement under a top-up facility ("**Top-Up Facility**"). Any New Shares not applied for by Eligible Shareholders under their entitlement will be included in the Top-Up Facility, with the Company intending to place any shortfall of New Shares not taken up by Eligible Shareholders (after application of the Top-Up Facility) in the three month period following the close of the Entitlement Offer pursuant to a shortfall facility ("**Shortfall Facility**").¹²

Shenghe Singapore has committed to take up its full entitlement related to its shareholding of 19.86% under the Entitlement Offer. This represents a commitment of approximately A\$1.49 million.

If the Scheme is implemented, any New Shares subscribed for and issued under the Entitlement Offer will be acquired by Chenguang under the Scheme.

However, shareholders and other investors should be aware that completion of the Entitlement Offer is not conditional upon whether or not the Scheme successfully completes.

¹¹ The full terms and conditions of the Entitlement Offer, including Eligible Shareholder criteria, will be contained in the Entitlement Offer Booklet that is expected to be released on Monday, 26 May 2025. Shareholders and other investors should not assume that they will be Eligible Shareholders and able to participate in the Entitlement Offer and should wait to review the Entitlement Offer Booklet in full before forming a view in this regard.

¹² The Peak directors reserve the right, subject to the requirements of the ASX Listing Rules and the *Corporations Act 2001* (Cth), to place any shortfall (after application of the Top-Up Facility) at their discretion within three months after the closing date of the Entitlement Offer. Any such Shares will be issued at the same price as the Offer Price per New Share offered to Eligible Shareholders under the Entitlement Offer.

ASX Announcement 15 May 2025

In this regard, the Scheme is subject to a number of conditions precedent. Many of these conditions precedent are outside the control of Peak, including but not limited to, the receipt of all necessary shareholder and regulatory approvals required to implement the Scheme, including from government agencies in China and Tanzania.

If a condition precedent is not satisfied or waived (where applicable), the Scheme may not be able to be successfully implemented. Shareholders and potential investors should be aware that if the Scheme is not implemented, they will not realise the benefits of the Scheme, they will not receive any consideration under the Scheme, and they will continue to be exposed to Peak (and its associated risks). It may also have a material adverse effect on the market price of Shares and the price of Shares may fall below the Offer Price.

Further, as the Entitlement Offer is not underwritten, there is a risk that insufficient subscriptions are received under the Entitlement Offer to fund Peak's activities either for the period to implementation of the Scheme or thereafter should the Scheme not proceed. Similarly, a risk also exists that Peak is unable to divest its non-core Teesside site for sufficient proceeds to adequately supplement existing cash and funds raised under the Entitlement Offer in order to satisfy Peak's working capital requirements and the expected transaction costs associated with the Scheme. Should this occur, Peak may need to pursue an alternate capital raising, which:

- could further dilute shareholders, and
- may result in the termination of the Scheme which, in turn, would place the future funding capacity of the Company at risk.¹³

Additional information regarding the Entitlement Offer (including terms and conditions of the Entitlement Offer, Eligible Shareholder criteria, the Top-Up Facility and risks associated with an investment in Peak) will be provided to Eligible Shareholders in the Entitlement Offer booklet. Peak expects to dispatch the Entitlement Offer booklet, and personalised entitlement and acceptance forms, to Eligible Shareholders on Monday, 26 May 2025.

Eligible Shareholders are encouraged to carefully read the Entitlement Offer booklet for further details of the Entitlement Offer.

As indicated above, Eligible Shareholders should be aware that an investment in the Company, including taking up their entitlement, involves risks.

¹³ There can be no assurance that Peak will be able to obtain additional financing when required in the future, or that the terms and the time in which any such financing can be obtained will be acceptable to Peak.

 - (ii) in the circumstances that are commercially onerous or unreasonable in the context of this document;

 - (i) complete its obligations under this document; and
 - (ii) take all necessary steps and exercise all rights necessary to implement the Scheme,in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline set out in the Timetable will not constitute a breach of **clause 2.3(a)** to the extent that such failure is due to circumstances and matters outside the party's control (including any delays caused by a Government Agency).
- (c) Each party must keep the other informed about their progress against the Timetable and notify the other if it believes that any of the dates in the Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Timetable are unable to be achieved or not reasonably likely to be able to be achieved due to matters outside the parties' control (including, for the avoidance of doubt, any delays caused by a Government Agency), the parties will consult in good faith to agree any necessary extension.

3 Conditions Precedent

3.1 Conditions Precedent

Subject to this **clause 3**, the Scheme will not become Effective, and the respective obligations of the parties in relation to the implementation of the Scheme are not binding, until each of the Conditions Precedent in **schedule 1** is satisfied or waived to the extent and in the manner set out in this **clause 3**.

3.2 Benefit and waiver of certain Conditions Precedent

- (a) A Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) may only be waived in writing by a party entitled to the benefit of the Condition Precedent and then only according to the table in **schedule 1**.
- (b) A party entitled to waive a Condition Precedent (or a breach or non-fulfilment of a Condition Precedent) under this **clause 3.2** may do so in its absolute discretion.
- (c) Any waiver of a Condition Precedent by a party who is entitled to do so pursuant to **clause 3.2(a)** is only effective if such waiver is given on or prior to 8.00am on the Second Court Date.
- (d) If the waiver of a Condition Precedent is itself given subject to a condition and the other party:
 - (i) accepts the condition, the terms of that condition apply and are binding under this document; or
 - (ii) does not accept the condition, the Condition Precedent is not waived for the purposes of this document.
- (e) A waiver of a Condition Precedent (or waiver of a breach or non-fulfilment of a Condition Precedent) in accordance with this **clause 3.2** does not:
 - (i) constitute a waiver of any other Condition Precedent (including where the event constitutes a breach of a number of Conditions Precedent) or a waiver of that Condition Precedent resulting from any other event; and
 - (ii) prevent a party from suing the other for damages for breach of this document as a result of the breach or non-satisfaction of the relevant Condition Precedent.

3.3 Reasonable endeavours

- (a) Each party must, to the extent that it is within its power to do so, use its reasonable endeavours to procure that each of the Conditions Precedent for which it is listed as having responsibility in the table in **schedule 1** are satisfied as soon as practicable after the date of this document and continue to be satisfied at all times until the last time that relevant Condition Precedent provides that it is to be satisfied.
- (b) Each party must not, without the prior written consent of the other party, take any action or refrain from taking any action (except as required by law or permitted under this document) designed to prevent a Condition Precedent being satisfied.
- (c) The parties must cooperate and, to the extent reasonably practicable, assist one another with satisfying their obligations under this **clause 3**.

- (d) Nothing in this **clause 3** or any other provision of this document requires Chenguang to accept or agree to any condition, requirement or undertaking imposed or proposed by any Government Agency in respect of a Regulatory Approval, other than conditions, requirements or undertakings that are acceptable to Chenguang.

3.4 Notifications

Each party must:

- (a) keep the other promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of each Condition Precedent;
- (b) promptly notify the other in writing if it becomes aware that any Condition Precedent has been satisfied, in which case the notifying party must also provide reasonable evidence that the Condition Precedent has been satisfied; and
- (c) promptly, and in any event within two Business Days, notify the other in writing if it becomes aware of the happening of any change, fact, event, matter or occurrence that would, does, will or would reasonably be likely to:
 - (i) prevent a Condition Precedent being satisfied; or
 - (ii) mean that any Condition Precedent will otherwise not be satisfied, before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified) or such Condition Precedent is not otherwise satisfied by that time and date (including if Shareholders do not agree to the Scheme at the Scheme Meeting by the requisite majorities).

3.5 Certificate

- (a) Before 8.00am on the Second Court Date, Peak will provide a certificate to Chenguang confirming whether or not it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches.
- (b) Before 8.00am on the Second Court Date, Chenguang will provide a certificate to Peak confirming whether or not it has breached any of its obligations under this document (including a breach of a representation or warranty), and if it has, giving details of such breaches.

3.6 Termination on failure of a Condition Precedent

- (a) If:
 - (i) there is an act, a failure to act, an event or an occurrence that would, or does, prevent any of the Conditions Precedent being satisfied (including if Shareholders do not agree to the Scheme at the Scheme Meeting), or if any of the Conditions Precedent will not otherwise be satisfied, by the earlier of:

(A) the time and date specified in this document for the satisfaction of that Condition Precedent; and

(B) the End Date,

or such Condition Precedent is otherwise not satisfied by that specified time and date or by the End Date (as applicable); or

(ii) it becomes more likely than not that the Scheme will not become Effective by the End Date,

then Peak and Chenguang must promptly consult in good faith with a view to determining whether:

(iii) the Scheme, or a transaction which results in the transfer of all of the Shares to Chenguang, may proceed by way of alternative means or methods;

(iv) to extend the relevant time or date for satisfaction of the Condition Precedent;

(v) a party with a right to waive that Condition Precedent will do so;

(vi) to change the date of the application to be made to the Court for orders under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed by the parties;

(vii) to extend the End Date;

(viii) to otherwise amend the Timetable; or

(ix) to take a combination of any of the actions referred to in **clause 3.6(a)(iii) to 3.6(a)(viii)**.

(b) Subject to **clause 3.6(d)**, if the parties are unable to reach agreement under **clause 3.6(a)** by the earlier of:

(i) the date that is 15 Business Days after commencing discussions in relation to the relevant event or occurrence that would, or does, prevent a Condition Precedent being satisfied;

(ii) the date that is 15 Business Days after the time and date specified in this document for the satisfaction of the Condition Precedent; and

(iii) 8.00am on the Second Court Date,

as appropriate, then, unless that Condition Precedent has been waived in accordance with **clause 3.2**, the party entitled to the benefit of that Condition Precedent (which may be either party where both parties are entitled to the benefit of the Condition Precedent) may (subject to **clause 3.6(c)**) terminate this document without any liability to the other party because of that termination. For the avoidance of doubt, nothing in this **clause 3.6(b)** affects:

- (iv) the obligation of Peak to pay the Peak Reimbursement Fee, if it is required to do so under **clause 10**; or
 - (v) the obligation of Chenguang to pay the Chenguang Reimbursement Fee, if it is required to do so under **clause 11**.
- (c) A party will not be entitled to terminate this document pursuant to **clause 3.6(b)** if the relevant Condition Precedent has not been satisfied as a result of:
 - (i) a breach of this document by that party; or
 - (ii) a deliberate act or omission of that party (except acts or omission permitted by this document) which either alone or together with other circumstances prevents that Condition Precedent being satisfied.
- (d) If the Condition Precedent in **item 4 of schedule 1** is not satisfied only because of a failure to obtain the majority required by sub-paragraph 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other within three Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court be sought, pursuant to the Court's discretion in that sub-paragraph, provided that the party has, in good faith, reasonably formed the view that the prospect of the Court exercising its discretion in this way is reasonable. If:
 - (i) approval is given, the Condition Precedent in **item 4 of schedule 1** is deemed to be satisfied for all purposes; or
 - (ii) the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in **item 4 of schedule 1** at Chenguang's request, Peak must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel of the Western Australian bar practising in the field of corporate law indicates that, in their view, an appeal would have negligible prospects of success before the End Date). If any such appeal request is undertaken at the request of Chenguang, Chenguang will bear Peak's costs of the appeal (including the costs of the independent senior counsel) unless the parties agree otherwise.

4 Transaction Steps

4.1 Scheme

Peak must propose the Scheme to Shareholders on and subject to the terms of this document.

4.2 Scheme Consideration

- (a) The parties acknowledge that each Scheme Shareholder will be entitled to receive the Scheme Consideration in respect of each Scheme Share

held by that Scheme Shareholder in accordance with the terms and conditions of this document and the Scheme.

 - (i) accept that transfer; and
 - (ii) provide, or cause to be provided, to each Scheme Shareholder the Scheme Consideration for each Scheme Share held by them, in accordance with this document, the Scheme and Deed Poll.

4.3 Provision of information in relation to Shares

In order to facilitate the provision of the Scheme Consideration, Peak must provide, or procure the provision of, a complete copy of the Share Register as at the Record Date to Chenguang or a nominee of Chenguang (which must include the name, registered address and registered holding of each Scheme Shareholder as at the Record Date), within one Business Day after the Record Date. The details and information to be provided under this clause must be provided in such form as Chenguang or its nominee may reasonably require.

4.4 Joint holders

In the case of Scheme Shares held in joint names:

- (a) the Scheme Consideration is payable to the joint holders and any cheque required to be sent under the Scheme will be made payable to the joint holders and sent to either, at the sole discretion of Peak, the holder whose name appears first in the Share Register as at the Record Date or to the joint holders; and
- (b) any other document required to be sent under the Scheme is to be forwarded to either, at the sole discretion of Peak, the holder whose name appears first in the Share Register as at the Record Date or to the joint holders.

4.5 Fractional entitlements

Where the calculation of the Scheme Consideration to be provided to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded down to the nearest whole cent.

4.6 Chenguang may nominate a Subsidiary

- (a) Peak agrees that Chenguang may nominate a wholly owned Subsidiary of Chenguang (**Chenguang Sub**) to acquire all of the Scheme Shares under the Scheme by giving written notice to Peak on or before the date that is ten Business Days before an advanced draft of the Scheme Booklet is submitted to ASIC for review (**Sub Notification**).

- (b) If Chenguang nominates a Chenguang Sub to acquire all of the Scheme Shares under the Scheme, then:
 - (i) references in this document to Chenguang acquiring the Scheme Shares under the Scheme, or taking any other action under or in respect of the Scheme, are to be read as references to the Chenguang Sub doing so;
 - (ii) Chenguang and Chenguang Sub will both enter into the Deed Poll;
 - (iii) Chenguang must procure that Chenguang Sub complies with its obligations under, and completes the acquisition in accordance with the terms of, this document, the Scheme and the Deed Poll; and
- (c) despite **clauses 4.6(b)(i) to 4.6(b)(iii)**, Chenguang will continue to be bound by all of the obligations of Chenguang under this document and will not be released from any obligations or liabilities under this document following the Sub Notification.

4.7 Performance Rights

Peak must take such action as is necessary to ensure that:

- (a) there are no outstanding Performance Rights on or after the Record Date; and
- (b) subject to the Scheme becoming Effective, prior to the Record Date, all Performance Rights will be cancelled or vest in accordance with their terms, applicable law and the Listing Rules and be exercised (if applicable), and the resulting Shares are issued, which action will include:
 - (i) the Peak Board accelerating the vesting of, or waiving any vesting conditions or vesting periods applying to, any or all Performance Rights (subject to the terms of the Performance Rights permitting such accelerated vesting or waiving of such vesting conditions or periods, applicable law, the Listing Rules and the proper exercise of the Peak Board's discretion); and
 - (ii) the Peak Board taking all reasonable steps and actions as are necessary to ensure the Performance Rights are exercised immediately:
 - (A) for the vested Performance Rights that have not been exercised prior to the Effective Date, upon the Effective Date; and
 - (B) for all other Performance Rights, upon those Performance Rights vesting;
 - (iii) Peak making all necessary applications to ASX for waivers under the Listing Rules (if required); and

- (iv) Peak issuing or procuring the issue or transfer of such number of Shares as required by the terms of the Performance Rights before the Record Date so that the holders of those Performance Rights can participate as Scheme Shareholders in the Scheme and receive the Scheme Consideration.

5 Implementation

5.1 Peak's obligations

Peak must take all steps necessary to propose and implement the Scheme as soon as is reasonably practicable after the date of this document and must use reasonable endeavours to ensure that each step in the Timetable within Peak's control is met by the date set out beside that step (and must consult with Chenguang on a regular basis about its progress in that regard) in accordance with all applicable laws, including taking each of the following steps:

 - (ii) taking all comments made by Chenguang into account in good faith when producing revised drafts of the Scheme Booklet;
 - (iii) without limiting the above, providing to Chenguang a revised draft of the Scheme Booklet proposed to be provided to ASIC within a reasonable time, and in any event no later than 2 Business Days, before that draft is finalised to enable Chenguang to review that draft before its submission; and
 - (iv) consulting with Chenguang in relation to the content of the documents required for the purpose of each of the Court hearings held for the purposes of sections 411(1) and 411(4)(b) of the Corporations Act in relation to the Scheme (including originating process, affidavits, submissions and draft minutes of Court orders) and consider in good faith, for the purposes of amending drafts of those documents, comments from Chenguang on those documents;
- (f) **(Chenguang Information)** obtain written consents from Chenguang for the form and context in which the Chenguang Information appears in the Scheme Booklet and not lodge the Scheme Booklet with ASIC for registration until such approval is obtained from Chenguang, and otherwise not use Chenguang Information for any purposes other than those expressly contemplated by this document or the Scheme;

- (o) **(update Scheme Booklet)** if, after the Scheme Booklet has been sent to Shareholders, it becomes aware of information that is:
 - (i) not included in the Scheme Booklet and that is:
 - (A) material for disclosure to Shareholders in deciding whether to approve the scheme; or

- (ii) included, or omitted in the Scheme Booklet and is misleading or deceptive in a material respect in the form and context in which it appears in the Scheme Booklet,

inform Shareholders of the information in an appropriate and timely manner, in accordance with applicable law. Peak must consult with Chenguang as to the form and content of any supplementary disclosure before it is made to Shareholders, and, to the extent reasonably practicable, must provide Chenguang with a reasonable opportunity to review and comment on such disclosure before it is made and must consider in good faith any comments provided by or on behalf of Chenguang. - (a) At or prior to the Implementation Date, Peak must purchase a D&O Run Off Policy on terms and conditions providing coverage retentions, limits and other material terms (including in relation to deductibles) substantially equivalent to the Peak Directors' and officers' insurance annual policy in place as at the date of this document (**Existing D&O Policy**), provided that in connection with obtaining such D&O Run Off Policy, Peak will use reasonable endeavours to:
 - (i) obtain a proposal from the broker (**First Broker**) that arranged the Existing D&O Policy to obtain base premium, GST and stamp duty quotes and coverage terms & conditions from one or more Standard & Poor's insurers rated not less than A- (**S&P Insurers**) for a D&O Run Off Policy (**First Indicative Run Off Policy**); and

 - (i) use reasonable endeavours to obtain the most attractive commercial terms for the D&O Run Off Policy;
 - (ii) consult in good faith with Chenguang regarding the proposed terms of the First Indicative Run Off Policy, Second Indicative Run Off Policy and the Preferred Run Off Policy;

terms that are reasonably the same in all material respects, as the Existing D&O Policy (it being acknowledged that the market for cover is dynamic and reasonable regard is to be had to the extent to which the level and type of cover in place under the Existing D&O Policy is available for the extended run-off).

- (d) Subject to the Scheme becoming Effective, Chenguang undertakes in favour of Peak and each other Peak Indemnified Party that it will procure that:
 - (i) for a period of seven years from the Implementation Date (or if the relevant Peak Group Member is wound up or otherwise de-registered earlier than such date, at all times whilst the relevant Peak Group Member is in existence as a corporate entity, including if the relevant Peak Group Member registration is re-instated), the constitution of Peak and each Peak Group Member will continue to contain such rules as are contained in those constitutions at the date of this document that provide for each company to indemnify each of its previous directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a Peak Group Member;
 - (ii) Peak and each Peak Group Member complies with any deeds of indemnity, access and insurance entered into by them in favour of their respective directors and officers from time to time (or to the extent that a relevant Peak Group Member is wound up or otherwise de-registered, Chenguang will procure that the relevant directors and officers of the relevant Peak Group Member have access to the same information that they would otherwise have access to if the relevant Peak Group Member was not wound up or otherwise de-registered); and

- (i) Chenguang has and will incur significant costs (including opportunity costs), expenses, outgoings and losses if Chenguang enters into this document and the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
- (ii) In these circumstances, the parties have agreed that provision be made for the payment outlined in **clause 10.2** and it is reasonable and appropriate to agree to pay the Peak Reimbursement Fee to secure Chenguang's entry into this document; and
- (iii) the Peak Reimbursement Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of Chenguang in relation to the proposed Scheme, including:
 - (A) fees for legal, financial and other professional advice in planning and implementing the Proposed Transaction (excluding success fees);
 - (B) reasonable opportunity costs incurred in engaging in the Proposed Transaction or in not engaging in other alternative acquisitions or strategic initiatives;

 - (ii) withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation, Voting Intention or support for the Scheme generally,

except where the Peak Director takes (or fails to take) any of the actions set out in **paragraphs (c)(i) to (c)(ii)** above because:

- (iii) the Independent Expert concludes in the Independent Expert's Report (or any update of, or revision, amendment or supplement to, that report) that the Scheme is not in the best interests of Shareholders (other than in circumstances where that conclusion is due wholly or partly to the existence, announcement or publication of a Competing Proposal), provided that any change of their Recommendation or Voting Intention must only occur after the Independent Expert has issued its conclusion that the Scheme is not in the best interests of Shareholders; or
- (iv) a court of competent jurisdiction, ASIC or the Takeovers Panel has requested that they change, withdraw, qualify or modify, or abstain from making, their Recommendation or Voting Statement; or
- (d) Chenguang validly terminates this document in accordance with **clause 13.1(a)(i) or 13.1(c)(i)**.

10.3 Timing of payment

Peak must pay to Chenguang the Peak Reimbursement Fee (without set-off or withholding) to the account nominated by Chenguang within five Business Days of receipt of a written demand from Chenguang.

10.4 Compliance with law

- (a) If it is finally determined by the Takeovers Panel or a court of competent jurisdiction, after the exhaustion of all proper avenues of appeal and review (judicial or otherwise), that all or any part of the Peak Reimbursement Fee required to be paid under this **clause 10**:
 - (i) is unlawful or unenforceable; or
 - (ii) constitutes unacceptable circumstances (as determined by the Takeovers Panel or a court) or breaches an order of the Takeovers Panel,

(the **Impugned Amount**), then:

- (iii) the requirement to pay the Peak Reimbursement Fee does not apply to the extent of any Impugned Amount; and
- (iv) if Chenguang has received the Impugned Amount, it must refund it within five Business Days of the determination being made.

- (a) Chenguang acknowledges and agrees that, subject to **clause 10.6(b)**:
 - (i) payment of the Peak Reimbursement Fee is the maximum aggregate amount which Peak is required to pay in relation to this document (including as a result of any breach of this document by Peak or any other Claim) and in no event will the aggregate liability of Peak under or in connection with this document or any Claim exceed the amount of the Peak Reimbursement Fee;
 - (ii) the amount of the Peak Reimbursement Fee payable to Chenguang under this clause shall be reduced by the amount of any loss or damage recovered by Chenguang in relation to a breach of any other clause of this document; and

- (b) The limitation in **clause 10.6(a)** does not:
 - (i) prevent Chenguang (in its own right or as trustee for another person, as the case may be under this document) from seeking orders from a court of competent jurisdiction for the specific performance by Peak of any obligations under this document; and
 - (ii) extinguish or limit the liability of Peak for any breach of this document arising from criminal acts, fraud or wilful default by Peak.

11 Chenguang Reimbursement Fee

11.1 Acknowledgement

- (a) Chenguang believes, having taken advice from its external legal and financial advisers, that it and its shareholders will derive significant benefits from the implementation of the Scheme and acknowledges that:

- (i) Peak has and will incur significant costs, expenses, outgoings and losses if the Scheme is not successful, and that it is not possible to accurately ascertain these costs;
- (ii) In these circumstances, the parties have agreed that provision be made for the payment outlined in **clause 11.2** and it is reasonable and appropriate to agree to pay the Chenguang Reimbursement Fee to secure Peak's entry into this document; and
- (iii) the Chenguang Reimbursement Fee represents a genuine and reasonable pre-estimate of the internal, external advisory and financial costs (and all associated out of pocket expenses) of Peak in relation to the proposed Scheme, including:

11.3 Timing of payment

Chenguang must pay to Peak the Chenguang Reimbursement Fee (without set-off or withholding) to the account nominated by Peak within five Business Days of receipt of a written demand from Peak.

11.4 Compliance with law

- (a) If it is finally determined by the Takeovers Panel or a court of competent jurisdiction, after the exhaustion of all proper avenues of appeal and review (judicial or otherwise), that all or any part of the Chenguang Reimbursement Fee required to be paid under this **clause 11**:
 - (i) is unlawful or unenforceable; or
 - (ii) constitutes unacceptable circumstances (as determined by the Takeovers Panel or a court) or breaches an order of the Takeovers Panel,

(the **Impugned Amount**), then:

- (iii) the requirement to pay the Chenguang Reimbursement Fee does not apply to the extent of any Impugned Amount; and
 - (iv) if Peak has received the Impugned Amount, it must refund it within five Business Days of the determination being made.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in **clause 11.4(a)**.

11.5 No Chenguang Reimbursement Fee in certain circumstances

The Chenguang Reimbursement Fee is not payable under **clause 11.2** if the Scheme becomes Effective despite the occurrence of any event referred to in that clause.

11.6 Maximum liability

- (a) Peak acknowledges and agrees that, subject to **clause 11.6(b)**:
- (i) payment of the Chenguang Reimbursement Fee is the maximum aggregate amount which Chenguang is required to pay in relation to this document (including as a result of any breach of this document by Chenguang or any other Claim) and in no event will the aggregate liability of Chenguang under or in connection with this document or any Claim exceed the amount of the Chenguang Reimbursement Fee;
 - (ii) the amount of the Chenguang Reimbursement Fee payable to Peak under this clause shall be reduced by the amount of any loss or damage recovered by Peak in relation to a breach of any other clause of this document; and
 - (iii) where the Chenguang Reimbursement Fee is paid to Peak under this document (or would be payable if a demand was made), Peak cannot make any claim against Chenguang or any other Chenguang Indemnified Party in relation to any event or occurrence referred to in **clause 11.2**.
- (b) The limitation in **clause 11.6(a)** does not:
- (i) prevent Peak (in its own right or as trustee for another person, as the case may be under this document) from seeking orders from a court of competent jurisdiction for the specific performance by Chenguang of any obligations under this document; and
 - (ii) extinguish or limit the liability of Chenguang for any breach of this document arising from criminal acts, fraud or wilful default by Chenguang.

12 Exclusivity

12.1 No existing discussions

Peak represents and warrants to Chenguang that, as at the date of this document:

- (a) neither it nor any Peak Group Member is party to any agreement, arrangement or understanding with a Third Party entered into for the purpose of facilitating a Competing Proposal;
- (b) it and each Peak Group Member and each of their respective Representatives have ceased, and are not currently party to, any discussions, negotiations or other communications with any Third Party in relation to, or which may reasonably be expected to lead to, a Competing Proposal; and
- (c) that it and each Peak Group Member has ceased to provide or make available any non-public information in relation to the Peak Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal.

12.2 No-shop

During the Exclusivity Period, Peak must not, and must ensure that each of the Peak Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, encourage or invite (including by the provision of non-public information) any enquiry, expression of interest, offer, proposal, negotiation, discussion or other communication by any person; or
- (b) communicate an intention to do any of the things referred to in **clause 12.2(a)**,

in relation to, with a view to obtaining or which would otherwise reasonably be expected to encourage or lead to the making of any actual, proposed or potential Competing Proposal.

12.3 No-talk

Subject to **clause 12.8**, during the Exclusivity Period, Peak must not, and must ensure that each of the Peak Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) facilitate, continue or otherwise participate in any negotiations, discussions or other communications with respect to any enquiry, expression of interest, offer, proposal, negotiation or discussion by any person to make, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal;
- (b) negotiate, accept or enter into, or offer to agree to negotiate, accept or enter into, any agreement, arrangement or understanding regarding an

actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; or

- (c) communicate an intention to do any of the things referred to in **clause 12.3(a) or 12.3(b)**,

even if the Competing Proposal was not directly or indirectly solicited, encouraged, invited or initiated by Peak or any of its Representatives, or the Competing Proposal has been publicly announced.

12.4 No due diligence

Subject to **clause 12.8**, during the Exclusivity Period, except with the prior written consent of Chenguang, Peak must not, and must ensure that each of the Peak Group Members and its and their respective Representatives do not, directly or indirectly:

- (a) solicit, initiate, invite, encourage, facilitate or permit any Third Party to undertake due diligence investigations in respect of any Peak Group Member or any of their businesses, affairs or operations; and
- (b) disclose or otherwise provide or make available to any person (other than Chenguang or a Government Agency that has the right to obtain that information and has sought it), or permit any such person, to receive any non-public information relating to any Peak Group Member or any of their businesses, affairs or operations,

in each case, in connection with, for the purposes of, with a view to obtaining or which otherwise could reasonably be expected to lead to or encourage the formulation, receipt or announcement of an actual, proposed or potential Competing Proposal, whether by that person or another person.

12.5 Notification of approaches

- (a) During the Exclusivity Period, Peak must as soon as possible, and in any event within two Business Days, notify Chenguang in writing if it, or any of the Peak Group Members or its or their respective Representatives, becomes aware of any:
 - (i) approach, inquiry, proposal or other attempt made by any person to Peak or any of its Representatives, to initiate any discussions, negotiations or other communications, or any intention to make such an approach or attempt to initiate any discussions, negotiations or other communications, in respect of any inquiry, expression of interest, offer, proposal, discussion or other communication in relation to an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal;
 - (ii) expression of interest, offer, proposal or other communication made to Peak or any of its Representatives in connection with, or in respect of any exploration or completion of, an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; or

- (iii) request made by any person to Peak or any of its Representatives for, or the provision by Peak or any of its Representatives to any person of, any non-public information relating to the business, affairs or operations of any Peak Group Member in connection with such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited and whether in writing or otherwise.

- (b) A notification given under **clause 12.5(a)** must include the identity of the relevant person making or proposing the relevant actual, proposed or potential Competing Proposal, together with all of the material terms and conditions of the actual, proposed or potential Competing Proposal (including the price (or if not cash, implied value), funding, the form of consideration, the conditions precedent, the proposed deal protection arrangements, break fee provisions, timing and other key terms and the identity of the proponent(s) of such proposal), in each case to the extent known by Peak or any Peak Group Member or its or their respective Representatives.
- (c) During the Exclusivity Period, Peak must also notify Chenguang in writing as soon as possible after it, or any Peak Group Member or its or their Representatives, becomes aware of any material developments in relation to the actual, proposed or potential Competing Proposal, including in respect of any of the information previously provided to Chenguang under this **clause 12.5**.

12.6 Provision of information

- (a) Subject to **clause 12.6(b)**, during the Exclusivity Period, if any non-public information about the business, operations or affairs of Peak or a Peak Group Member is disclosed, provided or otherwise made available to any person in connection with any actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, which has not previously been provided or made available to Chenguang, Peak must promptly, and in any event within two Business Days of the provision of the information, provide to Chenguang:
 - (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of or reasonable access to, that non-public information.
- (b) During the Exclusivity Period, Peak must not, and must procure that each of its Representatives do not, directly or indirectly disclose or otherwise provide or make available any non-public information about the business, operations or affairs of the Peak Group to any person (other than Chenguang) in connection with an actual, proposed or

potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal, unless permitted by **clause 12.4**.

12.7 Matching right

- (a) Without limiting any other provision of this document, during the Exclusivity Period, Peak:
 - (i) must not and must procure that each Peak Group Member and each of its and their Representatives do not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which any person proposes, or proposes to undertake or give effect to, an actual, proposed or potential Competing Proposal, or that may be reasonably expected to lead to a Competing Proposal; and
 - (ii) must procure that no member of the Peak Independent Board:
 - (A) changes, withdraws or modifies their Recommendation or Voting Intention in favour of the Scheme; or
 - (B) publicly recommends, supports or endorses an actual, proposed or potential Competing Proposal (or recommend against the Proposed Transaction) or makes any public statement to the effect that they may do so at a future point in time or that they no longer support the Proposed Transaction or the Scheme,

unless:

- (iii) the Peak Independent Board, acting in good faith and in order to satisfy what the members of the Peak Independent Board consider to be their statutory or fiduciary duties (having received written advice from its external legal advisers) determine that the Competing Proposal is a Superior Proposal;
- (iv) Peak has provided Chenguang with the material terms and conditions of the actual, proposed or potential Competing Proposal (including the identity of the person making the actual, proposed or potential Competing Proposal as well as the information referred to in **clause 12.5(b)**), in each case to the extent known by Peak or any of its Representatives;
- (v) Peak has given Chenguang at least five Business Days after the provision of the information referred to in **clause 12.7(a)(iv) (Cut Off Date)**, to provide a Counterproposal; and
- (vi) Chenguang has not announced or provided to Peak a Counterproposal before the Cut Off Date which the Peak Independent Board has determined in accordance with **clause 12.7(b)** would provide an equivalent or superior outcome for Shareholders as a whole compared with the actual, proposed or potential Competing Proposal.

- (b) If Chenguang proposes to Peak, or announces, amendments to the Scheme or a new proposal that constitutes a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Counterproposal**) before the Cut Off Date, Peak must procure that the Peak Independent Board considers the Counterproposal and if the Peak Independent Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) would provide an equivalent or superior outcome for Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then:
- (i) Peak and Chenguang must use their reasonable endeavours to agree the amendments to this document, the Scheme and the Deed Poll (as applicable) that are reasonably necessary to reflect the Counterproposal, in each case as soon as reasonably practicable; and
 - (ii) Peak must procure that each member of the Peak Independent Board continues to recommend the Proposed Transaction (as modified by the Counterproposal) to Shareholders.

If the Peak Independent Board, acting reasonably and in good faith, determines that the Counterproposal (taking into account all of its terms and conditions) does not provide an equivalent or superior outcome for Shareholders as a whole compared with the actual, proposed or potential Competing Proposal, then Peak must promptly (and in any event within 24 hours of the Peak Independent Board making such determination) notify Chenguang in writing of the determination and the reasons for making the determination.

- (c) For the purposes of this **clause 12.7**, each successive material modification of any actual, proposed or potential Competing Proposal will constitute a new Competing Proposal, and the procedures set out in this **clause 12.7** must again be followed prior to any Peak Group Member entering into any agreement, arrangement, understanding or commitment in respect of such Competing Proposal.
- (d) For clarity, a statement by Peak, the Peak Board or the Peak Independent Board to the effect that the Shareholders should take no action pending the completion of the assessment of a Competing Proposal or completion of the matching right process set out in this **clause 12.7**, does not of itself:
- (i) constitute a change, withdrawal, modification or qualification of the Recommendation or Voting Intention or an endorsement of the Competing Proposal;
 - (ii) contravene this document;

- (iii) give rise to an obligation to pay the Peak Reimbursement Fee under **clause 10.2**; or
- (iv) give rise to a termination right under **clause 13**.

12.8 Fiduciary out

- (a) The restrictions and obligations in **clauses 12.3** and **12.4** do not apply to the extent they restrict Peak or any Peak Director from taking or refusing to take any action, or make any notification, with respect to a bona fide Competing Proposal provided always that the Peak Independent Board has first determined, acting reasonably and in good faith after receiving advice from its financial and external legal advisers:
 - (i) that the Competing Proposal is, or could reasonably be considered to become, a Superior Proposal; and
 - (ii) that taking or refusing to take such action (as the case may be) with respect to the Competing Proposal would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of the Peak Independent Board.
- (b) Peak must immediately notify Chenguang of each action or inaction by it, or any of its Representatives, in reliance on this **clause 12.8**.

12.9 Normal provision of information

Nothing in this **clause 12** prevents Peak from:

- (a) taking any action in good faith to comply with its disclosure requirements at law (including to satisfy its obligations of disclosure to any Government Agency) or its continuous disclosure obligations under the Listing Rules;
- (b) providing information to its auditors, customers or suppliers acting in that capacity in the ordinary course of business; or
- (c) continuing to make normal presentations to, and to respond to bona fide enquiries from, brokers, portfolio investors and analysts in the ordinary course in relation to its business generally,

subject to Peak complying with its obligations under **clause 14**.

12.10 Acknowledgment

Chenguang and Peak acknowledge and agree that:

- (a) Chenguang has requested the inclusion of this **clause 12** in this document and would not have entered into this document without it; and
- (b) Peak has received legal advice in relation to the operation of this **clause 12**.

13 Termination

13.1 Termination by notice

- (a) Either party may, by notice in writing to the other, terminate this document:
 - (i) at any time prior to 8.00am on the Second Court Date if the other is in material breach of any of its obligations under this document (other than a breach of a representation or warranty which is dealt with in **clauses 13.1(b)(i)** and **13.1(c)(i)**), and, if capable of remedy, the other party has failed to remedy that breach within five Business Days (or 5.00 pm on the day before the date of the Second Court Date, if earlier) of receiving notice from the terminating party that sets out details of the relevant circumstance relating to the breach and stating an intention to terminate this document;
 - (ii) at any time prior to 8.00am on the Second Court Date if the Court or another Government Agency (including any other court) has taken action permanently restraining or otherwise prohibiting or preventing the Proposed Transaction, or has refused to do anything necessary to permit the Proposed Transaction to be implemented by the End Date, and the action or refusal has become final and cannot be appealed or reviewed or the party (acting reasonably) believes that there is no realistic prospect of an appeal or review succeeding by the End Date;

- (b) To the extent that amounts are so deducted or withheld in accordance with **clause 6.6(a)**, such deducted or withheld amounts will be treated for all purposes under this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided

that such deducted or withheld amounts are actually remitted as required.

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Share Register as the holder of the relevant Scheme Shares on or before the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before 5.00 pm on the day which is the Record Date at the place where the Share Register is kept,

and Peak must not accept for registration, nor recognise for any purpose (except a transfer to Chenguang pursuant to this Scheme and any subsequent transfer by Chenguang or its successors in title) any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

7.2 Share Register

Peak must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with **clause 7.1(b)** on or before the Record Date, provided that nothing in this **clause 7.2** requires Peak to register a transfer that would result in a Shareholder holding a parcel of Shares that is less than a 'marketable parcel' (as defined in the operating rules of ASX).

7.3 No disposals after Record Date

If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after 5.00 pm on the Record

Date in any way except as set out in this Scheme and any such disposal will be void, of no legal effect whatsoever and Peak shall be entitled to disregard any such disposal, purported disposal or agreement.

7.4 Maintenance of Share Register

For the purpose of determining entitlements to the Scheme Consideration, Peak must maintain the Share Register in accordance with the provisions of this **clause 7** until the Scheme Consideration has been provided to the Scheme Shareholders and Chenguang has been entered in the Share Register as the holder of all the Scheme Shares. The Share Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to Chenguang contemplated in **clauses 5.2 and 7.4**, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of Chenguang and its successors in title). After the Record Date, each entry current on the Share Register as at the Record Date (other than entries in respect of Chenguang or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Shares relating to that entry.

7.6 Details of Scheme Shareholders

As soon as possible on or after the Record Date, and in any event within one Business Day after the Record Date, Peak must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Share Register at the Record Date, are available to Chenguang in such form as Chenguang reasonably requires.

7.7 Quotation of Shares

Peak must apply to the ASX to suspend trading in the Shares on the ASX with effect from the close of trading on ASX on the Effective Date.

7.8 Termination of quotation of Shares

Peak must apply:

- (a) for termination of the official quotation of Shares on ASX; and
- (b) to have itself removed from the official list of ASX,

in each case with effect on and from the close of trading on the Trading Day immediately following the Implementation Date.

8 Power of attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder:

- (a) on the Effective Date, irrevocably appoints Peak as its attorney and agent for the purpose of enforcing the Deed Poll against Chenguang; and
- (b) on the Implementation Date, irrevocably appoints Peak as its attorney and agent for the purpose of executing any document, or doing or taking any other act, necessary or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation) the Share Scheme Transfer,

and Peak accepts such appointment. Peak as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this **clause 8** to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

9 Notices

9.1 No deemed receipt

If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Peak, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Peak's registered office or at the office of the registrar of Shares.

9.2 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10 General

10.1 Variations, alterations and conditions

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Peak may, with the prior consent of Chenguang, by its counsel or solicitor consent on behalf of all persons concerned to any variations, alterations or conditions to this Scheme which the Court thinks fit to impose.
- (b) Each Scheme Shareholder agrees to any such alterations or conditions which Peak has consented to pursuant to **clause 10.1(a)**.

10.2 Further assurances

- (a) Each Scheme Shareholder and Peak will execute all documents and do all things necessary or expedient to implement, and perform its obligations under, this Scheme and the transactions contemplated by it.

- (b) Without limiting Peak's other powers under this Scheme, Peak has power to do all things that it considers necessary or desirable to give effect to this Scheme and the transactions contemplated by it.

10.3 Consent

Each of the Scheme Shareholders irrevocably consents to Peak doing all things necessary or expedient for or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Peak or otherwise.

10.4 No liability when acting in good faith

Without prejudice to the parties' rights under the Scheme Implementation Deed, neither Chenguang nor Peak, nor any of their respective officers or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

10.5 Enforcement of Deed Poll

Peak undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against Chenguang on behalf of and as agent and attorney for the Scheme Shareholders.

10.6 Stamp duty

Chenguang will:

- (a) pay all stamp duty (if any) and any related fines, penalties and interest with respect to stamp duty in connection with this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under or in connection with this Scheme and the Deed Poll; and
- (b) indemnify each Scheme Shareholder against any liability arising from failure to comply with **clause 10.6(a)**.

11 Governing law

11.1 Governing law and jurisdiction

- (a) This document is governed by and is to be construed in accordance with the laws applicable in Western Australia.
- (b) Each party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in Western Australia and any courts which have jurisdiction to hear appeals from any of those courts and waives any right to object to any proceedings being brought in those courts.
