What does this mean for you?

For new mFund investors:

The Funds will be closed to all applications made via mFund with effect from the date of this letter.

For existing mFund investors:

Additional investments or redemption requests - As an existing mFund investor, you may continue to make additional investments or redemption requests through your broker until **Friday 15 August 2025**. Any requests must be received by us prior

to the cut-off time specified by the ASX Operating Rules and your broker on this date.

Blackout period prior to transition - A blackout period will be in effect from **Monday 18 August 2025 to Friday 22 August 2025**. During this time, transactions will not be permitted on the mFund Settlement Service. This blackout period is in place to facilitate the conversion of mFund holdings from being broker sponsored to being held directly with Schroders (issuer sponsored).

Removal of Funds from mFund - Post removal of Schroders mFunds on **Monday 25 August 2025**, your mFund units will be converted into a direct holding in the issuer sponsored register. You will have retained the same investor number and all instructions in relation to your investment (including applications, redemptions and change of detail requests) must now be directed to us. Your broker sponsored holding, linked to your CHESS Holder Identification Number (HIN) will no longer apply.

Options for existing mFund investors

Existing mFund investors have the following options in relation to their holdings:

Option 1: Contact your broker and convert your mFund units to direct holdings in the issuer sponsored register prior to **Friday 25 July 2025**. You will be asked to provide additional documentation to ensure we comply with relevant laws (see section below).

Option 2: Take no action, in which case your mFund units will be converted to direct holdings in the issuer sponsored register following removal of the Funds from mFund Settlement Service on **Monday 25 August 2025**. You will be asked to provide additional documentation to ensure we comply with relevant laws (see section below).

Option 3: Sell your mFund units prior to **Friday 15 August 2025**.

What we require from you under option (1) or (2) above

To comply with the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* (Cth) (**AML/CTF**) and associated regulations, we must collect specific information from you. Schroders currently does not have access to information held by your broker, and we apologise for any inconvenience this may cause. Tools and instructions on how to complete the request will be provided to you by Schroders (refer to section 'Summary of key dates per option').

Failure to provide the requested information may result in restrictions on your account to ensure compliance with AML/CTF laws, affecting your ability to reinvest distributions, add to your investment, and delay redemption proceeds. To avoid such outcomes, please provide the requested information by the key dates set out below.
