MARKET ANNOUNCEMENT

ASX Market Announcements Office
ASX limited
20 Bridge Street
Sydney NSW 2000

NSX Limited enters into a Scheme Implementation Deed with CNSX Markets Inc.

NSX Limited (ASX: NSX) (**NSX**) is pleased to announce that it has entered into a Scheme Implementation Deed (**SID**) with CNSX Markets Inc. (**CNSX**), the market operator of the Canadian Securities Exchange (**CSE**), to acquire all of the ordinary shares in NSX that CNSX does not already own, by way of a scheme of arrangement (**Scheme**).

Details of the Scheme consideration

Under the Scheme, NSX shareholders will receive:

- \$0.035 cash per fully paid ordinary share; and
- \$0.00035 cash per partly paid ordinary share in NSX, being 1% of the consideration payable per share to a holder of fully paid ordinary shares and proportionate, taking into account the 1% of capital which has been paid up on those partly paid ordinary shares.

The Scheme consideration represents a:

- 59% premium to the closing price of NSX shares as at 16 May 2025, being the last trading day prior to this announcement;
- 52% premium to the one-month VWAP of NSX shares to 16 May 2025 of \$0.023; and
- 67% premium to the three-month VWAP of NSX shares to 16 May 2025 of \$0.021.

Directors' recommendation

The NSX Board of Directors unanimously recommend that NSX shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of the NSX shareholders.

Furthermore, each NSX Director intends to vote all of the NSX shares they own or control in favour of the Scheme, subject to those same qualifications.

Commenting on the proposed Scheme, Non-Executive Chairman of NSX, Tim Hart, said:

"The CSE's own journey is consistent with NSX's announced strategy, and this development enables the natural next step in the evolution of Australia's capital markets and NSX's growth. If approved by shareholders and ASIC, this transaction will boost Australia's market competitiveness and expand the range of opportunities for companies seeking capital to grow and investors looking for diversity to build wealth."

Max Cunningham, Chief Executive Officer of NSX, further said:

"The CSE's acquisition will provide NSX with financial strength and operational stability, and bring global expertise to local exchange activities. That is great news for participants and competition in Australia's capital markets."

"The Canadian experience demonstrates that one exchange size does not fit all. Issuers and investors in Australia are keen to see a dynamic alternative to the larger, legacy incumbent. A stronger balance sheet enables NSX to expand our product offering, sharpen our customer focus, and provide Australian companies, brokers and investors liquid, reliable and well-regulated services. We believe, in a strong accountable and transparent regulatory environment underpinned by rules rather than opaque 'precedent-based' decision-making around waivers and other governance matters."

"The journey of rebuilding NSX as a credible alternative listing venue began 12 months ago," added Mr Cunningham. "This has resulted in renewed focus on an appropriate listings framework for small and emerging companies, revision of current listing rules, review of our technology stack and services, and a new team with extensive local and global exchange experience. The CSE will build on those foundations, including the completion of our tech review, and offer shared services in key areas such as technology and financial resources."

The implementation of the Scheme is subject to customary conditions for a transaction of this nature. A copy of the SID, which sets out the terms and conditions of the Scheme and associated matters, is attached to this announcement.

Conditions for implementation of the Scheme include (but are not limited to):

- CNSX Shareholder approval by 15 July 2025;

- no prescribed occurrences and no material adverse effect occurring to NSX.

The SID and the Scheme are not subject to financing or due diligence conditions.

The SID contains customary exclusivity provisions in favour of CNSX, including no-shop, no-talk, no-due diligence restrictions, a notification obligation to CNSX and a matching right for CNSX. Appropriate exclusivity provisions are subject to the customary fiduciary exception.

The SID also provides for limited circumstances under which NSX may be required to pay a break fee equivalent to \$120,000.

Under the terms of the SID, the NSX Board must not adversely change, withdraw, modify or qualify its unanimous recommendation that NSX shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an independent expert concluding (and continuing to conclude) that the Scheme is in the best interests of the NSX shareholders.

3.2 Obligations regarding satisfaction of Conditions Precedent

- (1) The Target and the Bidder must cooperate, to the extent reasonably practicable, to assist one another with satisfying their obligations under clause 3.1.
- (2) Each of the Target and the Bidder must use their respective reasonable endeavours, and will ensure that each of its Related Bodies Corporate uses its reasonable endeavours, to procure that:
 - (a) each of the Conditions Precedent for which it is a party responsible is satisfied as soon as practicable after the date of this Deed and continues to be satisfied at all times until the last time it is required to be satisfied (as the case may require); and
 - (b) there is no occurrence within the control of the Target or the Bidder (as the context requires) or their Related Bodies Corporate that would prevent any Condition Precedent being satisfied, except to the extent required by law.
- (3) A Condition Precedent may only be waived in writing by the party entitled to the benefit of that Condition Precedent as noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver. If Bidder and Target are both entitled to the benefit of a Condition Precedent, then both parties must sign the waiver. A party entitled to waive a breach or non-fulfilment of that Condition Precedent may do so in its absolute discretion.
- (4) If a party waives the breach or non-fulfilment of a Condition Precedent in accordance with clause 3.2(3) to clause 3.2(5) (inclusive), then:
 - (a) subject to clause 3.2(4)(b), that waiver will preclude it from suing the other party for any breach of this Deed that resulted from the breach or non-fulfilment of the Condition Precedent that was waived, or arising from the same event which gave rise to the breach or non-fulfilment of the Condition Precedent; but
 - (b) if the waiver of the Condition Precedent is itself conditional and the other party:

- (i) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.2(4)(a); or
 - (ii) does not accept the condition, the Condition Precedent has not been waived.
- (5) If a party waives the breach or non-fulfilment of a Condition Precedent, that waiver does not constitute:
 - (a) a waiver of a breach or non-fulfilment of any other Condition Precedent resulting from the same event; or
 - (b) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.3 Regulatory Approvals

Without limiting the generality of clause 3.2:

- (1) each of the Bidder and the Target (as applicable) must promptly apply for all relevant Regulatory Approvals, providing a copy to the other party of all such applications, and take all steps it is responsible for as part of the approval process for the Scheme, including responding to requests for information as soon as practicable;
- (2) each party must use best endeavours to consult with the other party in advance and, in so far as is practicable, in relation to all material communications with any Governmental Agency relating to any Regulatory Approval and consider in good faith such amendments to the communications as the other party reasonably requests, and:
 - (a) discuss approach with respect to communications to be sent to a Governmental Agency regarding material issues and concerns and, where possible, provide drafts for review and comment;
 - (b) provide copies of any material written communications sent to or received from a Governmental Agency to the other party reasonably promptly following despatch or receipt (as the case may be); and
 - (c) provide the other party (on a confidential basis) with all information reasonably requested in connection with the application for any Regulatory Approval; and
- (3) each party must provide the applicant for a Regulatory Approval with all assistance, support and information reasonably requested by the applicant in connection with the application for and obtaining the Regulatory Approval.

3.4 Status of Conditions Precedent

- (1) Each party must keep the other party promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent.
- (2) Each party must promptly give the other party notice of a failure to satisfy a Condition Precedent in clause 3.1 or of any event that will prevent a Condition Precedent in clause 3.1 being satisfied.

- (3) Other than in respect of the Conditions Precedent which cannot be waived, the party entitled to waive the non-fulfilment of a Condition Precedent under clause 3.1 must give written notice to the other party as soon as reasonably practicable (and in any event before 5.00pm on the last Business Day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of the Condition Precedent in respect of which notice has been provided under clause 3.4(2).

3.5 **Certificate**

- (1) On the Second Court Date, the Bidder and the Target will provide a joint certificate to the Court confirming whether or not the Conditions Precedent have been satisfied or waived in accordance with the terms of this Deed.
- (2) The giving of a certificate by the Bidder and the Target under this clause 3.5 will, in the absence of manifest error, be conclusive evidence of the satisfaction or waiver of the Conditions Precedent referred to in the certificate.

3.6 **Conditions Precedent not met**

- (1) Subject to clause 11.1, if any Conditions Precedent contained in clause 3.1 are not satisfied or waived by the date specified in this Deed for its satisfaction or if it becomes more likely than not that the Scheme will not become Effective by the End Date, then the Bidder and the Target will consult in good faith with a view to determining whether:
- (a) the Scheme or a transaction which results in the acquisition of all of the Target Shares or substantially all of the assets of the Target by the Bidder may proceed by way of an alternative approach and, if so, to agree on the terms of such an alternative approach;
 - (b) to agree to extend the date for satisfaction of the relevant Condition Precedent to another date agreed by the Target and the Bidder;
 - (c) to extend the End Date; and
 - (d) if applicable, to adjourn or change the date of an application to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme (as applicable).
- (2) If the Condition Precedent in clause 3.1(8) is not satisfied by reason only of the non-satisfaction of the Headcount Test and either the Bidder or the Target considers, acting reasonably, that Share Splitting or some abusive or improper conduct may have caused or materially contributed to the Headcount Test not having been satisfied, then the Target must:
- (a) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (b) make such submissions to the Court and file such evidence as counsel engaged by the Target to represent it in Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.

If the Court agrees to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test, the parties acknowledge that it

will not be necessary to meet the Headcount Test in order to satisfy the Condition Precedent in clause 3.1(8).

- (3) If the Bidder and the Target are unable to reach agreement under clause 3.6(1) within five Business Days of becoming aware of the relevant occurrence or relevant date or by the End Date, then:
- (a) unless that condition is waived in accordance with clause 3.2(3) to 3.2(5) (inclusive); or
 - (b) the Condition Precedent has not been satisfied or agreement cannot be reached under clause 3.6(1) as a result of a breach of this Deed by a party or a deliberate act or omission of that party,

then provided that the relevant party has not acted as contemplated by clause 3.6(3)(b) either the Bidder or the Target may, subject to clause 3.6(4), terminate this Deed without liability to the other party because of that termination.

- (4) Termination of this Deed under clause 3.6(3):
- (a) is subject to the rights of the parties under clauses 13, 14, 15 and 16 of this Deed; and
 - (b) does not affect any accrued rights of either party arising from any breach of this Deed prior to termination.

10 Break Fee

10.1 Background to the Break Fee

The Target and the Bidder acknowledge and agree, for the purposes of this clause 10, that the Target and the Target Board believe that the implementation of the Scheme will provide benefits to Target Shareholders, and that it is appropriate that the Target agrees to the inclusion of clause 10.4, in order to secure the Bidder's execution of this Deed and participation in the Scheme.

 - (a) it has received legal advice on this Deed and the operation of this clause 10; and
 - (b) it considers this clause 10 to be fair and reasonable and that it is appropriate to agree to the terms in this clause 10 in order to secure the significant benefits to it (and Target Shareholders) resulting from the Scheme.

10.3 Basis of Break Fee

The amount payable by the Target pursuant to clause 10.4 is an amount calculated to reimburse the Bidder for costs, including the following:

- (1) fees for legal, financial and other advisory costs relating to the planning and implementation of the Scheme; and
- (2) reasonable out-of-pocket expenses relating to the entry into this Deed and the implementation of the Scheme.

10.4 Payment of Break Fee by Target

Subject to clause 10.5, the Target must pay the Bidder the Break Fee, only once and without set-off or withholding, within 10 Business Days after receiving a written demand for payment from the Bidder (nominating an account into which the Target is to pay the Break Fee), if any of the following occur:

 - (a) the Competing Proposal is in all material respects a transaction of the kind referred to in paragraphs (b), (c) and (d) of the definition of Competing Proposal; or
 - (b) the Third Party or any Associate of the Third Party acquires a Relevant Interest in more than 50% of the Target Shares or Voting Power of more than 50% in the Target;

The Break Fee under this clause 10 is:

- (1) not required to be paid if the Scheme becomes Effective and, if paid, it must be refunded to the Target; or

- (3) not required to be paid to the extent the Bidder waives the Break Fee in whole or in part in its absolute discretion by notice in writing to the Target.

11 **Court proceedings**

11.1 **Appeal process**

- (1) If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, the Target must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise or the King's Counsel or Senior Counsel representing the Target in relation to the Scheme indicates that, in his or her opinion, an appeal would have no reasonable prospect of success, in which case either party may terminate this Deed in accordance with clause 15).
- (2) The Bidder must pay all reasonable legal costs of the Target in appealing the Court's decision in accordance with clause 11.1.

11.2 **Defence of proceedings**

In the event any lawsuits or other legal proceeding are commenced against the Bidder or the Target or any of their respective Subsidiaries challenging this Deed or the implementation of the Scheme the parties must confer within five Business Days for good faith negotiations and to consult as to whether:

11.3 Conduct of Court proceeding

Nothing in this Deed gives the Target or the Bidder any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent. The Bidder acknowledges that any actions to facilitate that insurance or in connection with it will not be a Target Prescribed Event or breach any provision of this document, provided that the Target has acted reasonably and has obtained the Bidder's consent, such consent not to be unreasonably withheld, delayed or conditioned, before entering into any such policy.

14.4 Period of undertaking

The undertakings contained in clause 14.3 are given until the earlier of the end of the relevant period specified in that clause or the relevant member of the Target Group ceasing to be part of the Bidder Group or becomes Insolvent.

- (2) that non-defaulting party has given notice to the breaching party (and each other party) specifying the material breach and stating an intention to terminate this Deed; and

15.2 No-fault termination

This Deed may be terminated by either the Target or the Bidder (other than in the case of clauses 15.2(8) and (9)):

- (1) if the Scheme has not become Effective on or before the End Date;
- (2) if the Court refuses to make orders convening the Scheme Meeting and either:
 - (a) the Target is not required to conduct an appeal in accordance with clause 11.1; or
 - (b) if the Target conducts an appeal in accordance with clause 11.1, the appeal is unsuccessful;
- (3) if Target Shareholders do not approve the Scheme at the Scheme Meeting in accordance with the Corporations Act (other than if the Court agrees to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act);
- (4) in accordance with and pursuant to clause 3.6(3);
- (5) if the Break Fee becomes payable;
- (6) by the Target at any time prior to the Delivery Time if the Target Board determines that a Competing Proposal that was not solicited, invited, encouraged or initiated in breach of clause 8, is a Superior Proposal;

- (8) if an Insolvency Event has occurred in relation to the Target or any of its Related Bodies Corporate, this Deed may be terminated by the Bidder before the Delivery Time;
- (9) if an Insolvency Event has occurred in relation to the Bidder or any of its Related Bodies Corporate, this Deed may be terminated by the Target before the Delivery Time; or
- (10) if otherwise agreed in writing by the parties.

- (1) The parties acknowledge that damages may not be a sufficient remedy for breach of this Deed. Specific performance, injunctive relief or any other remedies which would otherwise be available in equity or law are available as a remedy for a breach or threatened breach of this Deed by any party, notwithstanding the ability of the other party to terminate this Deed or seek damages for such a breach or threatened breach.
- (2) None of the parties (**Restrained Party**) will be considered to be in breach of this Deed and no party may make a Claim against the Restrained Party for breach of this Deed, in circumstances where the Restrained Party is prevented by an order of a court of competent jurisdiction from performing an obligation under this Deed.

16 Confidentiality

Each of the Bidder and the Target acknowledges and agrees that it continues to be bound by the Confidentiality Agreement after the date of this Deed, and that the terms of this Deed will prevail over the Confidentiality Agreement to the extent of any inconsistency.

- (2) Unless expressly included, the consideration for any supply under or in connection with this Deed does not include GST.
- (3) To the extent that any supply made by a party to another party (**Recipient**) under or in connection with this Deed is a taxable supply and a tax invoice has been provided to the Recipient, the Recipient must pay, in addition to the consideration

to be provided under this Deed for that supply (unless it expressly includes GST) an amount equal to the amount of that consideration (or its GST exclusive market value) multiplied by the rate at which GST is imposed in respect of the supply.

- (a) is returned to the Target or the Target Registry; or
 - (b) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (2) During the period of 12 months commencing on the Implementation Date, on request from a Scheme Shareholder to the Target (or the Target Registry) (which request may not be made until the date which is 5 Business Days after the Implementation Date), the Target must reissue a cheque that was previously cancelled under this clause 6.3 unless it has already been reissued or the funds have been dealt with in accordance with the Unclaimed Money Act.

6.6 Unclaimed monies

- (1) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes "unclaimed money" (as defined in section 7 of the Unclaimed Money Act).
- (2) Any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of [the Bidder]/[BidCo].

6.7 Orders of a court or Governmental Agency

- (1) In the case of written notice having been given to the Target (or the Target Registry) or the Bidder[or BidCo] of an order made by a court of competent jurisdiction or by a Governmental Agency:
- (a) which requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable to that Scheme Shareholder in accordance with this Scheme, then the Target must procure that payment is made in accordance with that order or otherwise by law; or
 - (b) which would prevent the Target from dispatching payment to any particular Scheme Shareholder in accordance with this Scheme, or such payment is otherwise prohibited by applicable law, the Target will be entitled to retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as payment in accordance with clause 6.1 is permitted by that (or another) court order or otherwise by law.
- (2) To the extent that amounts are so deducted or withheld in accordance with clause 6.7(1), such deducted or withheld amounts will be treated for all purposes under

this Scheme as having been paid to the person in respect of which such deduction and withholding was made, provided that such deducted or withheld amounts are actually remitted as required.

7 Dealings in Scheme Shares

7.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Scheme Shares or other alterations to the Register will only be recognised by the Target if:

- (1) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Scheme Shares on or before the Record Date; and
- (2) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Register is kept,

and the Target will not accept for registration, nor recognise (except a transfer to [the Bidder]/[BidCo] pursuant to this Scheme and any subsequent transfer by [the Bidder]/[BidCo] or its successors in title), any transfer or transmission application or other request received after the Record Date, or received prior to the Record Date but not in registrable or actionable form.

7.2 Register

The Target must register, or cause to be registered, any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(2) on or before the Record Date, provided that nothing in this clause 7.2 requires the Target to register a transfer that would result in a Target Shareholder holding a parcel of Target Shares that is less than a Marketable Parcel.

7.3 No disposals after Record Date

If this Scheme becomes Effective, a Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after the Record Date otherwise than pursuant to this Scheme, and any attempt to do so will be void and have no effect and the Target will be entitled to disregard any such disposal, purported disposal or agreement.

7.4 Maintenance of Register

For the purpose of determining entitlements to the Scheme Consideration, the Target must maintain the Register in accordance with the provisions of this clause 7 until the Scheme Consideration has been paid to the Scheme Shareholders and [the Bidder]/[BidCo] has been entered in the Register as the holder of all the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to [the Bidder]/[BidCo] contemplated in clauses 5.2 and 7.4, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those Scheme Shares (other than statements of holding in favour of [the Bidder]/[BidCo] and its successors in title). After the Record Date, each entry current on the Register as at the Record Date (other than entries in respect of [the Bidder]/[BidCo] or

its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Shareholders

Within 3 Business Days after the Record Date, the Target must ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Register at the Record Date, are available to the Bidder[and BidCo] in such form as the Bidder[and BidCo] reasonably require[s].

8 Appointment of Target as attorney

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder, irrevocably appoints the Target and each of its directors, officers and secretaries (jointly and each of them individually), from time to time, as its attorney and agent for the purpose of:

- (1) executing any document necessary, expedient or incidental to give effect to this Scheme and the transactions contemplated by it, including executing and delivering the Scheme Share Transfer; and
- (2) enforcing the Deed Poll against the Bidder[or BidCo],

and the Target accepts such appointment. The Target, as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 8 to all or any of its directors, officers or secretaries from time to time (jointly, severally or jointly and severally).

9 Notices

9.1 Accidental omission

The accidental omission to give notice of the Scheme Meeting or the non-receipt of a notice by any Target Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

9.2 Form

Unless this document expressly states otherwise, all notices, demands, certificates, consents, approvals, waivers and other communications in connection with this document must be in writing and signed by the sender (if an individual) or an authorised officer of the sender.

9.3 When effective

Communications take effect from the time they are received or taken to be received under clause 9.5 (whichever happens first) unless a later time is specified in the communication.

9.4 When taken to be received

Communications are taken to be received:

- (1) if sent by post, 6 Business Days after posting (or 10 Business Days after posting if sent from one country to another); or
- (2) if sent by email:

- (a) when the sender receives an automated message confirming delivery; or
- (b) 4 hours after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that delivery failed, whichever happens first.

9.5 **Receipt outside business hours**

Despite anything else in this clause 9, if communications are received or taken to be received under clause 9.5 after 5.00pm on a Business Day or on a non-Business Day, they are taken to be received at 9.00am on the next Business Day. For the purposes of this clause, the place in the definition of Business Day is taken to be the place specified in the "Parties" page at the commencement of this Scheme as the address of the recipient and the time of receipt is the time in that place.

10 **GST**

10.1 **Definitions and interpretation**

For the purposes of this clause:

- (1) **GST Act** means the *A New Tax System (Goods and Services Tax) Act 1999* (Cth);
- (2) a term which has a defined meaning in the GST Act has the same meaning when used in this clause, unless the contrary intention appears; and
- (3) each periodic or progressive component of a supply to which section 156-5(1) of the GST Act applies will be treated as if it were a separate supply.

10.2 **GST exclusive**

Unless this Scheme expressly states otherwise, all consideration to be provided under this Scheme is exclusive of GST.

10.3 **Payment of GST**

- (1) If GST is payable, or notionally payable, on a supply in connection with this Scheme, the party providing the consideration for the supply agrees to pay to the supplier an additional amount equal to the amount of GST payable on that supply (**GST Amount**).
- (2) Subject to the prior receipt of a tax invoice, the GST Amount is payable at the same time as the GST-exclusive consideration for the supply, or the first part of the GST-exclusive consideration for the supply (as the case may be), is payable or is to be provided.
- (3) This clause does not apply to the extent that the consideration for the supply is expressly stated to include GST or the supply is subject to a reverse-charge.

10.4 **Adjustment events**

If an adjustment event arises for a supply made in connection with this Scheme, the GST Amount must be recalculated to reflect that adjustment. The supplier or the recipient (as the case may be) agrees to make any payments necessary to reflect the adjustment and the supplier agrees to issue an adjustment note.

10.5 Reimbursements

Any payment, indemnity, reimbursement or similar obligation that is required to be made in connection with this Scheme which is calculated by reference to an amount paid by another party must be reduced by the amount of any input tax credits which the other party (or the representative member of any GST group of which the other party is a member) is entitled. If the reduced payment is consideration for a taxable supply, clause 10.3 will apply to the reduced payment.

11 General

11.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (1) the Target may, by its counsel or solicitors, consent on behalf of all persons concerned to those alterations or conditions to this Scheme; and
- (2) each Scheme Shareholder agrees to any such alterations or conditions which the Target by its counsel or solicitors has consented to under clause 11.1(1).

11.2 Further action by Target

The Target must execute all and deliver all further documents and do all further acts (on its own behalf and on behalf of each Scheme Shareholder) required by law or necessary to give full effect to this Scheme and the transactions contemplated by it.

11.3 Authority and acknowledgement

Each of the Scheme Shareholders:

- (1) irrevocably consents to the Target and the Bidder[and BidCo] doing all things necessary or expedient for or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders or otherwise; and
- (2) acknowledges that this Scheme binds the Target and all Scheme Shareholders (including those who do not attend the Scheme Meeting or do not vote at that meeting or vote against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency between this Scheme and the Target Constitution, overrides the Target Constitution.

11.4 No liability when acting in good faith

Each Scheme Shareholder agrees (by operation of this Scheme and without the need for any further act by the Scheme Shareholder) that neither the Target nor the Bidder[nor BidCo], nor any of their respective directors, officers, secretaries or employees, will be liable for anything done or omitted to be done in the performance of this Scheme in good faith.

11.5 Enforcement of Deed Poll

The Target undertakes in favour of each Scheme Shareholder to enforce the Deed Poll against the Bidder[and BidCo] on behalf of and as agent and attorney for the Scheme Shareholders.

11.6 Stamp duty and registration fees

- (1) [The Bidder]/[BidCo]:

- (a) must pay all stamp duties and registration fees payable or assessed as being payable in connection with this Scheme or the Deed Poll (including any fees, fines, penalties and interest in connection with those amounts); and
 - (b) indemnifies the Target and each Scheme Shareholder against any liability arising from or in connection with any failure by [the Bidder]/[BidCo] to comply with clause 11.6(1)(a).
- (2) [In the event that BidCo will not or does not fulfil its obligations under clause 11.6(1), the Bidder must, and the Target must use its best endeavours to procure that the Bidder:
 - (a) performs those obligations as if the references to BidCo in clause 11.6(1) were references to the Bidder; and
 - (b) indemnify each Scheme Shareholder against any liability in respect of stamp duties and registration fees payable or assessed as being payable in connection with this Scheme or the Deed Poll (including any fees, fines, penalties and interest in connection with those amounts) under clause 11.6(1)(b) as if the references to BidCo in clause 11.6(1)(b) were references to the Bidder.]

11.7 Notices

- (1) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to the Target, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at the Target's registered office or at the office of the Target Registry.
- (2) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such a notice by any Target Shareholder shall not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

11.8 Governing law and jurisdiction

- (1) This Scheme is governed by the law in force in New South Wales.
- (2) Each party irrevocably and unconditionally:
 - (a) submits to the non-exclusive jurisdiction of the courts of New South Wales and courts competent to determine appeals from those courts in respect of any proceedings arising out of or in connection with this Scheme; and
 - (b) waives, without limitation, any claim or objection based on absence of jurisdiction or inconvenient forum if that venue falls within clause 11.8(1).
