### EGM VOTING RESULTS

Emu NL (ASX: EMU) (“**EMU** or the “**Company**”) refers to the general meeting of shareholders held on 14 May 2025.

All four resolutions put forward by the requisitioning shareholder for consideration at the meeting by the Company’s shareholders were rejected.

The proxy votes and the results of the poll are set out in the table attached.

As illustrated, a majority of shareholder by number also supported incumbent directors Messrs Thomas and Bartsch.

As shareholders would be aware, on the day of the shareholders’ meeting, EMU issued new fully-paid shares by way of a placement. The need for a fund raising by way of a share placement has long been budgeted and was certainly required. For the record, each of the four resolutions would still have failed even if the votes on these new shares had not been included.

The Board hopes this matter is now at an end so the Company can focus on its business of advancing its exciting potentially world-class Yataga Copper Project.

In compliance with ASX Listing Rule 3.13.2 and Section 251AA(2) of the Corporations Act 2001, the proxies and polled voting results are detailed in the attached table.
