2. Background

2.1 Ratification of Prior Share Issue – Resolution 1

Resolution 1 seeks Shareholder approval for the ratification of the prior issue of 54,014,883 Shares under a placement on or about 14 April 2025 (the **2025 Placement**) so that they do not use up the Company's capacity under Listing Rule 7.1 and 7.1A to issue up to 25% Shares in the 12 months following their issue. Further information relating to the 2025 Placement can be found in the Explanatory Statement of Resolution 1.

2.2 Adviser Options – Resolution 2

Resolution 2 seeks Shareholder approval to issue 60,000,000 Adviser Options to Cerberus Advisory (or their nominees) (an entity associated with Non-Executive Chair Duncan Gordon) (a **Related Party**) as part of agreed upon consideration for the services provided as Financial Adviser for the 2025 Placement, the non-renounceable accelerated institutional and retail entitlement offer that the Company announced to the ASX on or around the 8 April 2025 (the **Entitlements Issue**) and the Additional Placement (together the **2025 Offers**).

Further information relating to the issue of Adviser Options can be found in the Explanatory Statement of Resolution 2.

2.3 Joint Lead Manager Options – Resolution 3

Resolution 3 seeks to issue 190,000,000 Options in the Company to 708 Capital Pty Ltd (ACN 142 319 202) (**708 Capital**) and Sandton Capital Advisory Pty Ltd (ACN 637 284 372) (**Sandton Capital**) (or their nominees) in consideration for acting as Joint Lead Managers (**JLMs**) to 2025 Offers.

Further information relating to the Broker Options can be found in the Explanatory Statement of Resolution 3.

2.4 Additional Placement – Resolution 4

On 8 April 2025 the Company announced to the ASX that it would be raising approximately \$1,080,317 at \$0.005 (**Entitlement Offer Price**) via the Entitlements Issue. The Entitlements Issue was split into two components, being an Institutional Entitlement Offer which has closed, and a Retail Entitlement Offer, which remains open until 29 April 2025. Further information relating to the Entitlements Issue can be found via the Company's announcements to the ASX on the 8 April 2025, 15 April 2025 and 17 April 2025.

As announced by the Company on 10 April 2025, the Company also received binding commitments from institutional and sophisticated investors under the 2025 Placement for 54,014,883 shares at \$0.005 per Share to raise approximately \$270,000 before costs in the 2025 Placement. The Placement shares (**Placement Shares**) are intended to settle around the date of settlement of the Institutional Entitlement Offer.

The Company announced on 8 April 2025 the engagement of the JLMs to undertake a proposed Additional Placement to raise up to \$2,000,000 at \$0.005 per share, subject to shareholder approval. The Company is proposing to raise \$2,000,000 via an additional placement to sophisticated and/or professional investors identified by the JLMs (**Additional Placement**).

Resolution 4 seeks Shareholder approval for the Company to be authorised to undertake an Additional Placement to raise \$2,000,000 through the issue of Shares at an issue price of not less than 80% of the volume weighted average market price of Shares calculated over the last 10 days on which sales in the

Shares were recorded before the day on which the issue is made and at a minimum issue price of \$0.005 per Share.

Further information relating to the Additional Placement can be found in the Explanatory Statement of Resolution 4.

2.5 Company name change - Resolution 5

Resolution 5 seeks to change the name of the Company from Mighty Kingdom Limited to Fortifai Limited. Subject to Resolution 5 being passed, the Company's ASX ticker code will be changed from "MKL" to "FTI" at a time advised by ASX after the name change takes effect.

This is a special resolution.

Further information relating to the name change can be found in the Explanatory Statement of Resolution 5.

2.6 Consolidation of Capital – Resolution 6

Resolution 6 seeks Shareholder approval for the consolidation of the issued share capital of the Company on the basis that every 5 fully paid ordinary shares be consolidated into 1 fully paid ordinary Share (rounded up to the next whole number of shares), and that Options on issue will also be adjusted.

Subject to Shareholder approval, the consolidation of capital will occur within 14 days after the date of this Meeting, or such other date as the Board may determine. Further information relating to the consolidation of capital can be found in the Explanatory Statement of Resolution 6.

3. Resolution 1 – Ratification of prior issue of Shares in the 2025 Placement – Listing Rule 7.4

3.1 Background

As announced by the Company on 10 April 2025, the Company conducted the 2025 Placement from sophisticated and institutional investors to raise approximately \$270,000 before costs, via the issue of 54,014,883 new shares at \$0.005 per new Share.

The Company now seeks Shareholder approval to ratify the issue of Shares under the 2025 Placement so that they do not use up the Company's capacity under Listing Rule 7.1 to issue up to 15% Shares in the 12 months following their issue.

3.2 Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company is an eligible entity and sought and received shareholder approval to increase its limit to 25% at the annual general meeting held on 27 November 2024 (**2024 AGM**).

The issue of 54,014,883 Shares under the 2025 Placement did not fit within any of the exceptions under Listing Rule 7.1 and, as the 2025 Placement had not been approved by Shareholders, it effectively used up all of the 15% limit in Listing Rule 7.1 (at the relevant time 32,408,663 Shares) and all of the 10% limit in Listing Rule 7.1A (at the relevant time 21,606,220 Shares), reducing the Company's capacity to issue further Equity Securities without Shareholder approval at the relevant time under the Listing Rules for the 12-month period following the date of the 2025 Placement.

Resolution 1 seeks the approval of Shareholders to ratify the issue of these Shares under Listing Rules 7.1 and 7.1A and for the purposes of Listing Rule 7.4.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and 7.1A and so does not reduce the Company's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to maintain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval under Listing Rule 7.1.

To this end, Resolution 1 seeks Shareholder approval of the issuer of Shares under the 2025 Placement under Listing Rule 7.1 and Listing Rule 7.1A and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the issue of Shares under the 2025 Placement will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of the 2025 Placement. Both the 32,408,663 Shares issued under Listing Rule 7.1, and the 21,606,220 Shares issued under Listing Rule 7.1A will be added to the Company's base issued capital ('A' in the formula prescribed in Listing Rule 7.1) for the purposes of calculating the Company's Listing Rule 7.1 issue capacity.

If Resolution 2 is not passed, the issue of Shares under the 2025 Placement will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the date of the 2025 Placement. Further, the 21,606,220 Shares issued under Listing Rule 7.1A will not be able to be added to the Company's

base issued capital for the purposes of calculating the Company's issue capacity under Listing Rule 7.1 until 12 months have passed after the date of their issue.

3.3 Information required by Listing Rule 7.4

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the share ratification:

Technical information required	2025 Placement
The names of the persons to whom the Company issued or agreed to issue the securities or the basis on which those persons were identified and selected	The Shares were issued to sophisticated and institutional investors identified by the JLMs, seeking expressions of interest to participate in the 2025 Placement from non-related parties of the Company. 3.4 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 1.

4. Resolution 2 – Approval to issue Options to Related Party – Cerberus Advisory – Listing Rule 10.11

4.1 Background

Subject to Shareholder approval, the Company agreed to issue 60,000,000 unlisted adviser options (**Adviser Options**) to Cerberus Advisory, and/or its nominee (a related party of Non-Executive Chair Duncan Gordon) under an engagement letter dated 2 April 2025 (**Financial Adviser Engagement**). Under the Financial Adviser Engagement, the Financial Adviser agreed to act as corporate adviser to the 2025 Offers.

In consideration for the services provided by the Financial Adviser under the Financial Adviser Engagement, the Company agreed to issue, subject to shareholder approval, to the Financial Adviser the Adviser Options in two stages:

- 16,000,000 Tranche 1 Adviser Options will be issued following shareholder approval after the Entitlement Offer is completed; and
- 44,000,000 Tranche Adviser Options will be issued upon completion of the Additional Placement.

Each Adviser Option to be granted for \$0.000001, with an exercise price of \$0.01 per option and expiry date of five (5) years from their respective dates of grant.

Resolution 2 seeks Shareholder approval for Cerberus Advisory to receive these Advisor Options.

4.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must, pursuant to section 208 of the Corporations Act:

- (i) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (ii) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Advisor Options to Cerberus Advisory constitutes giving a financial benefit and Cerberus Advisory is a related party of the Company by virtue of Non-Executive Chair Duncan Gordon being the sole director and underlying controller of Cerberus Advisory.

Section 210 of the Corporations Act states that member approval is not needed to give a financial benefit on terms that:

- (a) would be reasonable in the circumstances if the public company or entity and the related party were dealing at arm's length; or
- (b) are less favourable to the related party than the terms referred to in paragraph (a).

The Directors (other than Mr Gordon) have determined that, as the issue of Options is proposed to take place on the same terms as the JLM Options to the Joint Lead Managers (which was negotiated on an arm's length basis between the Company and the JLMs), the financial benefit given by the Company is reasonable in the circumstances as if the Company and the recipients were dealing at arm's length. Accordingly, Shareholder approval is not required under Chapter 2E of the Corporations Act.

4.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders, unless it obtains the approval of its shareholders.

The issue of Advisor Options falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

Resolution 2 seeks the required Shareholder approval for the issue of the Advisor Options under and for the purposes of Listing Rule 10.11 to Cerberus Advisory.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Advisor Options to the Related Party within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue of the Advisor Options (because approval is being obtained under Listing Rule 10.11), the issue of the Advisor Options will not use up any of the Company's 15% annual placement capacity.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Advisor Options.

4.5 Technical Information required by Listing Rule 10.13

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of the Advisor Options:

Technical Information Required	Advisor Options

Voting exclusion statement	A Voting Exclusion Statement has been provided for these Resolutions in the Agenda Section in this Notice.

4.6 Board recommendation

Mr Duncan Gordon declines to make a recommendation to Shareholders in relation to Resolution 2 due to their material personal interest in the outcome of the Resolutions on the basis that they are to be issued the Advisor Options should Resolutions 2 be passed.

The remaining Board members recommend that Shareholders vote in favour of Resolution 2.

5. Resolution 3 – Approval to issue Options to the Joint Lead Managers of the 2025 Placement – Listing Rule 7.1

5.1 Background

The Company and the JLMs entered into a mandate in relation to the 2025 Offers. Under that mandate the Company is obliged to issue 190,000,000 Options (**Broker Options**) to 708 Capital and Sandton Capital (or its nominees) in addition to their fees under the mandate as JLMs to the 2025 Offers.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Broker Options does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

This Resolution 3 seeks Shareholder approval for the issue of the Broker Options under and for the purposes of Listing Rule 7.1.

If approved, the Broker Options will proceed be granted in two stages:

- 50,000,000 Tranche 1 Broker Options will be issued under the Entitlement Offer when the Entitlement Offer is completed; and
- The remaining Tranche 2 140,000,000 Broker Options will be issued upon completion of the Additional Placement.

In addition the issue of the Broker Options will be excluded form the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

Each Broker Option will be granted for \$0.000001, have an exercise price at \$0.01 per Option, and an expiry date of five (5) years from their respective dates of grant.

If this Resolution 3 is passed, the effect of this Resolution 3 will be to allow the Company to issue the Broker Options during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's placement capacity.

If Resolution 3 is not passed, the Company will still be obliged to issue the Broker Options, but will utilise its capacity under ASX Listing Rule 7.1 as soon as such capacity is available to issue such Options, subject to compliance with any applicable laws and Listing Rules.

5.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 3.

6. Resolution 4 – Approval to issue Shares in the Additional Placement – Listing Rule 7.1

The Company intends to conduct the Additional Placement at the same Entitlement Offer Price to raise up to \$2,000,000 through the issue Shares at an issue price of not less than 80% of the volume weighted average market price of Shares calculated over the last 10 days on which sales in the Shares were recorded before the day on which the issue is made and at a minimum issue price of \$0.005 per Share.

6.1 Background

Reflecting the capital intensive nature of Gaming Studio operations and significant Industry headwinds around its 'Work for Hire' business model, the Company has experienced sustained operating cash flow deficits. In the financial year ended 30 June 2023, the Company had net operating cash outflows of approximately \$7.36 million, followed by a further \$5.60 million in the financial year ended 30 June 2024 (**FY2024**). This trend continued into the financial year ending 30 June 2025 (**FY2025**), with net operating cash outflows of roughly \$2.405 million in the first quarter of FY2025 and about \$1.0 million in the second quarter of FY2025. These significant outflows resulted in substantial statutory losses (\$7.0 million loss in FY2024 and \$1.7 million loss in the half-year to 31 December 2024).

The Company has implemented several cost reduction initiatives to curb expenditures which resulted in significant one-off costs (funded by proceeds from the Entitlement Offer). Noting these measures will go some way towards covering operational cash burn, the Company's cash position at the time of lodgement of this Notice is insufficient in addressing the Company's ongoing funding requirements with further capital required to manage and grow a sustainable business.

With the benefits of the comprehensive restructure process making its presence felt via more sustainable Studio operations, the Company intends to continue its current operations, delivering on existing contracts and growing the business to win further contracts whilst expanding capabilities including the Company's AI Gaming Lab, technology partnerships, global work-for-hire collaborations, product diversification and other innovation programs.

The Company has engaged the JLMs to assist with an Additional Placement of \$2 million, subject to Shareholder approval, for the Company's ongoing operational costs, additional resources to pursue its objectives set out above, growth of the business and winning new contracts, expansion of existing capabilities, product diversification, other opportunities and general working capital.

The Company has engaged the JLMs to assist it to conduct the Additional Placement.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The Additional Placement does not fall within any of these exceptions and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of the Company's shareholders under Listing Rule 7.1.

This Resolution 4 seeks Shareholder approval for the Company to be authorised to undertake a placement to raise \$2,000,000 through the issue of Shares at an issue price of not less than 80% of the volume weighted average market price of Shares calculated over the last 10 days on which sales in the Shares were recorded before the day on which the issue is made and at a minimum issue price of \$0.005 per Share, under and for the purposes of Listing Rule 7.1.

No investor participating in the Additional Placement will be a related party of the Company, or an Associate of a related party, or otherwise a person to whom Listing Rule 10.11 would apply. Additionally, the Company will ensure that no single investor or existing Shareholder will be allocated a parcel of Shares under the Additional Placement that results in that investor's voting power exceeding 20% of the Company's total Shares on issue after the placement. This approach is designed to broaden the Company's shareholder base with supportive, arm's length investors, while complying with regulatory requirements and not unduly concentrating ownership.

If this Resolution 4 is passed, will be to allow the Company to issue the Additional Placement Shares during the period of 3 months after the Meeting (or a longer period, if allowed by ASX), without using the Company's 15% annual placement capacity, ie the Additional Placement will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company will not be able to issue the Additional Placement Shares until its capacity under Listing Rule 7.1 is available, at which the Company will issue the Additional Placement Shares as soon as such capacity is available, subject to compliance with any other applicable laws and Listing Rules.

6.2 Technical information required for approval under Listing Rule 7.1

Pursuant to and in accordance with Listing Rule 7.3, the following information is provided in relation to Resolution 4:

Technical information required	Additional Placement
The names of the persons to whom the Company issued or agreed to issue the securities or the basis on which those persons were identified and selected	<p>The persons to whom the Additional Placement Shares will be issued have not yet been identified but will be unrelated parties of the Company (who are not persons listed in Listing Rule 10.11) and are likely to be professional and sophisticated investors identified through an offer process by seeking expressions of interest to participate in the capital raising at the discretion of the Directors and with the involvement of the JLMs.</p> <p>As at the Disclosure Date, there is no agreement with a Material Person to be issued more than 1% of the issued capital of the Company from participation in the Additional Placement.</p>
The number and class of securities the Company issued	<p>The number of Shares issued will be up to that number equal to \$2,000,000 based on an issue price of not less than 80% of the volume weighted average market price of Shares calculated over the last 10 days on which sales in the Shares were recorded before the day on which the issue is made.</p> <p>The maximum number of Shares to be issued will 400,000,000 Shares, assuming a minimum price of \$0.005 per Share.</p> <p>Based on the closing price of Shares immediately prior to the Disclosure Date (\$0.008) a maximum of 312,500,000 Shares could be issued under this approval. The actual number will depend on the issue price.</p>

Terms of Securities	The Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
Date of issue on which the securities were issued or will be issued	No later than 3 months after the date of this Meeting.
Price or other consideration the Company has received or will receive for the issue	<p>\$2 million</p> <p>The Shares will be issued at an issue price of not less than 80% of the volume weighted average market price of Shares calculated over the last 10 days on which sales in the Shares were recorded before the day on which the issue is made and at a minimum issue price of \$0.005 per Share.</p>
Purpose of the issue, including the use or intended use of the funds raised	<p>The purpose of the Additional Placement is to raise \$2,000,000. The Company proposes to apply these funds towards the cost of the capital raising, ongoing operational costs, payment of outstanding trade creditors and Australian Taxation Office liabilities, funding ongoing product development, additional resources to pursue its objectives including the growth of the business and winning new contracts, expansion of existing capabilities and AI Gaming Lab, development of technology partnerships, global work-for-hire collaborations, product diversification and other innovation programs other opportunities and general working capital of the Company.</p> <p>In addition, a stronger cash position will better position the Company to pursue its strategic goals and potential growth opportunities (such as investing in new game development projects or evaluating/acquiring complementary assets or businesses) as and when they arise.</p>
A summary of any material terms of the relevant agreement the securities are being issued under	As at the Disclosure Date there are no agreements in relation to the issue of the Shares, other than the JLM Engagement Mandate. However, it is likely the Company will enter into customary placement agreements with participants of the potential capital raising once identified.
No reverse takeover	The Additional Placement is not being issued under or to fund a reverse takeover.
Voting exclusion statement	A voting exclusion statement applies to this Resolution.

6.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 4.

7. Resolution 5 – Approval to Change Company Name Change

7.1 Background

The Company proposes to change its name from “Mighty Kingdom Ltd” to “Fortifai Limited”. The Board believes that the new name better aligns with and captures the operations and value which the Company is creating now and in the future. In particular, the new name signifies the new direction that the Company is going and a refreshed strategic and operational outlook.

7.2 Section 157

Section 157 of the *Corporations Act* requires shareholders to approve the change of name of the Company by passing a special resolution to adopt the new name. If shareholders approve the change of name, it will be effective from the date that the Australian Securities and Investments Commission updates its register to reflect the new name, which is intended to be as soon as practicable. The name “Fortifai Limited” has been reserved by the Company.

If the name change is approved, the Board will also request that ASX change the Company’s ASX ticker code from “MKL” to “FTI” after the change of name takes effect. The ASX ticker code “FTI” has been reserved by the Company.

7.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 5.

8. Resolution 6 – Consolidation of Capital

8.1 Background

This Resolution 6 seeks Shareholder approval to undertake a consolidation of the number of Shares on issue on the basis that every 5 Shares held be consolidated into one (1) fully paid ordinary Share (rounded up to the next whole number of shares) (**Consolidation**). Similarly, the number of Options on issue will be consolidated into one (1) Option. The exercise price of the Options will be amended in inverse proportion to the consolidation ratio.

8.2 Technical information required for approval under Listing Rule 7.20

Pursuant to and in accordance with Listing Rule 7.20, the following information is provided in relation to Resolution 1:

(i) Purpose of proposed resolution

The Directors have proposed the Consolidation for the following reasons:

- (i) the Company currently has 486,141,699 Shares on issue which represents a relatively large number when compared to its listed peer group;
- (ii) the Company's recently expanded capital due to the issue of additional shares under the 2025 Offers, and the Company now seeks to consolidate the capital;
- (iii) the Directors consider that the Consolidation will assist in reducing the volatility of the Company's share price and enable a more consistent valuation of the Company; and
- (iv) the Consolidation is also expected to assist in positioning the Company for long term growth by making an investment in the Company's securities more attractive to institutional and other investors.

(ii) Legal requirements

Section 254H of the Corporations Act provides that a Company may, by resolution passed at a general meeting, convert all or any of its share into a larger or smaller number.

Listing Rule 7.20 provides that where an entity proposes to reorganise its capital, it must tell shareholders:

- (i) the effect of the proposal on the number of securities and the amount paid (if any) on the securities;
- (ii) the proposed treatment of any fractional entitlements; and
- (iii) the proposed treatment of any convertible securities on issue.

Listing Rule 7.21 provides that a listed entity which has convertible securities (except Options) on issue may only reorganise its capital if, in respect of the convertible securities, the number of its convertible securities or the conversion price, or both, is reorganised so that the holder of the convertible securities will not receive a benefit that holders of ordinary securities do not receive.

Listing Rule 7.22.1 requires that where a listed entity with Options undertakes a consolidation of its capital, the number of its Options must be consolidated in the same ratio as the ordinary capital and the exercise price must be amended in inverse proportion to that ratio.

(iii) Effect of Consolidation

The result of the Consolidation is that each security holding will be reduced by 5 times its current level.

As the Consolidation applies equally to all Shareholders, individual shareholdings will be reduced in the same ratio as the total number of Shares (subject to rounding). Accordingly, assuming no other market movements or impacts occur, the Consolidation will have no effect on the percentage interest in the Company of each Shareholder.

The Consolidation will not result in any change to the substantive rights and obligations of existing Shareholders.

The change in capital structure of the Company following the Consolidation, subject to adjustment for rounding, is as follows:

Shares

	Number*
Shares currently on issue	486,141,699

**This figure assumes shares in the Additional Placement are issued at the minimum price of \$0.005

Option Expiring 24-Jun-2030 (New Class)**	250,000,000	50,000,000	\$0.010	\$0.050

*Assumes no Options exercised or forfeited prior to Consolidation.

**Options not yet issued but anticipated to be issued prior to the Consolidation Record Date (refer Resolutions 2 and 3 of this Notice).

(iv) Fractional entitlements

Where the Consolidation results in an entitlement to a fraction of a Share or Option, that fraction will be rounded up to the nearest whole number of Shares or Options.

(v) Holding statements

Taking effect from the date of the Consolidation, all existing holding statements will cease to have any effect, except as evidence of entitlement to a certain number of securities on a post consolidation basis. New holding statements will be issued to security holders, who are encouraged to check their holdings after the Consolidation.

(vi) Taxation

The Consolidation should not result in a capital gains tax event for Australian tax residents. The cost base of the Shares held after the Consolidation will be the sum of the cost bases of the original Shares pre-consolidation. The acquisition date of Shares held after the Consolidation will be the same as the date on which the original Shares were acquired.

This Explanatory Statement does not however consider the tax implications in respect of Shares or other securities held on revenue account, as trading stock or by non-resident Shareholders. Shareholders should consider their own circumstances and seek their own professional advice in relation to their tax position. Neither the Company nor any of its officers or employees assumes any liability or responsibility for advising Shareholders or other security holders about the tax consequences of the proposed Consolidation.
