DIRECTORS' REPORT FOR THE HALF YEAR ENDED 31 MARCH 2025

The directors of the Company in office at the date of this report are:
Richard Rees, Geoffrey Lloyd Rees and Thomas Rees.

It is recommended that the half-year financial report be read in conjunction with the annual report for the year ended 30 September 2024 and considered together with any public announcements made by Sietel Limited during the half-year ended 31 March 2025 and to the date of this report in accordance with the continuous disclosure obligations of the ASX listing rules.

REVIEW OF OPERATIONS

The majority of investment properties owned by the Chief Entity were tenanted during the year, however two of the small retail premises and one industrial warehouse have been unoccupied. Re-letting has proved difficult with continued high interest rates and general economic conditions impacting small retail businesses. The industrial warehouse became unoccupied when the tenant was evicted for non-payment of rent and outgoings in October 2024 and after a clean out it was re-leased in two parts in February and March 2025.

Cook's Body Works Pty Ltd, continued to occupy one of the Chief Entity's properties in the Moorabbin area.

Cook's Body Works Pty Ltd has experienced more difficult trading with reducing demand for its products, thereby slowing growth of revenue and the company's long term profitability growth.

Cook's management have continued to work on expansion of the customer base and product offering to maintain turnover and prices to absorb increase costs margin performance of the business. However, the shortage of suitable candidates to fill vacancies has continued to restrict the businesses' ability to fully capitalise on their product and production improvements.

The Company's management assisted, by the Chairman, have reviewed various investment options in the real estate, equities, direct investment and product development markets over the half year with the objective of improving the medium to long term performance of the group.

The directors continue to review the balances of investment fund allocation between cash equivalents and longer-term investments such as equities, real estate and operating businesses via subsidiary companies with the objective of achieving long term profitable performance, but realising current gains as opportunities arise.

The portfolio of unlisted investments represented by startups and new technology companies have underperformed reflecting the general difficulties being confronted by new businesses to attract capital, advance their projects and convert their products to a cash flow positive stage.

The directors have continued the policy of reviewing all these unlisted investments and revaluing or impairing them as considered appropriate. In the current six months, an impairment loss of \$320,000 (2024 impairment loss of \$370,000) has been deducted against the profit in the Statement of Profit and Loss.

DIRECTORS' REPORT (cont.)

REVIEW OF OPERATIONS (cont.)

The subsidiary, Alliance Appliances Australia Pty Ltd has continued to design and develop products for manufacture by third party offshore manufacturers and commence small scale importation and distribution of a very limited range of domestic gas water heaters into the Australian market. The operation has been restricted by the impact of environmental groups supported by government's moves which have been unfavourable to the gas industry and largely supported new products and operators based significantly on energy ratings but limited long term established whole of life product performance, reliability and durability.

The Cylinder Company operated in line with budget during the half year in its role as an internal maintenance provider and services to the group's property management and investment operations.

Twin Rivers pursues primary production via an agistment agreement with the existing farmer continuing grazing, breeding and preparation of cattle for sale. A more comprehensive farm development and improvement plan has been prepared and commenced with the objective of achieving a positive improvement over the medium term for the property.

The consolidated profit of the Consolidated Entity, after providing for an income tax expense of \$60,570 (2024 income tax expense \$123,691), amounted to \$601,097 (2024 \$1,182,700).

SIGNIFICANT CHANGES IN THE STATE OF AFFAIRS

There have been no significant changes in the state of affairs of the Consolidated Entity during this period, not reflected in the half year accounts.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SIETEL LIMITED

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Sietel Limited, which comprises the Consolidated Statement of Financial Position as at 31 March 2025, the Consolidated Statement of Profit or Loss and Other Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the half-year ended on that date, notes comprising material accounting policy information and other explanatory information, and the Directors' Declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Sietel Limited does not comply with the *Corporations Act 2001* including:

- i) giving a true and fair view of Sietel Limited's financial position as at 31 March 2025 and of its performance for the half-year ended on that date; and
- iii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 March 2025 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
