Explanatory Memorandum

EXPLANATORY MEMORANDUM

This Explanatory Memorandum has been prepared to assist Shareholders in consideration of resolutions proposed for a General Meeting of the Company to be held on 30 June 2025 commencing at 11am (Adelaide time ACST). The venue for the meeting is the Terrace Hotel, 208 South Terrace, Adelaide South Australia.

It should be read in conjunction with the accompanying Notice of General Meeting.

Resolution 1 – Ratification of Issue of Placement Shares

Background

On 12 May 2025, the Company announced a strongly supported \$5million Placement to institutional and professional/sophisticated investors to raise funds to progress the Great White Project, the HPA project and for general working capital (including costs of the Placement).

On 20 May 2025 the Company issued 384,615,385 Placement Shares pursuant to its capacity under Listing Rule 7.1 (Placement Shares).

The purpose of Resolution 1 is to seek Shareholder approval and ratification of the issue of the Placement Shares undertaken without Shareholder approval pursuant to Listing Rule 7.1 in May 2025.

Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12-month period to 15% of the fully-paid ordinary securities it had on issue at the start of that period.

The Placement Shares did not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without Shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 1 seeks shareholder approval to the Placement Shares under and for the purposes of Listing Rule 7.4.

If Resolution 1 is passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the issue date.

If Resolution 1 is not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the issue date.

Listing Rules Information Requirements

In accordance with the requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- i. The Placement Shares were issued to various institutional and professional/sophisticated investors (being investors identified by the Joint Lead Managers or existing Shareholders and excluding any related parties, members of Key Management Personnel, substantial Shareholders or advisers).
- ii. The Company issued a total of 384,615,385 Placement Shares under the Placement using its placement capacity under Listing Rule 7.1.
- iii. The Placement Shares are fully-paid ordinary shares in the Company and rank equally with all other Shares on issue.
- iv. The Placement Shares were issued on 20 May 2025.
- v. The Placement Shares were issued at a price of \$0.013 per share.
- vi. As announced to the ASX on 12 May 2025, the intended use of the funds raised is:
 - to progress the Great White Project (including early works, advanced plant design and engineering and technical, financial and legal activities to support the funding process for the project development);

- to progress the Company's HPA project, including the Scoping Study and product and market development activities; and
- for ongoing working capital requirements (and costs of the Placement).

vii. The key terms of the Placement are the Placement Shares were issued at \$0.013 each, with participants to receive three (3) free attaching Placement Options for every four (4) Placement Shares allotted, subject to approval of Resolution 2.

Voting exclusion statement

The Company will disregard any votes cast in favour on Resolution 1 by or on behalf of any person who participated in the Placement and any person associated with those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- (i) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (ii) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (iii) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person that is excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' Recommendation

The Directors consider that the ratification of the Placement Shares is beneficial for the Company as it allows the Company to retain the flexibility to issue further securities representing up to 15% of the Company's share capital during the next 12 months.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1. The Chair intends to vote undirected proxies in favour of Resolution 1.

Resolution 2 – Approval of Issue of Placement Options

Background

As noted above, on 12 May 2025, the Company announced a \$5million Placement to institutional and professional/sophisticated investors to raise funds to progress the Great White Project, the HPA project and for general working capital (including costs of the Placement).

On 20 May 2024 the Company completed the Placement issuing the 384,615,385 Placement Shares.

For every 4 Placement Shares applied for, the Placement participants are entitled to 3 attaching Placement Options, subject to Shareholder approval.

The purpose of Resolution 2 is to seek Shareholder approval the issue of the Placement Options pursuant to Listing Rule 7.1.

Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12-month period to 15% of the fully-paid ordinary securities it had on issue at the start of that period.

The Placement Options did not fit within any of the exceptions to Listing Rule 7.1 and exceeds the 15% limit in Listing Rule 7.1. It therefore requires the approval of Shareholders under Listing Rules 7.1

Resolution 2 seeks the required Shareholder approval to the issue of the Placement Options under and for the purposes of Listing Rule 7.1.

If Resolution 2 is passed, the Company will be able to proceed with the issue of the Placement Options and Placement participants will receive their free attaching Placement Options. In addition the issue of the Placement Options will be excluded from the calculation of the number of equity securities that the Company can issued without Shareholder approval under Listing Rule 7.1.

If Resolution 2 is not passed, the Company will not be able to proceed with the issue of the Placement Options and Placement participants will not receive their free attaching Placement Options.

Listing Rules Information Requirements

In accordance with the requirements of Listing Rule 7.3, the following information is provided in relation to Resolution 2:

- (a) The Placement Options will be issued to the various institutional and professional/sophisticated investors that participated in the Placement (being investors identified by the Joint Lead Managers or existing Shareholders and excluding any related parties, members of Key Management Personnel, substantial Shareholders or advisers).
- (b) 288,461,554 Placement Options are to be issued in total.
- (c) The Placement Options are each exercisable for one Share at \$0.0195 and expire 2 years after the date of issue. Full terms and conditions are set out in Annexure 1 to this Explanatory Memorandum.
- (d) If Resolution 2 is approved, the Company intends to issue the Placement Options on or about 1 July 2025 and in any case within 3 months from the date of the Meeting.
- (e) The Placement Options are free attaching Options to the Placement Shares (with Placement participants entitled to three (3) Placement Options for every four (4) Placement Shares allotted subject to approval of Resolution 2), with the Placement Shares issued at \$0.013 each. The Placement Options will be issued for nil additional consideration, but the Company will receive \$0.0195 per Placement Option exercised.
- (f) The Placement Options are issued in connection with the Placement (which was undertaken by the Company to advance the Great White Project, including advanced plant design and engineering, product and market development, technical, financial and legal activities to support the funding process for project development, to progress the HPA project and for ongoing working capital requirements).
- (g) The key terms of the Placement are that each investor subscribed by one Placement Share at \$0.013, and will receive 3 free attaching Placement Options for every 4 Shares allotted on the terms set out in Annexure 1, subject to Resolution 2 being approved.
- (h) The Placement Options are not being issued under, or to fund, a reverse takeover.

Voting exclusion statement

The Company will disregard any votes cast in favour on Resolution 2 by or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue of the Placement Options (except a benefit solely by reason of being the holder of ordinary securities in the Company), and person associated with those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- (i) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (ii) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (iii) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person that is excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' Recommendation

The Directors consider that the approval of the Placement Options is beneficial for the Company as it allows the Placement participants to receive their free attaching Placement Options, the exercise of which may provide up to approximately \$5.6 million additional working capital to the Company.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2. The Chair intends to vote undirected proxies in favour of Resolution 2.

Resolution 3 – Approval of Issue of Broker Options as part of fees for Joint Lead Managers

Background

As noted above, on 12 May 2025 the Company announced a \$5 million Placement.

Bell Potter (**Bell Potter**) and Canaccord Genuity (**Canaccord**) acted as Joint Lead Managers to the Placement.

As part of their fees for acting as Joint Lead Managers, Bell Potter and Canaccord are entitled to fees of 6% of the funds received on the Placement and 5 million Options in total, issued on the terms set out in Annexure 1 (**Broker Options**). All fees are to be split equally between them.

The purpose of Resolution 3 is for Shareholders to approve the issue of the Broker Options pursuant to Listing Rule 7.1.

Regulatory Requirements

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12-month period to 15% of the fully-paid ordinary securities it had on issue at the start of that period.

The Broker Options did not fit within any of the exceptions to Listing Rule 7.1. While the issue of the Broker Options does not exceed the 15% limit in Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval under Listing Rule 7.1. To do this, the Company is asking Shareholders to approve the issue of the Broker Options under Listing Rule 7.1 so it does not use up any of the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

To this end, Resolution 3 seeks Shareholder approval to the issue of the Broker Options under and for the purposes of Listing Rule 7.1.

If Resolution 3 is passed, the Company will proceed with the issue of the Broker Options and Joint Lead Managers will receive these as part of their fees. In addition, the issue of the Placement Options will be excluded from the calculation of the number of equity securities that the Company can issued without Shareholder approval under Listing Rule 7.1.

If Resolution 3 is not passed, the Company can proceed with the issue of the Broker Options but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue.

Listing Rules Information Requirements

In accordance with the requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 3:

- (a) The Broker Options will be issued to Joint Lead Managers or their nominees, namely Bell Potter or its nominees will receive 2.5 million Broker Options and Canaccord or its nominees will receive 2.5 million Broker Options.
- (b) The number of Broker Options to be issued is 5 million in total.
- (c) The Broker Options are in the same class as the Placement Options and are each exercisable for one Share at \$0.0195 and expire 2 years after the date of issue. Full terms and conditions are set out in Annexure 1 to this Explanatory Memorandum.
- (d) If Resolution 3 is approved, the Company intends to issue the Broker Options on or about 1 July 2025 and in any case within 3 months from the date of the Meeting.
- (e) The Broker Options will be issued for nil funds, and the Company will receive \$0.0195 per Broker Option exercised.
- (f) The Broker Options are issued to satisfy part of the Joint Lead Manager fees for the Placement.
- (g) The key terms of the Joint Lead Manager engagement are that in return for services associated with acting as Joint Lead Managers they are entitled to fees of 6% of amounts raised under the Placement. In addition they are also entitled to 5 million Broker Options.
- (h) The Broker Options are not being issued under, or to fund, a reverse takeover.

Voting exclusion statement

The Company will disregard any votes cast in favour on Resolution 3 by Bell Potter, Canaccord or on behalf of any person who is expected to participate in, or who will obtain a material benefit as a result of, the proposed issue of the Broker Options (except a benefit solely by reason of being the holder of ordinary securities in the Company), and person associated with those persons.

However, this does not apply to a vote cast in favour of a resolution by:

- (i) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or

- (ii) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (iii) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person that is excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Directors' Recommendation

The Directors consider that the approval of Resolution 3 is beneficial for the Company as it allows the company to retain flexibility in relation to its capacity under Listing Rule 7.1 and the exercise of the Broker Options may provide up to \$97,500 additional working capital to the Company.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3. The Chair intends to vote undirected proxies in favour of Resolution 3.

Resolution 4 and 5– Approval to issue Securities to Mr Jean-Dominique Sorel and Mr Miguel Galindo in lieu of remuneration under the Employee Incentive Plan.

Background

Resolutions 4 and 5 seek Shareholder approval to issue zero priced options on the terms and conditions set out in Annexure 2 (**Service Fee Options**) to Mr Jean-Dominique Sorel and Mr Miguel Galindo, both Non-Executive Directors, in lieu of the payment of their Directors' fees for the period from their respective appointments until 30 June 2025.

Mr Jean-Dominique Sorel was appointed to the Board on 23 December 2024 and Mr Miguel Galindo was appointed to the Board on 16 January 2025. As Non-Executive Directors, each of Mr Sorel and Mr Galindo are entitled to Non-Executive Director fees of \$116,000 per annum, inclusive of any superannuation.

As set out in the ASX announcements for their appointments, each of Mr Sorel and Mr Galindo agreed to defer the payment of their director fees from the period of their respective appointments until 30 June 2025, on the basis that:

- (a) they will accept the issue of Shares in the Company for 100% of their director fees for that period, subject to Shareholder approval;
- (b) the number of Shares to be issued to them will be based on the pricing for the service fee options offered to other Directors for foregoing director's fees over the same period, being \$0.00735; and
- (c) if Shareholder approval is not obtained before or at the 2025 AGM, they will be paid accrued directors fees to 30 June 2025 in cash (being \$60,806.45 for Mr Sorel and \$53,322.58 for Mr Galindo).

It is now intended for tax reasons, that the equivalent number of Service Fee Options will be issued instead of Shares, on substantially the same terms as those issued to Sue-Ann Higgins and former Non-Executive Director Austen Perrin to satisfy director fees, following shareholder approval at the AGM.

An issue of securities as part of the remuneration packages of company directors is a well-established practice of publicly listed companies and, in the case of the Company, has the benefit of conserving cash whilst fairly rewarding the Directors. The Company also considers that the issue of the Service Fee Options is an appropriate mechanism to further align the interests of the Directors with Shareholders of the Company.

If Resolutions 4 and 5 are passed, the Service Fee Options will be issued following the meeting.

The material terms of the Service Fee Options are as follows:

1. Each Service Fee Option will have an expiry date of the earlier of 3 years from the date of issue, or that date which is one month after the director ceases to be either a director or employee of the Company
2. Each Service Fee Option is exercisable at no cost (nil)
3. Each Service Fee Option upon exercise will convert to on ordinary Share, subject to restrictions (**Restricted Shares**) being that the Restricted Shares may not be disposed of or in any way dealt with:
 - a. until the earlier of the elapse of 15 years from the date of issue, or the first date when the Director ceases to be either a director or employee of the Company; and
 - b. until their disposal would not breach either the Company's share trading policy or Division 3 of Part 7.10 of the Corporations Act.

4. If the Director ceases employment, the Service Fee Options will vest immediately.
5. Any Service Fee Option that has not been exercised by the expiry date, will expire.
6. The Service Fee Options will be unquoted and may may not be sold, transferred, mortgaged, pledged, charged, encumbered with a security interest in or over them, or otherwise disposed of without the prior consent of the Board or where such assignment or transfer occurs by force of law.
7. The Service Fee Options will not entitle the Directors to receive dividends on Shares before exercise, nor do they carry any voting rights.

The full terms of the Service Fee Options are set out in Annexure 2 of this Notice.

Resolutions 4 and 5 seek Shareholder approval to issue zero priced options on the terms and conditions set out in Annexure 2 (**Service Fee Options**) to Mr Jean-Dominique Sorel and Mr Miguel Galindo, both Non-Executive Directors, in lieu of the payment of their Directors' fees for the period from their respective appointments until 30 June 2025.

The number of Service Fee Options has been calculated by dividing the nominated fees by the volume weighted average Share price (VWAP) calculated over the 10 trading days following the release of the FY24 financial results which was \$0.00735.

Regulatory Requirements

Listing Rule 10.14 provides that a company must not permit any of the following persons to acquire equity securities under the an employee incentive scheme:

10.14.1 a director of the Company

10.14.2 an associate of a director of the Company; or

10.14.3 a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of securities to Mr Sorel and Mr Galindo in lieu of remuneration falls within 10.14.1 above and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

Resolution 4 and Resolution 5 seeks the required Shareholder approval to the issue of the Service Fee Options and the issue of Shares on exercise of those Service Fee Options to Mr Sorel and Mr Galindo respectively under and for the purposes of Listing Rule 10.14.

If Resolutions 4 and 5 are passed, the Company will be able to proceed with the issue of the Service Fee Options and preserve the cash of the accrued director fees (being \$60,806.45 in relation to Mr Sorel and \$53,322.58 in relation to Mr Galindo).

If Resolution 4 or Resolution 5 is not passed, the Company will not be able to proceed with the issue of the Service Fee Options and must satisfy \$60,806.45 of Mr Sorel's remuneration in cash (for Resolution 4) or \$53,322.58 for Mr Galindo's remuneration in cash (for Resolution 5).

Listing Rules Information Requirements

In accordance with the requirements of Listing Rule 10.14 the following information is provided in relation to Resolution 4 and Resolution 5:

- (a) The name of the related party is:
 - Resolution 4 – Mr Sorel (or his nominee) (Non-Executive Director)
 - Resolution 5 – Mr Galindo (or his nominee) (Non-Executive Director)
- (b) Mr Sorel and Mr Galindo both fall into the category in Listing Rule 10.14.1, as a director of the Company.
- (c) The number and class of securities to be issued are:
 - for Resolution 4 - 8,272,986 Service Fee Options
 - for Resolution 5 - 7,254,772 Service Fee Options

in each case calculated by dividing the nominated remuneration (being \$60,806.45 for Mr Sorel and \$53,322.58 for Mr Galindo) by the volume weighted average Share price (VWAP) of \$0.00735 calculated over the 10 trading days

following the release of the FY24 financial results, which is the same basis on which the fees for other directors are being satisfied by Service Fee Options and the basis on which Mr Sorel and Mr Galindo agreed to defer their Director fees until 30 June 2025.

- (d) The current total remuneration package for Non-Executive Directors is \$116,000 per annum (including superannuation), of which \$60,806.45 is proposed to be satisfied by the issue of Service Fee Options for Mr Sorel (for his Director fees for the period from his appointment on 23 December 2024 to 30 June 2025) and \$53,322.58 is proposed to be satisfied by the issue of Service Fee Options for Mr Galindo (for his Director fees the period from his appointment on 16 January 2025 to 30 June 2025). It is noted that Mr Galindo is the founder and CEO of Galesk Consultancy S.L.U (**Galesk**), a company that has been providing key consulting and advisory services to the Company since April 2023 (before Mr Galindo was appointed as director on 16 January 2025) and the Company pays Galesk a retainer of €8,000 per month for a 2 days per month commitment, with additional days invoiced at €1,500 per full day (subject to prior written approval of the Company).
- (e) No securities have previously been issued to Mr Sorel or Mr Galindo under the Employee Incentive Plan.
- (f) The material terms of the Service Fee Options are summarised above and set out in full in Annexure 2. The Company has chosen this type of security because the issue of such securities is a well-established practice of publicly listed companies and, in the case of the Company, has the benefit of conserving cash whilst fairly rewarding the Directors. Based upon the information set out in paragraph (c) above, the Service Fee Options are valued at \$114,238 which is the total reduction in Directors' Fees to be paid in cash.
- (g) If Resolution 4 and Resolution 5 is passed, the Company will issue the Service Fee Options Mr Sorel and Mr Galindo or their respective nominees within one month after the date of the shareholder approval.
- (h) The number of Service Fee Options to be issued is based on the VWAP calculated over the 10 trading days following the release of the FY24 financial results being \$0.00735.
- (i) A summary of the material terms of the Employee Incentive Plan are set out in Annexure 3 to this Explanatory Memorandum.
- (j) No loan applies in relation to the Service Fee Options.
- (k) Details of any securities issued under the Employee Incentive Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.
- (l) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Employee Incentive Plan after the resolution is approved and who were not named in the notice of meeting will not participate until approval is obtained under that rule.

Voting exclusion statement

The Company will disregard any votes cast in favour of Resolution 4 and Resolution 5 by or on behalf of any of the Directors who are eligible to participate in the Company's Employee Incentive Plan or any of their associates.

However, this does not apply to a vote cast in favour of a resolution by:

- (i) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (ii) the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- (iii) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person that is excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

Restriction on proxy voting by key management personnel or closely related parties

A person appointed as a proxy must not vote on the basis of that appointment on this Resolution if:

- (a) the proxy is either a member of key management personnel or a closely related party of such a member; or
- (b) the appointment does not specify the way the proxy is to vote on this Resolution.

However, the above prohibition does not apply if:

- (c) the proxy is the person Chairing the meeting; and
- (d) the appointment expressly authorises the person chairing the meeting to exercise the proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the key management personnel for the company.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporation Act.

The issue of the Service Fee Shares contemplated by Resolution 4 and 5 constitutes giving a financial benefit and Mr Jean-Dominique Sorel and Mr Miguel Galindo are related parties of the Company by virtue of being Directors.

The Directors (other than Mr Sorel and Mr Galindo) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolutions 4 and 5 because the issue of Service Fee Options constitutes remuneration that is reasonable given the circumstances of the Company and the circumstances of Mr Sorel and Mr Galindo.

Directors' Recommendation

The Directors consider that the approval of Resolution 4 and 5 is beneficial for the Company as it allows the Company to satisfy the accrued directors fees of Mr Sorel and Mr Galindo by the issue of the Service Fee Options.

The Directors (other than Mr Sorel and Mr Galindo) unanimously recommend that Shareholders vote in favour of Resolution 4 and 5. The Chair intends to vote undirected proxies in favour of Resolution 4 and 5.
