A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a proxy) to vote in their place. All Shareholders are invited and encouraged to participate in the Meeting and are encouraged to lodge a directed Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the Chair of the meeting; and
- (c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA, on the question that the resolution be passed; and
- (d) either of the following applies:
 - (i) if a record of attendance is made for the meeting - the proxy is not recorded as attending;
 - (ii) the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Proxy Holders and Voting Instructions

If the Chair is appointed as your proxy and the Chair is not directed how to vote, you are authorising the Chair to cast your undirected vote on all proposed resolutions.

3. Resolution 1 – Ratification of prior issue of December Placement Shares (ASX Listing Rule 7.1)

3.1 Background

On 2 December 2024, the Company announced that it has received commitments from institutional, sophisticated and professional investors to raise \$1 million (before costs) through the issue of a total of 71,428,571 Shares (**December Placement Shares**) to at an issue price of \$0.014 per Share (**December Placement**).

On 9 December 2024, the Company issued the 71,428,571 December Placement Shares without Shareholder approval pursuant to the Company's placement capacity under ASX Listing Rule 7.1. The Company intends to apply the funds raised from the December Placement to continue its exploration efforts at the Isabella Lithium Project and the Raptor REE Project, in addition to providing balance sheet flexibility as well as general working capital, including transaction costs.

GBA Capital Pty Ltd acted as the sole lead manager to the December Placement (**Lead Manager**).

Resolution 1 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the December Placement Shares.

3.2 ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions which are contained in Listing Rule 7.2 (which do not apply in the circumstance of this Resolution), Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The December Placement Shares do not fit within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, Resolution 1 seeks Shareholder approval to subsequently approve the issue of the December Placement Shares under and for the purposes of Listing Rule 7.4.

3.3 Technical information required by ASX Listing Rule 14.1A

If Resolution 1 is passed, the December Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 1 is not passed, the December Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without Shareholder approval over the 12 month period following the issue date.

3.4 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolution 1:

- (a) the December Placement Shares were issued to sophisticated and professional investors who are clients of the Lead Manager (**December Placement Participants**). The December Placement Participants were identified through a book build process, which involved the Lead Manager seeking expressions of interest to participate in the December Placement;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the December Placement Participants (or their respective nominees) are related parties, members of the Key Management Personnel, substantial holders of the Company, advisors to the Company (or an associate of any of these persons), and were issued more than 1% of the Company's current issued capital.
- (c) a total of 71,428,571 December Placement Shares were issued pursuant to the Company's placement capacity under ASX listing Rule 7.1;
- (d) the December Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the December Placement Shares were issued on 9 December 2024;
- (f) the issue price was \$0.014 per December Placement Share;
- (g) the purpose of the issue of the December Placement Shares was to raise \$1,000,000. Funds raised from the issue of the December Placement Shares would be applied in accordance with the use of funds set out in Section 3.1 above;
- (h) the December Placement Shares were not issued pursuant to any agreement; and

- (i) a voting exclusion statement is included in Resolution 1 of this Notice.

3.5 Board recommendation

The Directors of the Company believe Resolution 1 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

4. Resolutions 2(a), 2(b) and 2(c) – Issue of Director Performance Rights to Directors under the Plan

4.1 General

On 25 November 2022, the Company adopted an employee incentive scheme called the “Perpetual Employee Securities Incentive Plan” (**Plan**)

Resolutions 2(a) – 2(c) seek Shareholder approval for the issue of a total of 22,500,000 Performance Rights to the Directors (and/or their nominee/s) under the Plan as follows:

- (a) 7,500,000 Performance Rights to Robert Benussi (and/or his nominees) (Resolution 2(a)), comprising of –
 - (i) 2,500,000 Class Y Performance Rights which convert into Shares (1:1) in the event that the Company’s Share price achieves a minimum of \$0.03 per Share, based on a 10-day volume weighted average price (**VWAP**) from consecutive trading days on which Shares have actually traded (**Class Y Performance Rights**), and
 - (ii) 2,500,000 Class Z Performance Rights which convert into Shares (1:1) in the event that the Company’s Share price achieves a minimum of \$0.035 per Share, based on a 10-day VWAP from consecutive trading days on which Shares have actually traded (**Class Z Performance Rights**);
 - (iii) 2,500,000 Class AA Performance Rights which convert into Shares (1:1) in the event that the Company’s Share price achieves a minimum of \$0.05 per Share, based on a 10-day VWAP from consecutive trading days on which Shares have actually traded (**Class AA Performance Rights**);
- (b) 7,500,000 Performance Rights to Julian Babarczy (and/or his nominees) (Resolution 2(b)), comprising of –
 - (i) 2,500,000 Class Y Performance Rights,
 - (ii) 2,500,000 Class Z Performance Rights; and
 - (iii) 2,500,000 Class AA Performance Rights;
- (c) 7,500,000 Performance Rights to Rafael Mottin (and/or his nominees) (Resolution 2(c)), comprising of –
 - (i) 1,500,000 Class Y Performance Rights,
 - (ii) 1,500,000 Class Z Performance Rights;
 - (iii) 2,500,000 Class AA Performance Rights;

- (iv) 1,000,000 Class AB Performance Rights which convert into Shares (1:1) in the event that the Company reports a 10m or greater continuous intercept at 1% Li₂O (Spodumene) on any project within five (5) years (**Class AB Performance Rights**); and
- (v) 1,000,000 Class AC Performance Rights which convert into Shares (1:1) in the event that the Company reports a JORC Compliant Inferred Resource (or greater) or 10 million tonnes at 1% Li₂O (Spodumene) on any project within five (5) years (**Class AC Performance Rights**),

(together, the **Director Performance Rights**) in accordance with section 195(4) and section 208 of the Corporations Act, and ASX Listing Rule 10.14.

The Director Performance Rights are being issued as part of their remuneration and to incentivise the Directors of the Company in their performance of future services.

4.2 Section 195(4) of the Corporations Act

Each of the Directors have a material personal interest in the outcome of Resolutions 2(a) – 2(c) (as applicable to each Director) by virtue of the fact that Resolutions 2(a) – 2(c) are concerned with the issue of Director Performance Rights to Directors.

Section 195 of the Corporations Act essentially provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a material personal interest are being considered. In the absence of Shareholder approval under section 195(4) of the Corporations Act, the Directors may not be able to form a quorum at Board meetings necessary to carry out the terms of these Resolutions. The Directors have accordingly exercised their right under section 195(4) of the Corporations Act to put the issue to Shareholders to determine.

4.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties by a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party of that public company unless one of a number of exceptions applies.

A “financial benefit” is defined in the Corporations Act in broad terms and includes the issue of securities. For the purpose of this Meeting, a related party includes a director of the Company.

For the purposes of Chapter 2E of the Corporations Act, the Directors are related parties of the Company by virtue of the fact that they are Directors of the Company.

Section 208 of the Corporations Act provides that for a public company, or an entity that a public company controls, to give a financial benefit to a related third party of the public company, the public company or entity must:

- (a) obtain the approval of the public company’s members in the manner set out in Sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in Sections 210 to 216 of the Corporations Act.

Given that all of the Directors of the Company have a material personal interest, the Directors cannot form a quorum to determine whether the giving of the financial benefit falls within an exception set out in Section 210 to 216 of the Corporations Act. Shareholder approval is therefore also sought for the purpose of Chapter 2E of the Corporations Act.

4.4 ASX Listing Rule 10.14

ASX Listing Rules 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) ASX Listing Rule 10.14.1: a director of the Company;
- (b) ASX Listing Rule 10.14.2: an Associate of a director of the Company; or
- (c) ASX Listing Rule 10.14.3: a person whose relationship with the company or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by shareholders.

The issue of the Director Performance Rights falls within Listing Rule 10.14.1 as the Company intends to issue the Director Performance Rights under the Company's Employee Securities Incentive Plan (**Plan**). Accordingly, the issue of the Director Performance Rights requires the approval of Shareholders under Listing Rule 10.14. Accordingly, Resolutions 2(a) – 2(c) seek the required Shareholder approval for the issue of the Director Performance Rights to the Directors under and for the purposes of Listing Rule 10.14.

4.5 Technical information required by ASX Listing Rule 14.1A

If Resolutions 2(a) – 2(c) are passed, the Company will be able to proceed with the issue of the Director Performance Rights to the Directors within fifteen (15) months after the date of the Meeting.

If Resolutions 2(a) – 2(c) are not passed, the Company will not be able to proceed with the issue of the Director Performance Rights to the Directors, and the Company may consider alternative forms of remuneration in lieu of such issue.

4.6 Technical information required by ASX Listing Rule 10.15 and section 219 of the Corporations Act

Pursuant to and in accordance with ASX Listing Rule 10.15 and section 219 of the Corporations Act, the following information is provided in relation to Resolutions 2(a) – 2(c):

- (a) the Director Performance Rights will be issued to each of the existing Directors of the Company, that being, Mr Robert Benussi, Mr Julian Babarczy and Mr Rafael Mottin (or their respective nominees);
- (b) each of Mr Robert Benussi, Mr Julian Babarczy and Mr Rafael Mottin fall within the category of Listing Rule 10.14.1 by virtue of being Directors of the Company;

- (i) Despite anything else contained in these terms, if the Corporations Act, Listing Rules or Constitution prohibits an act being done, that act must not be done.
- (ii) Nothing contained in these terms prevents an act being done that the Corporations Act, Listing Rules or Constitution require to be done.
- (iii) If the Corporations Act, Listing Rules or Constitution conflict with these terms, or these terms do not comply with the Corporations Act, Listing Rules or the Constitution, the holder authorises the Company to do anything necessary to rectify such conflict or non-compliance, including but not limited to unilaterally amending these terms.
- (iv) The terms of the Performance Rights may be amended as necessary by the directors of the Company in order to comply with the Listing Rules, or any directions of ASX regarding the terms in order to comply with the Listing Rules.

(h) **Control Event**

- (i) A change of control event (**Control Event**) occurs where:

 - (B) the Court sanctions under Part 5.1 of the Corporations Act a compromise or arrangement relating to the Company or a compromise or arrangement proposed for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or
 - (C) any person acquires a relevant interest in 50.1% or more of the Shares in the Company by any other means.
- (ii) All the Performance Rights on issue shall automatically vest (without the need for any Vesting Notice) and become exercisable by the holder into Conversion Shares upon the occurrence of a Control Event. Following which, the holder can exercise the Performance Rights into a Conversion Share in accordance with paragraph (d)(iii). The automatic conversion shall only occur if the relevant Control Event is triggered by a person who does not control the entity at the time the Performance Rights were issued.

SCHEDULE 4– Summary of the Employee Securities Incentive Plan

A summary of the terms of the Perpetual Employee Securities Incentive Plan (**Plan**) is set out below:

- (a) (**Eligible Participant**): Eligible Participant means a person that:
 - (i) is an 'ESS participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company for an Invitation made on or after 1 October 2022; and
 - (ii) has been determined by the Board to be eligible to participate in the Plan from time to time
- (b) (**Purpose**): The purpose of the Plan is to:
 - (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (c) (**Plan administration**): The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision B3A-C of the Income Tax Assessment Act 1997 (Cth).. The Board may delegate its powers and discretion.
- (d) (**Eligibility, invitation and application**): The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
- (e) (**Grant of Securities**): The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (f) (**Terms of Convertible Securities**): Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. Unless in 'Special Circumstances' (as defined in the Plan) with the consent of the Board, a Participant may not sell, assign, transfer, grant a security interest over, collateralise a margin loan against, utilise for the purposes of short selling, enter into a Derivative with reference to, or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (g) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (h) **(Exercise of Convertible Securities and cashless exercise):** To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (i) **(Cashless exercise of Convertible Securities):** At the time of exercise of the Convertible Securities, subject to Board approval at that time, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

If the difference between the total exercise price otherwise payable for the Convertible Securities being exercised and the then market Value of the Share at the time of exercise and the exercise price is zero or negative, then the Eligible Participant will not be entitled to use the cashless exercise facility.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, acted negligently, acted in contravention of a Group policy or wilfully breached his or her duties to the Group, the Board will deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

- (l) **(Change of control)**: If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares)**: All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (n) **(Disposal restrictions on Plan Shares)**: If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
 - (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- (o) **(Adjustment of Convertible Securities)**: If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues)**: There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Compliance with Applicable Laws)**: Notwithstanding the Plan rules or any terms of a Security, no Security may be offered, granted, vested or exercised, and no Share may be issued or transferred, if to do so would contravene any applicable laws.

Where monetary consideration is payable by the Eligible Participant, and in respect to Convertible Securities where the exercise price on exercise of those Convertible Securities is greater than zero, the Company must reasonably believe when making an Invitation:

- (i) the total number of Plan Shares that are, or are covered by the Securities that may be issued under an Invitation; and

- (ii) the total number of Plan Shares that are, or are covered by the Securities that have been issued, or could have been issued in connection with the Plan in reliance on Division 1A of Part 7.12 of the Corporations Act at any time during the previous 3 year period prior to the date the Invitation is made,

does not exceed:

- (i) if the Constitution specifies an issue cap percentage, that percentage; or
- (ii) if the Constitution does not specify an issue cap percentage, 5% (or such other maximum permitted under any Applicable Law),

of the total number of Shares on issue at the date of the Invitation.

- (r) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (s) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

SCHEDULE 5– Terms of Lead Manager Options

The following terms and conditions apply to the Lead Manager Options (Resolution 5(b)):

(a) **Entitlement**

Each Option entitles the holder to subscribe for one (1) Share upon exercise of the Option.

(b) **Exercise Price**

Subject to paragraph (i), the amount payable upon exercise of each Option is \$0.03 (**Exercise Price**).

(c) **Expiry Date**

Each Option will expire at 5:00 pm (AWST) on the date that is eighteen (18) months from the date of issue (**Expiry Date**). An Option not exercised before the Expiry Date will automatically lapse on the Expiry Date.

(d) **Exercise Period**

The Options are exercisable at any time on or prior to the Expiry Date (**Exercise Period**).

(e) **Notice of Exercise**

The Options may be exercised during the Exercise Period by notice in writing to the Company in the manner specified on the Option certificate (**Notice of Exercise**) and payment of the Exercise Price for each Option being exercised in Australian currency by electronic funds transfer or other means of payment acceptable to the Company.

(f) **Exercise Date**

A Notice of Exercise is only effective on and from the later of the date of receipt of the Notice of Exercise and the date of receipt of the payment of the Exercise Price for each Option being exercised in cleared funds (**Exercise Date**).

(g) **Timing of issue of Shares on exercise**

Following the Exercise Date and within the time period specified by the ASX Listing Rules, the Company will:

- (i) issue the number of Shares required under these terms and conditions in respect of the number of Options specified in the Notice of Exercise and for which cleared funds have been received by the Company;
- (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or, if the Company is unable to issue such a notice, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors; and
- (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the exercise of the Options.

If a notice delivered under (g)(ii) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary

to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

(h) **Shares issued on exercise**

Shares issued on exercise of the Options rank equally with the then issued shares of the Company.

(i) **Reconstruction of capital**

If at any time the issued capital of the Company is reconstructed, all rights of a holder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

(j) **Participation in new issues**

There are no participation rights or entitlements inherent in the Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Options without exercising the Options.

(k) **Transferability**

Subject to the Board's discretion, the Options are transferable subject to any restriction or escrow arrangements imposed by ASX or under applicable Australian securities laws.
