GENERAL MEETING – EXPLANATORY NOTES

These Explanatory Notes accompanying this Notice of Meeting are incorporated in and comprise part of this Notice of Meeting and should be read in conjunction with this Notice of Meeting.

If any Shareholder is in doubt as to how they should vote, they should seek advice from their legal, financial or other professional adviser prior to voting.

Introduction

These Explanatory Notes have been prepared to provide Shareholders with material information to enable them to make an informed decision on the business to be considered at the General Meeting of the Company. The Directors recommend Shareholders read these Explanatory Notes in full before making any decision in relation to the Resolutions.

Terms defined in the Notice of Meeting have the same meaning in these Explanatory Notes.

Resolution 1: Ratification of 24,030,966 Placement Shares

On 28 May 2025, the Company announced that it had received commitments to issue 50,000,000 Placement Shares at an issue price of \$0.017 per Placement Share and 25,000,000 Placement Options (with an exercise price of \$0.034 per Placement Option and expiry date of 31 July 2027) under a private placement to sophisticated, professional and institutional investors (**Placement**). Both figures were approximate and subject to immaterial rounding. The Placement was undertaken in conjunction with an entitlement offer on a 1:4 basis at the same issue price (**Offer**). The Placement Shares are being issued in two tranches with 24,030,966 Tranche 1 Placement Shares issued under the Company's 15% placement capacity under ASX Listing Rule 7.1 and the Company's 10% placement capacity under Listing Rule 7.1A. A further 20,086,679 Tranche 2 Placement Shares will be issued subject to Shareholder approval pursuant to Resolution 2. The issue of Placement Options, attaching to all Placement Shares, is subject to approval in accordance with Resolution 3.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 and ASX Listing Rule 7.1A limit the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% and 10% respectively of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Tranche 1 Placement Shares did not fall within an exception and were issued without Shareholder approval under the Company's 15% placement capacity under ASX Listing Rule 7.1 and 10% Additional Placement capacity under Listing Rule 7.1A.

ASX Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under ASX Listing Rule 7.1 and Listing Rule 7.1A, provided the issue did not breach the maximum threshold set by ASX Listing Rule 7.1 and Listing Rule 7.1A. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and Listing Rule 7.1A and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under those rules.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1 and Listing Rule 7.1A and thus the Company is seeking ratification of the issue of the Tranche 1 Placement Shares, the subject of Resolution 1. The Company confirms that the issue and allotment of the Tranche 1 Placement Shares did not breach ASX Listing Rule 7.1 and Listing Rule 7.1A at the date of issue.

If Resolution 1 is passed, the Tranche 1 Placement Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolutions 1 is not passed, the relevant issues will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

ASX Listing Rule 7.5 contains certain requirements as to the contents of a Notice sent to Shareholders for the purpose of ASX Listing Rule 7.4 and the following information is included in these Explanatory Notes for that purpose:

Party¹	The Tranche 1 Placement Shares were issued to various investors who did not require a disclosure document and who were identified and selected by the Company and GBA Capital.
Number and Class of Securities issued	24,030,966 fully paid ordinary shares (12,486,580 Shares issued under ASX Listing Rule 7.1 and 11,544,386 Shares issued under ASX Listing Rule 7.1A).
Date of issue	The Tranche 1 Placement Shares were issued on or about 5 June 2025.
Price or other Consideration	The Tranche 1 Placement Shares were issued at a price \$0.017 (1.7 cents) per Share and the Company received approximately \$408,526 for the issue of the Tranche 1 Placement Shares.
Terms	The Tranche 1 Placement Shares rank equally with all other Shares on issue.
Purpose	The funds raised from the Tranche 1 Placement Shares will be used to fund targeted delineation and high-impact air-core drilling to unlock Heavy Mineral Sands (HMS) potential in South Australia, project generation of further HMS opportunities in South Australia, low-cost drill target generation at the NSW Byrock and Theseus Projects, business development and for general working capital expenses.
Material terms of agreement	The relevant placement agreements provided that the issue price of the Placement Shares was \$0.017 and included various conditions customary for a placement agreement of this sort.

¹ None of the parties are Related Parties, substantial holders, advisers nor members of Key Management Personnel of the Company.

Board Recommendation: The Directors recommend that Shareholders vote in favour of Resolution 1 and advise that that they intend to vote any Shares that they own or control in favour of Resolution 1.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 1.

Resolutions 2, 3 and 4: Approval to Issue 20,086,679 Tranche 2 Placement Shares, 22,058,828 Placement Options and 2,000,000 Broker Options to GBA Capital Pty Ltd (or its nominee)

As detailed in the explanatory notes to Resolution 1, on 28 May 2025, the Company announced that it had agreed, subject to Shareholder approval, to issue approximately 20,086,679 Tranche 2 Placement Shares and 22,058,828 Placement Options to participants in the Placement and 2,000,000 Broker Options to GBA Capital (or its nominee) in part consideration for the capital raising services provided by GBA Capital in relation to the Placement and Offer.

As noted in the Explanatory Notes to Resolution 1, broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Exception 17 of ASX Listing Rule 7.1 provides that an agreement to issue equity securities that is conditional on the holders of the listed company's ordinary securities approving the issue before the issue is made, shall be an exception to this prohibition, provided that if an entity relies on this exception the listed company must not issue the equity securities without such approval.

Resolutions 2, 3 and 4 seek Shareholder approval for the issue of the Tranche 2 Placement Shares, Placement Options to participants in the Placement and Broker Options to GBA Capital for the purposes of ASX Listing Rule 7.1.

If Resolutions 2, 3 and 4 are passed, the Company will be able to proceed with the issue of Tranche 2 Placement Shares, Placement Options to investors in the Placement and Options to GBA Capital. In addition, the Shares and Options will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolutions 2, 3 and 4 are not passed, the Company will not be able to proceed with the issue of Tranche 2 Placement Shares, Placement Options to investors in the Placement and Broker Options to GBA Capital.

In accordance with the requirements of Listing Rule 7.3 the following information is provided in respect of Tranche 2 Placement Shares, Placement Options to investors in the Placement and Options to GBA Capital:

	Resolution 2	Resolution 3	Resolution 4
Party/ Allottees	The Tranche 2 Placement Shares will be issued to those investors who subscribed for Placement Shares.	The Placement Options will be issued to those investors who subscribed for Placement Shares.	GBA Capital Pty Ltd or its nominee(s).

Resolutions 5 to 9: Approval to Issue Shares and Options to Directors of the Company

Background

As noted in the Explanatory Notes for Resolutions 1, 2, 3 and 4, on 28 May 2025, the Company announced that it received firm commitments to issue approximately 50,000,000 Placement Shares and 25,000,000 Placement Options under the Placement and, subject to Shareholder approval being obtained, the Company intended to issue up to \$100,000 of Shares to the Directors of the Company (or their Associates) (**Conditional Placement**).

The Directors (Chris Sutherland, Peter McIntyre, Tony Belperio, Greg Hall and Duncan Chessell) or their nominated Associates (**Participating Allottees**) are intending to participate in the Conditional Placement, via their associated Shareholding vehicles (if applicable), on the same terms as the Placement, subject to the Company obtaining Shareholder approval to such issue.

ASX Listing Rule Requirements

ASX Listing Rule 10.11 requires shareholder approval for the issue of equity securities to, among other defined persons, a Related Party of an entity, an Associate of a Related Party or a person who is (or was at any time in the last 6 months before issue).

Accordingly, as the Participating Allottees are Related Parties of the Company (by virtue of their position as Directors) and therefore fall within numerous categories of Listing Rule 10.11 – specifically Listing Rule 10.11.1 and Listing Rule 10.11.4, Shareholder approval is being sought for the issue of a total of 5,882,351 Shares and 2,941,176 Options to the Participating Allottees (or their nominated Associates) on the terms set out below.

If approval of the issue of the Shares and Options is given under Listing Rule 10.11, approval is not required under Listing Rule 7.1 as per Listing Rule 7.2 exception 14, and the Shares and Options will be excluded in calculating the Company's 15% placement capacity in ASX Listing Rule 7.1 and 10% additional placement capacity in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolutions 5, 6, 7, 8 and 9 are not passed, the Company will be precluded from issuing the Shares and Options to the Participating Allottees (or their nominated Associates).

Resolutions 5, 6, 7, 8 and 9 operate independently and the passing (or not) of one of these Resolution is not related to passing of the other four Resolutions.

Corporations Act

Under Chapter 2E of the Corporations Act, a public company cannot give a financial benefit to a Related Party unless an exception applies or shareholders have, in a general meeting, approved the giving of that financial benefit to the Related Party. The Participating Allottees are Directors and are therefore each a Related Party of the Company.

The Board has formed the view that Shareholder approval under section 208 of the Corporations Act is not required for the proposed issue of Shares and Options, pursuant to Resolutions 5, 6, 7, 8 and 9, on the basis that exception in section 210 of the Corporations Act applies as the Participating Allottees are proposing to participate in the Conditional Placement on the same terms as other investors in the Placement.

Board Recommendation

The Directors decline to make a recommendation to Shareholders in relation to their own respective Resolutions under which they will be issued Shares and Options due to their material personal interest in the outcome of that Resolution.

The Directors do not have a personal interest in the outcome of the Resolutions related to the issue of Shares and Options to the other Directors. The Directors (other than the Directors in relation to their own Resolution) recommend that Shareholders vote in favour of Resolutions 5, 6, 7, 8 and 9.

The Directors, except as the recommendation relates to their own Securities, make the recommendation above for the following reasons:

- the issue of Options to the Participating Allottees (or their Associates) will better align the interests of the Participating Allottees with those of Shareholders;
- the issue of the Shares and Options is reasonable and appropriate as the Participating Allottees are proposing to participate in the Conditional Placement on the same terms as other applicants participating in the Placement; and
- it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Shares and Options on the terms proposed.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolutions 5, 6, 7, 8 and 9.

Resolutions 10, 11 and 12: Ratification of issue of 3,230,000 Byrock Project Shares, approval of agreement to issue 1,600,000 HMS Project Shares and Approval to Issue Cowal Project Shares

The Company has undertaken numerous business development transactions in the past six months involving the issue of consideration Shares. Resolutions 10, 11 and 12 relate to the issue or agreed issue of Securities related to these transactions.

Resolution 10

On 11 February 2025, the Company announced that it had entered into an agreement with Nimrod Resources Limited (**Nimrod**) via an exclusive binding Option, Farm-in and JV agreement that allows Copper Search to earn up to a 75% interest in the Byrock Project in NSW (**Byrock Project**). The material terms of the agreement are:

- Initial consideration to Nimrod of \$25,000 cash and 3,230,000 Copper Search Shares (**Byrock Project Shares**), followed by project milestone share-based payments (all subject to future Shareholder approval);
- Exclusive 12-month option period allowing the Company to complete pre-drilling confirmation programs and meet the minimum of \$350,000 expenditure required during the option period;
- Copper Search can then elect to earn a 51% interest by spending \$2m over two years in addition to the option period expenditure and form a Joint Venture (JV);
- Nimrod may retain a 49% interest by electing to participate in the JV;
- If Nimrod elects not to participate, Copper Search has the option to earn a 75% interest by sole funding a further \$3m expenditure, after which co-funding by percentage interest under standard JV terms prevails; and
- Copper Search can accelerate earning to any milestone by meeting the expenditure requirements early, with overspend carried forward.

The Company has issued the Byrock Project Shares under ASX Listing Rule 7.1 and is seeking ratification of the issue of these Shares under ASX Listing Rule 7.4.

Resolution 11

On 26 May 2025, the Company announced that it had identified Heavy Mineral Sands (**HMS**) at its Peake Project in South Australia. The Company has engaged Mr Ian Warland as an advisor in relation to the HMS project and agreed to issue Mr Warland 1,600,000 Shares upon the grant of ELA2025-017 (**ELA**) as an exploration licence (**HMS Project Shares**). The grant of the ELA is conditional on standard state government processes and timing of the grant is not certain.

The Company is seeking approval for the agreement to issue the HMS Project Shares under ASX Listing Rule 7.1.

Resolution 12

On 23 May 2025, the Company announced that it had entered into an agreement with Rimfire Pacific Mining Limited (**Rimfire**) via an exclusive option to purchase agreement that allows Copper Search to purchase the Cowal Project in NSW (**Cowal Project**). The material terms of the agreement are:

- Copper Search will pay \$50,000 in cash to secure an exclusive 6-month option to assess the Cowal Project within ten business days of the waiver of Sandfire Resources Limited (**Sandfire**) Right of First Refusal (**ROFR**) over one of the Cowal Project tenements - EL8329 (75km²). Sandfire has 30 business days to make an election to exercise its ROFR. NSW granted Tenements included in the Cowal Project are EL8329, EL8804 and EL9397.
- At Copper Search' call, during the exclusive 6-month option period, the Company may purchase the Cowal Project outright for \$200,000 in cash or, at the Company's election, up to 50% Shares - the number of shares will be calculated based on the 20-day VWAP immediately before the issue (**Cowal Project Shares**).
- The option period may be extended by a maximum of 3 months by paying a cash consideration of \$10,000 per month of extension.
- 2% NSR in favour of Sandfire is held over EL8329.
- First JORC Mineral Resource Estimate (**MRE**) (inferred or better) announced triggers a further payment of \$200,000 to Rimfire, as cash or at Copper Search election with up to 50% shares – subject to future Shareholder approval.
- First production of at least 50,000 oz of gold or gold equivalent triggers a final payment of \$250,000 cash to Rimfire within 30 days of first production.

The Company is seeking approval for the agreement to issue the Cowal Project Shares under ASX Listing Rule 7.1 in the event that the Company exercise its election to purchase the Cowal Project and settle 50% of that purchase via the issue of Shares.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Exception 17 of ASX Listing Rule 7.1 provides that an agreement to issue equity securities that is conditional on the holders of the listed company's ordinary securities approving the issue before the issue is made, shall be an exception to this prohibition, provided that if an entity relies on this exception the listed company must not issue the equity securities without such approval.

ASX Listing Rule 7.4 allows the shareholders of a listed company to subsequently ratify the previous issues of securities made without prior shareholder approval under ASX Listing Rule 7.1 and Listing Rule 7.1A, provided the issue did not breach the maximum threshold set by ASX Listing Rule 7.1 and Listing Rule 7.1A. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and Listing Rule 7.1A and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under those rules.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1 and Listing Rule 7.1A and thus the Company is seeking ratification of the issue of the Byrock Project Shares, the subject of Resolution 10 and approval to issue (or agreement to issue) the HMS Project Shares and Cowal Project Shares the subject of Resolutions 11 and 12 respectively. The Company confirms that the issue and allotment of the Byrock Project Shares and agreement to issue the HMS Project Shares did not breach ASX Listing Rule 7.1 at the date of issue and agreement to issue.

If Resolution 10 is passed, the Byrock Project Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolution 10 is not passed, the relevant issue will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1 and 10% limit in ASX Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the date of issue.

If Resolutions 11 and 12 are passed, the Company will be able to proceed with the issue of the HMS Project Shares and the Cowal Project Shares if the Company elects to part settle the Cowal Project acquisition via issue of Shares. In addition, the Shares will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under ASX Listing Rule 7.1.

If Resolutions 11 and 12 are not passed, the Company will not be able to proceed with the issue of the HMS Project Shares and the Cowal Project Shares and will be required to settle the Cowal Project acquisition via cash payment.

ASX Listing Rule 7.5 contains certain requirements as to the contents of a Notice sent to Shareholders for the purpose of ASX Listing Rule 7.4. Further, in accordance with the requirements of Listing Rule 7.3 the following information is provided in respect of HMS Project Shares and Cowal Project Shares:

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolutions 10, 11 and 12.

Resolution 13: Change of Company name

Since listing in 2021, the Company's name has been Copper Search Limited, and during that time the Company's principal focus has been copper exploration in South Australia. More recently the Company has focused its attention to other minerals and regions.

As a result of the change in focus, the Directors consider that it is appropriate for the Company to adopt a new name which is more reflective of its future direction. It is therefore proposed to change the name of the Company to "Altitude Minerals Ltd". The Board has approved this change of name subject to the approval of Shareholders. The change will not affect the legal status of the Company.

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by shareholders present and eligible to vote (in person, by proxy, by attorney, or in the case of a Shareholder which is a corporation, by representative) (by the number of shares) must be in favour of the resolution.

If the resolution is passed, the change of name will take effect when ASIC alters the details of the Company's registration. The proposed name has been reserved by the Company and if the resolution is passed, the Company will lodge a copy of that special resolution with ASIC in order to effect the change.

If the Resolution is not passed, the Company will not be able to effect the proposed change of name.

The Company also seeks approval under section 136(2) of the Corporations Act to amend the Company's constitution to reflect the change of name.

Board Recommendation: The Directors recommend that Shareholders vote in favour of Resolution 13 and advise that that they intend to vote any Shares that they own or control in favour of Resolution 13.

The Chair of the Meeting intends to vote all undirected proxies in favour of Resolution 13.
