EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. RESOLUTION 1 – RATIFICATION OF PRIOR ISSUE OF SHARES TO CUMULUS WEALTH

1.1 Background

On 15 March 2024, the Company announced its intention to complete a private placement to sophisticated and institutional investors to raise up to approximately \$900,000 through the issue of Shares at an issue price of \$0.0086 per Share, together with free-attaching options on a 1 for 2 basis (**Placement**).

On or about 12 March 2024, the Company entered into a mandate with Cumulus Wealth Pty Ltd (**Cumulus Wealth**) pursuant to which Cumulus Wealth was engaged by the Company to act as lead manager to the Placement (**Lead Manager Mandate**).

In accordance with the terms of the Lead Manager Mandate, the Company agreed to pay Cumulus Wealth (or its nominee(s)) the following fees (exclusive of GST):

- (a) a 6% cash fee of the total funds raised under the Placement (comprising a 2% management fee and 4% capital raising fee).
- (b) 10,000,000 options on the same terms as those issued under the Placement; and
- (c) subject to shareholder approval, a monthly fee of \$7,500 in consideration for ongoing corporate advisory services, for a period of 6 months from 12 March 2024, payable quarterly in arrears through the issue of Shares, at a deemed issue price of \$0.0086 per Share (being the issue price of the Placement).

The Lead Manager Mandate otherwise contained customary terms and conditions.

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 2,616,279 Shares to Cumulus Wealth (or its nominee(s)) on 10 December 2024, in satisfaction of the corporate advisory fee payable by the Company pursuant to the Lead Manager Mandate.

1.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

1.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

1.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company

can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

Notes:

1. Each vesting condition is subject to Mr Rajasooriar remaining engaged by the Company to provide the services in the role of MD and CEO of the Company pursuant to the Consultancy Agreement.

Accordingly, Resolution 5 seeks Shareholder approval for the issue of 20,000,000 Options and 40,000,000 Performance Rights (together, the **Incentive Securities**) to Mr Rajasooriar (or his nominee(s)) under the ESS Plan.

5.3 Initial Subscription

Pursuant to the Consultancy Agreement, Mr Rajasooriar has agreed to subscribe for Shares in the Company (subject to Shareholder approval) to the value of \$100,000 at a subscription price of \$0.014 per Share (**Initial Subscription**).

Accordingly, Resolution 6 seeks Shareholder approval for the issue of 7,142,857 Shares to Mr Victor Rajasooriar (or his nominee(s)) pursuant to the Initial Subscription.

The Company intends to use the funds raised from the Initial Subscription towards early stage exploration programs in Namibia and Botswana.

6. RESOLUTION 5 – APPROVAL TO ISSUE SECURITIES TO MR VICTOR RAJASOORIAR

6.1 General

As set out in Section 5.2, this Resolution seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue of the Incentive Securities to Mr Victor Rajasooriar (or his nominee(s)) on the terms and conditions set out below.

For further details in respect of the Incentive Securities proposed to be issued to Mr Rajasooriar (or his nominee(s)), refer to Section 5.2.

6.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Rajasooriar is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Rajasooriar) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Securities, reached as part of the remuneration package for Mr Rajasooriar, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

6.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.4 Technical information required by Listing Rule 14.1A

Subject to the passing of Resolution 8, if this Resolution is passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue. Consequently, the Company will have to re-negotiate their obligations under the Consultancy Agreement with Mr Rajasooriar, which may involve increasing Mr Rajasooriar's cash-based remuneration.

7. RESOLUTION 6 – APPROVAL TO ISSUE SHARES TO MR VICTOR RAJASOORIAR

7.1 General

As set out in Section 5.3 above, this Resolution seeks Shareholder approval for the purposes of Listing Rule 10.11 for the issue of 7,142,857 Shares to Mr Victor Rajasooriar (or his nominee(s)) on the terms and conditions set out below.

7.2 Chapter 2E of the Corporations Act

A summary of Chapter 2E of the Corporations Act is set out in Section 6.2 above.

The issue constitutes giving a financial benefit and Mr Rajasooriar is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Rajasooriar who has a material personal interest in the Resolution) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue as the Initial Subscription was agreed under the Consultancy Agreement and was negotiated on an arm's length basis.

7.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue. Consequently, the Company may have to re-negotiate the terms of the Consultancy Agreement with Mr Rajasooriar.

8. RESOLUTION 7 - APPROVAL OF GRANT OF POTENTIAL TERMINATION BENEFITS TO A DIRECTOR

8.1 General

This Resolution seeks Shareholder approval in accordance with Part 2D.2 of the Corporations Act (including sections 200B, 200C and 200E of the Corporations Act) and Listing Rule 10.19 for the Company to give certain potential termination benefits to Mr Victor Rajasooriar in connection with Mr Rajasooriar ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company or a related body corporate or in connection with the transfer of the whole or any part of the undertaking or property of the Company or a related body corporate.

8.2 Part 2D.2 of the Corporations Act

The Corporations Act restricts the benefits which can be given to individuals who hold a managerial or executive office (as defined in the Corporations Act) in the Company or its related bodies corporate in connection with the retirement from their position in the Company or its related bodies corporate, unless an exception applies.

In accordance with section 200B of the Corporations Act, to give a benefit in connection with a relevant person's retirement from an office, the Company must, subject to various exceptions, obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act.

Provided shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e., the approved benefit will not count towards the statutory cap under the Corporations Act).

In accordance with section 200C of the Corporations Act, the Company is also required to obtain the approval of Shareholders in the manner set out in section 200E of the Corporations Act where a benefit is given to a person who holds or has held a managerial or executive office in the Company or its related bodies corporate (or a spouse, relative or associate of such person) in connection with the transfer of the whole or any party of the undertaking or property of the Company.

8.3 Listing Rule 10.19

Listing Rule 10.19 provides that without shareholder approval, an entity must ensure that no officer of the entity or any of its child entities will be, or may be, entitled to termination benefits if the value of those benefits and the termination benefits that may become payable to all officers together exceed 5% of the equity interests of the entity as set out in the latest accounts given to ASX under the Listing Rules (**5% Threshold**).

8.4 Termination benefits and their value

Mr Rajasooriar holds a 'managerial or executive office' by virtue of being a Director as set out in Section 5.

The term 'benefit' has a wide operation and includes any automatic or accelerated vesting of convertible securities upon termination or cessation of employment in accordance with their terms, or the exercise of any Board discretion to determine such automatic or accelerated vesting will occur.

This Resolution seeks Shareholder approval to enable the Company to give Mr Rajasooriar a termination benefit, comprising a payment in accordance with the Consultancy Agreement and the accelerated vesting of the Incentive Securities that Mr Rajasooriar will hold (subject to Shareholders approving Resolution 5) upon a change of control of the Company and/or the reduction of waiver of vesting conditions attaching to securities held by Mr Rajasooriar in connection with the termination or cessation of the employment or engagement of Mr Rajasooriar.

The Board considers it prudent to obtain Shareholder approval under sections 200B and 200C of the Corporations Act for any termination benefits provided to Mr Rajasooriar under the terms of the Consultancy Agreement and the terms of the Incentive Securities in case those benefits do not technically fall within one of the statutory exemptions under the Corporations Act. For example, as Mr Rajasooriar has only recently been appointed as MD and CEO, the 'Relevant Period' for the calculation of the exemption in section 200F of the Corporations Act would be less than one year if his employment ceases in the near term.

The Board considers it prudent to obtain Shareholder approval under Listing Rule 10.19 in order to give the Company flexibility, in case the value of the termination benefits exceeds this 5% Threshold.

A summary of the termination benefits which may be payable to the director is set out below.

Potential cash benefits under Consultancy Agreement	Description of benefit
	As set out in Section 5.1, Mr Rajasooriar is a party to the Consultancy Agreement with the Company.
	The Consultancy Agreement contains the following termination provisions:
	(a) The Company may terminate the Consultancy Agreement without cause by giving 3 months' notice of termination. The Company may make payment in lieu of part or all of the notice period.
	(b) Mr Rajasooriar may terminate the Consultancy Agreement without cause by giving the Company 3 months' notice of termination. The Company may make payment in lieu of part or all of the notice period.
	(c) If a Change of Control occurs and, at any time during the twelve-month period following such Change of Control, a Triggering Event occurs, Mr Rajasooriar shall be entitled to terminate the Consultancy Agreement and to receive a lump sum payment equal to 3 months' worth of his annual remuneration (in lieu of all other notice, damages or claims as regards to dismissal or termination of the Consultancy Agreement).
	It is also possible that Mr Rajasooriar may be entitled to accrued contractual benefits (such as unused annual leave) at the time they cease employment.
	Manner in which value can be calculated
	The value of the benefit is calculated based on up to 3 months of Mr Rajasooriar's annual remuneration, plus any accrued contractual entitlements (such as unused annual leave) at the

	<p>time of termination.</p> <p>Matters, events or circumstances that will, or are likely to, affect the calculation of that value</p> <p>The amount or value of any benefits required to be paid or otherwise given under the Consultancy Agreement will depend on:</p> <ul style="list-style-type: none"> (a) the total fixed remuneration of Mr Rajasooriar at the time (including their cash salary, superannuation contributions; and/ or other non-cash benefits agreed between Mr Rajasooriar and the Company from time to time); (b) the circumstances in which Mr Rajasooriar leaves office; and (c) the nature of the Company's operations at the relevant time. <p>The amount or value of any benefits payable under the Consultancy Agreement can only be determined once notice is given. Accordingly, the amount or value of the benefits cannot be ascertained as at the date of this Notice.</p> <p>The following would not be included as a 'termination benefit':</p> <ul style="list-style-type: none"> (a) the payment of any salary for the period up to the date of termination of employment; or (b) the payment of any pro-rated cash performance bonuses for the period up to the date of termination of employment.
<p>Other potential benefits under Consultancy Agreement</p>	<p>Description of benefit</p> <p>As set out in Section 5.2, the Consultancy Agreement contemplates the Company's agreement to issue Mr Rajasooriar a total of 20,000,000 Options and 40,000,000 Performance Rights (subject to the receipt of shareholder approval under Resolution 5) to be issued under the Company's ESS Plan, to be issued on the terms and conditions set out in Schedule 1 and Schedule 2 respectively.</p> <p>In addition, the Consultancy Agreement contemplates the potential grant of further long-term incentives to Mr Rajasooriar at the discretion of the Board, in accordance with the terms of any invitation issued to him, the rules of the ESS Plan, shareholder approval, and applicable laws. In connection with any such potential future issues under the ESS Plan, the Company is seeking Shareholder approval under Resolution 8, for the purposes of Listing Rule 7.2, Exception 13(b), to issue up to a maximum of 85,000,000 securities under the ESS Plan (inclusive of the 60,000,000 Incentive Securities proposed to be issued to Mr Rajasooriar). The approvals sought under this Resolution 7 relate only to that maximum number of securities.</p> <p>Under the ESS Plan the Board has discretion to waive, bring forward or extend a vesting condition for a convertible security, by written notice of the Board to the relevant participant and on such terms and conditions as determined by the Board and set out in that notice.</p> <p>Further, the terms of the Incentive Securities being issued to Mr Rajasooriar include the Change of Control provisions outlined below.</p> <ul style="list-style-type: none"> (a) Under the terms and conditions of the Options (as set out in Schedule 1), all unvested Options previously issued to Mr Rajasooriar (or his nominee(s)) by the Company shall become fully vested upon the occurrence of a Change of Control, in which case Mr Rajasooriar (or his nominee(s)) will be entitled to exercise the Options in accordance with their terms. (b) Under the terms and conditions of the Performance Rights

(as set out in Schedule 2), upon a Change of Control occurring then, to the extent Performance Rights have not converted into Shares due to satisfaction of the relevant vesting conditions, Performance Rights will accelerate vesting conditions and will automatically convert into Shares on a one-for-one basis.

Manner in which value can be calculated

The Company will calculate the value of this benefit as being equal to the value of the number of Incentive Securities that vest.

Matters, events or circumstances that will, or are likely to, affect the calculation of that value

The value of the benefits that the Board may give Mr Rajasooriar in respect of the Incentive Securities (or any other securities that may be granted to Mr Rajasooriar under the ESS in the future), in connection with his retirement cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting, the number of Incentive Securities that vest or remain on foot and the extent to which any relevant vesting conditions have been satisfied (if applicable).

8.5 Technical information required by Listing Rule 14.1A

If this Resolution is approved at the Meeting, Mr Rajasooriar will be entitled to be paid the termination benefits outlined above and the value may exceed the 5% Threshold.

If this Resolution is not approved at the Meeting, Mr Rajasooriar will not be entitled to be paid any termination benefits, unless they fall within an exception under the Corporations Act and do not breach the 5% Threshold.

The Chair intends to vote all available proxies in favour of this Resolution.

A voting exclusion statement and a voting prohibition statement apply to this Resolution.

9. RESOLUTION 8 – APPROVAL TO ISSUE SECURITIES UNDER AN INCENTIVE PLAN

9.1 General

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 85,000,000 Securities under the employee incentive scheme titled "Incentive Securities Plan" (**ESS Plan**)).

The objective of the ESS Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the ESS Plan and the future issue of Securities under the ESS Plan will provide these parties with the opportunity to participate in the future growth of the Company.

9.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 1.2 above.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

9.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the ESS Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the ESS Plan (up to the maximum number of Securities stated in Section 9.4 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the ESS Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the ESS Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

SCHEDULE 3 – EMPLOYEE INCENTIVE SECURITIES PLAN

The full terms of the ESS Plan may be inspected at the registered office of the Company during normal business hours. A summary of the terms of the ESS Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that:
- (i) is an "ESS participant" (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company; and
 - (ii) has been determined by the Board to be eligible to participate in the ESS Plan from time to time.
- (b) **Participant** means Eligible Participant (or his or her nominated person) who has been granted any Security under the ESS Plan.
- (c) **(Purpose):** The purpose of the ESS Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Company and each of its associated bodies corporate (**Group**), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (d) **Convertible Security** means a Security issued under the Company's ESS Plan which converts into a Plan Share upon exercise of the right of conversion or satisfaction of the relevant vesting condition in accordance with the terms and conditions of the ESS Plan.
- (e) **(Plan administration):** The ESS Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the ESS Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion.
- (f) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the ESS Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.
- On receipt of an Invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company.
- The Board may accept an application from an Eligible Participant in whole or in part.
- If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
- (g) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities subject to the terms and conditions set out in the invitation, the ESS Plan rules and any ancillary documentation required.
- (h) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the ESS Plan.
- Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
- (i) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the

Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

- (j) **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

- (k) **Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the five (5) trading days immediately preceding that given date, unless otherwise specified in an invitation. A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the ESS Plan rules, or such earlier date as set out in the ESS Plan rules.

- (l) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the ESS Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

- (m) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the ESS Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
 - (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
- (n) **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (o) **(Rights attaching to Plan Shares):** All Shares issued under the ESS Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares held by the Participant (or a trustee for and on behalf of the Participant).

- (p) **(Disposal restrictions on Plan Shares):** If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the ESS Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
 - (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- (q) **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (r) **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

- (s) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the ESS Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the ESS Plan and determine that any amendments to the ESS Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the ESS Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (t) **(Plan duration):** The ESS Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the ESS Plan for a fixed period or indefinitely, and may end any suspension. If the ESS Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

- (u) **(Board powers and discretion):** Any power or discretion which is conferred on the Board by these Rules may be exercised in its sole and absolute discretion except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth). Any decision by the Board regarding the interpretation, effect or application of these Rules, is final, conclusive and binding. The Board does not, in exercising any power or discretion under these Rules, owe any fiduciary or other obligations to any Eligible Participant or Participant.
