2.2 Further actions

Each party agrees to take any steps necessary to give effect to its undertaking under clause 2.1.

3. Payment of Top Up Amount

3.1 SPV control transaction

- (a) If within 12 months of the date of this Agreement:
 - (i) SPV or one of its Related Companies or Associates enters into a scheme implementation agreement (**SIA**) with the Company to implement a scheme of arrangement under Part 15 of the Companies Act in relation to the acquisition by that party (or its nominee) of all of the Shares (**Scheme**);
 - (ii) the SPV Control Transaction Price for the Scheme is greater than the Sale Price; and
 - (iii) the Scheme is implemented in accordance with the SIA,

then SPV will pay (or procure the payment of) the Top Up Amount to the Shareholder within five Business Days after the date on which the Scheme is implemented in accordance with its terms.

- (b) If within 12 months of the date of this Agreement:
- (i) SPV or one of its Related Companies or Associates gives a notice under rule 41 of the Takeovers Code of its intention to make a takeover offer for all or part of the equity securities in the Company (**Takeover Offer**);
 - (ii) the SPV Control Transaction Price for the Takeover Offer is greater than the Sale Price; and
 - (iii) the Takeover Offer is declared unconditional in all respects in accordance with rule 49C(3) of the Takeovers Code,

then SPV will pay (or procure the payment of) the Top Up Amount to the Shareholder within five Business Days after the date on which the Takeover Offer is declared unconditional in all respects.

3.2 Premium Sale

If within 12 months of the date of this Agreement:

- (a) SPV sells any Shares to a Third Party under a competing scheme of arrangement under Part 15 of the Companies Act, a competing takeover offer under the Takeovers Code, the compulsory acquisition process under the Takeovers Code, an on-market sale or an off-market sale (a **Qualifying Sale**); and
- (b) the Premium Sale Price under the Qualifying Sale is greater than the Sale Price (a **Premium Sale**),

then SPV will pay (or procure the payment of) the Top Up Amount to the Shareholder within five Business Days after the date SPV receives the consideration for that Premium Sale.

3.3 General

- (a) Any Top Up Amount and any Matching Amount payable to the Shareholder by SPV (or by the Bidder or any other party following procurement by SPV) is agreed by the parties to be additional consideration paid by SPV for the Sale Shares.
- (b) Notwithstanding any other provision of this Agreement:
 - (i) if a Top Up Amount is paid by SPV under clause 3.2 and a Top Up Amount subsequently becomes payable by SPV under clause 3.1, then the Top Up Amount payable by SPV under clause 3.1 will be reduced by an amount equal to the aggregate of any such Top Up Amounts the Shareholder has been paid by SPV under clause 3.2; and
 - (ii) except to the extent that clause 4(c) applies, a Top Up Amount is not payable in any circumstances where it would result in a Top Up Amount being payable in respect of more than the number of the Sale Shares (including where the aggregate proportion for Premium Sales where clause 4(d) applies has reached 100%).
- (c) If within 12 months of the date of this Agreement SPV transfers the Sale Shares to one or more of its Related Companies, shareholders, affiliates or Associates, then

references in clauses 3.2 and 4 to SPV are to be read as a reference to such transferee or transferees in order to give effect to the intention of this Agreement.

- (d) For the purposes of the financial arrangements rules in the Income Tax Act 2007, if a Top Up Amount or a Matching Amount is payable under this Agreement, the parties agree that:
 - (i) the Consideration is the lowest price (within the meaning of section EW 32 of the Income Tax Act 2007) that would have been agreed for the transfer of each Sale Share, on the date this Agreement was entered into, if payment had been required in full at the time the first right in each of the Sale Shares was transferred;
 - (ii) the Consideration is the value of each Sale Share; and
 - (iii) they will compute their taxable income for the relevant period on the basis that the Consideration for each Sale Share includes no capitalised interest, and will file their tax returns accordingly.

4. Calculating the Top Up Amount

- (a) Subject to clauses 4(b), 4(c) and 4(d), the **Top Up Amount** is the amount calculated in accordance with the following formula:

$$SS \times (RTP - SP)$$

where:

SS is:

- (i) where clause 3.1 applies, the number of Sale Shares;
- (ii) where clause 3.2 applies, the number of Sale Shares held by SPV that are sold under that Premium Sale;

RTP is the Relevant Transaction Price; and

SP is (A) the Sale Price plus (B) the aggregate of any Matching Amounts paid under clause 5(a) divided by the number of Sale Shares.

- (b) The parties agree that if the amount calculated under clause 4(a) is a negative amount, then the Top Up Amount will be zero and no amount will be payable to the Shareholder under clause 3.
- (c) If the Shares are subdivided or consolidated (or there is any other similar proportionate capital reconstruction) during the period commencing on the date of this Agreement and ending on:
 - (i) in relation to a Scheme, the date on which the Scheme is implemented in accordance with the SIA; or
 - (ii) in relation to a Takeover Offer, the date on which the Takeover Offer is declared unconditional in all respects in accordance with rule 49C(3) of the Takeovers Code; or
 - (iii) in relation to a Premium Sale, the date of completion of that sale,

then the Top Up Amount will be adjusted as appropriate to take account of that subdivision or consolidation (or other similar proportionate capital reconstruction) of the Shares in order to give effect to the intention of this clause 4.

- (d) For the purposes of limb (ii) of the definition of "SS", if the number of Shares that SPV sells under that Premium Sale is less than the total number of Shares that SPV holds on the date which is 15 Business Days after the date of this Agreement, then "SS" will be (A) the number of Sale Shares multiplied by (B) the proportion that the number of Shares that SPV sells under that Premium Sale reflects of the total number of Shares that SPV holds on the date which is 15 Business Days after the date of this Agreement.

5. Matching top-up

- (a) If, within 20 Business Days after the date of this Agreement, SPV acquires from any Third Party any Shares On-Market at a price per Share (net of any brokerage fees or any other transaction fees) which is more than 5 cents above the Sale Price (a **Matching Amount Acquisition**), then SPV will pay (or procure the payment of) the Matching Amount to the Shareholder within five Business Days after the date on which SPV acquires those Shares.

- (b) Subject to clauses 5(c) and 5(d), the **Matching Amount** is the amount calculated in accordance with the following formula:

$$N \times (OMP - TP)$$

where:

N is the number of the Sale Shares divided by two;

OMP is the price per Share paid by SPV (net of any brokerage fees or any other transaction fees) under the relevant Matching Amount Acquisition; and

TP is (A) Sale Price plus 5 cents, plus (B) the aggregate of any prior paid Matching Amounts paid under clause 5(a) divided by half the number of Sale Shares.

- (c) If the amount calculated in accordance with the formula set out in clause 5(b) is a negative number, then the Matching Amount will be zero and no amount will be payable under clause 5(a) in respect of that Matching Amount Acquisition.
- (d) If the Shares are subdivided or consolidated (or there is any other similar proportionate capital reconstruction) during the period commencing on the date of this Agreement and ending on the date of completion of the relevant Matching Amount Acquisition, then the Matching Amount will be adjusted as appropriate to take account of that subdivision or consolidation (or other similar proportionate capital reconstruction) of the Shares in order to give effect to the intention of this clause 5.

6. Acknowledgements

The parties acknowledge that:

- (c) the Shareholder may exercise and/or control the exercise of all voting rights (as defined in the Takeovers Code) attached to the Other Shares in whatever manner it sees fit;
- (d) nothing in this Agreement will confer on SPV (or any other party) the ability, or right, to hold or control (as defined in the Takeovers Code) any voting rights attaching to any of the Other Shares, and SPV has no control whatsoever over any of those voting rights;
- (e) the Shareholder is free to sell or dispose of any of the Other Shares in whatever manner, and at whatever time, it sees fit (subject to applicable insider trading law); and
- (f) SPV and the Shareholder are not acting jointly or in concert.

7. Termination

The obligations of SPV under this Agreement will automatically terminate, and the terms of this Agreement will be of no force or effect, upon SPV paying a Top Up Amount to the Shareholder under clause 3.1.
